THE WORLD AND US

While Humboldt was pursuing its activities and studies, the world outside was active also. The week we came back to school, the newscasters were talking about the latest increase to 114.7 in the cost-of-living barometer.

When we were crowning our Homecoming Queen, the president was celebrating his sixty-third birthday. On October 30 we played our last football game of the year and the cattlemen went to Washington to see Mr. Benson about farm price supports.

On November 30, Mrs. Green's classes toured churches of the three faiths while in Iran ex-Premier Mossadegh was being tried for treason. After Christmas we awarded Ruth Poucher the DAR award and Mary Barbata the Girls' State award. In Washington the name Joe McCarthy continued to stir strong feeling, both for and against.

We went through the winter naming Miss Print, the Prince and Princess of Hearts, and the Prince and Princess of Courtesy. The comedy, **Dear Ruth**, was presented to enthusiastic audiences on March 18 and 19. At the same time a mid-March snowstorm broke the record being set for a dry, mild, snowless winter.

Easter vacation in mid-April preceded an early Prom, May 7, at the St. Paul Hotel.

St. Paul had springtime election fever with a new council and mayor to be voted on in late April. Dillon and Daubney were chosen by the people in a heavy primary turnout as mayoralty candidates. The people chose Dillon.

Late spring events at school included the chorus and band concerts, final exams for most, and then graduation for the seniors.

These seniors will be a memory with their graduation, but the world, yes, and Humboldt, will go on . . . to record another year and yet another year much like this one has been.

THE PRINCIPALS

Mr. Engebretson and Mr. Gran have one of their many conferences.

The sum total of any school is not just the "today" we live. It includes the dreams and hopes of other years which become the traditions of today — the Booster assembly, Miss Print, the junior-senior basketball game, the ARROW; these are all traditions now.

The teachers and principals who guide and direct our school in a positive pattern are also part of the sum total. Today, Humboldt, because of these factors, is friendly and vital and compelling.

Mr. John M. Gran, principal, came here in 1949. He was also at Humboldt in 1942-43 as assistant principal. Previous assignments include principalship at Cleveland Junior High and Roosevelt Junior High.

Educational background includes a BA degree from St. Thomas College and an MA from the University of Minnesota.

He has done advance work at the University of Minnesota and is currently very active concerning the juvenile delinquency problem in St. Paul.

Our assistant principal is Mr. Ralph Engebretson. He was transferred here this year from Murray High School. He previously taught at Humboldt from 1939 to 1941.

Mr. Engebretson received his BA and MED from the University of Minnesota.

THE TEACHERS

Mr. Allen Dewall, history, and Mr. John Balkenol, music, seem to agree that Mr. John Ernst, mathematics, has proved his argument.

To the Faculty,

Despite the many unsure moments we, as seniors, may have given the teachers, we hope to have left the feeling with them of something accomplished during the four years of our stay here.

The Graduating Seniors

Best of every
I hope I can
see you next
year.
Jim Toole

Miss Amanda Whaley, English, Latin, and mathematics, sets up a display table for the Historical Society.

Mrs. Zaun, coach reading, goes over some records with Miss Thornton, counselor.

Mr. Aga, work program, Mr. Terry, English, and Mr. Reif, refresher math, American history, and biology, discuss a recent publication in the men's lounge.

Standing, Miss Dulcie Kees, English, and Mrs. Dorothy Green, social studies, visit in the library with Mrs. Lola Krueger, home-making, and Mrs. Donna Perry, girls' physical education.

Mr. Willis Burwell and Mr. Norman Anderson, shop teachers, look over a student's drafting project.

Miss Doris Huso, business, enjoys lunch in the teachers' lunch room with Mr. Arthur Peterson, biology, and Mr. Wesley Madsen, business.

Mr. Richard Krueger, activities, Mr. Robert Ryan, physical education and biology, and Mr. Edward Liston, social studies, visit during the minutes before a school play.

