1963 LIFE
HUMBOLDT HIGH SCHOOL

St. Paul, Minnesota

Editor: Rhona Miels
Advisor: Dean Sausele

The students of Humboldt High School dedicate this issue of *LIFE* to a man who has dedicated his life to the students of Humboldt High School. This man is Michael J. McDonough.

Almost since he first came from Ireland as a young boy, he has been a well-known figure on the West Side. He attended St. Michael's Grade School and was an active student here at Humboldt. His performance in his class play "Brown at Harvard" is still talked about in alumni circles. His interest in athletics was intensified by his strong school spirit.

After he received his B.A. degree from St. Thomas, he returned to his beloved high school as a teacher. It has always been his goal not only to teach social studies, but to inspire his students to love America and to be truly patriotic.

He served in World War I. During World War II, his patriotism and his compassion prompted him to spend many hours writing letters to Humboldt graduates who were serving overseas.

In the past, when a Humboldt student has been in difficulty, many teachers have shown sympathy, but it has been Michael McDonough who went to see the student's parents to offer advice and comfort.

He has exerted himself to win scholarships for many worthy students and his interest in the school is exemplified in his position as Director of Athletics.

The teachers of St. Paul also owe Mr. McDonough gratitude, for he has always been an important member of the St. Paul Federation of Teachers. In this organization, he has served as an officer, as a delegate to conventions, and as a member of the board.

The essence of his character is expressed in his personal motto: "I shall pass this way but once, therefore any good I may do or any kindness that I may show, let me do it now, let me not defer, for I shall not pass this way again."

Surely Michael McDonough is a man worthy of tribute, praise and emulation.

Office Help

Tardy slips, transcripts, and records all add up to a necessary headache for Mrs. Erickson and Mrs. Carlson, our efficient secretaries. Anyone who has been late to school or has gone on an errand to the office has become acquainted with these helpful ladies.

Cooks

The Life now pays tribute to the ladies who "serve-up with a smile." The hard-working cooks who prepare our delicious student lunches are: P. Ehrenberg; M. Walker; D. Rochon; M. Blair; F. Kunz; K. Nagel.

Nurse

Heights, weights, and eye-charts are the private jurisdiction of our school nurse, Mrs. Clapp.

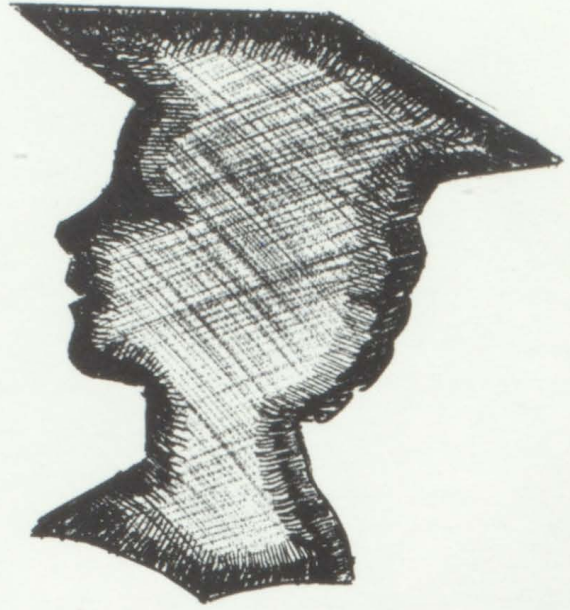

Librarian

The class of '63 pays tribute to Humboldt's helpful librarian, Mrs. Barron. We thank her extreme patience and love of learning.

