We, the Senior Class of 1953 . . .

Mrs. Hilda Samson
Mathematics

Miss Ora Hoy
Social Studies

. . . with great admiration and deep appreciation, dedicate this LIFE to Miss Minnie Hoffmann, Miss Ora Hoy, and Mrs. Hilda Samson. They have been pleasant, kind, and helpful, always taking a personal interest in the problems of their pupils, ever striving for our benefit.

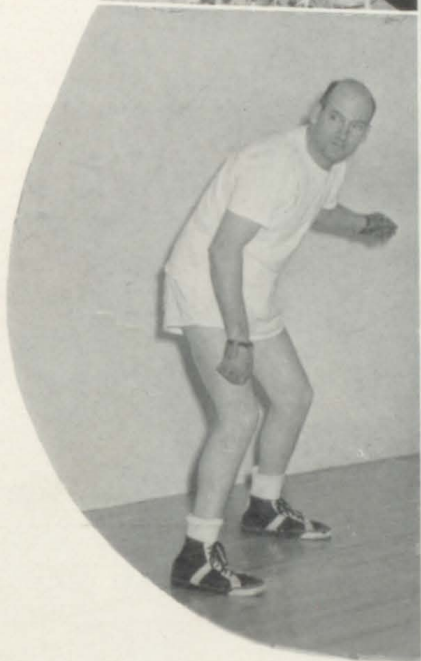

Humboldt cannot forget these teachers who have done so much to forward the cause of education. Each of them has left an enviable record in the history of the school. Their tasks have been many and their rewards have been few, but they have handled each task to the best of their ability, using their good judgment as a guide. They have supported many class projects, giving advice whenever necessary and increasing the efficiency of all with whom they dealt. Therefore this tribute is small compared to the gratitude that we feel.

Mr. John M. Gran, Principal, discusses yearbook problems with the editor, Barbara Pfenning.

Mr. John T. Lackner, Assistant Principal, talks with a parent.

Our Principals

Our hats are off to our principal, Mr. John M. Gran, and to our assistant principal, Mr. John T. Lackner, the two people who deserve the most credit for building a fine reputation for Humboldt for school spirit and for good citizenship.

Mr. Gran has worked hard to gain the support of the West Side merchants. Through Mr. Gran's efforts and the cooperation of the merchants they have built a booster club which strives to promote a community school spirit.

Mr. Gran has shown that his talents lie in many fields by the excellent job he did as co-director of the fall play: "A Nose For News". Also, many of his ideas were incorporated in the rehabilitation program that has taken place at Humboldt throughout the year. We thank him, for the part he has played in giving our school its bright new look.

Most of us, for one reason or another, have come to Mr. Lackner for help. It may have been nothing

more than to have an excuse signed or maybe he has straightened out some serious difficulty for us. No matter what our problem, we have found him to be friendly, fair, and understanding. With his help and guidance we can be better citizens and build a better community.

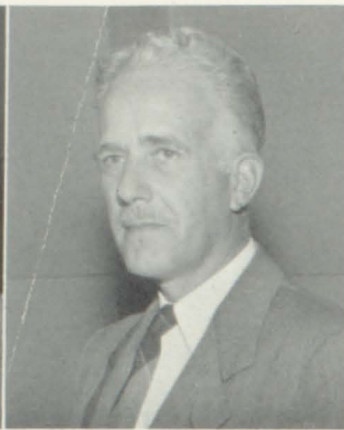

Mr. Lackner acted as an advisor to the students who worked on the program for the homecoming game and he helped them plan the activities for between the halves.

Mr. Lackner is a sportsman himself, and he is a member of the athletic board. Mr. Gran, also, is a member of the board and an ardent supporter of all the teams. He has worked through the year to encourage student attendance to all the games. He and Mr. Lackner have worked with the other members of the board to present a well-rounded sports program to Humboldt students.

These two men are the leaders of Humboldt High School!

