FOREWORD . . .

The editors and staff of the 1959 "LIFE" hope that you find this annual a complete and satisfactory record of your life at Humboldt. We have tried to include all the activities, events, and memorable happenings that will be worth looking back upon in future years.

... DEDICATION

"Famous educators plan methods of education, but it is the teacher who guides the young." With these words, the class of 1959 express their feelings by dedicating this annual to you, the teachers of Humboldt High School.

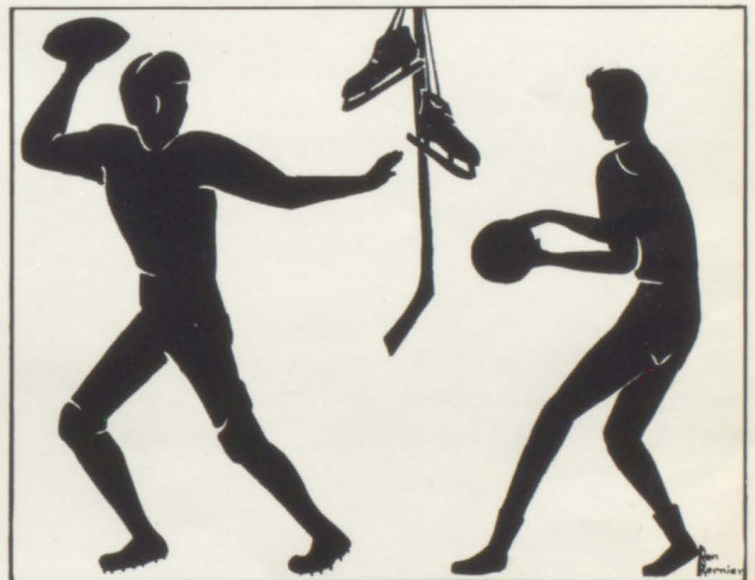

We, the seniors, would like to thank you for taking the job as parent and teacher during our last four years, and for preparing us for our lives and responsibilities after we graduate.

Because of your never-ending guidance and encouragement, we feel that you will be the ones responsible for our success and happiness in future years.

We also feel that by dedicating this annual to you, we are only showing you our gratitude in a small way. Again we thank you for your help, loyalty, and friendship as we proudly dedicate this Humboldt LIFE to you.

ADMINISTRATION

Well known through the halls of Humboldt is our friendly and capable principal, Mr. Adolf Ingebretson. "Mr. I," as he is commonly called by the students and teachers, has headed Humboldt's administration for five years during which time he has gained the respect and admiration of all around him. The good management of our school is a fine example of his work.

Our achievement and advancement during the last four years can be largely attributed to "Mr. I," and we are proud to have such a man as the principal of our school.

In the fall of 1956, Mr. Felix Gryskiewicz came to Humboldt to assume the responsibilities of assistant principal. During the three years he has been here, he has made many friends both with the students and with the teachers.

"Mr. G" has a fair and friendly manner in dealing with the students and we know we are always welcome to have his advice and assistance.

COUNSELORS: Directing our Counseling Department are Mrs. Dewall and Mr. Tracy. Under their guidance, students not only plan their high school programs, but decide on their future vocational or college plans.

Our counselors take charge of the testing programs and handle the Adult Education Program at Humboldt. These and a great many other responsibilities keep all their days busy.

OFFICE HELP: Efficiency is the byword by which Mrs. Erickson and Mrs. Budke direct our office staff. A typical day in this department reveals problems, both large and small, which constantly keep that byword in evidence. For example, the responsibilities of attendance records, census cards, requisitions, supplies, absentee lists and bulletins are all in the capable hands of our office staff.

SOPHOMORES

and a little nonsense never hurt anyone...

Our second year at Humboldt is now over, at least in relation to time, but never in our memories.

This year we will remember most of all the election of our class officers and committee, the B-squad cheerleading tryouts, our B-squad football, basketball, and hockey teams, and finally the planning of projects to raise money for the J-S.

We wish to thank Mr. Rief, our class advisor, for spending so many of his hours planning and directing our class and for always being so helpful and patient with us.

FRESHMEN

*and when we couldn't find the elevator
to the fourth floor...*

As freshmen, we came to Humboldt with our eyes wide with amazement and curiosity. We were confronted with something new and different and it took some time before we adjusted to the hazing and heckling of the upperclassmen.

