Due to the use of an Indianhead, as a school symbol, by several high schools in the immediate area, a committee of students from the class of 1957 felt it was necessary to create a new crest for Humboldt High School. Much time and effort was expended on this crest, and it is the hope of these graduated seniors that this crest will continue to be identified with Humboldt High School in the years to come.

We, the class of 1958, are happy to acquaint you with the history of this crest. The original art work was done by Mr. Richard Reif and Richard Schrom. Each character has its own significance. The Indianhead, of course, is the symbol of our school’s athletic teams, the Humboldt Indians. The intersecting arrows refer to our school’s paper, “The Arrow.” The sun, which is the essence of all life here on earth, represents the Humboldt “Life” which is our yearbook. The book, quill and lamp signify the acquisition of those skills, attitudes and understandings which are synonymous with an institution of learning.

OUR SCHOOL...

While the physical plant of Humboldt High School is not new, it offers a modern and complete educational program for the students living on St. Paul's west side. The school had an enrollment in 1937-58 of approximately 850 students. The principal, assistant principal, two counselors, librarian and thirty classroom teachers make up the professional staff.
DEDICATION...

A TRIBUTE

by
Michael J. McDonough

The Humboldt "Life" of 1928 is dedicated to two of Humboldt's pioneer teachers, Katie Pearson, who resigned in 1957, and Amanda Whaley, who resigned in 1958.

Each taught nearly a half century in the schools of St. Paul. Miss Whaley taught English at Humboldt since 1917.

Famous educators plan methods of education, but it is the teacher who guides the young. She lives in obscurity and contends with hardship. Patient in her daily duties, she strives to conquer the enemies of youth. She quickens the indolent, encourages the eager, and steadies the unstable. Knowledge may be gained from books, but the love of knowledge is transmitted by the teacher. The boys and girls these teachers guide become worthwhile citizens are their reward and will forever be a monument to a life well spent.

It is my privilege to have known Miss Pearson and Miss Whaley for a great many years. They were both dedicated to the high standards of scholarship, with kindness, sympathy and tact they gave advice and swooped away difficulties in an unobtrusive manner.

To those sincerely interested in scholarship, Miss Pearson and Miss Whaley were held in deep respect. Neither ever missed an opportunity to assist a student.

Their constant endeavor was to live a life of service and they were happy when they could lead pupils to a higher plane of living or inspire them to noble purposes.

In their quiet unpretentious way they always did more than their duty required. Their philosophy in their long service in teaching may be stated as follows:

"We shall pass through this world but once, any good therefore that we can do or any kindness that we can show to any human being, let us do it now, let us not defer or neglect it, for we shall not pass this way again."

Miss Pearson . . . Miss Whaley

You have done your task well. You have always looked for the best in others and given the best you had. Because of your unfailing loyalty to your high standards as a teacher and your long years of service, we gladly dedicate to you this Humboldt Annual of 1938.
ADMINISTRATION

Very soon every senior will look back into the past and forward into the future. It is much more difficult to look into the future because we can foresee but a part of the achievements of tomorrow. We know that our country is growing rapidly. However, a large population does not create a great nation. We will only make our country powerful among the nations of the world if we continue to hasten the expanded education of our people. That is our greatest privilege as citizens of the future.

ADOLF H. INGEBRETSON,
Principal

The primary objectives of Humboldt High School are the advancement of learning, the development of good citizenship, the development of varied interests, and the establishment of a foundation for future employment and education for all students.

It is my sincere hope that each student, while at Humboldt, progressed toward these goals in a manner that will help him find his place in society in order that he can develop himself further as a useful member in the community, city, state, and Nation.

May God guide you to future success.

Listening to the complaint, "I don't feel so well today," weighing in the students, and checking their eyes are just a few of the jobs of Miss Lindberg, the school nurse.

If you have ever been late for school you probably have met Mrs. Budke and Mrs. Payne. They are the ones that write the excuses admitting you to class besides their regular office duties.

Have you ever wondered who the ladies are that help serve the lunches here at school? They are Mrs. Rochon, Mrs. Tauscheck, Mrs. Howson, Mrs. Pfoser, and Mrs. Rehpohl.

Maintenance and care of Humboldt is the never-ending job of our four custodians; Mr. Tschida, Mr. Mulcahy, Mr. Muggenberg, and Mr. Kramlinger.

We, the senior class of 1958, will never forget our days at Humboldt High School. JUNIOR CLASS

OFFICERS

The big event of the year was the Junior-Senior prom for which our class committee and officers spent many hours planning. We were very happy to see our candidates for Sno King and Queen chosen to reign over Sno-Day activities, and we look forward to our senior year at Humboldt with great anticipation.

