HUMBOLDT HIGH SCHOOL  
ST. PAUL, MINNESOTA

We, the Senior Class of 1955, wish to dedicate our 'Life' to the faculty of Humboldt High School . . . We want to thank all of our teachers for their untiring efforts and patience. The many times they have given us help will be remembered by us all . . . Through the years we will not forget all of the lessons we were taught; not only subject matter but co-operation, good judgment and respect for our fellow man . . . We have enjoyed our classes very much and shall always remember you, our teachers.

HORIZON"**

**"BACK  
TO WORK"**

## MR. ADOLF INGEBRETSON

Serving his first year as our principal, Mr. Adolf Ingebretson has quickly become an integral part of the Humboldt family. His sincere interest and keen appreciation in student activities have earned him the respect of the faculty as well as the student body. "Mr. I," through thirty years of teaching and administration, has acquired experience and judgment which enable him to guide us along the sometimes rocky path of our school lives. A progressive outlook toward education and an acute awareness of our problems assures us that our principal will continue to advance the aims and achievements of Humboldt students.

## MR. RALPH ENGBRETSON

Understanding and patience in the face of the countless problems are the ever-present characteristics of Mr. Ralph Engbretson, our assistant principal. The friendly assistance and thoughtful judgment extended by "Mr. E" has aided countless students in adopting programs and resolving their needs in curricular and extra-curricular activities. The advice and aid of Mr. Engbretson is constantly being sought by students and faculty alike. In the most difficult situations he is rarely found wanting. Giving freely of time, counsel and friendliness, "Mr. E" has truly placed an indelible mark on our achievements at Humboldt.

## CUSTODIANS

Important to the function of the school is the group of four custodians. They are responsible for maintaining a neat-appearing building and taking care of minor repairs. Mrs. Van Zinderan also helps to keep things spic and span.

## NURSE

The verdict, "Go home, or go back to your class," is given to students who feel unequal to class work or fancy they do, by Miss Janice Lindberg, our school nurse.

## KITCHEN HELP

Let's have a peek in the kitchen. The lady that is helping everyone is Mrs. Alice Van Ort, the manager. It is her job to see that the food is ready for the classes that come in at 11:30 and 12:30. Mrs. Louise Howson cooks the meat, Mrs. Doris Rochon makes the salads, sells milk and candy and Mrs. Helen Tauschek is the cashier. Don Metzger, Jerry Engle, Beverly Kirk, Jean Rogers and Gary Mapes lend their assistance during the lunch shifts.

## OFFICE HELP

Mrs. Miller and Mrs. Kehborn, school secretaries, daily solve the maze of administrative problems connected with absence, tardiness and excuses. Their attention to all details helps make the office staff a smoothly-run organization.

## SENIOR CLASS OFFICERS

Until we graduate from high school, we spend a tremendous amount of time within the school's walls. In fact, in terms of time, school becomes our "second home."

We seniors cannot forget the faculty who have done so much toward our education. They have been pleasant, kind, and helpful, always taking a personal interest in us and ever striving for our

benefit.

We shall always remember the pleasant times spent here at Humboldt as we go our separate ways. We are deeply appreciative of the interest taken in our problems, and the sound advice given us as a guide. Therefore, we, the senior class of 1955, do leave the halls of Humboldt behind us to go on to brighter horizons ahead.

## JUNIORS . . .

Juniors! It hardly seems possible that the wonderful years here are flying by so swiftly. They certainly have been wonderful years, too.

For us juniors looking back, it's still as fresh as ever in our minds — the rustle of beautiful gowns, the strains of dreamy music and the Calhoun Beach Club, all bring back vividly the scene of our Prom with its magic loveliness and many gay memories. Our first Prom will long be remembered as one of the biggest thrills of our junior year.

Our junior class was very active in all activities offered this year. The

dance, "The First of the Best," which was sponsored by the juniors was a huge success. The class advisor, Mrs. Green, did a wonderful job of guiding and assisting us in everything.

This year, we, together with the seniors, are going to have the privilege of an exciting and educational trip to Chicago.

Our junior year will be remembered by all of us for the extra-special moments that are vivid to us yet. All in all, our junior year was a very successful year and a wonderful time was had by everyone.

## AROUND THE BUILDING SCENES

Passing in the halls, we see Rosann Bergquist, Joyce Miller, Marlys Howe, and Judy Christopherson collecting for LIFE subscriptions.