Soon, though, the spirit of the older students

reached us and we wanted to have a part of it. We participated in the activities around school and made friends with our classmates ... friends we will have for the next three years and for the rest of our lives.

... ACADEMIC LIFE

NATIONAL HONOR SOCIETY

The National Honor Society is made up of 19 members who were selected by the faculty from the top 25 per cent of the senior class. Advisors of the society are Mr. Madsen and Mr. Ernst. Members wear gold tassels on their caps at graduation and are guests at a spring banquet.

MOST LIKELY TO SUCCEED...

Selected as "Most Likely to Succeed" are these seniors, Byron Johnson and Nancy Beck. During the four years that they have been at Humboldt, they have proven to be dependable and in many instances they have assumed responsibilities that

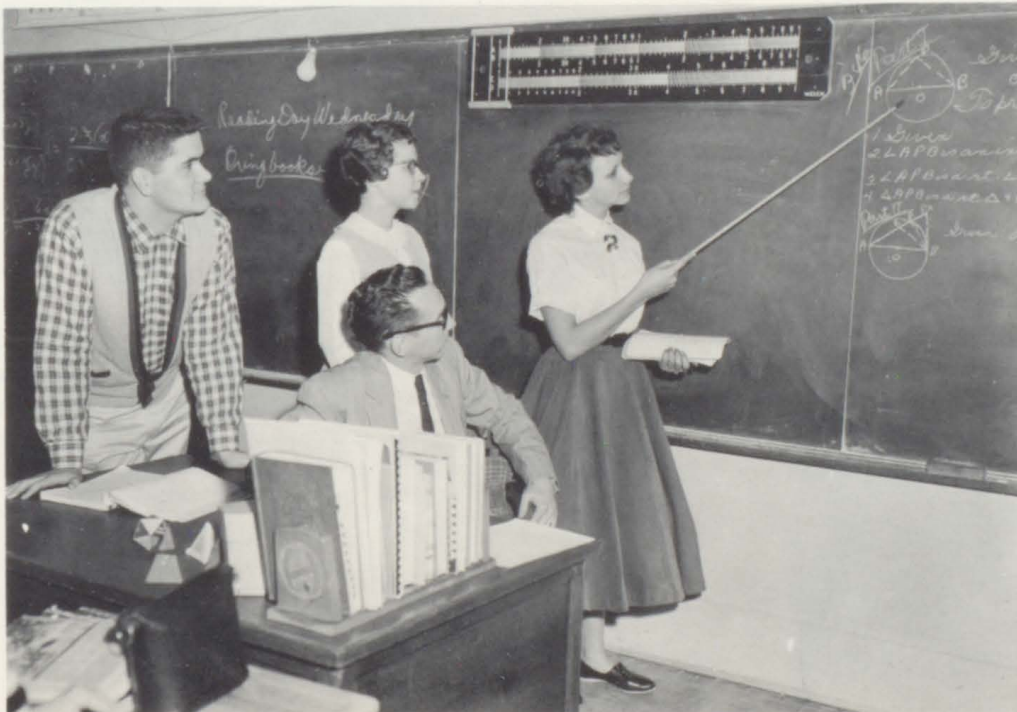

required leadership and character. Both Nancy and Byron are members of the National Honor Society, and were the only two students chosen by the senior class to write an essay for the National Essay Contest.

9th AND 10th GRADE DEVELOPMENT PROGRAM

Rockets roaring, missiles soaring, and Humboldt's new developmental classes all blast off in the search for knowledge. Students in this 9-10 grade development program are selected on the basis of outstanding ability and aptitude. Special attention in the math and science fields has been made possible through a grant from the Hill Foundation. Teachers for the program are Mr. Ernst,

Mr. Reif and Mr. Hofmeister. Shown at upper left, Mr. Reif advises Pat Gallagher on the most effective use of the microscope. To the left, he directs two students as to the proper dissection of a crayfish. In the picture below, Mr. Ernst explains a geometry problem to three of his students, Rick Frame, Ardys Eskola, and Judy Klotz.

Africa, "the dark continent" is the topic being discussed by Mr. Rynard and his world history class. Carl Beurline assists with the map.

A TYPICAL DAY AT HUMBOLDT INCLUDES WORLD HISTORY, CHORUS, HOMEMAKING...

