SENIORS BID FAREWELL

SENIOR CLASS OFFICERS: Janet Grieder, President; Sam Achman, Vice-President; Mary Strassener, Secretary; Linda Jackson, Treasurer.

Mr. Sausele, Class Adviser

"The year's at the spring" and no one is more aware than Humboldt's senior class. This is the time of "commencement" — of beginning a new phase of life; but more than anything else, it is the time of leaving an old and dear association. Each day gone by is now more fondly remembered, and there is joy in the thought "That in these moments there is life and food for future years."

IN MEMORIAM

The tragic death of classmate Joe Moryn, who was killed in an automobile accident on December 6, 1968, was the darkest moment of the year not only for the class of 1969 but for the entire student body and faculty. Joe, a member of the A Chorus, was active in school affairs. He was beloved by all who knew him. His passing serves as a tragic reminder of the tentative and transient nature of life.

UNDERCLASSMEN

JUNIORS ACCOMPLISH A PROMISING YEAR

Mr. Longsdorf, Junior class adviser, thinks over future class projects.

Junior Class officers are President, Victor Wowk; Vice president, Sue Melby; Secretary, Carole Vogt, and Treasurer, Kathy Ferber.

The junior class who chose Victor Wowk its president has worked closely with Mr. Longsdorf, adviser, to the ample success of their several undertakings. The lavish decorations of the Christmas dance, the first held in the Humboldt cafeteria, resulted from the combined efforts of the steering committee and the entire junior class. Another first of the junior class this year was the implementation of "slave-day" at which time many girls, grades seven through twelve, volunteered to serve their masters. The girls were auctioned off at an early morning slave mart.

Members of the junior class steering committee are Kathy Ferber, Danielle Malloy, Sue Melby, Bonnie Burt, Julie Eklund, Shelly Casalenda, Vicki Klingbeil, Laurel Peterson, Carole Vogt, Vickie Meyer, Joan Perkins, Harold Hunter, Cindy Luna, Marcia Stevens, Shary Zoff, Muriel Fjerstad, Julie Santos, Ellen Barbeck, Barbara Peppard, and Sue Anderson. The committee, pictured in session on the left, were responsible for this year's junior class activities.

SOPHOMORES PREPARE FOR FUTURE

LEFT TO RIGHT: Mark Deeb, Vice-president; Lynn Campbell, Secretary; Nancy Theno, Treasurer. Not pictured: Janet Melbye, President.

The sophomore class under the guidance of adviser, Mr. Odland, spent a busy year in preparation for undertaking junior class responsibilities. The class committee, elected through homerooms and by the class at large, met several times nominating and electing class officers and planning class activities. Highlight of the sophomore year was the dance in March. From the efficiency of their meetings and activities, the sophomore class gives promise of being an excellent source of future leadership for the Humboldt student body.

Mr. Rector and Mrs. Lee discuss mutual problems.

Mrs. Judy Stevekin, clerk to the counselors, prepares counseling materials.

Mrs. Phyllis Twite, substitute nurse, confers with a student.

Special services provided at Humboldt include the health surveillance affairs of nurse Mrs. Sally Lee who is concerned with the total health security of the school as well as giving aid and comfort to the individually distressed.

The task of Mr. Charles Rector, school social worker, is to help coordinate affairs between other social agencies and the school. Mr. Rector is not a probation officer, though he is sometimes known to deal with those whose adjustments are converse to social expectations.

As school comes to an end for this year, so does the long teaching career of Mr. Arthur Peterson. Mr. Peterson, who has been a legend both at Humboldt and over the whole West Side, has reached his well-deserved retirement. For many years a successful coach, Mr. Peterson has never lost his enthusiasm for sports and the young men who play the game. Mr. Peterson stands as fine recommendation to the profession of teaching. He will be greatly missed at Humboldt and throughout the entire St. Paul Public Schools system. Best wishes in your new life, Mr. Peterson!

FACULTY

ADMINISTRATION

Education does not stop on graduation day. All of life is a time of learning and relearning. Those who stop learning handicap themselves in two ways — they are unable to earn what they believe to be a satisfactory wage, and they cannot rise to the cultural and achievement level that would be made possible by increased knowledge and understanding.