Custodians

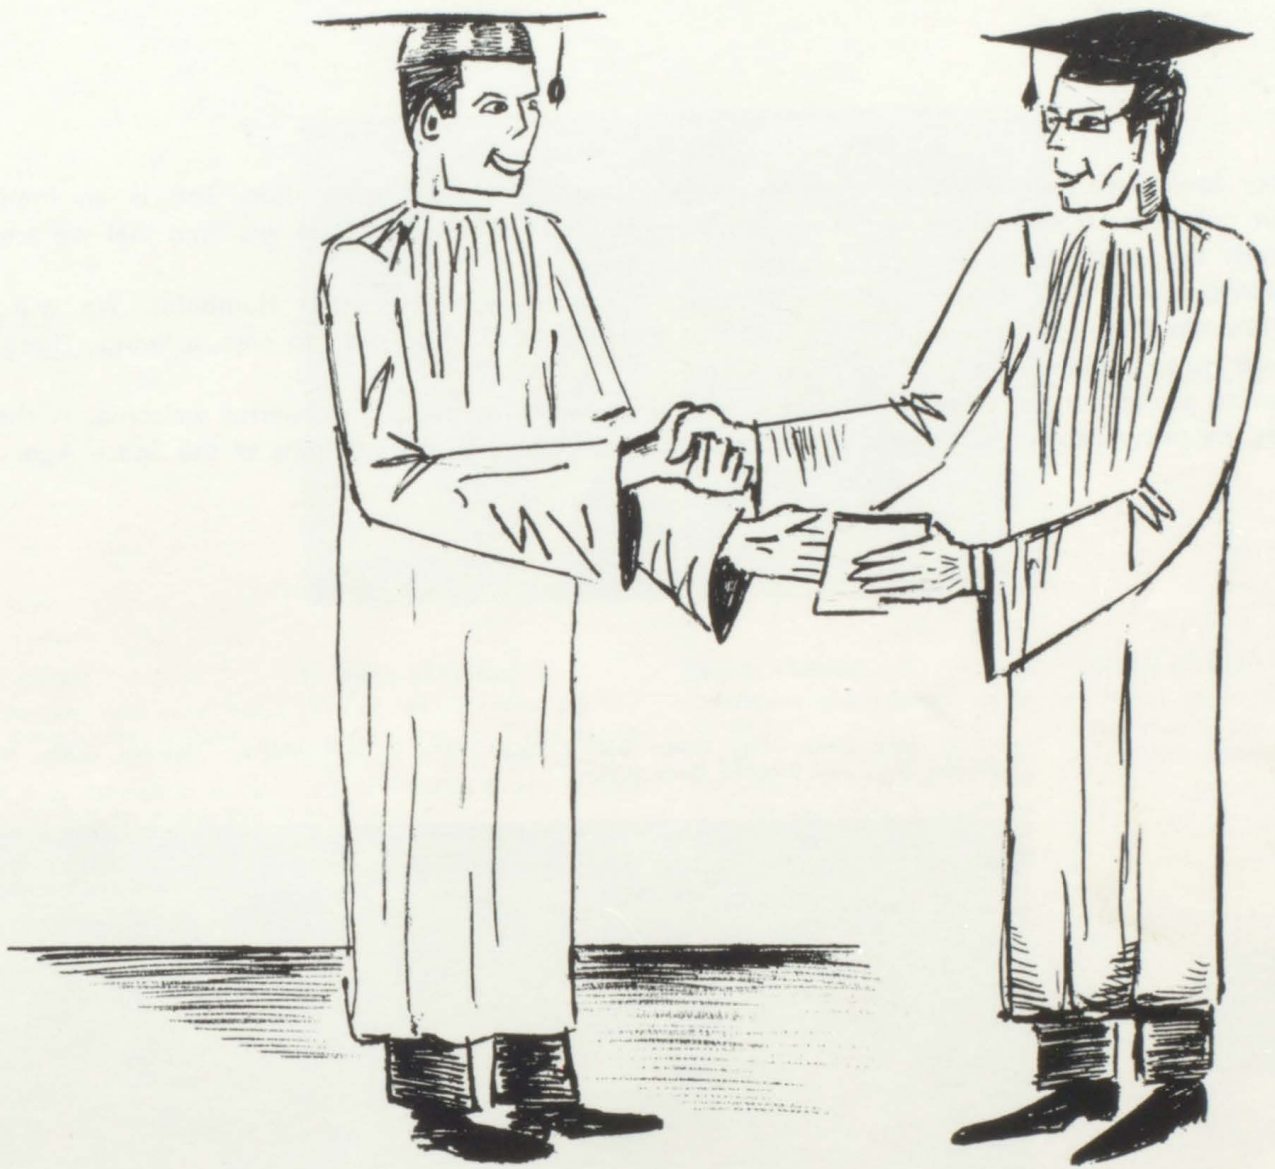

The members of Humboldt's custodial staff are perhaps the most harried people in school. The student body is grateful to its custodians who somehow manage to remain cheerful and friendly during their long day.