A new skirt at her fingertips, Betty Ring pauses as she sews the hem. Sewing is one of the major units in Home Economics, Betty's favorite class.

New at Humboldt this year, Mr. Korum is shown as he is ready to lead the Chorus through one of its selections.

The beginning shorthand class is shown as they strive to pass a five-minute "take" at 80 words per minute. Mr. Madsen is the teacher.

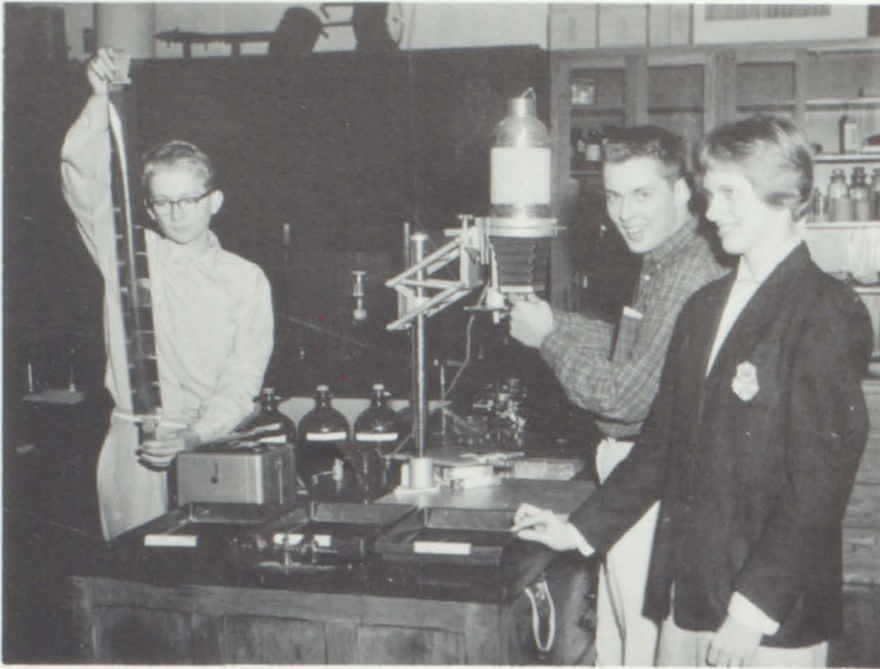

...OR A SAMPLING OF SHORTHAND, MECHAN- ICAL DRAWING, AND SPEECH...

Capturing the three dimensional effect, Jim Brandt concentrates as he endeavors to solve a mechanical drawing problem.

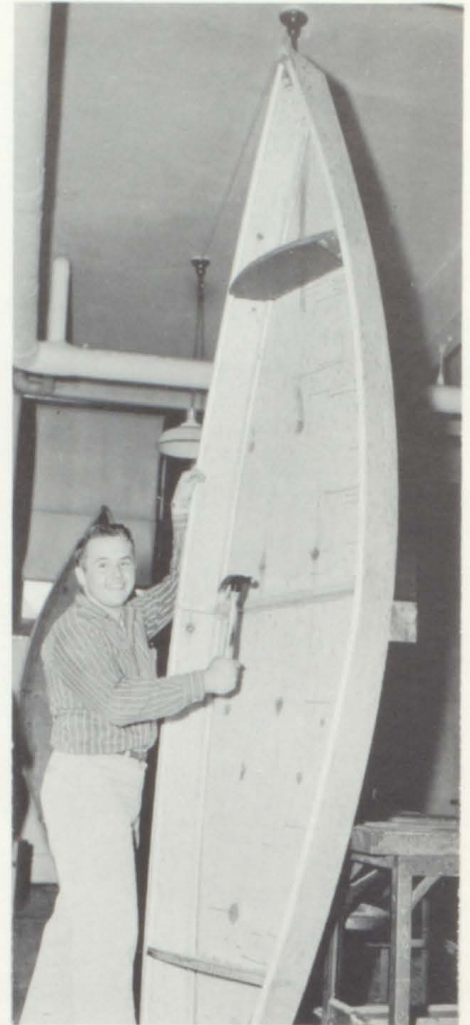

Ruth Bryant displays her talents by capturing the Speech I class with a presentation of extemporaneous speaking.

With the belief that photography is an important part of science, physics students Richard Chinander, Byron Johnson, and Judi Jay demonstrate the different photographic processes.

