ADVICE TO ADVISORS

If a teenager doesn't heed advice,
And flys off in a rage,
Did you begin by saying?
"Now, when I was your age."
Or if his attention wanders,
While you are having a say,
Did you begin that sentence,
"Things were different in my day."
My advice to you my friend,
When a message you convey,
Keep it in the present tense
And forget about yesterday.

YEAR 'ROUND JOY

Summertime's that time of year
When flowers bloom and birds we hear.
It's happiness and warmth of sun
Are loads of fun for everyone.

Fall has its beauty too
With cooling winds and autumn's hue
Halloween 'n Thanksgiving come
Bringing goblins, food, and bubble gum.

Winter brings its cold, cold nights
But also brings our Christmas lights.
It is a time of joy, goodwill
Which often proves to soothe the chill.

Spring eliminates the snow
And helps bring out nature's glow.
Trees bud and flowers sprout
And opened up are lakes of trout.

FEAR OR FAITH

It's never going to happen, I keep saying
all the time,
"Society won't permit, this terrifying crime."
And yet the ads in papers, on radio and TV
Say "Build a fallout shelter—protect your family!"

To me it does seem useless, to spend our
hard earned cash
Providing small protection, if an atom bomb
should smash.
I'd rather think and labor, along the paths
of peace.
And take my chance of living in
A world where hate will cease.

PIZZA, AND THE PHONE

While sitting here all alone,
Someone, by chance, called on the phone.
What we said I don't quite recall;
But, if memory serves, she was having a ball.

Faintly I heard, above her quick chatter
The tinkle of dishes, laughter and patter.
A pizza, it seems, was in the making,
And she had help for this undertaking.

Spread out the dough, sprinkle the cheese,
Dash it with sausage, now bake if you please.
Turn on the hi-fi and dance for a while.
When the crust is brown turn down the dial.

Conversation completed, quick as a wink
I joined the gang for a bite and a drink.
Root beer and pizza—Man, that's keen.
We danced, and we ate till the platter was clean.

The dishes we piled and did in a hurry,
For home to the phone again we must scurry;
To lift the receiver, put in a call
And continue our chat, going over it all.

For The Challenges of Life
"D Program"

This is the first part of a four year accelerated program for the superior science and mathematics student. They study a more advanced course in algebra and biology.

By now they are quite familiar with the D-program and move on with more confidence in their pursuit of knowledge. This year they are studying chemistry and plane geometry.

Here the 10-D students have a recitation period in their chemistry class.

Dissecting a frog was only one of the 9D'ers experiments in biology this year.
The 11-D students proudly display their physics project.

11-D

Under the leadership of Mr. Ernst and Mr. Hofmeister they are emerging as the leaders of tomorrow in the exciting field of science. By now they are studying the difficult subjects of physics and higher algebra.

12-D

The last year of the program finds the seniors working more than ever to reach their goals. They deserve much credit for their initiative and desire to stay in the “D” program for four years of hard work.

Writing up the results of a chemistry experiment keeps these 12-D seniors busy.

1961 Homecoming Queen... Xenia Mirza
Memories are MISTY. These are the words that perfectly describe the 1961 Junior-Senior Prom held at the Lowry Hotel, May 26. Music was provided by the dance band of Joe Brabeck.
"Lots To Do On February 'Too'!!" Skating, tobogganing, sliding, tug-a-wars, races, broom-ball, and the treasure hunt, all proved this saying right as students and faculty participated in the annual Sno Day festivities. This year Sno Day was held at Baker Play-ground. Climaxing the afternoon of activities was a non-conference hockey game with West St. Paul Sibley, the Indians halting the Warriors 2-1.

The Vanguards provided music that evening for the Sno Ball. Reigning over the dance were Queen Naomi Mademann and King Ted Staeheli. Candidates for King and Queen were: Seniors, Ted and Naomi; Juniors, Gary Seiger and Sue Barbato; Sophomore, Tom Bitterman and Sheila Cosgrove. Prince and Princess were Dennis Anderson and Colleen Burbach, Freshmen. Eighth grade candidates were Ralph Burger and Marilyn Anderson. Representing the seventh grade were candidates Jim Tischler and Linda Day.

The big moment arrives at Pete Luna crowns our 1962 Sno-Day King, Ted Staeheli. Other candidates pictured are Tom Bitterman, Gary Seiger and Naomi Mademann.