Jackie Thoreson, Ray Trembley, Jan-ice Olriksen, Greg Armstrong, Susan Bossart.

JUNIOR CLASS
COMMITTEE

ROW 1: Joyce Belmonte, Peggy Witt, Nancy Beck, Loretta Westby, Joan Campbell, Janet O'Kasick.

SOPHOMORE CLASS

OFFICERS

For many of us this was our second year at Humboldt, while others it was the beginning of our high school life. We have taken part in athletics and other school activities this past year, and next year as upper classmen we hope to continue to take an active part in school life.

Diane Josephs, Harvey Keller, Terry Mens.

... FRESHMEN
ACTIVITIES
Humboldt's Homecoming was again a success and one of the real high points of the school year. The day itself was complicated by the postpone-ment of the football game with Harding High School because of the "flu" epidemic.

Below: The Royal Party.
SNO-DAY . . .

Although there was a decided lack of snow, 600 enthusiastic Humboldt students, the largest number ever, participated in Sno-Day events at Como Park on January 25. At the assembly Thursday morning, Juniors Janice Olrikson and Denny Thompson were crowned King and Queen of Sno-Day. At Como, skating races, the treasure hunt, broomball games, and tugs-of-war were the featured events. The Sno-Ball, on Friday night, with Don Rustad and his band, brought the Sno-Day activities to a close.

Majorettes: Avis Madden, Nancy Ring, Amparo Ruiz, Pat Gerga; Flag Twirlers: Carole Morgan, Barbara Semo, Sharon Mademan, Bev Pederson.
This year the Humboldt Band, under the direction of Mr. John Balkenol, was sponsored by one of the downtown banks. Through the generosity of their sponsors, the band was provided with eighty beautiful new capes.

The band is a staunch booster of school activities, playing for pep assemblies, football and hockey games. A fitting climax to the Homecoming activities was the half-time performance of our band in the Homecoming game against Harding High School. Fans will remember that this was the oft-postponed game which was finally played at the end of the regular season on a very cold afternoon. A small Pep Band, composed of members of the regular band, gave us musical support at the basketball games played at Como Park Junior High School.

This year the band did a fine job also in representing Humboldt in various civic affairs. They marched in the Winter Carnival Parade and also played in the Red Cross Flag-Raising ceremony at City Hall.

The Humboldt High School Chorus is in its first year under the direction of Mr. Lloyd Hughes. The group this year is composed of approximately eighty members.

Previously, Humboldt's chorus was the only one in the city without choir robes, but this was remedied this year as the Parent-Teacher's Association purchased enough robes for the entire chorus. These robes are a light blue in color and are finished with gold trim.

At Christmas time the chorus, along with the speech class, presented the Christmas Program. They also did a fine job on their annual spring concert.

HISTORICAL SOCIETY...

The Historical Society is made up of junior and seniors who have been recommended by teachers. The objectives of the society are to keep Humboldt's history up to date, and to keep a record of Humboldt's alumni. Their advisor is Miss Kees.

The Little Theater is made up of students interested in dramatics. Students who have taken or are now taking Speech II are also members. When a Little Theater member has earned a total of ten points by speaking, acting, or reading before an audience, he becomes a Thespian. If he continues to work and earns fifty points, he is presented with a pin which signifies he is now an "Honor Thespian."

Officers for this year were: President, Mary Linnerooth; Vice-President, Sue Bossart; Secretary, Lorraine Esterly; Treasurer, Greg Brisson. Mr. Rentz is the Art Club advisor.
The Arrow Staff is made up of members of the Journalism II class. Their motto may well be "to learn by doing." They put their knowledge to good use in arranging the layouts and editing the news items for Humboldt's newspaper, the Arrow.

Another important contribution made by this organization to student life at Humboldt is the sponsoring of many social activities such as "Twirp Twirl" and Cupidgrams. A pictorial review of some of this year's activities is shown on the opposite page.

ARROW STAFF . . .
It is the job of the Arrow representatives, one in each home-room, to take subscriptions, collect money, and distribute the paper every month.

... ARROW REPRESENTATIVES

The editing of a yearbook is a year-round job. Many hours have been spent in an effort to make it as interesting as possible. The staff has several other jobs in addition to the actual work on the book itself. A few of these are the soliciting of ads from local businesses, and the never-ending job of keeping our finances straight. In the financial department we are ably assisted by the Life homeroom representatives who have the job of stepping up subscriptions, collecting money, and distributing the "LIFE."

Our photographer must always be at the right place at the right time in order to capture the hi-lites of the school year.