...WITH A TOUCH OF PHYSICS, WOOD SHOP OR JOURNALISM...

There's something in the air; namely sawdust! Such is the case in Humboldt's woodshop where students learn how to use wood-working tools and develop skills useful to every future handyman. Darrel Olsen, shown above, illustrates his practical application of this knowledge.

Shown during a typical busy day, journalism students Betty Akenson, Jackie Thoreson, Janice Olriksen, Pat Groth, Leslie Montgomery and Bill Novotny learn by doing.

Putting the final touches on one of his many art undertakings is Ron Bernier. Art classes give students a chance to express their artistic inclinations and abilities.

Shelving the books in the library is one of the many tasks undertaken by school service students working for Mrs. Barron. Judy Lynch is shown above aiding Mrs. Barron with just such a project.

...TOPPED OFF WITH A BIT OF ART, SCHOOL SERVICE, AND CHEMISTRY

Amidst the curious-looking bottles and black brews stands Barbara Buckery as she experiments with red phosphorus. Laboratory experiments are an integral part of the chemistry classes.

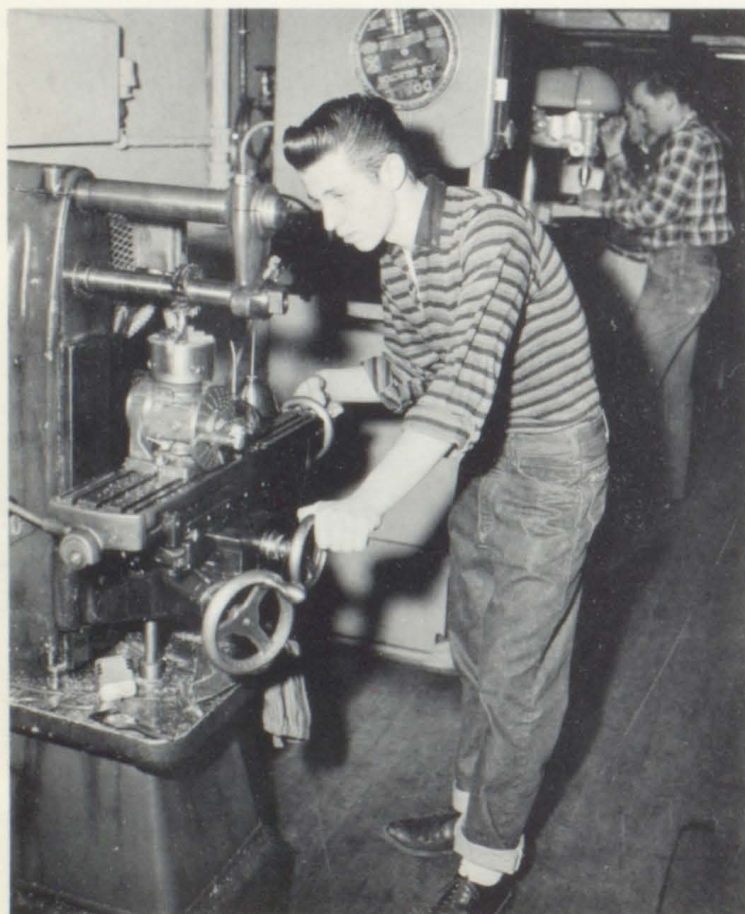

SOCIAL STUDIES

Attired in authentic Indian costumes are Mr. Ettlinger, Ken Schroeder, Peggy Witt, and Arvid Blackbird as Mrs. Singh, a guest speaker from India, explains some of the customs and displays the various trinkets of her native land.

HIGHER ALGEBRA

Attentively listening are the members of the Higher Algebra class, as Mr. Ernst works out an equation.

METAL SHOP

Industriously working at his job is Jim Wackerfuss who handles the milling machine expertly. His current project is a chuck wrench.

D.A.R.

Chosen by the senior class for the Daughters of the American Revolution award were Nancy Beck, representative, and Susan Bossart, alternate.

Attributes shown by these girls which lead to this award were their outstanding display of leadership, character, scholarship, and citizenship.

Nancy will compete with other girls in the area for the District DAR Good Citizen award.

HOMEMAKER OF TOMORROW

Surrounded by pots, pans, and the other necessary cooking materials is Carolyn Maier, Humboldt's winner of Betty Crocker's Search for the Homemaker of Tomorrow contest.