King Ted is anxiously awaiting the crowning of his new queen, Naomi Mademann. Looking on are other candidates, Sue Barbato and Sheila Cosgrove.
Nancy Auge, Gloria Pederson, and Midge de Leon are showing the spot where they found the treasure.

FACULTY
"When the present senior class entered Humboldt as freshmen four years ago and sophomores three years ago, it was only natural that the faculty wonder what accomplishments and significant contributions these students would make to the school.

If a crystal ball had been in evidence at the time, three and four years ago, it could have aided in predicting that these students would develop into some of the most active and loyal students Humboldt has ever had. Many of these students would become standouts in the Developmental Program; many would be part of the championship football and baseball teams; and virtually all students would become integrated in all phases of school life and help establish a better life for themselves and for the school as a whole."

F. Gryskiewicz
Assistant Principal
The Seniors a Passing Compliment

"What fine years these have been for you! You will cherish them in your memories even more as time rolls on. Though you may not be conscious of it now, there is hardly one of you who has not gained some lasting benefit from your experience at Humboldt.

You can expect these to serve you well. Those of you who continue in your schooling will find that the virtues of perseverance and sound study habits will be rewarded. Whether you go on to school or begin your training for success in the working world immediately you will find that what you have put into honest study, athletic competition and just getting along well with others will prove to be an investment for the future. Be glad you're alive because, in the words of Henry Van Dyke, "It gives you the chance to love and to work and to play and to look at the stars."

A Tribute

To Dulcie Kees

I am very glad that the Humboldt LIFE of 1962 is dedicated to Dulcie Kees—a teacher for many years at Humboldt High School.

Miss Kees is not retiring. That the Editors of LIFE are honoring her while still in active service is, in itself, noteworthy.

In her quiet, gentle way, Miss Kees has guided and inspired many boys and girls who are now worthwhile citizens of the community, state, and nation.

Of all professions, one of the most satisfying, as the years pass, is Teaching. The students whom Miss Kees helped are a great satisfaction to her and will forever be a monument to her encouragement and inspiration.

The Teacher generally lives in obscurity and contends with hardship. Patient in her daily duties, she strives to encourage the indolent, inspire the eager, and steady the unstable. Knowledge may be gained from books but the love of knowledge is transmitted by the teacher.

It is my privilege to have known Miss Kees for a great many years. She is dedicated to high standards of scholarship. With kindness, sympathy, and tact she gave advice and helped her students over difficulties in an unobtrusive manner.

To those sincerely interested in an education, Miss Kees is held in deep respect.

In her quiet, unpretentious way she is always doing more than duty requires.

Miss Kees, you are a success as a teacher because you have gained the respect of your fellow workers and the love of your students. Your years at Humboldt have been an inspiration and when you retire, your memory will be a benediction.

Because of your unfailing loyalty to your high standards as a teacher, we gladly dedicate to you the Humboldt LIFE of 1962.

The Football Championship

We Have Won

Now at Last We’re Number One

With a seven win, two loss record Humboldt’s gridmen captured their first St. Paul Football Championship since 1931.

Playing Minneapolis Washburn in the Twin City contest was another exciting event for the boys. Washburn, a terrific and hard playing team, won the game in the last few minutes of play by a score of 7-0.

The Indians dominated the All-City Team by placing three on the team. These boys are seniors: Ted Staeheli, Chuck Linnerooth, and Sam Olriksen. On the second team were Leon Huscha, sophomore, and Jeff Lasch, a senior. Honorable mention were Ruben Martinez and Pete Luna, seniors, and Ken Burton, a junior. Captain Chuck Linnerooth was leading scorer and second in the city.

Our fine coaches Mr. Mauer and Mr. Funk coached a relatively small and inexperienced group of boys to a team of championship caliber. Combining desire, spirit, and willingness with the wholehearted support of the West Side, the “never-say-die” Indians lived up to our expectations.

Basketeers Have Winning Season

The "A" squad basketball team, under the direction of coach Norm Rynard, compiled a winning season record of 10 wins and 8 defeats, finishing in fourth place in the city conference. Tom Farrill served as team captain. Pete Luna's shooting and Lou Kanavati's rebounding also contributed much to the success of the team. Several sophomores show good promise for the future.