*next to
Humboldt
Johnson*

Mr. Michael McDonough, social studies, and Mr. Ralph Engebretson, assistant principal, look on and help check tickets at a dance as Mr. Ken Johnson, journalism and English, makes change.

*see you next
year
Hofmeister*

Miss Arline Menk, counselor, and Mrs. Lynn Milton, art and crafts, smile appreciatively at someone's caper at the Homecoming dance.

Mr. Francis Hofmeister, chemistry and physics, Mrs. Alice Knauss, librarian, Mr. Knauss, Mrs. Hofmeister, Mrs. Marion Caron, business, and Mr. Caron are amused by something someone said.

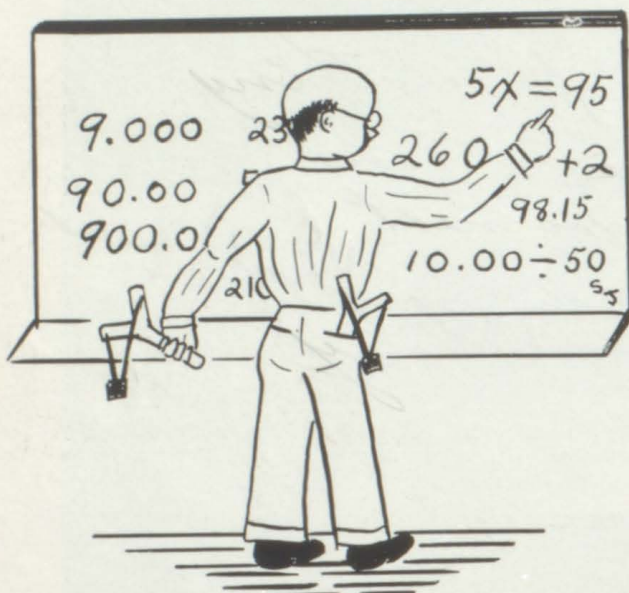

Mrs. Boe, homemaking, supervises a table decoration in her department.

Mrs. Wise demonstrates the use of the pressure cooker to her cooking class.

Clerks Mrs. Miller and Mrs. Kehborn are busy at work with their many duties officewise.

Mr. Thomas Mulcahy, Mr. Joseph Lang, Mr. Marty Tschida, and Mr. Randall Becker pose obligingly in front of the custodial office.

I've enjoyed
my year in your
class very much - I have
learned quite a bit - I only
hope my record shows it.

Members of the Senior Class Committee look over the announcements.

SENIORS

Class officers practice measuring for caps and gowns.

As we appear in our caps and gowns, old memories of the last four years come upon us. Perhaps we remember our sports life more than anything else. Of course, who could forget our hockey team entering state tournament play for two years and the wonderful games of the football, basketball and baseball teams. **Wilbur Bortz, Dick Miller, Ralph Herrera, Jim Schletty, Gordie Genz, Marv Gill** and others all helped to make Humboldt's name known on the sports pages.

In our Junior year we eagerly looked forward to the big night—the Junior-Senior Prom which our class of '54 sponsored.

Finally we were seniors! There was Homecoming at which our queen reigned and a new seventy piece band to play all of the Humboldt songs. This year also showed us a new two-house Student Council with the Senate made up of the National Honor Society. The officers whom we elected for our senior class were: President, **Bruce Gutzmann**; Vice-president, **Jerry Firner**; Secretary, **Margie Momberger**; and Treasurer, **Jean Roloff**.

*Lots of Luck

JUNIORS

The Junior Class Committee has visions of the Prom.

Juniors! It's hard to believe that our first three years of high school have gone so quickly. But as juniors we enjoy the privilege of going to the prom.

As freshmen we heard the talk about the prom, but didn't pay much attention to it; as sophomores we felt the importance of it slowly growing on us, and now as juniors the prom becomes THE event of OUR year!