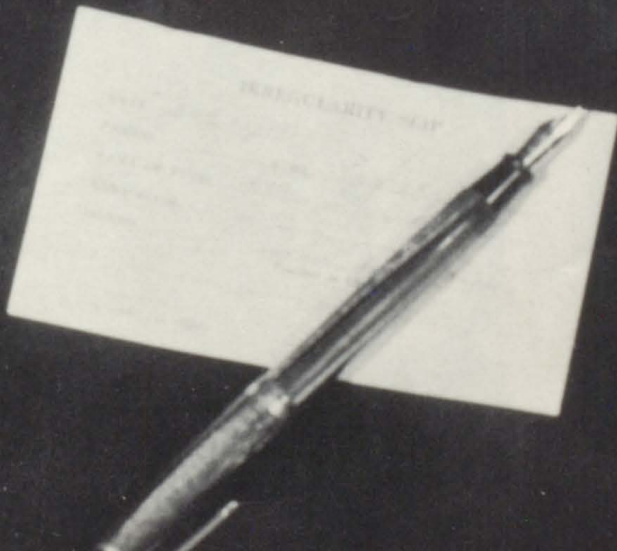

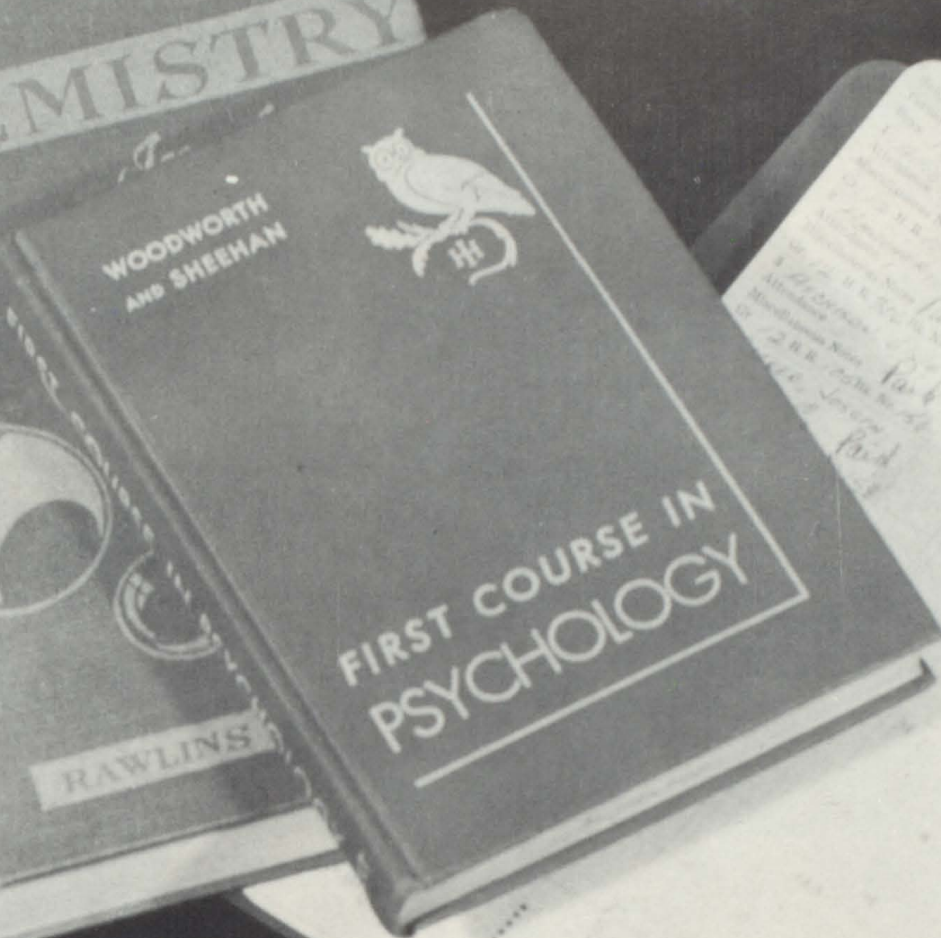

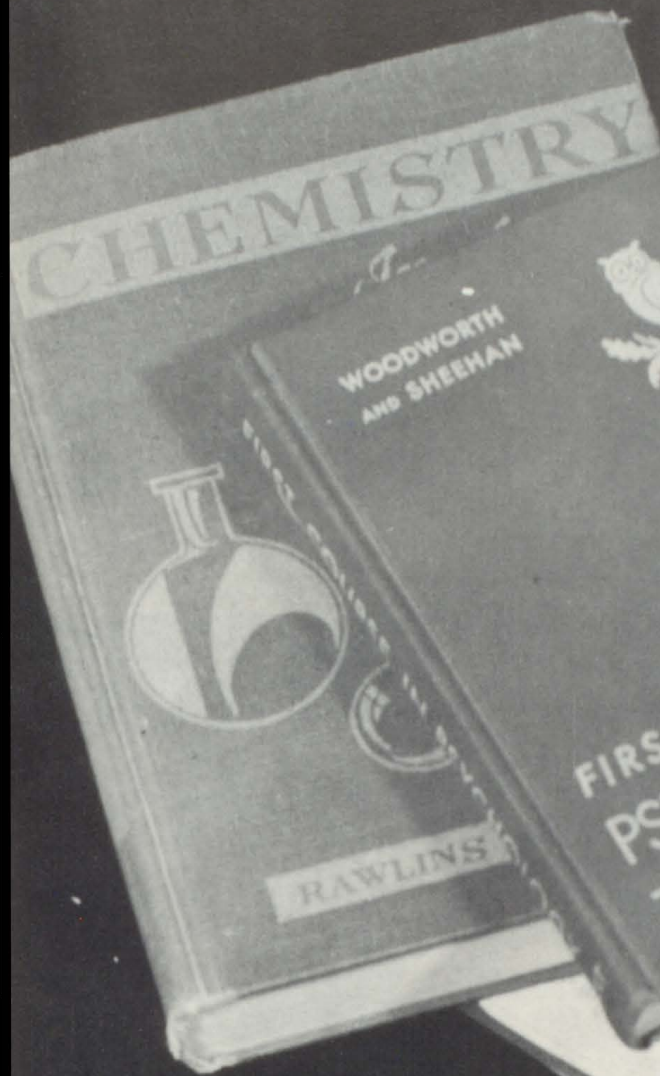

Rushing to have their pictures taken for the LIFE, are a group of Humboldt students. In the foreground are Joan Whitney, Gloria Krech, Bernita Englert, Mr. Kemp, Len Levine, Alice Firnstahl and Marlys Nadeau.

Lunch, cafeteria style. We see Agnes Gullaksen taking some pie, while Carol Beaurline goes away with an empty tray, (no money!).

Posed for a formal picture are the Co-Captains of the football team, John Herzog and Jim Mallinger; they are flanked by the coaches, Ed Liston and Allen Dewall.

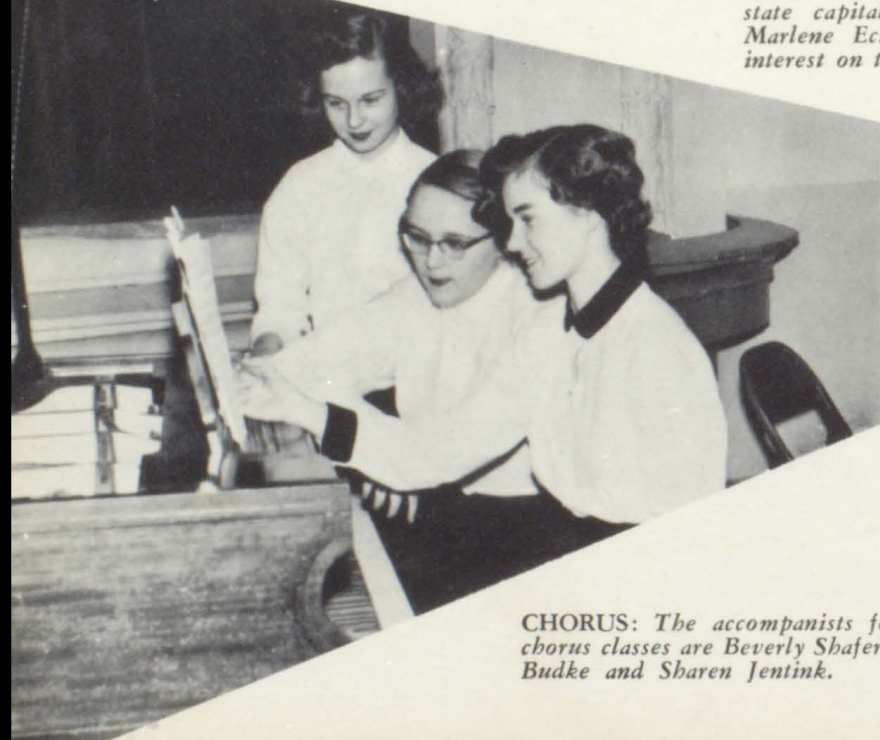

**MATHEMATICS:** Jerome Gertz and Myra Koshehniak are demonstrating some of the theorems learned in the Geometry classes.

**AMERICAN HISTORY:** In American History, Lloyd Soine and Don Strasser are making a duplicate of the state capital, while Pat Smith and Marlene Eckstein look at points of interest on the map.

**CHORUS:** The accompanists for the chorus classes are Beverly Shafer, Judy Budke and Sharen Jentink.

ENGLISH is a required subject for all students and it is one of the most important subjects of high school. In Miss Whaley's fifth period senior class, many phases are studied.

Helen Hannover, Mr. Hofmeister, Jim Corrigan and Jim Lucas are doing an experiment with weights in physics.