CLASSES

Senior Class Officers Last Row: Arnie Tester, Wally Cosgrove.
First Row: Liz Keller, Mary Ellen Rolfer.

Today as Seniors, we look back over our four years at Humboldt. We recall many happenings which added so much to the fond memories we will always treasure.

As Juniors, we chose our class committee to work out the plans for the Junior-Senior Prom. As the result of our work, our Junior-Senior Prom went into full swing at nine o'clock, on May 22, at the Lowry Hotel Ballroom.

Seniors ♦ ♦ ♦

We remember the excitement and anxiety when, as Juniors, members of our class were part of the basketball and hockey teams which participated in the state tournaments.

And then, Seniors! The climax to all our fun at Humboldt. The officers we elected were Wally Cosgrove, President; Arnie Tester, Vice-President; and Elizabeth Keller and Mary-Ellen Rolfer, co-secretary-treasurers.

Although the names of all the seniors cannot be mentioned, each person has done his best to make our years here at Humboldt so memorable. Carl and Bernie Weber, along with Dick Schneider, have given us three fine years of hockey. Ken Anderson, Ron Burton, Dick Corcoran, Tom Mosso, and Ken DuBois have each given their best to the basketball team in their junior and senior years. Arnie Tester captured honors for Humboldt as well as for himself when he set a new cross country record in a meet at Highland Golf Course. In our Senior year, the football team made great gains due to the help of Bill Booher, Ken DuBois, Felix Casillas, and the other members of the team.

We are proud of our Senior Class as they leave Humboldt to step into the many walks of life that await them. Good Luck to all of them!

Rehabilitation and a Look Ahead

In one way, at least, the school year of 1952-53 has been the most distinctive in the annals of the school. It will go down in Humboldt's history as the year of "rehabilitation". Pupils who never before knew the meaning of that word, learned its meaning vividly. To them, it means painters, plasterers, steamfitters, carpenters, plumbers, and electricians competing with each other and the students for room to work in. To them it means a temporary machine shop on one side of the cafeteria; light fixtures, plumbing and sash stacked ceiling high along the walls in the corridors; men pushing wheelbarrows of cement down the hallways, and workmen appearing suddenly and unannounced through the ventilators

in the classrooms. It means the rat-tat-tat of air hammers drowning out all else, the smell of cement and paint, and the sudden appearance of bright colors in the hallways.

Next fall it will mean a school building transformed: bright and cheerful classrooms, a new library, a new guidance center, new and beautiful locker rooms in the gym, more drinking fountains, more lavatory space, and a new lighting and heating system.

To the Seniors of 1953—thanks a million for showing us how to make a difficult year an eventful and happy one.

John M. Gran

Juniors . . .

Juniors . . .

The highlight of our junior year was the night of the Junior-Senior Prom. During the year the students anxiously waited for this memorable evening. While the girls were discussing what to wear the boys were asking their dads for the car.

All the necessary plans were made. Then . . . the eventful night took place. The students, as well as the faculty, enjoyed themselves at this long awaited dance.

All this could not have happened if it hadn't been for the successful planning of the Junior Class Com-

mittee. The funds for this event were raised through the magazine drive which was sponsored jointly with the Pep Club.

For this past year the officers of the committee were Gordon Genz, President; James Young, Vice-President; Lois Theno, Secretary; Janice Thayer and Judi Oszman, Co-Treasurers. Miss Marion Heinen is the advisor of the Class of 1954.

Through sports and school activities the juniors have already proven themselves capable and show great promises as the Senior Class of 1954.

ACTIVITIES

Journalists and Artists

In order to become a member of Quill and Scroll, the Arrow staff or the LIFE staff members must do superior work in some phase of journalistic or creative endeavor.

Several Quill and Scroll members were inspired by attending the N. S. P. A. convention in Chicago the weekend of November 27, 1952.

Besides working for the school publications, members of Quill and Scroll held regular meetings throughout this year. Officers for the past year were Edward Zamansky, president; Marion Nelson, vice-president; Joy Marschinke, secretary-treasurer.