Suddenly, the most important things in your life center around questions of what to wear; who gets the family car, the color of corsages, and all the little details to especially impress that very special person. And after all the excitement is over and only the memory remains, you dimly realize you will never attend another dance as thrilling as your first prom.

From left to right, vice-president, John Herzog; treasurer, Bev Hauschildt; president, Paul Chapman; secretary, Elsie Virkus.

SOPHOMORES

From a scared and shaky beginning as freshmen last year, the class of 1956 is finally becoming adjusted to the rushing life of Humboldt students. By rushing life, we mean that Humboldtites are always on the go; either to a game, dance or a committee meeting.

When we think of rushing sophomores, we usually think of Toddy Guberman and Dick Robles who did a very good job in their fields of sports. But let's not forget the sophomores in the not so publicized sports. Bob Roettger is a great asset to the swimming team; and a very fine bowler is Carol Kube. Also, we'll remember all the sophomores who are active in the Student Council, Pep Club, G.A.A., and the Band.

We will never forget all the help we received from our advisor, Mrs. Green and our class officers. These were: Ross McCullough, President; Emil Straka, Vice-president; Maureen O'Keefe, Treasurer; and Colleen Sawicki, Secretary.

*To the best teacher
I have ever had
I hope I get you next

SCHOOL

National Honor Society

The National Honor Society is an honorary society to which students possessing leadership and outstanding character are elected in their senior year. Members must also be on the honor roll. Miss Katie Pearson is the faculty advisor.

Student Council

The Student Council this year was divided into two houses. The National Honor Society composed the upper house and the lower house was representatives from each class. The officers were Ralph Herrera, President; Marilyn Hunsaker, Vice-president; Judi Oszman, Secretary; and Marlys Nadeau, Treasurer.

The Student Council discusses provisions of their constitution.

Members of Quill and Scroll have a look at the ARROW.

Quill and Scroll

This year twelve new members were initiated into the honor society of Quill and Scroll. The initiation ceremony was given by the members of last year's Quill and Scroll. They were chosen for their work on the ARROW and LIFE.

E-E-E Day

October 28 was Employer-Employee-Education Day at Humboldt. Businessmen and women of St. Paul were guests of our school. While they were here they visited classrooms until 11:30, when the students were dismissed. Then they heard talks by Mr. Aga on the work program, and Mr. Krueger on the activity program. Lunch was served in the cafeteria, and they discussed with the faculty what they had learned on their classroom visits.

After a tour of the building, lunch was served in the cafeteria to the visiting businessmen and faculty members.

Latin Club

The main purpose of the Latin Club is to study the culture of the Roman people. Anyone who takes Latin can be a member of the club. The members gave a party early this year. The officers were: Dick Hemming, president; Julian Plante, vice-president; Marlys Howe, secretary; Mary Rose Van Popperin, treasurer.

Members of the Latin Club sing songs in Latin and Norman Nelson points to Italy where the language originated.

Historical Society

The Historical Society's big project of the year was their exhibit held at the Homecoming Dance. This year it was displayed in the auditorium. Pictures and newspaper clippings were mounted and showed Humboldt's alumni in action. Previous year books drew the attention of almost everyone passing. Many hours of hard work by Miss Whaley and the members went into the preparation of the exhibit.

This club is by no means all work and no play. Two parties were held, one in the fall and the other in the spring. These are annual events.

The officers were: president, Don Garbrecht; vice-president, George Droubie; treasurer, Rose Anne Hanft; secretary, Mary Lucio.

(Top) John Herzog and Bev Hauschildt look over the display at the dance.

Members of the club show various phases of their work.

Red Cross

Janet Schaefer examines a doll to be sent in one of the boxes.

Mrs. Green reads a letter of thanks.

Connie Peterson supervises filling of boxes.