This year’s Life staff is greatly indebted to Mr. Dean Sausele, our advisor and Mr. Fred Fredell, our publisher for their patient assistance and guidance in achieving our goal.
LIFE STAFF AT WORK

One of the outstanding presentations of the past year was the Humboldt Vocal Department's production of "WHO STOLE THE GOPHER?", an original musical comedy. Modern in theme, the satirically written comedy dealt with the visit of Minnesota's governor to Gopher Point Resort. The disappearance of the state mascot, the gopher, mixed comedy with romance, song, and dance. The story was written by Kenneth Johnson, Highland Park Junior High School faculty member. Words and music were written by John Balkenol, Humboldt's music director, who also directed the musical comedy.

Songs and production numbers by soloists, ensembles, and chorus included "Who Stole the Gopher?", "Good Deeds", "I've Heard That All the Men Are Men in Minnesota", "I'm The Governor of The State of Minnesota", "I Gotta Get a Man", "The Governor Is Coming Tomorrow", "Maybe You", "I'm Not The Hero Kind", "We Gotta Get Goin", "Do You Love Me?", "Sabrina", and the theme "This Is Our Land, Minnesota", originally titled "Hail, Minnesota."

DEPARTMENT

Leading characters included Judy Belmonte and Ronelva Geib. Alternately, as Ann Manton, desk clerk: Maisie Calhern, a Southern belle, played by Jackie Semerad; Mike Gallagher was the football hero and guest, Dick Witehall; Jerry Nelson played Gus Seldon, resort owner; Jesse Contreras, busboy; Governor Hanson, dictatorial leader of the Gopher State, was portrayed alternately by John Vanella and Joe Partch; Margaret Bateman and Beverly Bryant alternated as Sabrina Tree, the 45ish single Girl Troop leader; Anastasia, the Greek cook, was played by Stan Hicks; honeymoons were Jerry Ryan and Rick Schrom. In addition, the cast included a Girls' Troop of Scouts, trumpeters, tourists, and the full chorus.

Accompanist for the production was Miss Judy Budke. Stage setting was under the supervision of Douglas McMurty, Humboldt faculty member, and John Vanella.

"Who Stole The Gopher?" was presented two times daily on May 1, 2 and 3, 1957 and proved a major triumph for Mr. Johnson, Mr. Balkenol, and the Humboldt Music Department.
GIRLS’ STATE

Each year one junior girl is chosen from nearly every high school in Minnesota to attend the Girls’ State convention. She must have the attributes of leadership, honesty, courage, and cooperativeness.

Carolyn Maier was selected on this basis, and will represent Humboldt at Girls’ State this year. Janice Olrikken is her alternate. Both girls have been very active in extra-curricular activities.

At the convention, the girls set up a mythical government on the city, county, and state levels. Its purpose is to develop good citizenship and an understanding of government.

D.A.R.

The Daughters of American Revolution award is given to a senior girl, outstanding in character, dependability, citizenship, leadership, and scholarship. Gail Rehpohl, who has displayed all of these qualities, received the award this year. Janet Akenson was her alternate.

As D.A.R. representative, Gail attended a state-wide convention in Minneapolis.

BOYS’ STATE

Greg Armstrong was chosen this year by the junior class to represent Humboldt at Boys’ State. He was elected because of his qualities of leadership, character, scholarship, honesty, and dependability. Byron Johnson, also displaying these qualities, is his alternate.

At the Boys’ State convention, the boys are taught the mechanics of government and they are addressed by many prominent politicians of Minnesota.

SPORTS...
close game was lost when Central scored a winning touchdown with only 37 seconds remaining. The "Indians" homecoming was a time of many "cheers and tears" as Humboldt was defeated by Harding 14-15.

But not all was a loss. Humboldt boosted the spirit of their followers when they trounced Washington 53-14. Humboldt also acquired several individual honors. Denny Davis was the city conference leading scorer and ground gainer and was placed on the all-city 2nd team. Ed Hammersten received the honor of being chosen to the all-city 1st team. Glen Charney and Denny Thompson received honorable mention.

Winding up a very successful season of 5 wins and 1 loss the "B" squad football team walloped Monroe 32-0. Working with inexperience, Mr. Ryan shaped his boys into one of the top "B" teams in the city. Some fine prospects from this team will be slated for senior varsity competition next fall.

Humboldt started out its basketball season by rocking the city conference when they defeated a highly rated Murray team 54-42. This fine spirit and fight continued throughout the season, the result being a 3rd place tie and a record of 5 wins and 3 losses.

Led by the dual scoring punch of Dave Van Poperin and Ed Hammersten the team was a serious threat to every title-bound team. Both Dave and Ed were awarded positions on the honorable mention All-City team.