Getting an education comes easier to a person who sets his goal, sets his aim, in an honest spirit of intellectual inquisitiveness. He may have to become an expert on a job, but he can remain a scholar too, and this breeds self-confidence. He is likely to have more than passing marks; he will have quality.

A. W. Ludwig

In these times of challenge and change the destiny of this country lies in the hands of our youth. The students graduating from Humboldt and other high schools and colleges this year must meet the challenges and changes of today's world with confidence and security. Humboldt has given you training and preparation for your future; use it wisely to gain your confidence and security in an important adult society.

May I take this opportunity to wish each and every senior in the class of 1969 a purposeful and successful future.

K. M. Bergstrom

GUIDANCE STAFF

Mrs. Hovelsrud

Mr. Ousdigian

The guidance department at Humboldt is staffed with three able counselors. Mrs. Hovelsrud advises the senior high and helps the seniors in college applications and scholarships. In charge of the junior high is Mr. Ousdigian who helps the students adjust to high school life. A new addition to the counseling staff this year is Mr. Sweetland, who was previously a teacher at Humboldt. The school is glad to have him on the staff while he serves the senior high.

The 1968 Humboldt football team made an outstanding fourth place finish with a five win-three loss record. They started out the season with four consecutive wins against Murray, Monroe, Harding, and Washington. Co captains of the comparatively small but aggressive team were, Joe Thompson and Sam Achman. Three team members, Larry Adams, Dave

Gross, and Marcus Varela, were elected to the All-City Team. Al Haugen, John Wenker, Jerry Stahnke, and Doug Munoz made Honorable Mention. Doug Munoz was also chosen "most valuable player" by his teammates. The 1969 football captains are Mark French, Ken Cordes, and Marcus Varela.

Though facing a difficult schedule and a long season, the basketball team showed steady improvement. With one win on its record, the team was short of depth and height but never determination. Co-captains were Ken Cordes and John Frame. Prospects for next year are bright as seven juniors and two sophomores who played varsity ball this year will be returning. Also promised for next year is a revised schedule with several games in the Humboldt gym.

Parent's Night — February 6.

Heavy-weight, junior, Marcus Varela.

Co-Captain Herschel Jacobson, 95 lbs.

Junior Dennis Robinette, 106 lbs.

The 1968-69 Humboldt wrestling team captured their third City Conference championship in four years. The team had a total of seven conference wins and one loss — the loss to Mechanics Arts, who shared the conference title with Humboldt. The team's highest scorer this year was Herschel Jacobson who gained seventy-one points for the Indian cause. Other high scorers were Dave and Dennis Robinette, Rich Munoz, Al Haugan, Bob Lynch, and Jim Raasch. Recognized as individual city champions were Her-

schel Jacobson and Rich Munoz. Along with city honors, the team also captured second place in the District tournament with wins by Steve Spicer at 157 pounds, and Dennis and Dave Robinette at 106 and 115 pounds respectively. The whole team worked hard for each of the honors it received; and since the team is young, the expectations for the future are bright.

This year's "most valuable wrestler" award was given to Herschel Jacobsen.

Wrestlers and coaches alike appreciated the fine support shown by the Humboldt fans and student body. Next year, it is hoped, a complete and official B-Squad schedule will be held.

Senior Robert Lynch, 133 lbs.

Co-Captain Alan Haugan, 165 lbs.

Co-Captain James Raasch, 138 lbs.

The 1968-69 gymnastics team finished with a four win and four loss record. The meets switched from having class "A" and "B" to having only class "A", thus helping smaller schools. The team made a very good showing led by co-captains Kevin VanderHeyden, Jeff Deuth, and Bob Sorbe. Chosen by the team as the most valuable player was Kevin VanderHeyden who placed eight on rings, third on highbar, and tied for fourth in free exercise in the Region. He also went to state. The team shows promise for next year with only three seniors graduating. The 1969-70 co-captains are Mike VanderHeyden and Jim Meade.