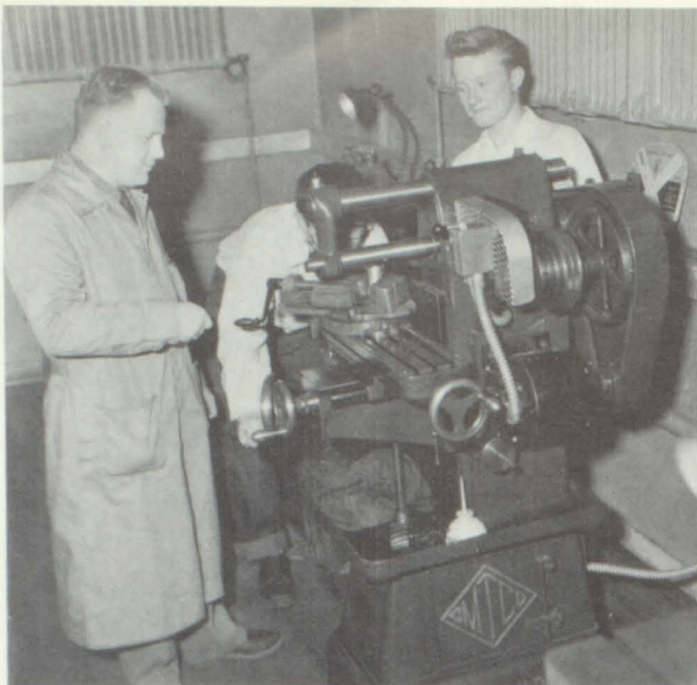

Jean Crisman, Joan Brisson, Vance See are trimming a tree while Bob Doerr and Darlene Lau are making a wreath in ART CLASS.

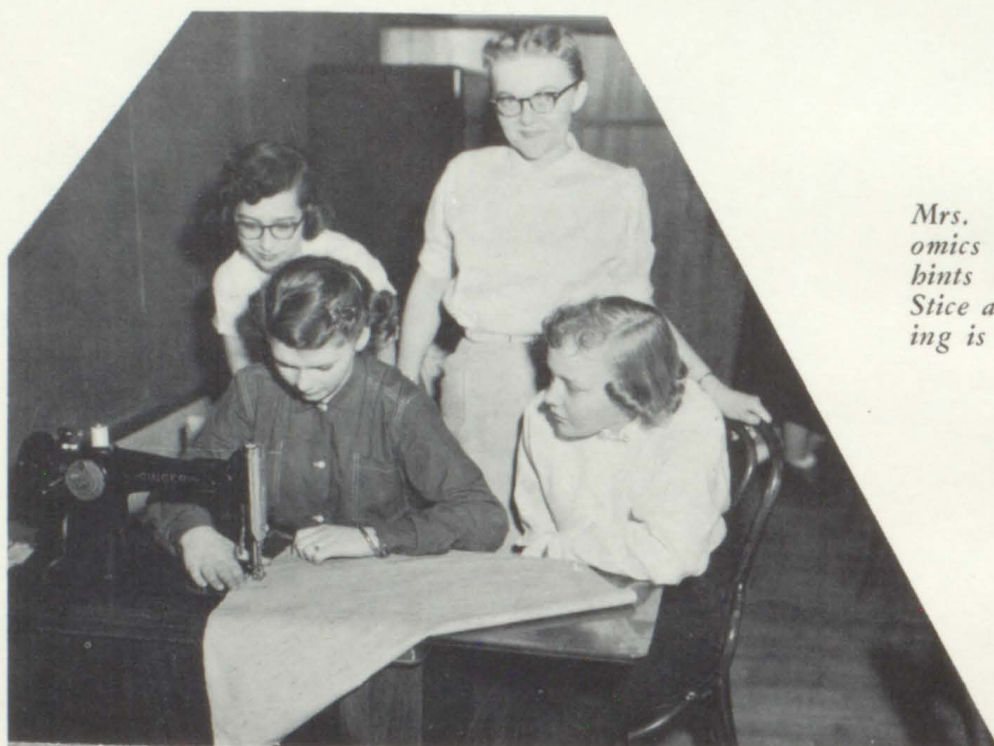

Mr. Reif, Artie Staples, Duane Lau, Rosemary Turitto, Louise Michael and Cliff Fredrick are learning about starfish in BIOLOGY.

LATIN classes are fun. Here is our Latin class singing *Adeste Fideles*.