Seniors

Seniors

V. Pres. Russ Bakko; Treas. Barb Ryan; Sec. Sandie Kellerman; Pres. Dave Hozza.

During our Senior year, all of our activities focus upon one main event—graduation. This is an important milestone in our lives. It symbolizes our transition from children to adults. It is at this time that we are pronounced ready by society to be sent out into the adult world.

Our Senior year is a time to look back in retrospect upon our years spent at Humboldt. We will soon realize the enormous benefits derived from our high school education and begin to earn a living. These past four years will remain an integral part of our lives.

Upon leaving Humboldt, we should not bid a tearful farewell, but rather, a cheerful welcome. A cheerful welcome for the many happy years remaining before us, and for our lives as citizens of the Space Age.

During the Junior year, class activity reaches its peak with the sponsoring of the Junior-Senior Prom, held in late spring. The Class of 1964, along with its able and hard-working advisor, Mr. Korum, has spent a very successful year working toward this end. They have engaged in various money-making enterprises, including a paper drive and a Christmas dance.

The Junior year is a time of anticipation. We look forward to our first Prom, our class rings, our activities and good times, and our last year at Humboldt, our senior year.

In our sophomore year we became a definite part of Humboldt. This is a year of education for us, the year of our first organized activity as a class.

The first step toward an organized class is the appointment of a class advisor by the school administration. This year Mr. Ettlinger volunteered his services as advisor for the class of 1965.

Our first act as a class was the selection of officers and a class committee.

The class of 1965 and the officers and committee have done an exceptional job this year. They have collected dues, sponsored a school dance, and participated in many activities.

1962 J-S

What makes a good time? Pizzas and cokes? Records and dancing? A date with someone special?

The 1962 Prom combined all the good times of our high school career. Music and dancing at the North Star Ballroom, Joe Brabek and his band, dinner at the White Pine Inn, and the strains of "Twilight Time" made it a perfect evening.

1962 J-S

The Junior-Senior Prom is the biggest event of our Junior year. The planning and programming for this special evening is our responsibility. The success enjoyed during the evening of May 29, 1962, is truly a credit to the class of 1963.

Her Majesty, Queen Kathie

1962 HOMECOMING ROYALTY: David Hozza, Marilyn Robinson, Leon Hushcha, Kathy Schwager, Queen Kathie Hottinger, Louis Kanavati, Marlene Jurgensen, Tom Bitterman, Sue Barbato and Ken Burton.

It was hard to tell who was more excited—the lovely queen candidates or their nervous escorts—during the 1962 coronation assembly. The auditorium was packed and all eyes were on the sea-fantasy-decorated stage as Kathie Hottinger was crowned Homecoming Queen by last year's queen, Xenia Mirza.

Our homecoming game on September 28 gave Humboldtites a chance to show Central that it takes a lot more than size to out-cheer enthusiastic Indians. The team proved it wasn't all smoke-signals and no fire—we beat the Minutemen 20-14. Halftime activities included performances by the band and majorettes and the traditional homecoming parade.

Looking even lovelier and a little less nervous than they did during coronation assembly, the Royal Party and their loyal subjects enjoyed dancing to the music of the Startones as a grand finale to Humboldt's 1962 Homecoming activities.

Sno

Queen Sue and Princess
Mary Jane

Despite cold, windy weather the 1963 Sno-Day really was a "Baker Blast." In the afternoon the senior boys won the broom-ball contest, while among the girls the sophomores proved to be best at the sport. Other highlights of the day were the treasure hunt at which Frank Troje was successful and the

various skate races. In the evening, the Star Liners provided swinging music for the gala Sno-Ball. The climax of the evening came when Sue Barbato and Ron Gordon were crowned Queen and King. Tom Ricci and Mary Jane Ferber were named Prince and Princess.