Winning only one meet against Monroe, the 1968-69 swimming team finished in 8th place in the conference. With only the two senior co-captains, Keith Besaw and Tom Krey, graduating this spring, next year's prospects are good. Co-captains elect, Dave Mueller and Victor Wowk, and three other returning lettermen Terry Otto, Dave Bukowski and Dave Wilmont will make up the nucleus of next years squad. The 1968 track team ended its season finishing fifth in the city conference. The H-Club voted Captain Jerry Seivert the most outstanding athlete. This was justified by Jerry holding the city title in high hurdles, and being a finalist in the

low hurdle competition in the state track meet along with accomplishments in long and broad jumps. Other outstanding team members were Ken Cordes and Gay Caflisch. The outlook for next year's team is good.

CROSS COUNTRY

Cross-country is a fall sport which requires a great deal of practice and team effort on the part of the boys participating. Mr. Derr is the coach of this sport. The meets are held at the Highland Golf Course. The final record of the 1968 team was 8 losses and 0 wins.

GOLF

Mr. Ernst's golfers carded four wins and four losses in city conference play during the 1968 season. A good nucleus of returning lettermen look forward to bettering the record this spring. Golf, a popular summer sport, gets underway just as the yearbook goes to press.

'A' CHEERLEADERS

For the Humboldt cheerleaders the school year began in late spring with cheerleading clinic and try-outs. Twelve regular cheerleaders and two alternates practiced two or three nights a week during the summer months. Eight girls cheered for football in the Fall. During the Winter six cheered for basketball and wrestling, and six cheered for hockey and gymnastics.

A particular treat for the cheerleaders this year was the trip to Austin, Minnesota for a football game. In addition to their cheering responsibilities, the girls attended several clinics on cheering techniques and also formed a pom-pom marching unit with the B-squad cheerleaders. This group marched with the band in the St. Paul Winter Carnival Parades. It is hoped that the marching unit will expand in future years.

Also, they cheered for winter and spring sports. The B-squad assisted the A-squad at football games and assemblies. Most important, they gave their utmost at games.

PUT MECHANICS OUT OF GEAR

As the lights dimmed and the melodic sounds of Mr. Madsen's piano filled the auditorium, the 1968 Homecoming festivities began.

It was truly a Blue Heaven which was reflected in the candidates on the stage. Amid the drum roll in the hushed auditorium, Linda Jackson was crowned 1968 Homecoming Queen.

The dance was held in the cafeteria to the sounds of the Chancellors, a short program was presented which only added more to the Homecoming spirit.

Spirit is what the students had when the postponed game was won 7-14. "Put Mechanics out of Gear" was the official slogan.

SNO-DAY

Another successful Student Council project was Snow Day, 1969. Perhaps the coldest day of the winter might have deterred less hardy souls, but Humboldt's intrepid Indians braved the elements for an afternoon of broomball, sliding and just plain nonsense out-of-doors. "Sno-Flakes Divine in '69" was this year's icy slogan. The dance, highlighted by the coronation of Shelly Casalenda as queen and Larry Adams as King of Snows, was attended and enjoyed by a rollicking multitude.

MURDER IN A NUNNERY

A mystery comedy about a murder that takes place in a nunnery at the beginning of the play and what went on in finding the murderer. Although Reverend Mother had everything in hand, Inspector Pearson and Sergeant Mulligan came to try their hand in solving the mystery and proved themselves more of a hinderance than a help. The nuns, students, and other cast members took a share of the audience's suspicion before the real murderer, Mrs. Moss, gave herself up. Mrs. Hanson — Director.

NATIONAL HONOR SOCIETY

Members of the National Honor Society are chosen on the basis of scholarship, leadership, service, and character. They are chosen from the top 20% of the class. Teachers who have known the students in high school pick the members. The committee tabulates the results and makes preparations for the Honor Society Banquet held in May. The initiating of society members is done at the Candlelighting ceremony at the banquet. Last year a Junior Honor Society, whose members are provisional, was introduced at the Awards Assembly. Its members were:

Deborah Aeilts
Cindy Aydt
Keith Besaw

Ann Jones

Lynn Goetzke
Janet Grieder
Teresa Ishibashi

The Scientists-for-a-day were Terri Ishibashi, Bill Stiff, and Keith Besaw. Not pictured is Bob Lynch.

