ST. PAUL, MINNESOTA
Presents Your School Life

FOREWORD . . .

Whether you have just begun high school or are about to leave it, your yearbook editors hope that you will always keep the many wonderful memories of these years fresh in your mind. Here are your friends, your favorite teachers, the social events and the nonsense, the hard work and, of course, the sports — in short, everything that is high school. We have tried to collect pictorial momentos of these things and to put them into a compact diary of life in Humboldt High. We hope you will enjoy looking back and remembering — through your 1956 Life.

SENIORS . . .

SENIOR CLASS OFFICERS

(L. to R.) Emil Straka, Miss Huso, Ray Davis, Cecelia Woerderhoff, Carol Josephs.

The class of 1956 has been very active in the past three years at Humboldt. We got off to a very good start, in our sophomore year, under the direction of Mrs. Green who was our class advisor.

From the beginning of our sophomore year to May 22, 1955 we worked very hard raising money and making plans for our Prom. By the end of the year we had secured the Calhoun Beach Club for our Prom and later we engaged Jules Herman's Orchestra. The Humboldt High School Prom of 1955 was very successful and was considered the biggest event of the year.

At the end of our junior year we regretfully

learned that our advisor, Mrs. Green, who had worked so hard to help us, was leaving. We all miss Mrs. Green, but we certainly appreciate all the cooperation and the hard work we have received from Miss Huso.

As we leave Humboldt our hearts are saddened because we know that we will never again return to Humboldt as students. We would like to take this opportunity to thank all our teachers and everyone in the school for the help they have given us.

Sincerely,

Class of 1956

D.A.R. . . .

Each year the Daughters of the American Revolution award is given to a senior girl who has shown outstanding ability in scholarship, citizenship and who has attributes of leadership. This year the award has been given to Penny Narducci who has displayed all of these qualities plus many more. Her alternate, Nancy Anderson, also coincides with this description.

Each girl has been very active in school life. Penny was Humboldt's exchange student to Denmark last summer and is acting as editor of the Arrow this year. Nancy is a pert, peppy student who is one of the most active members of the Historical Society and has contributed three years to the band.

Humboldt's D.A.R. representative will attend a state-wide convention to be held in Minneapolis where girls from some fifty other Minnesota schools will be present.

GIRLS' STATE . . .

Each year the junior class votes for a girl with the qualities of leadership, courage, honesty, and co-operativeness to represent them at Girls' State. Girls' State is an organization prepared to instill good citizenship in junior girls.

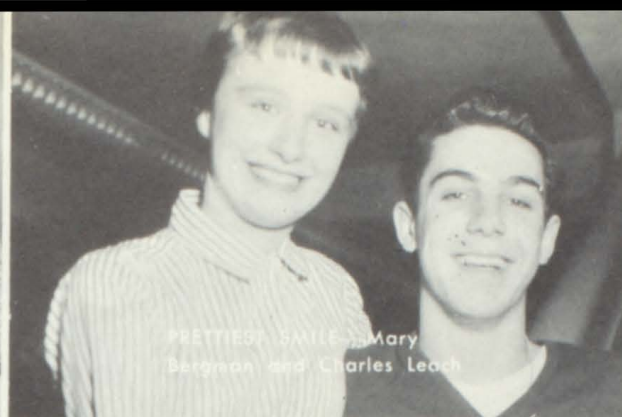

This year Sandra McCullough was chosen. Her alternate is Myra Koshelniak. Sandra has all the attributes to qualify for Girls' State. She is a cheerleader, is active in Little Theatre, and is on the Student Council.

Sandra will take part in a convention which will be held at the fair grounds this summer. There the representatives from the schools will set up a miniature government and learn how it functions. Prominent citizens will tell them of the set-up and importance of our government.

(L. to R.) Sandy McCullough, Ethel Johnson, Joan Gross, David Cordes.

The main project of the Junior class was the planning of the Prom. We Juniors really enjoyed raising money, and planning the biggest dance

of the school year. We can only hope that the Seniors enjoyed it as much as we enjoyed working on it. Another project was the trip to Washington, D. C.

The basketball team surprised everyone this year with a 5-3 conference record. Under the direction of Mr. Art Peterson, the team finished third in conference play and won consolation honors in District 15.

There were many exciting games and all of us were very proud of the fine work done by Coach Peterson and the 1956 basketball team.

"B" SQUAD HOCKEY...

St. Paul's first 1955-56 "B" squad hockey season ended with Humboldt's addition holding its own.

The coaching staff was not entirely pleased with the outcome. However, the good points seemed to outweigh the bad. The most discouraging point was the lack of sophomore participants.

The season's overall success will not be determined until the completion of next season. It will be interesting to see just how much the boys will have improved because for many of the boys it was their first real competitive hockey season.

HOCKEY

The success of this year's hockey season will not be known until next year. This was definitely a rebuilding year, with only 4 seniors on the squad. The team ended up the season with a record of 9 wins, 11 losses and 5 ties. Many of the games were against the toughest teams in the state, and many were lost and won by very close scores. Many mistakes were corrected this year and with only the loss of two regulars from this year's squad, the prospects look bright for the coming campaign.

The squad selected Artie Staples as their captain for next year, along with Gene Crane and Lee Lennartson as alternate co-captains.

ROW 1: Lee Lennartson, Artie Staples, Toddy Guberman, Roger Larson, Duke Snyder, Gene Crane, Whitney Meyers. ROW 2: Marvin Johnson, Manager; Denny Thompson, Wayne Ball, Dean Madden, Ken Dufour, Bob Jorgenson, Bob Lichtenegger, Mr. Funk.

The girls obtain a certain amount of points for participating in activities, and these points are added up toward awards. They have to work hard for their awards such as the "H", 750 points; the all-city award, 1050 points; and a GAA pin, 1500 points.