Band

A ruffle of drums, a blaze of horns, and a flash of bright orange and black. Humboldt's band has just passed. The band is a source of pride for all who attend Humboldt.

Under the direction of Mr. Asenbrenner, the band has made great improvement over the past two years. The band's faithful attendance at the games this year added a large measure to the enthusiasm and pep of the crowds. Their performances in assemblies and on the field have always been entertaining and well rehearsed.

To the members of the Humboldt High School band and to Mr. Asenbrenner we owe a debt of gratitude for their hard work and energy in the past year.

Arrow Staff

With headlines and deadlines, proofs and spoofs, and great sighs of relief, another year draws to a close for the Arrow staff and reporters.

The Arrow has long been the standing project of the first and second year journalism classes. Besides capably fulfilling its original purpose of reporting school activities, the staff brought new features to the newspaper.

This year the Arrow took on new dimensions. Under the able direction of Miss Steger, new emphasis was

placed on editorials and those elements which inspire thought and discussion among the students. This year, for the first time, the personal opinions and reactions of the student body were solicited and printed. This brought about the creation of two new departments in the paper, "Sound Off" and "Opinion of the Month."

Much of the success of this year's Arrow is due to its competent editors: K. Robinette, D. Berthiaume, C. Pelton, G. Poechmann, and K. Schwager.

F.T.A.

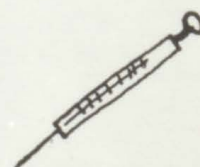

Members of the Future Teachers of America have the opportunity to gain valuable experience by substituting in nearby elementary schools. Students in this club are interested in the field of education, and under Mr. Ernst's guidance, they seek to explore this field and their suitability for it. In addition to substituting, members learn about the qualities needed to be a good teacher through suggestions given by guest speakers. Officers of this club are: Pres. Mary Gross, Vice-Pres. Margaret Douglas, Sec. Doris Budke.

Jr. Red Cross

Under the guidance of Humboldt's Junior Red Cross have certainly made themselves worthy of the proud name "Red Cross" and all that is associated with that name. At Thanksgiving time they decorated the children's ward at Gillette and at Christmas they made napkin rings for distribution by the St. Paul Jr. Red Cross center. Other activities included a tea, participation in an enrollment drive, ushering at the open house of St. Paul's new Red Cross building and plans for participating in the Red Cross' International projects.

Latin Club

The Latin Club is composed of students who are taking or who have taken Latin. Under the direction of Mr. McDonough, the club's main activity this year was a pow-wow held at Battle Creek. Started only three years ago, this club has become quite popular among students interested in Roman Culture. This year the president of the Latin Club is Tim Scott who presides over the morning meetings.

H-Club

Boys who have earned a letter for their participation in one or more sports make up the H Club. Contrary to popular opinion, the main purpose of the club is not to outcheer the teachers at pep assemblies, although this is one of their worthwhile projects. The H Club has taken the responsibility of setting the school athletic code, encouraging good sportsmanship and sponsoring such activities as Parent's Night and the purchasing of letter sweaters and jackets. The climax of the year is the H Club Banquet for the athletes and their parents. Officers are Pres. David Hozza; Vice Pres. Roy Ferber; Sec. John Genz; Treas. Larry Callan.

Spanish Club

Members of the Spanish Club seek to broaden their knowledge of the culture and customs of Spanish-speaking countries. Under Miss Steger's direction, informative film strips and film strips and movies are shown at meetings. The highlight of the year was the annual fiesta at Christmas time which included the breaking of a Mexican Pinata. Officers are: Pres. Joan Littfin; Vice Pres. Doris Budke; Sec.-Treas. Mary Gross.

Quill & Scroll

Arrow and Life staff members must do superior work in some phase of journalistic or creative endeavor to be eligible for membership in the highly-regarded honor society of Quill and Scroll.