The services of the Red Cross are many and varied. This year, Humboldt's Red Cross made favors for the hospitals and decorated them on all big holidays. We sent Christmas boxes overseas. This spring we were part of a city-wide drive in which three of our homerooms reached 100%. The officers were: Marilyn Hunsaker, president; Doris Braun, vice-president; Sharon Skillings, secretary; Janet Schaefer, treasurer; and Connie Peterson, chairman of disaster.

Camera Club

The Camera Club was a small, but active organization. The members have been taught the good and bad points of photography. Members of this club have taken many pictures throughout the year. Many of these pictures are seen in LIFE. The club advisor has shown them how to develop pictures. The members find this a very interesting hobby. A "Big" thanks to Miss Menk for her fine assistance throughout the year, and to Jerry Firner and Jim McCloskey for taking all the pictures.

Jerry Firner poses the group for a picture.

Homecoming

Everyone agrees that 1953's Homecoming was a huge success. It was all that anyone could hope for. The excitement began weeks before the actual date when the nominees for queen were announced. The tension mounted until Wednesday afternoon when former Queen Audrey, after much deliberation, placed the crown on Marilyn's head. Friday, as far as we were concerned, was one of the most beautiful days of the year. The parade in the afternoon went over with a bang. The decoration committee for the dance really outdid themselves. The gym had a false ceiling of orange and black streamers and after the queen and her attendants had been presented, two huge nets of balloons and confetti were let down. Some of the balloons held free tickets to the Homecoming game. Though we didn't win the game, it didn't mar the wonderful weekend.

Marilyn is mobbed by well wishing friends after the coronation.

Theater

Humboldt has two dramatic organizations, Little Theater and Thespians. The Little Theater is made up of the members of the speech classes. This is the first step toward becoming a Thespian. To be a Thespian, a student must earn ten points. A One Star Thespian has earned twenty points, a Two Star Thespian has earned thirty. To become a Three Star Thespian, a student earns forty points. Most Thespians work to reach the fifty points needed to become an Honor Thespian, for which they receive a pin.

Mrs. Carlson supervises these two groups. Officers were: Judi Oszman, president; Janice Thayer and Terry Gran, co-vice-presidents; Doris Fuchs, secretary; and Glen DeVore and Janet Schaefer, co-treasurers.

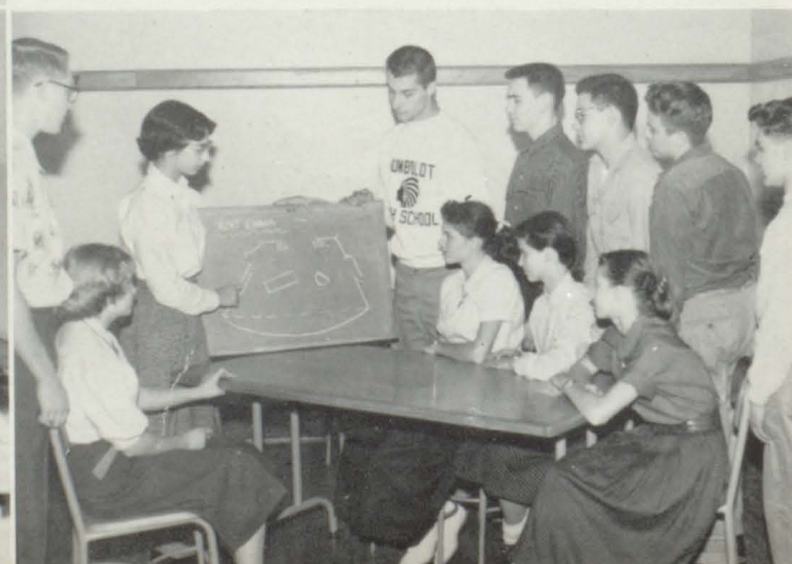

Members demonstrate various pieces of equipment in the room.

Some members practice putting on a skit for radio.