The examination, taken by all senior girls across the nation, tested homemaking knowledge and aptitudes.

GIRLS' COUNTY AND STATE

Sandra Reitz, representative, and Judy Thorvaldson, alternate, were selected by the Junior Class for the Girls State award sponsored by the American Legion Auxiliary.

They were chosen by their qualities of dependability, service, leadership, and patriotism.

Also chosen were Cathie Wahlers and Janet Stebbins to represent Humboldt at Girls County.

1958 HOMECOMING QUEEN — JACKIE THORESON

HOMECOMING

CANDIDATES

TWIRP DAY ACTIVITIES...

Twirp Day is designed to give the boys a day of rest. Girls are to do all the work, serving only the boy that "twirped" her.

Clash Day also played an important part in Twirp Day activities with students wearing stripes, plaids, polka dots and many shades of red, pink, and orange.

The Twirp Twirl, sponsored by the Journalism class, climaxed the day of fun.

SNO-DAY ACTIVITIES...

This year the Sno-day activities and the St. Valentine's Day activities were combined. Besides the delivery of cupidgrams, an All-City Talent Show was held. Queen Betty Akenson and King Bob Troje were crowned at the Sno-Ball.

Candidates as they appear according to classes are: seniors, Bob Troje and Betty Akenson; juniors, Janet Stebbins and Bob Hardman; sophomores, Jim Semerad and Sandy Langsten; freshmen, Xenia Mirza and John Barnett.

HUMBOLDT...

"Strike up the music, the band has begun," is one of the many pep-rousing strains played by the Humboldt band under the direction of Mr. John Balkenol.

Thanks to the cooperation of the student body in buying chocolate bars, the band was able to purchase new hats. Their sponsor, the American National Bank was generous in providing them with some much-needed equipment including new gloves, majorette costumes, drumheads, bass drum and parade banners.

Shown in the inset are the leaders of the band for the year Nancy Schmahl, vice president; Kathy Rowley, librarian; JoAnne Westlund, secretary; Philip Nelson, president; Byron Johnson, treasurer; and Arne Kolstad. Dianne Josephs, librarian is not pictured.

One could often find the band lending support at many special events including basketball games, hockey games, football games, assemblies, Winter Carnival activities and other various parades.

Mr. Rentz is the director and the officers are John Vanella, president; Margie O'Rourke, vice president; Veronica Davis, secretary; Mary Jean Davis, treasurer; and Arlene Clevenger, librarian.

OFFICE HELPERS...

"Humboldt High School, student speaking." Answering the telephone is but one of the many duties of the school office helper. Students who volunteer their services have a chance to put into practice the things they have learned in the various business classes. Filing, mimeographing, typing, and running errands are among the jobs assigned to them by the principals, counselors or the school nurse. Although small in size, this organization plays a major part in school activities.

JR. RED CROSS...

"A friend in need is a friend indeed." Jr. Red Cross is indeed a friend to people in need. The Jr. Red Cross plays an important role in serving their community. "Mor-r-r-re pep" was the spirited cry and stress of this year's cheerleaders. From the football field to the hockey ring, the cheerleaders were always there spurring the team on to victory.

Many fine qualities of the cheerleaders have been shown by their work in the cheerleading school and the lively pep assemblies which they helped to organize. Captains Janice Olriksen of the A-squad and Gayle Radman of the B-squad helped to maintain harmony within the squads.

LITTLE THEATER...

Knocking knees and chattering teeth were evident from the casts in Little Theater as they presented the two plays of the year, "Junior Miss" and "Tish." The Little Theater is composed of those who have had speech or who are now taking it. When a member receives 10 points by performing in front of an audience he is then known as a Thespian. When an accumulations of 50 points is earned he becomes an Honor Thespian and is awarded a gold pin. The year was climaxed by a picnic held in the spring for all Thespians.

applications of various scientific projects. This was demonstrated in a television program presented by members of the Science Club.

The officers are Nancy Beck, president; Byron Johnson, treasurer; and Judi Jay, secretary.

FUTURE TEACHERS OF AMERICA...