Camera Club

The Camera Club was relatively inactive this year. The only project they undertook this year was a minor one—they photographed the dark side of the moon from their spacecraft called *The Flying Indian*. Their photographs proved beyond a reasonable doubt that the moon is not made of green cheese, but is, in fact, made of blue limburger. However, the U. N. International Board of Scientists refused to admit the photographs as evidence—as a matter of fact they refused to admit the club members! The major goal of each member is to become Darkroom Supervisor. This year the award went to Sue Whitney.

Y-Teens

With vim, "vigah," and vitality, Humboldt's Y-Teen chapter closes another happy year.

The Y-Teens is a social organization for junior and senior high school girls which is affiliated with the local YWCA. During the year the girls sponsor many fun filled activities.

Some of the activities participated in this year have been: Carwashes, hayrides, and doughnut sales.

This year's officers were: Pres. Kathie Hottinger; Vice Pres. Sandie Kellerman; Sec. Merrilyn Robinson; Treas. Gayle Snyder.

Student Council

The backbone of Humboldt High School is its well-organized Student Council. The Council is the force behind nearly every school activity.

In the Council, a cross-section of the student body is found. Representatives from all homerooms and clubs work together under the direction of Mr. Funk to sponsor homecoming, Sno-day, the Thanksgiving basket drive. This year the Council also sponsored a

clothing drive and a clean-up-campaign.

Another basic function of the Council is to air any complaints students may have and try to find a solution which will be acceptable to both the student body and the administration.

Officers are: President, Louis Kanavati; Vice President, Walter Awada; Secretary, Kathie Schwager; Treasurer, Kathie Hottinger.

Historical Society

Delving into the past, the Humboldt Historical Society looks up from its musty records to note the graduation of another class.

This club, under the advice of Miss Kees and the efficient administration of President Pat Ward, has spent a hard-working year putting the files in order. This year an attempt was made to bring the cards of graduates up to date by telephoning and consulting reunion schedules.

As always, the Society put together a Homecoming display and posted news of Humboldt alumni.

G.A.A.

The students who meet in the gym for Girls' Athletic Association meetings are not there because President Kennedy has been emphasizing physical fitness. This is not to imply they are not patriotic, but the fact of the matter is they just plain like participating in softball, volleyball, tennis, bowling and all other G.A.A. activities conducted under Mrs. Siegfried's guidance this year. Girls who earn enough points in the various sports are given an award at the end of the year.

Co-Op Workers

"Ready, willing and able" could perfectly describe Humboldt's Co-op Workers. Those belonging to this group have been given an excellent opportunity to demonstrate their abilities in an actual occupation.

Under the direction of Mr. Aga the Co-op Workers are given a special course in occupational relations and are dismissed from classes at noon each day. In the afternoon each student goes to a job, which the school has helped him to find. These students learn first-hand of the qualities necessary for success in the working or business worlds.

Thespians

The curtain rises . . . The house lights dim . . . Before you you see the product of much imagination and hard work, a play presented by Humboldt's Thespians.

A basic part of Thespian membership is attendance at the meetings, which are held every two weeks. Part of each meeting is devoted to speech activities. During this time the members put on skits, act out charades, or do pantomimes.

During the year, the Thespians took part in the Christmas pageant by presenting several inspiring tableaux and presented a three-act, non-musical version of "Annie Get Your Gun."

Football

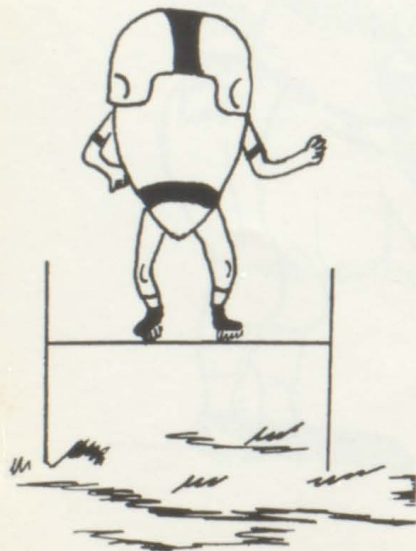

Humboldt's dashing defiant gridmen finished the 1962 season with a 4-win, 4-loss record and fourth place in the city conference.