The Stage Crew, under the direction of Mrs. Lynn Milton, assist the production of all plays and assemblies. The settings for both plays were built by this group. They also planned and decorated the stage for the Homecoming Coronation and many other assemblies.

Joanne Gilde explains the floor plan of the set for "Aunt Emma."

Members of the Little Theater watch as the Thespians put on a skit.

Major Productions

The Humboldt Little Theater presented two plays, "Aunt Emma" and "Dear Ruth". "Aunt Emma" was a delightful play about a dominating aunt who upsets the entire household of her relatives by coming for a visit.

"Dear Ruth" concerns Ruth's teen-age sister who writes to an Air Force lieutenant, signing Ruth's name. The fun begins when the lieutenant returns from overseas.

(Top row): Dan Melquist demonstrates an imaginary field goal in "Aunt Emma". Glen DeVore seems to find Laura Homburg very interesting in "Aunt Emma".

(Bottom row): Ralph Booton presents Judi Oszman with flowers and candy in "Dear Ruth". Burton Joy warns Lois Theno to stop her mischief making in "Dear Ruth".

Pep Club

The Pep Club, under the direction of Mr. Robert Ryan turned out in full force for all the games played this season.

The Pep Club put on the homecoming assembly and members took part in numerous pep assemblies during the year.

Cheerleaders were chosen from this group last fall.

Officers were John Herzog, president; Paul Chapman, vice-president; Dorothy Paggen, secretary; Beverly Hauschildt, treasurer, and Rosann Bergquist, recorder.

Rose Anne Hanft explains how to measure copy.

Everybody reads the "Arrow," even the staff

The page editors go over copy with editor-in-chief, Rose Anne Hanft.

Arrow

The past year has really been an extra busy one for the people who put out the ARROW. Publishing a paper is always a lot of work and involves everything from soliciting ads to typing stories. This year, though, the ARROW staff and cub reporters have also sold buttons, the first Humboldt directory, and cupidgrams. A Valentine dance was another project.

Members of the staff this year consist of Mr. Ken Johnson, advisor; Rose Ann Hanft, editor; Shirley Nelson, Rita Beckermann, Kathleen Mattson, page editors; and Don Garbrecht, sports editor.

The cub reporters spent the year learning some of the basic fundamentals in journalism. This knowledge was naturally very useful when they published the "ERROR."

A newspaper without subscriptions would never get very far. That is the reason why the ARROW representative has a very important job. They get people interested, collect the money, and make sure the subscribers get their papers.

Every person connected with the ARROW, from editor to representative, has his part in making the paper successful.

Myrna Marshall shows how to write out a subscription receipt.

Arlene Lindgren points out an article in the "Arrow."

The majorettes strut their style.

Band

Humboldt's band has really grown by leaps and bounds during the past few years. Therefore, to finance the purchase of new uniforms, the band sponsored the magazine drive. The students really responded and did a fine job of selling.

Under the leadership of Mr. Balkenold, the band made several appearances at our assemblies and games and helped to boost the school spirit even higher. They also aided in the Christmas program and put on their traditional Spring Concert.

Chorus I and II, under the direction of Mr. Bal-kenol, have had a full schedule this year. They put on a Christmas program, and the proceeds went to buy new band uniforms. Just before Christmas vacation, the group marched through the halls singing all of the favorite carols. A spring concert and performances on radio and television were other important occasions. The president was **Ralph Herrera**.

Art Club

This year the Art Club was also a part of the activity program. They went on a field trip to the Walker Art Gallery. One of their projects is to make posters for any club in school that needs them. They sponsored a dance in April called the Bunny Hop and their Annual Art Show and Reception in the spring.

The interesting co-operative work program not only provides business opportunities and job and social experience, but also credit toward graduation. With this program two credits are earned and three credits are also given for the regular courses of English, senior social science, and industrial relations.

The officers of this organization were president, Tom Taube; vice-president, John Ketchmark; secretary, Marcie Santell; and treasurer, Al DeRusha.