Armed with pencils and rulers, the F.A.A.'ers marched out to meet the little urchins from neighboring schools as substitute teachers. Under the guidance of Mr. Ernst, Future Teachers of America gain insight as to what makes a good teacher and what makes a bad teacher. These students receive actual teaching experience by substituting at the nearby elementary schools and at the

Neighborhood House when special programs are being presented.

Many of their programs consisted of guest teachers speaking to them of the various aspects of teaching.

STAGE CREW...

"Ouch! I hit that dog-gone finger again" may be the anguished cry from one of the men behind the scenes. These painting, hammering, sawing and hardworking stage-crew members produce the scenery for assemblies and plays. Under the

directorship of Mr. McMurtry, they gain valuable experience in the use of metal and wood-working tools, painting and electricity fundamentals. Many hours are spent after school during their busy seasons.

LIBRARY CLUB...

Books, books and more books are the main business for members of the Library Club. They are responsible for the upkeep and shelving of the books. The Library Club is actually a service organization designed to help the librarian and the school. Some of its activities include clean-up

HUMBOLDT...

There's song in the air by the Humboldt chorus in its first year under the direction of Mr. Korum. Their musical strains were first heard by the P.T.A. as the chorus presented open house entertainment. They participated in the Christmas activities by presenting a pageant and singing Christmas melodies in the school halls.

One of the main events for the chorus this year was sponsoring the "Superstitious Shamrock Whirl" held on Friday, March 13. It consisted of a treasure hunt, dance, and crowning of a queen. Special features for the year also included an operetta, "Fortune Teller," and several concerts.

History at Humboldt is not only a subject, but also an interesting extracurricular activity. The Historical society has gathered news about alumni from the first graduation class of 1897 to the most recent graduates.

Historical society is made up of juniors and

seniors who have been recommended by their teachers. It is the job of the Historical Society, under the guidance of Miss Kees, to keep the files up to date and the bulletin board posted of recent alumni activities.

"Got your class medallion yet?" The sale of medallions with the year of graduation in the center was but one of the many projects planned by the Future Homemakers of America this past year. Miss Dougherty supervises the ninety members with the help of the club's officers; Karen

Bloechl, president; Pat Auge, vice president; Susan English, secretary; and Julie Trembly, treasurer.

The overall goal of FHA is to help the individual improve personal, family and community living now and in the future.

"So our writer's cramps weren't in vain" might be the comment of members of Quill and Scroll. This organization is a National Honor Society for high school journalism students.

In order to become a member of Quill and Scroll, ARROW and LIFE staff members must do superior work in some phase of journalistic or creative endeavor. Members receive a pin and a year's subscription to the Quill and Scroll paper. Advisors are Mr. Ettlinger and Mr. Sausele.

Learning while you're earning is the essential idea behind the group called co-op workers. Directed by Mr. Aga, this co-operative plan offers a system by which the school and employer together combine their efforts to produce a satisfying, successful worker. These students attend classes until noon and then work part-time in order to earn the required number of credits. Entering its 8th year, the co-operative part-time training program has proven to be a great success.

"Not another deadline — so soon?" moan the frantic members of the ARROW Staff as once again they begin writing everything from straight news stories to the ever-popular "Tomahawk Talk." This is only the beginning for these Journalism II students. Stories must be typed and proofread before they go to the printers. The paper must then be mounted on galley sheets, made up, reprinted, and once again proofread. When the paper comes back to Humboldt, it is distributed by the ARROW representatives to the sub-

scribers and the ARROW Staff immediately starts working on the next edition. Under the editorship of Bob Erickson, the Arrow aimed for the target of an All-American paper.

Twirp Day and Cupidgrams were among the special events sponsored by this industrious group. A touch of humor was added as the annual edition of the ERROR came out on April 1st. A pow-wow was also held as a grand finale for a well-rounded year.

'A' SQUAD FOOTBALL...

Missing the City Championship by a fumble on the twelve yard line, Humboldt's gridmen still finished the season in second place. This is the highest they have placed in the city standing since 1931 when they last won the city title.

Brilliantly leading the Indians to a 7-1 conference record, Coaches Mauer and Funk have raised the team from the depths of defeatism to championship caliber.

Combining speed, spirit, and deception with support from the entire West Side, the team lived up to the fans' greatest expectations.

Les Montgomery (64) and Tony Alleva (73) attempt to prevent a Murray ball-carrier from penetrating Indian territory.

Humboldt's workhorse, Bill Fillion (12), powers through the line for much needed yardage.