Although not as spectacular as last year's city championship team, they gave us plenty of thrilling moments on the field. The 1962 Homecoming game found the Indians rallying from a 14-point deficit to beat Central's gridiron gladiators by 5 points. Probably the best-played game of the season was a contest with Washington in which we handed the Prexies a crush-

ing 45-0 defeat.

Several players showed outstanding ability this year. Dave Hozza was selected All-City second team tackle and Gilbert DeLaO, second team center. John Genz, 1962 team captain, was selected by his teammates as the most valuable player of the season.

A word of thanks to our excellent coaches, Mr. Maurer and Mr. Funk, for their hard work and determination in giving us a team of which we can be proud.

BASKETBALL

The 1963 edition of the Humboldt Basketball team turned in a fine performance. Although the stands were heartbreakingly empty, the team fought on to capture third place in the City Conference with a 5-win, 3-loss record.

The team, under the direction of Mr. Rynard, had several outstanding players. Among these were: Jim

Boche, the team's leading scorer; Louie Kanavati, the team's best rebounder; and Tom Bitterman.

Humboldt's bucketmen are looking forward to a very bright '64 season with the return of many outstanding players.

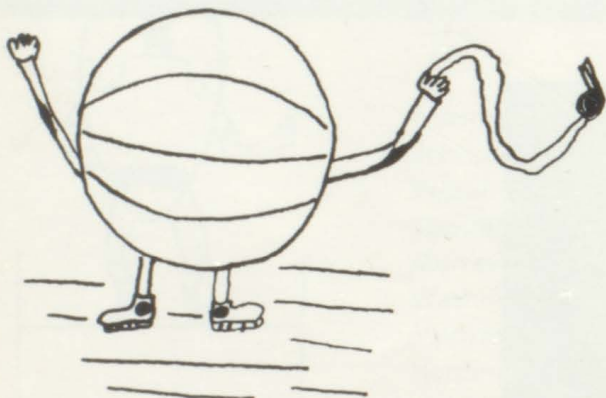

The co-captains of this year's team were Louie Kanavati and John Reyes.

Hockey

The hockey team under the direction of Mr. Funk turned in a fine performance this year for all the fans who came out to watch them. They ended up in third place after losing to Murray 1-3. At one time they were rated sixth in the state.

This year Humboldt had an experienced team, comprised of 7 seniors, 9 juniors and 2 sophomores.

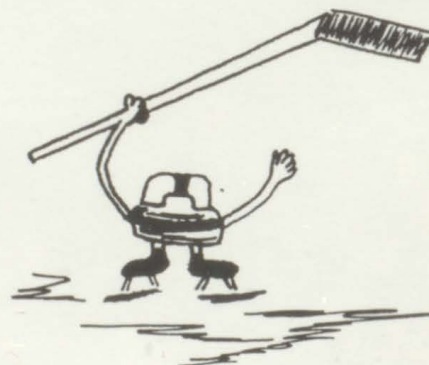

The icemen finished the season with a 12-3-1 record. This included victories over some of the best teams in the Twin Cities and in the state. This was made possible because of the excellent first line comprised of John

Genz, Jim Kueppers, Frank Troje, Ken Burton and Gary Seiger, all seniors.

Several of the players were honored for their outstanding ability. Ken Burton and John Genz were named to the All-City first team. Frank Troje, Jim Kueppers, and Larry Callan were given honorable mention.

A new feature this year was the Round Robin in which each team played 16 conference games. This was made possible by the building of Aldrich Arena.

BASEBALL

The 1962 Humboldt Baseball Team finished the season with a 4-win, 4-loss city conference record.