This year among their social events, the students had their annual Employer-Employee banquet and a very successful pow-wow.

Humboldt High School fortunes took a drop this year, following the graduation of twenty-two of its 1952 members. The team ran into inexperience in almost every department. Although its record was poor the team supplied many thrills. The greatest thrill came during the Murray game when the boys pulled an almost unbelievable stunt of scoring themselves two touchdowns in three minutes to win. Some of the boys distinguished themselves by receiving honorable mention for All-City awards. Those named were Ralph Herrera, Butch Bortz, and Jim Mallinger. Returning next year are Toddy Guberman, John Herzog, Jim Koska, and Jim Mallinger, who are expected to be some of the better linesmen in the conference.

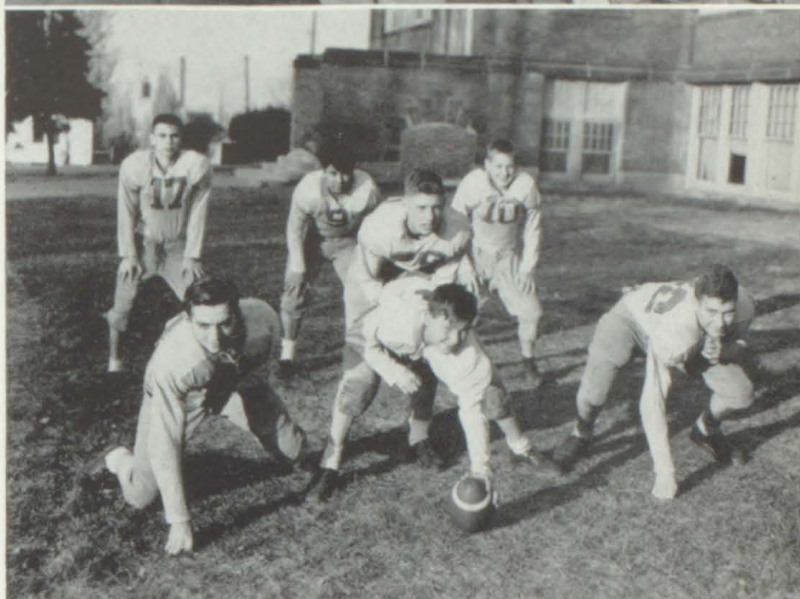

The Humboldt "B's" looked exceptionally good this year and promise to be a great boon to Humboldt football next year. The future stars of the varsity team won three games, tied one, and lost one. The passing of sophomore Dick Hammond and the catching of Dick Morgan, proved to be too powerful a weapon for the opponents. Congratulations to the hardworking B squad and their fine coach, Mr. Ryan, for a successful season!

It is the end of the road for another year of footballing and the boys check in their equipment with Mr. Ryan.

BASKETBALL

A SQUAD:

Although Humboldt's basketball team, according to games won and lost, had only an average year, it was considered a top threat in the conference. The boys, coached by Mr. Peterson, played a very full schedule of 20 games, meeting such top flight teams as Hopkins, Austin and South St. Paul. Perhaps the greatest thrill came when Humboldt defeated a highly favored Johnson five to knock them out of first place. The outlook next year is bright with three starters returning. Bruce Gutzmann and Jim Schletty were elected co-captains for the year.

B SQUAD:

The B's had a season much like the varsity team's winning 4 and losing 4. Some of the boys distinguished themselves by their play and promise to be welcome additions to the A Squad. They are Ross McCollough, Junior Cassillas and Ed Miers.

SWIMMING

Last season's swimming team met with only moderate success, winning one of its conference meets. This last season as in the past, the swimming team was hampered by a lack of manpower and the lack of a coach. The team was captained by Bob Roettger.

All but one letterman will returning next year, and Mr. McDonough, the team's director, hopes for a bright and successful season.