'B' SQUAD FOOTBALL...

Inexperience was the key to the B-Bombers unsuccessful season as they climaxed action with a 1-4 conference record, the only victory being the one over Harding, 12-6.

Although it was a very dismal season, it revealed prospects for next fall's varsity squad.

'A' SQUAD BASKETBALL...

Suffering only two losses in loop action, Humboldt's bucketmen finished the season in second place in the conference standings.

Losing only to Central and Murray, the Indians finished higher in the standings than they have in many a year and they also beat Wilson for the first time in four years.

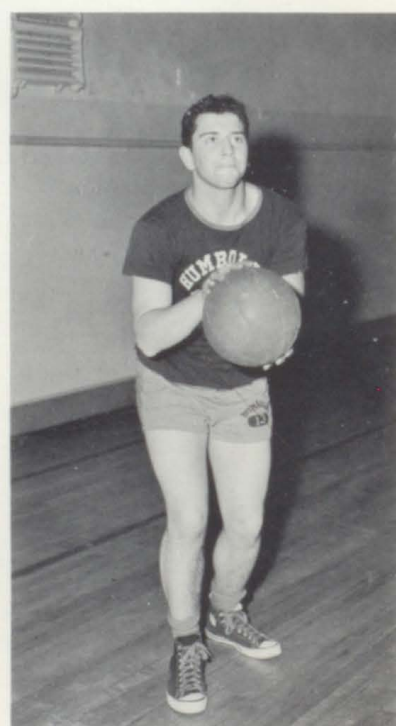

In the Twin City games, Humboldt was the only St. Paul team that brought home the bacon, as they downed Minneapolis Roosevelt 68-64 for the third place title.

The district 15 playoffs found Humboldt's hoopsters scraping by Murray 54-48 in the quarter final but losing to Central 54-37 in the semi-final round.

Greg Armstrong (24) manages to keep one hand on the ball as he battles with a member of the Cokato basketball team for the rebound.

'B' SQUAD BASKETBALL...

After finishing an average season with a 4-4 conference record, the B squad, coached by Mr. Rynard, showed fine improvement as they fought their way into the finals of the B squad Basketball Tournament.

After winning two play-off games, they lost to Wilson in the finals.

'A' SQUAD HOCKEY...

This season's hockey squad faced a year of bad breaks and heartbreaking losses. The Indian puckmen placed fifth in city conference after what was thought to be Humboldt's year for the City Crown.

The squad was composed primarily of sophomores and juniors so the prospects for next season are high.

A great asset to the team was Jim Semerad who was raised from the B-Squad to a starting position in the Humboldt nets.

In the first round of the Region Four play-offs, the Indians were defeated 5-2 by Washington to climax the conference season.

The alumni-varsity hockey game proved to be one of the highlights of the year. Over 100 former Humboldt hockey stars met the varsity at Baker rink. Although the alumni was strong in spirit and reserves they succumbed to Humboldt's pucksters 3-2.

'B' SQUAD HOCKEY City Champs

Under the guidance of Mr. Ettlinger, new to Humboldt's coaching circles this year, the B-squad hockey team skated to a 3-2 victory over Johnson's B-puckmen in overtime to end the season undefeated in conference action. This gained the B-squad City Championship.

The B-icemen have featured a high scoring offense. They had six players with more than 10 points apiece.

Handicapped by the loss of goalie Jim Semerad to the A-squad, the Bombers lost a post-season game with Murray.

CROSS COUNTRY..

High-position man on the cross-country team this year was Henry Van Poperin. Although the team did not place in any of its meets the boys should be congratulated for their fine spirit shown throughout the season. Letter winners were George Nado, Henry Van Poperin, and George Verstrate.

ROW 1: J. Valtierra, M. Foley, G. Verstrate, P. Duc. ROW 2: G. Nado, J. LeClaire, H. VanPoperin, R. Baczewski, Mr. Longsdorf.

TENNIS...

A new coach and a young team did not keep Humboldt's racket men from having a fairly successful season which included a 4-4 conference record.

All three singles players and two doubles men will return to bolster the "59" team.

ROW 1: G. Verstraete, D. Gschlect, K. Kane, B. Novotny, co-captain. ROW 2: Mr. Lee, coach; D. Johnson, R. Lund, J. Bremer, co-captain; J. Zesbaugh, G. Englen.