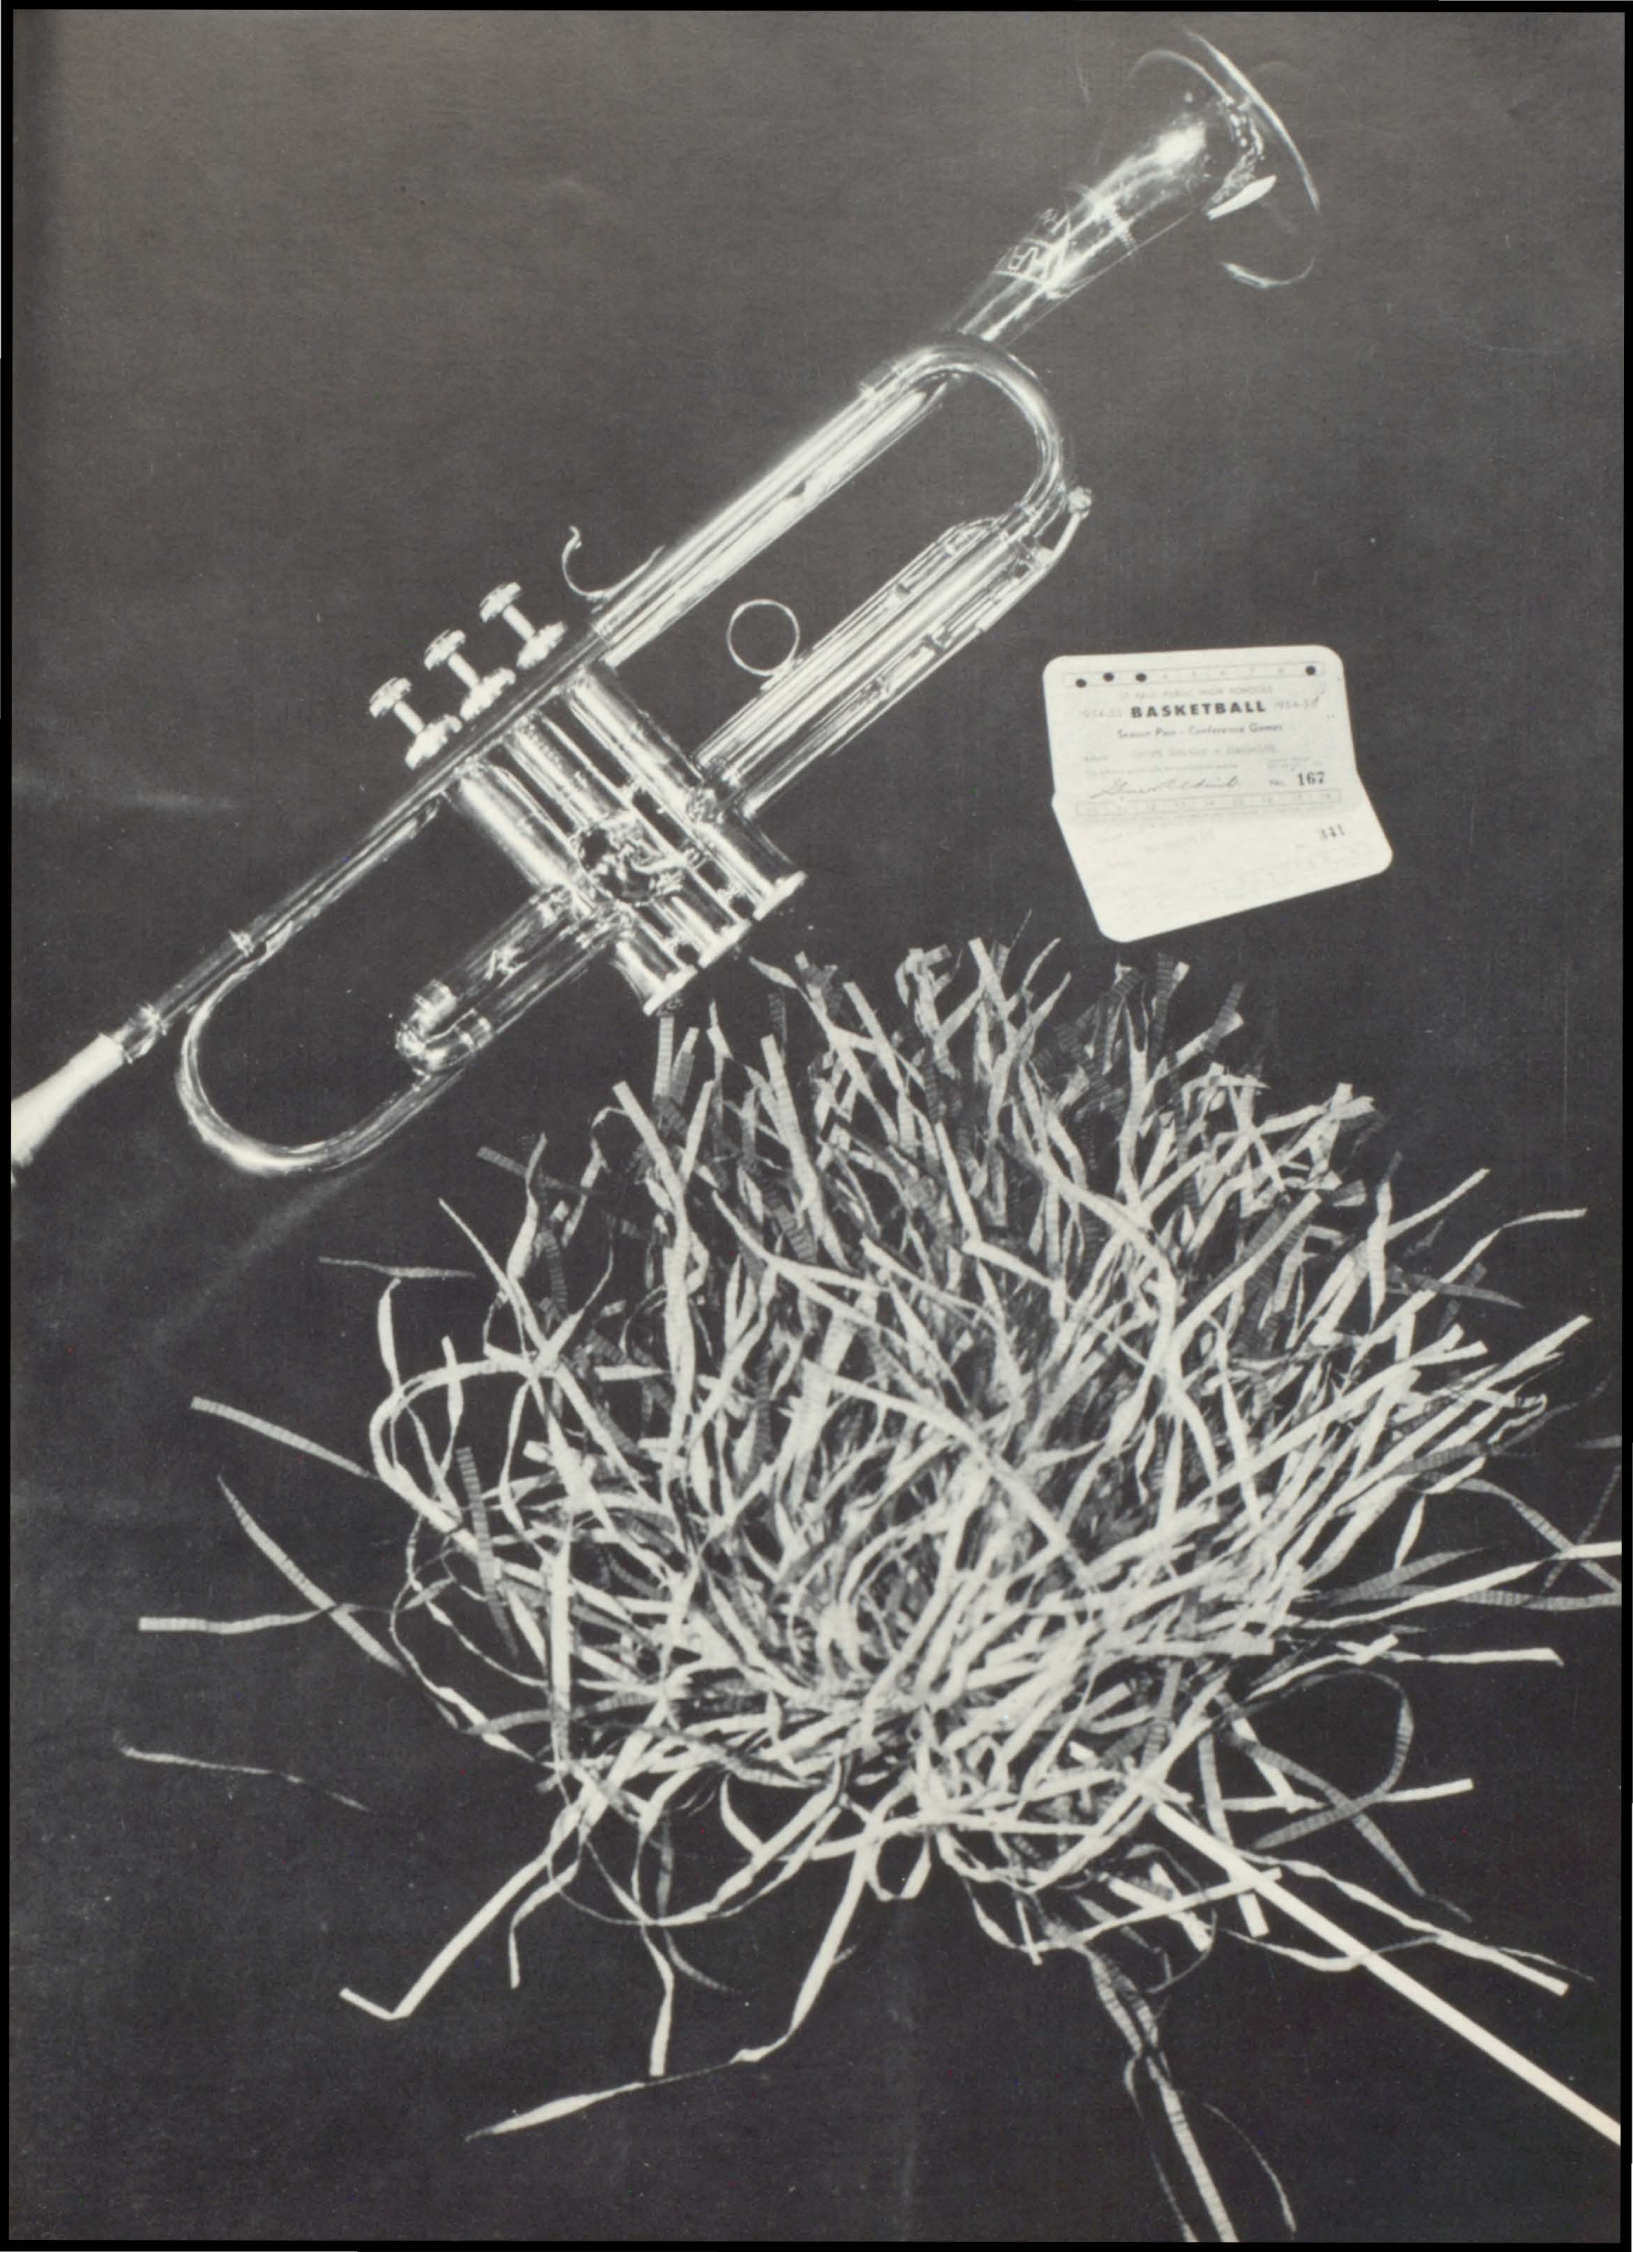

*Mr. Anderson watches as Jim Reis and Don Meyer prepare to begin work.*

*Mrs. Klinkerfues, home economics teacher, is giving some hints on seam binding to Pat Stice and Wanda Odden. Watching is Carol Eggman.*

*Bill Schwinden and Art Wertbauser are nearby as Mr. Hofmeister, prepares hydrogen in chemistry class.*

Included in the exhibit was a list of the H Club award winners; pictures of Mary Lou Lipke, 1954 Queen of the Snows; and articles about Humboldt graduates in the services, on the Police force and in other occupations. The society also places news of alumni on a school bulletin board so that the student body may know what the alumni is doing.

Many Library Club members are also pages who work an hour each day for credit.

## ARROW STAFF

The ARROW staff has a big responsibility arranging their layouts and editing news items as they arrive. The staff is busily contriving