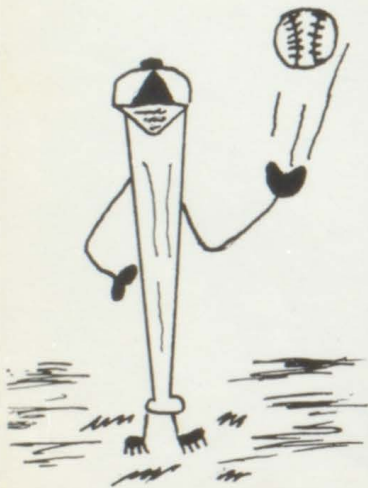

The team was hampered considerably by the loss of many of the 1961 championship team members, including two All-City winners.

Rich Mendez, a sophomore, was the only All-City selection from the 1962 team. Jim Boche, also a sophomore, was the city batting champion.

Prospects for the 1963 team look extremely bright with most of the '62 team returning.

Swimming

The 1962-63 Swimming team completed the season with a 1-win, 6-loss record. The stalwarts of the squad proved to be the team captain, Paul Hodge, Randy Campbell, Bob Nordstrom, and Jerry Stiff.

The biggest problem faced by this year's team was a lack of upper classmen. Paul Hodge was the only senior. As a result, prospects for the coming year look bright, with a strong crop of juniors and sophomores returning.

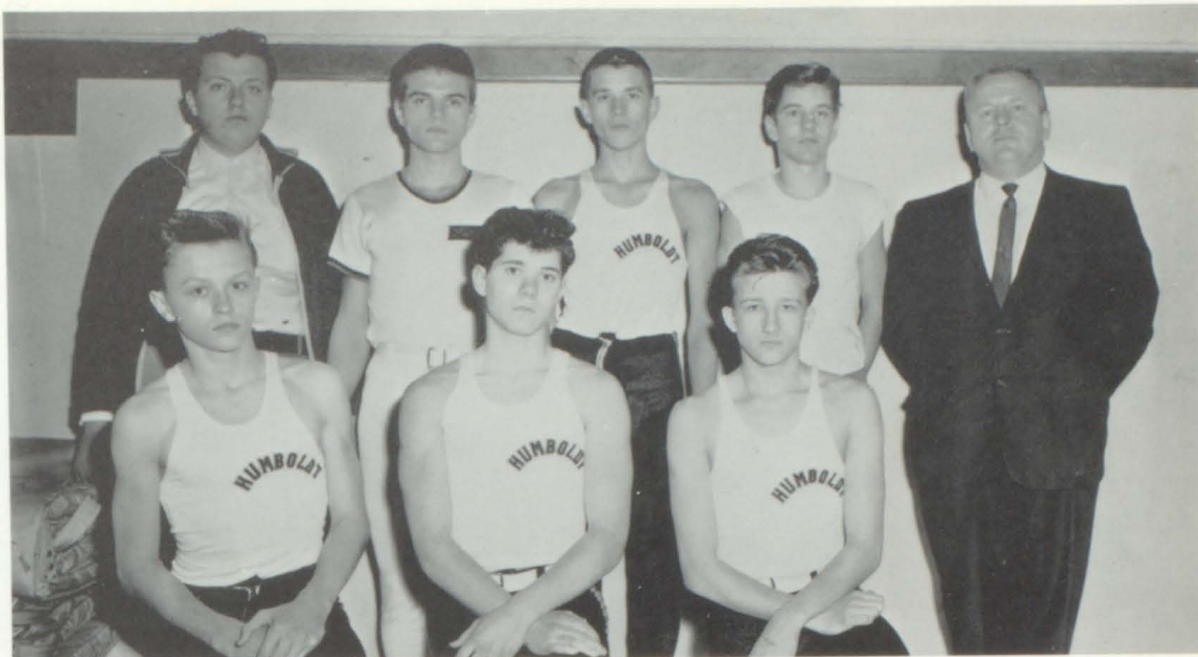

In the City Meet the squad tied for fifth place, beating Monroe and Mechanic Arts and tying Harding.

Wrestling

The 1963 Wrestling team was determined and showed remarkable self-discipline according to Coach Ryan. Despite many injuries and setbacks they made a fair showing with an overall record of 3 wins, 2 ties, and 4 losses. The fighting team captain was Albert Hernandez.