In the District 15 tournament Humboldt was defeated by Wilson, the city co-champions, 50-45.
The Junior Varsity Basketball Team had a very fine year, winning six games and losing two. They were defeated by Central in the city wide playoff by a margin of only two points. A few points here or there could have made the difference between a loss or a win in the three defeats suffered by the team.

Prospects for the senior varsity team of next year are Mike Godleski, Ron Matczynski, George Barbato, Marv Boche, Mark Leseman and Mike Bitterman.
Humboldt's hockey team wound up its season with a record of 9 wins, 9 losses, and 2 ties. They acquired a conference record of 2 wins, 4 losses, and 2 ties. The inexperienced team, made up largely of underclassmen, found one of their greatest thrills in tying Harding, the runner-up in the State Tournament, 2-2.

There were only three seniors on the young team: Don Gschlecht, Gary Jorgenson, and Ken Kube.

Humboldt can look forward to some fine hockey prospects in the next few years because of the valuable game experience gained by many of the underclassmen this season.

Humboldt gained a berth in the region four play-offs and lost a hard fought game to Murray 5-1.
The lack of experienced team members and the absence of cold weather were the prime reasons for the relatively unsuccessful season for the "B" squad hockey team. The junior varsity "pucksters" wound up their season with a two win - five loss, and one tie record. Humboldt's only victories came when they defeated Central 1-0 and Mechanic Arts 2-0. Goalies Ted Horner and Jim Semerad are two fine prospects for the "A" squad next season.
Humboldt's '57 baseball team was batting .500 with a 4 win - 4 loss season record. This was an average season for the team as they finished in a tie for 3rd place. Art Staples, who was the most versatile player in the city, was chosen on the All-City team.
The golf team finished their '37 season with a three win five loss record in conference competition. With the team being composed mostly of sophomores and juniors, Roger Becker being the only senior, Mr. Funk is looking forward to a more prosperous season in '38. Members of the team were Roger Becker, Ken Kube, Mike Mooney, Bill Kimmel, Don Gschlecht, Sam Ricci, Bob Peterson, Allan Isaacs, Dave Hultgren, Gerald Zeller and Jerry Kosa.

The tennis team split their season with a 4 win, 4 loss record. Jerry Dahlin, a bright spot on the team, was the city singles champion and advanced to the Region 4 play-offs.
JUNIOR VARSITY TRACK...

The junior varsity "cindermen" of '57 wound up their season in 3rd place. In the city meet, Denny Thompson placed 1st in the discus and the relay team gained 2nd place. There will be quite a few prospects from this team for next year's senior varsity.

Team Members - ROW 1: Darrel Raines, Tobias Letourneau, Leslie Montgomery, Jim Tischler. ROW 2: Mr. Ryan coach, James Brandt, Tom Witham, Jim Miller, Denny Thompson. ROW 3: Joe Reyes, Ken Stokke, Jerry Young, Danny Garcia, Tim Mero. ROW 4: Carlos Casillas.
GYMNASTICS...

Team Members - Allen Isaacs, Ken Stokke, Ronald Ytzen, Ted Degraw, David Kelleher, Mr. Anderson, Coach.

Lack of participation was the downfall for both cross country and gymnastics during the 1957-58 season. The three members of the cross country team and the six-member gymnastic team were unfortunate in being defeated in all city conference trials. A great deal of credit should be given to all these boys for finishing the season in spite of their discouraging record.

CROSS COUNTRY...

Mr. Anderson, Coach. Dave Van Poperin, Bob Suter, Louie Bogdonovich, George Nada.
SWIMMING...

The 1957-58 Swimming Team had a record of only one victory against seven defeats. One of the outstanding swimmers in the city, Tim Mero, was a member of this squad. He acquired twelve first place finishes in city competition and second in both diving and four hundred yard free style in the city meet. Tim also led this team in the capacity of captain.

ATHLETIC BOARD...

This group, composed of coaches, administrators, and the athletic director, is the governing body of Humboldt Athletics. Rules and suggestions passed on by the downtown office are put into effect by this group.

ROW 1: Russel Klett, John Johnson, Roger Suter, Dennis Lancette, John Ringold.
ROW 2: Tom Criego, Tim Mero, Mr. Michael McDonough, Coach.

Members: Mr. Funk, Mr. McDonough, Mr. Gryskiewicz, Mr. Ingebretson, Mr. Mauer, Mr. Peterson, Mr. Ryan.
... G.A.A.

The Girls' Athletic Association meets every Thursday after school. The girls work for points by participating in such activities as volleyball, basketball, badminton, and softball. A banquet is held each spring and awards are presented to those who have earned a sufficient number of points. Miss Christenson is the advisor for all G.A.A. activities.

Officers: Secretary, Jackie Thoreson; Vice President, Janice Olrickson; President, Betty Akenson.