headlines for the many articles pouring from the news-gathering reporters and the stories are given the final check. The material is then sent to the printer who returns them the next day to be proofread

and corrected in the form of galley sheets. When the ARROW comes back as a finished product, the distribution department then takes over. While the students are busy reading it, plans are immediately being made by the staff for the next issue. The entire staff contributes ideas to make the paper more interesting.

Marlys Nadeau and Rosi Imbolte are looking over the bills for LIFE; Rosann Bergquist, Judy Christopherson and Marlys Howe are placing pictures on the activity pages; and Joyce Miller and Joan Whitney are doing the very important job of proofreading.

# HOMECOMING . . .

*HOMECOMING CANDIDATES were Beverly Hauschildt, Kathy Griffin, Carol Albrecht, Arlene Lindgren and Marlene Sullivan.*

Our 1954 Homecoming was off to an exciting start as our coronation assembly took place on Tuesday afternoon, October 26. Excitement mounted as Marilyn Hunsaker, 1953 Homecoming Queen, held the crown over each candidate's head and paused. The climax came when she finally placed the crown on Marlene Sullivan. Soon cameras were flashing, and well-wishers were crowding around the new Queen.

On Friday afternoon, our Homecoming parade took over the West Side, and that evening, the dance was held in the school gym.

The dance theme, "Autumn in New York," was carried out by a false ceiling of black, grey, and blue, and silhouettes of New York skylines on the walls.

On Saturday night, between halves of the Homecoming game, our band performed and Queen Marlene and her attendants were introduced to the crowd. Although we didn't win the game, everyone agreed that our 1954 Homecoming had been successful and was one that will long be remembered.