Gymnastics

Due to an unfortunate loss of several team members, the gymnastic team was unable to make an outstanding showing in the city-wide meet this year. However, the boys worked hard and the team shows a lot of promise. Team captain Al Rasmussen placed eighth in the city in class "A" competition.

Golf Team

The 1962 golf team had a fair season, missing the championship by five matches. The golf season is short and the courses available to the boys for practice are limited. However, participants get a great deal of enjoyment and satisfaction from the sport.

Cross Country

Humboldt's Cross Country team did not have a very successful 1962 season. The team lost to each of the five teams it faced. This was due mainly to a lack of upperclassmen.

One of the outstanding members of the team was Frank Belmares, who placed second in the Regional Meet with a time of 10'10". He placed 25th in the state meet with a time of 9'16".

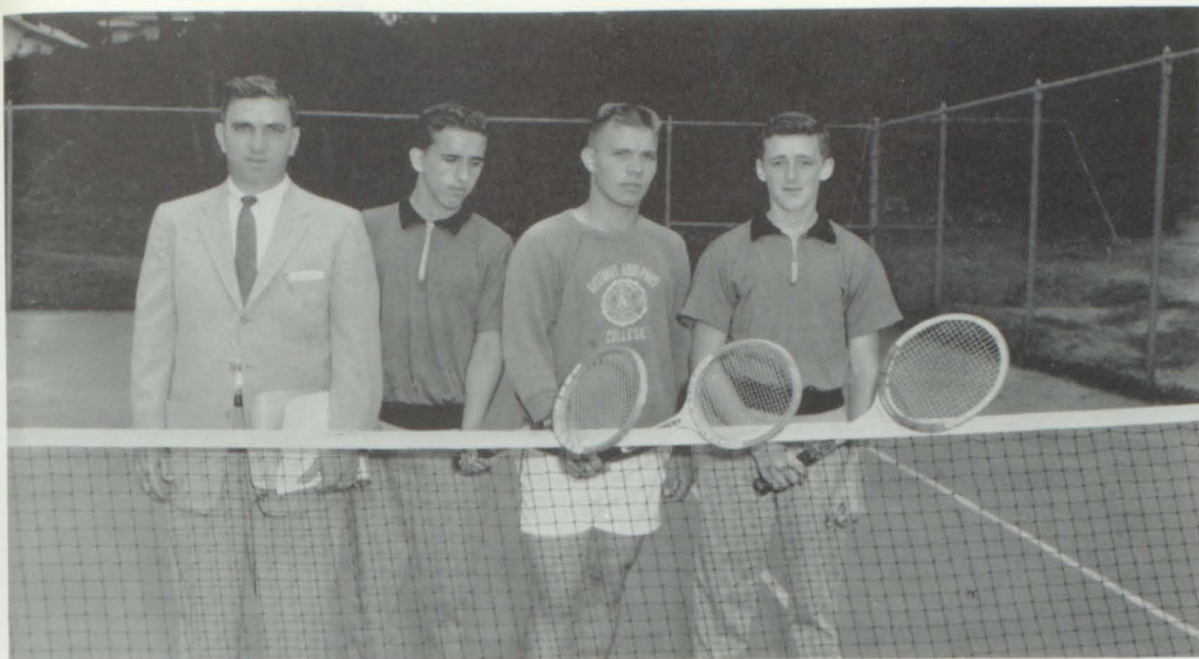

The prospects for next year are quite good. The team will have several returning lettermen including Frank Belmares, a junior.

Track Team

Last year's season saw a good turnout in track and all the boys were willing to work hard. As a result, the 1962 Humboldt track team was record second only to Central at the city-wide meet. This year's team was also very determined, and results will be known by the time this book is printed.

Tennis

The 1962 Tennis team finished in fourth place. Chuck Linnerooth represented us in the State Singles Tournament and another outstanding player, Ken Fisch, had only one loss the entire season. The '63 team is even better; Murray was this year's team top rival.