The 3-M Science Recognition Day was held with Dianne Seivert, Ann Jones, and Warren Schave being the Humboldt representatives.

HUMBOLDT HONORS

Norm Christopherson and Willie Abbott were chosen as foresters-for-a-day. Mr. Felien accompanied them to the activities held at the University of Minnesota.

Julia Eklund was chosen by the juniors to attend Girls State. Girls County representatives are Sue Melbye and Shelly Casalenda.

The senior class chose Keith Besaw to represent Humboldt at Boys State and Dave Gross at Boys County last year.

Harold Hunter has been chosen to receive the Rotary Award.

The Optimist Award was presented to Ken Ritchie.

Janet Grieder was awarded the Betty Crocker Homemaker of Tomorrow Award.

DAISIES IN

"Daises in Springtime" created an enchanted atmosphere as the handsome couples danced to the mellow sounds of the Dick Roberts Sextet. The Northstar Ballroom was decorated gaily with a water fountain and numerous candles. Available for the sentimental couples was the chance to capture the moment in colored pictures by Dellarson Studios. The highlight of the evening was the grand march led by the class presidents.

Officiating at a regular Student Council meeting are Mary Strassener, treasurer, Cindy Aydt, president, Shelly Casalenda, secretary, and Terri Miller, vice-president.

STUDENT COUNCIL

The Student Council proved itself to be one of the school's most active organizations. Its members have been the principle organizers of Homecoming, Sno-Day, the Thanksgiving Basket Drive, Dress-Up Day, and Clash Day. This year the Student Council also supported the decoration of homeroom doors during Christmas. Through the aid of the Student Council, Humboldt now has a Viet Nam Plague and a bulletin board for events. The Council was also instrumental in revising the dress code. The Student Council was under the direction of Mr. Asenbrenner. The group picture of the Council did not turn out.

Several aspects of the publication of Humboldt's school newspaper, the ARROW, were changed this year. The staff was headed by co-editors, Linda Frame and Linda Quigley. During the Christmas holidays a new editorial adviser took over ARROW responsibilities. Mrs. Carter, the new adviser, replaced Mrs. Halwes, who had directed the school paper for several years. The staff, which had previously included only students in journalism, was increased with the addition of several reporters from other classes.

The small club keeps track of each interesting fact that takes place at Humboldt and records them so that future students of Humboldt may look back and enjoy that which we enjoy at the present.

FTA

The Future Teachers of America advised by Mrs. Doris Barron have been tutoring students in the Humboldt area grade schools for several months. They have had meetings with student teachers at Humboldt and have generally investigated the prospects of teaching as a profession. The F.T.A. sponsored a toy drive for the Neighborhood House.

She is Miss Susan Mecklenberg.

The Red Cross, under the direction of Miss Peggy Klein, consists of the representatives from the homerooms. Red Cross members have collected money from the students to aid the United Fund, and are currently working to collect toys for needy children.

After only two year's existence the Color Guard has become an integral and expected part of the Humboldt marching band. The girls put in many hours of work both during and after school. This year the Color Guard performed at football, hockey and basketball games and marched with the band in the Winter Carnival parades. Executing interesting routines and precise drills, the Color Guard is one more example of the excellence in the Humboldt music department.

BAND

The whistle, the drumbeats, the harmony of the instruments are the sounds listeners may hear from the Humboldt A Band. They play during the football season, Winter Carnival time, give concerts in our auditorium, and play on summer evenings in Cherokee Park.

Sixty-three playing members, eight majorettes, and twenty-three color guard members participate in many events. The band gives an annual spring concert; they play for Wilder Convalescent Home, and many downtown businesses. They have also played for the Aquatennial Parade and the two Winter Carnival Parades.

The band has not only increased its activities but also its size. The band presently consists of ninety-four members and has students in the eighth grade who will be entering the band next year and participating in its many activities.

LIFE STAFF

The Life Staff spent many long hours to put together this year's yearbook. Each person contributed time and talent to make the yearbook what it is. Our two editors did an excellent job and did their utmost to make the yearbook a success. Finally, we would all like to thank our new advisor, Mr. Klawitter, who took the time to help us. Without his ability and patience, we would never have finished.