HOCKEY

Although this year's hockey team suffered from the loss of last year's graduates, the team did a splendid job. Coach Liston said that the team was one of the most spirited teams he has ever coached, and if you watched any of the games you could easily see what he meant. The team never stopped fighting or trying.

They opened the season with a 4 to 0 loss to the Harding Knights (the city prep champs), but after that one they came back to beat Mechanic Arts. They played a total of nineteen games; winning nine, losing nine, and tying one. Goalies, Tom St. Martin and Kent Harrington, did an excellent job in the nets. They both will return next year.

"B" squad hockey team

The "B" squad was coached by the very able George Rhode ("A" squad '52 and '53). They did an excellent job by winning four and losing four. The team was mostly made up of freshmen, who will undoubtedly help next year's team. They played against Cretin, Harding, St. Paul Academy, and So. St. Paul.

GAA

If you were to walk into the girls' gym some Thursday after school, you would probably find a good deal of activity. The lively members of the Girls' Athletic Association participate in such sports as basketball, volleyball, and softball. Girls' swimming and tennis are also a part of GAA.

There are also other activities besides sports in GAA. A banquet was given for new members of the association last fall and they also sponsored a very successful Jean Canteen. An award banquet was given this spring which included a dinner and entertainment. It is at this banquet that awards and trophies are awarded and newly elected officers for the next year are announced.

This year's officers were: president, Elsie Virkus; vice-president, Joyce Miller; secretary, Marlys Nadeau; treasurer, Mary Barbato.

GYMNASTIC TEAM

This sport requires a lot of hard work and practice every day. The team demonstrated this by showing a very successful season. Although the "C" squad did well, they lacked manpower. The team started the year off by beating Murray. They made a fine showing with Tom Amacher, Ed Kimmel, and Bill LaChapelle, who were the high scorers on the "D" squad.

GOLF

The golf team, coached by Mr. Harry Falk, did not have a very good year, due to inexperience and lack of boys. The team, which was captained by Ken Nelson, had only four members. The boys tried hard but they won only three meets.

TENNIS

Tennis, under the able direction of Mr. Wesley Madsen, enjoyed a fairly successful season. The netmen won four matches and lost five. Gordy Genz played first singles; John Herzog and Jim Whelihan, first doubles; Guy Stoddard, second singles; Tom Kisch and Larry Blazer, second doubles; Lowell Ressler and Jerry Firner alternated on third singles. Five lettermen will return next year.

BASEBALL

With only five veterans back, the baseball team wound up the year with a record of three victories and six defeats. Ken Anderson, ace pitcher, made the all-city and was signed by the New York Giants.

Coach Art Peterson looks forward to next year when he will have twelve lettermen back.

Cross Country

Last fall, as in the two previous years, Humboldt had a fine cross country team. According to Mr. Krueger, the coach, this year's cross country team was as strong a team as he has coached in this sport.

In the first five conference meets they won four and lost one. The all-city meet found Humboldt capturing second place to complete a good season's record. The team's outstanding runners were Paul Chapman, Bruce Gutzmann, and Leo Sawicki.

TRACK

Coach Richard Krueger fielded a team composed of a few veterans and many newcomers. Arnie Tester, veteran miler, along with Bruce Gutzmann in the high jumps, Jim Young and Leo Sawicki in the dashes were back. Bruce won the city high jump title. Track is growing at Humboldt and next year's team will have many veterans back.

To a teacher who
seems to be a good
Joe, I hope I'll be
in your class next
year.

To a nice teacher
Doris

Best wishes to a good
teacher. I know I haven't
seen as quiet as I should have
been but I think I got a lot
out of your class.

Best wishes to my
American History teacher.
I must admit I've worked
hard, but I've learned a lot
and I enjoyed it. Have a
nice summer. See you
next year.

To my Am. History Teacher, Joyce Miller
I have truly enjoyed my class
with you. You have made history very
interesting to study. The best of wishes
to you Mrs. Green.

Always