Pete Luna, senior, was chosen to represent Humboldt on the All-City second team. Junior Louie Kanavati received honorable mention.

Runners-up

Humboldt's pucksters started off the season by going on a rampage scoring 21 goals in 3 games with only 1 goal scored against them. The boys then took a trip north to play in 3 games against Warroad, Roseau, and Thief River Falls.

Highlighting the hockey season was a 4-0 win over Harding. The semi-finals of the Region IV Tournament found the Indians beating City Conference Champs, Johnson, 3-1. Humboldt lost to Monroe in the finals 1-0, due to the outstanding job in the nets by the Monroe goalie who had 55 stops, a new record for regional play.

The Indians placed fourth in the conference standings. Center Sam Olriksen, senior, was for the third consecutive year, placed on the All-City Team. Captain John Genz, center, leading in the city conference was also placed on the Team. Senior Chuck Linerooth and Juniors Frank Troje and Jim Kueppers were given honorable mention posts.

"There's a first time for everything, even the Baseball Championship," in the words of baseball coach, Mr. Mauer.

The 1961 Humboldt Baseball Team brought home the first city conference and District 15 Championship Humboldt has ever had.

The team carried an 8-0 conference record and an 10-2 overall record. Highlights of the season were a 6-5 victory over Johnson in 12 innings and a 4-2 triumph over previously unbeaten Washington.

Players on the All City Team were Jim Semerad and Mark Leseman. The only returning All City player is pitcher Marty Mendez.
Humboldt's golf team, coached by Mr. Ernst, ended the season with a three win, five loss record. Bill Jen­
tink, Joe Landsberger, and Tim Scott qualified to play in the city meet; but Tim, due to a broken ankle, was unable to participate.

Finishing the season with a four win, four loss re­
cord, the racketmen of Humboldt, coached by Mr. Lee, placed two of their teammates in the regional play­offs. These boys were Jim Christopherson and Chuck Linnerooth. With many returning players, Mr. Lee ex­pects to have a good year.

We, the Class of 1962, would like to take this opportunity to thank Mr. Mattson, our Class advisor for all the help he has given us during our last three years at Humboldt. Many thanks to the faculty members who also made our four-year stay at Humboldt memorable.

On graduation night, as we start down the aisle to the strains of “Pomp and Circumstance”, we are also starting down the aisle to a new phase of life. But, it will leave in the minds and hearts of us seniors the memories of four wonderful years at Humboldt.

The Seniors of ’62
Our Junior year has finally arrived and with it the selection of our class rings. We'll never forget sponsoring the "Santa Swirl" which was a huge success. Then after much planning the big moment arrived. The Junior-Senior Prom. Memories of this wonderful night, TWILIGHT TIME, will linger with us always.

This year was the first year we elected officers and a committee to represent us, and we are looking forward to our junior year with great anticipation. As we go through LIFE'S final chapters, we carry with us all the memories of a wonderful year past, 1961-1962.

Our colors in triumph flashing, 'mid strains of victory;
For others' hopes we are passing into blue obscurity.
Resistless the team sweeps onward, 'mid the fury of the blast.
We'll fight for the name of Humboldt, and our fame will always last.

It is the end, but also the beginning.

In Memory of RICHARD A. KISCH

It was late one bright afternoon — a Wednesday afternoon. A boy, a Humboldt High School sophomore, climbed onto his motor scooter with a companion. Little did anyone realize, as bantering remarks and friendly greetings were tossed about on the sideline, that this boy was to meet disaster later that same day.

Suddenly, the afternoon turned into tragedy, and the happy lads became involved in a serious accident.

The community was shocked and classmates stunned as they were told of the sudden death of one who so recently had been one of them. Friends and relatives remained grief stricken as final tributes were paid to Richard Kisch.

This lad was our friend. He grew up with us. We shared many activities. "Dick" Kisch was an Eagle Scout of Boy Scout Troop 10, the winner of an athletic letter in swimming, a member of the track team, church acolyte for the Holy Trinity Lutheran Church, and a member of the Senior Luther League.

His companionship has given us many hours of fun and pleasure. In short, he was part of us, and when he passed away it was a great blow to all.

Richard was the son of Mr. and Mrs. A. O. Kisch, brother of Thomas, Robert, Roger, and Barbara.

Yes, we will all miss this friend and comrade of ours.