GOLF...

Humboldt's golf team completed its "58" conference season with a record of three wins, five losses. The team, coached by Mr. Funk, had only two seniors playing in regular positions. Therefore, they are looking forward to a prosperous "59" season.

The high point of the season came when Tom Young achieved the dream of every golfer, a hole in one.

ROW 1: S. Ricci, K. Kube, M. Mooney, T. Young, B. Kimmel, A. Issacs. ROW 2: D. Hultgren, G. Stenger, B. Reuter, P. Duc, Mr. Funk, coach.

SENIOR VARSITY TRACK...

Humboldt's "58" Senior Varsity Track team finished in fourth place in their conference, despite the fact that the team was made up mostly of underclassmen.

With a good percentage of the team returning in "59" the team, coached by Mr. Ryan, can be expected to do even better.

ROW 1: Greg Armstrong, Norman Kahnert, Jim Waldoch, Dennis Davis, Alex Cartier. ROW 2: Mr. Ryan, Darryl Raines, Toby Letourneau, Ray Trembly, Bob Hardman, Tom Witham, Jon Blanchette, Bob Zeller.

JUNIOR VARSITY TRACK...

Junior Varsity Track is a building program for Humboldt's varsity track team. Many of the boys pictured here will go on to become letter winners in the senior sport. To become a good track man takes skill and conditioning. The team is coached by Mr. Ryan.

ROW 1: Monty Livingston, Doug Thompson, Mike Medjanyk, Jim Tischler. ROW 2: Tom Gross, Tom Bowers, Jerry Devereaux, Tim Mero, Ken Cline. ROW 3: Mr. Ryan, Marvin Boche, Richard Rodriguez, Steve Capiz, Brian Lavell, Carl Kratzke.

ATHLETIC BOARD...

The governing body of Humboldt Athletics is this group, composed of coaches, administrators, and the athletic director.

Members of the group are: Mr. Funk, Mr. Peterson, Mr. Gryskiewicz, Mr. Ryan, Mr. Mauer, Mr. Ingebretson, Mr. McDonough.

HUMBOLDT'S 'H' CLUB..

Letter winners at Humboldt can become members of the newly-founded Letterman's H Club. The club, which is in its second year, sponsors several activities, most important of which is the

letterman's banquet honoring school athletes and their parents.

This year's officers are: Sam Ricci, president; Dennis Thompson, vice president; Greg Armstrong, secretary; and Tony Alleva, treasurer.

ROW 1: H. VanPoperin, M. Foley, D. Thompson, D. Johnson, R. Rodrigiuz, T. Mero. ROW 2: R. Klett, J. Tischler, T. Young, G. Young, G. Verstraete, R. Suter. ROW 3: P. Rowan, L. Montgomery, C. ROW 1: K. Miller, G. Fortier, J. Johnson, D. Ring, J. Rief. ROW 2: N. Hodge, Mr. McDonough, J. LeClaire.

SWIMMING...

The swimming team, plagued by lack of participants, was unable to collect a conference victory during the "58" season.

Tim Mero placed second in the city meet in both the 400 yard free style and diving.

BOTTOM ROW: A Koonst, R. Morgan, B. Velduzlo, J. Reifschneider. ROW 2: Mr. Anderson, J. Tanberg, K. Stokke, G. Appleby, K. Klett, A. Issacs. ROW 3: T. Mero, R. Gall. ROW 4: M. Hernandez.

GYMNASTICS...

What the gymnastic team lacked in numbers they made up in willingness to work. The Gymnasts, under the direction of Mr. Anderson, practiced in the gym before school every morning. Although several individuals did well in team competition, they were unable to win any meets against the numerically superior squads from other schools.

LIFE STAFF . . .

From the scattered sketches, lay-out sheets and ideas-a-plenty emerged this year's 1958-1959 edition of LIFE. Few realize what a big task it is to make the LIFE enjoyable from cover to cover. Many hours (in school and out) under the direction of Mr. Sausele were put in to make this year's LIFE the biggest and best ever. Besides the traditional features, a whole new section has been added. Co-editors Susan Bossart and Laurie Westby thrilled to see the pages taking shape and their dreams of a yearbook becoming a reality.

The LIFE representatives also did a tremendous job in selling and distributing the finished product — LIFE.