The chief social function, the initiation banquet, was held at Road Buddies on January 14, 1952. Students were initiated at the candle light ceremony.

Advisors, Miss Dulcie Kees and Miss Arline Menk, have played a large part in the major success of Quill and Scroll at Humboldt this past year.

Scholars and Leaders

The National Honor Society is an honorary society to which students are elected in their last year of high school. In order to be elected to the National Honor Society, a student must be on the honor roll, he must be a leader in school activities, and he must render special services to the school and the community. Members are selected by the faculty after considering qualifications of senior students.

In the spring of the year the newly elected members are initiated at a banquet and receive pins to signify membership. Miss Katie Pearson is the faculty advisor for this organization.

Members of the National Honor Society have the distinction of wearing gold tassels on their mortar boards at graduation in June.

The officers were Edward Zamansky, president; Dick Corcoran, vice-president; Joyce Virkus, secretary; and Donna Hauschildt, treasurer.

Law and Order

Under the direction of Miss Phyllis Coleman and led by George Rhode, president; Mary-Ellen Rolfer, vice-president; Shirley Josephs, secretary; and James McClosky, treasurer, the Student Council operated as the central organization for school activities this year.

Some of the projects undertaken by the Student Council were taking charge of the Homecoming Dance, sponsoring the Christmas Dance, initiating the new system of student orientation, and having charge of all drives such as Christmas Seals, Community Chest, Clothing, etc. The other big responsibility placed on the Student Council is the supervision of all hall monitors.

Print and Press

The Arrow Staff had a big responsibility on its shoulders for publishing the school newspaper is a big job. First of all it requires long hours of writing and planning layout. Other work includes typing and proofreading. Then the paper is on its way to the printers, but there is still work to be done. The paper must be mounted on galley sheets, reprinted, then proofread again. When the paper comes back to Humboldt, it is distributed to the subscribers. The Arrow Staff immediately starts working on the next edition.

This year again the Arrow Staff was under the direction of Miss Dulcie Kees. Staff members were: editor, Marion Nelson; associate editors, Elizabeth Keller, Ed Zamansky; second page editors, Audrey Cowen, Delores Triplett; third page editors, Margie Englemann, Joy Marschinke; and sports editors, Ron Burton and George Rhode.

During the year, the Arrow Staff worked hard on such annual events as Cupidgrams and the Valentine Dance.

The "Error" gave the Cub Reporters an opportunity to try their hand at newspaper editing. They also assisted the Arrow Staff with Cupidgrams.

This group carried on such detail jobs, as proof-reading and rewriting, they also learned how to gather and to write news.

Hats off to the Arrow Staff and Cub Reporters!

Working hard for LIFE

Hush and Rush

The Life Staff, with the assistance of Miss Arline Menk, has sponsored many activities during the year.

Headed by Barbara Pfenning, editor, and Marlene Nauer, assistant editor, the Life Staff has worked especially hard this year to make our Humboldt Life the biggest and best ever.

The staff members, under the direction of the advertising manager, Ron Burton, solicited stores and business organizations all over the West Side for advertisements to be published in the yearbook.

For the first time, the Life Staff photographed couples at the Homecoming Dance in an attempt to raise funds for the extra cash needed this year for a better Life.

Staff members also worked outside of school to make Christmas corsages which were sold at the Holly Hop Dance as well as in homerooms.

The "Dance of Your Life" in January was another activity of the Life Staff, at which time Humboldt's new swing band, The Indianaires, directed by Mr. Balkenol made their first appearance. Marvin Kloner was crowned Miss Print during much fanfare.

The staff members who played an important part in the success of our annual were: Barbara Pfenning, editor; Marlene Nauer, assistant editor; Donna Hauschildt, business manager; Mary Ellen Rolfer, circulation manager; Sharon Larson, class editor; and Jerry Firner and Nancy Stahl, feature editors.