*Queen Marlene is so happy; and everyone else seems pleased too.*

*The Homecoming Dance was a huge success. Everybody thought the music was fine.*

## HIGHLIGHTS

The first really exciting game of this year was played against So. St. Paul. Our 2-1 victory over their state tournament team was a thrill to all of the boys on the team.

Other great games of the season were with Harding, whom we tied 2-2, to prevent them from sharing the city title; and Johnson, to whom we lost 4-1. Our team was the first in the city conference to score a goal against Johnson, the state champions.

The starting six for this year included: John Herzog, Bob Kisch, Jerry Foley; seated: Jerry Nadeau, Kent Harrington, and Bob Johnson.

*It's pretty rough, especially without a goalie!!*

*We sure hope that this one will count.*

ROW 1: Clyde Millerbernd, Jerry Nadeau, Dick Robles, Tom Cunningham, Ross McCullough, Tom St. Martin, Jerry Silverberg, Art Staples.

ROW 2: Wilbur Bortz, Len Levine, Chris Jorgenson, Joe Beaulieu, Don Vada, Paul Chapman, Gary Meyers, Kent Harrington, Bill Roubik, Mr. Peterson.

## BASEBALL . . .

The baseball team was green and inexperienced last year. Although the scores weren't high and we didn't win many games, the boys on the team worked hard. It was the first year for many of the boys. This year the team, coached by Mr. Peterson, hopes to gain in experience. All of the boys will be returning, except for two, so good luck in '55.

## TENNIS . . .

The tennis team enjoyed a good year and finished in fourth place in the city conference. Guy Stoddard and John Herzog represented us in the city finals and received medals for their work.

KNEELING: (l. to r.) Guy Stoddard, John Herzog, Gordy Genz. STANDING: Gerry Firner, Robert Kisch, Tom Kisch, Bob Johnson, Mr. Madsen.

## SWIMMING . . .

The swimming team directed by Mr. Michael McDonough, had a fairly successful season, considering the size of the team. The boys had one meet and two practices each week.

ROW 1: Keith Stanton, Melford Knutson, Pat McMonigal. ROW 2: Kenneth McIntosh, Fred Hunter, Mr. McDonough, Bill LaChappel.

ROW 1: (l. to r.) Neil Neubauer, Paul Chapman, Dick Johnson, Henrich Oft.  
ROW 2: Glen DeVore, Ben Quintero, Jim Robles, Ken Tschida, Harvey Miller, Bob Halligan.

The team enjoyed only a fair season due to the loss of our Coach Richard Kruger. Working out mostly on their own the team managed to win one of three dual meets defeating Mechanic Arts. Some of the outstanding members were Bob Halligan, Harvey Miller, Glen DeVore, Paul Gifford, Henrich Oft and Paul Chapman.

Included in the yearly program are such sports as volleyball, swimming, bowling, basketball, softball and tennis. The girls earn points by taking part in these sports. At the GAA banquet held each spring, an "H" is awarded to those who have earned 750 points, an All-City Letter to those who have 1050 points and a GAA pin to those who have 1500 points. In addition, a bowling trophy, swimming medals and a senior award pin are given.

## TRACK . . .

The track team did very good last year. Jim Schletty won the city high jump and Humboldt came in second in the Triangular Meet, competing against St. Thomas and South St. Paul.

The track team was under the direction of Mr. Richard Kruger.

## ATHLETIC BOARD

Under the direction of Mr. Michael McDonough, the Athletic Board served as the planning committee for Humboldt athletics.

Rules set up by the St. Paul Athletic Board were given to each of the St. Paul schools. The board consists of Mr. McDonough, Mr. Liston, Mr. Ingebretson, Mr. Engebretson and Mr. Peterson.

## D. A. R. . . .

The Daughters of the American Revolution award is given each year to a senior girl who has been outstanding in scholarship, leadership and citizenship. This year the award went to Rosann Bergquist who has displayed all of these qualities.

Rosann has been very active in school life. She has played in the band for four years, has been an enthusiastic member of the Pep Club and was president of the Y-Teens in her junior year. This year she was the very capable editor of our school yearbook, the LIFE.

As Humboldt's D. A. R. representative, Rosann will attend a state-wide convention to be held in Minneapolis, where girls from fifty other Minnesota schools will be present.

ROSANN BERGQUIST

PHYLLIS KRUMM

## ...GIRLS' STATE

Girls' State is an organization prepared for the purpose of instilling the qualities of good citizenship in a junior girl. She must have the attributes of leadership, courage, honesty and cooperativeness.

Phyllis Krumm, whom the junior girls elected on this basis, will represent Humboldt this year. She has been active in school affairs; holding an office in the band, belonging to the Pep Club and being an ARROW representative.

The convention, in its ninth year, will be held June 16 through the 23 on the State Fair Grounds. It is sponsored by the American Legion Auxiliary.