Sales and Subscriptions

The big job of selling and distributing the school newspaper was given to the Arrow Representatives. These students were chosen by the homeroom teachers to assist the staff in their work.

On the morning of distribution, the papers were delivered to the homerooms where the representatives took over. It was their duty to see that the subscriptions were sold and copies of the paper distributed. For those students who did not have subscriptions, the representatives sold single copies.

Money which was collected for subscriptions and single copies was turned over to Delores Triplett who was the circulation manager for the Arrow Staff.

Congratulations go to this hardworking group!

It was the responsibility of Life Representatives to get subscriptions for the yearbook and to take charge of distributing the yearbooks in homeroom.

This year a new plan was initiated. A student could obtain a copy of Life for \$3.00 by subscribing early in the year, the price was raised to \$3.50 after December. This scheme not only helped to obtain more funds but it also helped the staff in placing "Life" orders with the printer.

The Life Staff congratulates the 27 representatives, who were headed by Donna Hauschildt, business manager, and Mary Ellen Rolfer, subscription manager.

Footlights and Fame

Little Theatre members may become Thespians by earning points which are given by participating in assemblies, plays, radio broadcasts or other productions involving an audience.

A One Star Thespian has earned twenty points, a Two Star Thespian must earn thirty points, while it requires forty points to become a Three Star Thespian.

It is the desire of every Little Theatre member to become an Honor Thespian, although it is difficult to earn fifty points. Beverly Fraizer, Jim Whelihan, and Eunice Clevenger became Honor Thespians during the past year.

Tragedy and Comedy

The Little Theater was made up of members of the speech class and all honor Thespians. During the year, the members of the Little Theater took part in such radio broadcasts as: "The Golden Story Hour", and "Meet Me at the McGowans". The most important work of Little Theater was its memorable plays. Under the supervision of Mrs. Carlson, "A Nose for News", "Junior Miss", and various one act plays were given. Officers of Little Theater were: Jim Whelihan, president; Eunice Clevenger, vice president; Beverly Frazier, secretary; Doris Fuchs and Richard Diedrich, co-treasurers.

Swing and Sway

Under the fine direction of Mr. Balkenol, the Band rose to new heights this year. They made many appearances including the Santa Claus Parade, a Spring Concert, and a performance for the students at West St. Paul High School.

In addition to these outside activities, they contributed much to our pep assemblies and games. Loyal support and perfect attendance was always given to whatever they undertook. No less credit goes to the majorettes who gave their support on numerous occasions.

Another group organized by Mr. Balkenol was a small swing band called the "Indianaires". They gave their first performance at the dance sponsored by the LIFE staff in January. This was such a success the Senior Class Committee chose them to play for a later dance. The money that was made was used for new music and uniforms to make a bigger and better band.

Sing and Chant

This group of choristers was composed of those who had chorus before. The activities for the year were many. A Christmas Concert was given in December which included numbers given by the Mixed Chorus, Girls' Glee Club, Girls' Sextet, Girls' Triple Trio, plus duets and soloists. In December the usual tradition of caroling was carried on in the school halls. The choir groups also participated in the Choral Pageant given in the St. Paul Auditorium. A formal spring concert helped to make a full schedule, but you can be sure that the choristers found it an enjoyable task.

The director was Mr. John Balkenol, who worked hard to build up this chorus. The officers were Carl Weber, president; Audrey Oszman, vice-president; Leo Kegler, secretary; Helen Ukkelberg, treasurer. The librarians were Rose Marie Saum, Marjorie Rockenbach, Rosalee Carrell, and Yvonne Gibson.

Chorus I was under the direction of Mr. John Balkenol. It was made up of freshmen, sophomores, and juniors, who were in their first year of Chorus. The officers were: Fred Schmidt, president; Jackie Straus, vice-president; Janice Faffler, Secretary; and Tom Taube, treasurer. Members of Chorus I sang Christmas carols in the halls during the Christmas season along with the advanced group. They were combined with Chorus II in presenting the formal spring concert which was held in the school auditorium. On May 1 the Chorus made an appearance on television.

The Chorus elected four girls to act as librarians. These girls were in charge of distributing the music each day. The librarians were Gloria Krech, Mary Ann Parslow, Doris Braun, and Marie Engle.

Translate and Conjugate

The main function of the Latin Club was to study Roman culture and its effect on our lives today. To have fun and to learn to get along with others was another goal towards which this organization was aimed.

After the monthly business meetings of this organization, the members often held an informal discussion about words, phrases, and proverbs they had read about.

The members of the club enlightened others as to the existence of Latin. It is not a dead language, as everyone supposes, but is used every day, every time you speak. It is a part of the world in which we live.

This year the club of thirteen members was led by officers Mary Lucio, president; Shirley Nelson, vice-president; LaVonne Boeckmann, secretary; and Gerald Firner, treasurer.

Past and Present

The Historical Society has gathered news about the alumni from the first graduating class of 1897 to the most recent graduates. This society of Humboldt High has kept a record of school events from the time the school opened to the present.

The society held its annual exhibit at the Homecoming Dance early in the fall. At this exhibit pictures were shown of Humboldt's progress from the start, the faculty from year to year, and interesting news of alumni.

The Historical Society was started by a former Humboldt counselor, Miss Minnie Hoffmann in 1944. Other advisors included Miss Katie Pearson, Mrs. Dorothy Green, and Miss Amanda Whaley.

The president of the Historical Society was Ed Zamansky. Other officers were Roger Olson, vice-president; Shirley Nelson, secretary; and Gerald Firner, treasurer.

The Art Club, with Jim Young as president and Mrs. Milton as adviser, went on field trips to the Walker Art Gallery and the St. Paul Gallery and sponsored the Annual Art Show and Reception for parents and teachers. Along with these school activities they sponsored two social events; a dance which helped to raise funds for the club's activities and a spring dinner with the LIFE staff.

The Art Club is growing rapidly and is becoming very successful.

Aid and Assist

Some of the activities of the Junior Red Cross were filling gift boxes for children overseas and putting on a play for the crippled children at Gillette Hospital. During the Christmas season students donated their time to carol, to decorate the hospital rooms, and to make favors which were placed upon the trays for the patients.

The officers of this helpful organization were Janice Ranum, president; Marilyn Hunsaker, vice-president; Kathleen Whitson, secretary; and Roseann Berquist, treasurer.

Although the office force is small in size it plays a large part in school activities. Senior students who volunteer their services have an opportunity to put into practice the things they have learned in the business classes. Office helpers are assigned to the principal's office and to the counselor's office as well as to the nurse's office.

Stamp and Shelve

The Library Pages were a great help to both Mrs. Knauss and the students. The main tasks of a page is to check in books, to stamp books, and to locate books for students.

Because the library moved into new quarters, the pages had extra duties to perform. Such things as transferring books, magazines, files, and cabinets were a back-breaking job, but because of the pleasant atmosphere of the new library this became an enjoyable task.

Work and Save

Ending its second year, the Co-operative Part-time Training Program has proven to be a great success. While in school the students organized "Opportunities Unlimited"; the officers of this organization were President, Dave Johnson; Vice-President, James DeRusha; Secretary, Valerie Jacobs; and Treasurer, Don Dietner.

These students attended classes and then worked part time in order to earn the required number of credits.

At the end of the year the students and their employers attended the Employers-Employees Banquet held at the Riverview Commercial Club.

Snap and Flash

The Camera Club is a small group but it plays an important part in the life of a school. Members of the club were seen at every school function snapping pictures. Some of these photographs are seen in LIFE; pictures which were not used in the annual were posted on the school bulletin board and sold to students. Camera Club members had a special money-making scheme at homecoming when they took pictures of couples who attended the dance.

Thanks to Jerry Firner, Mary Ellen Rolfer, Rosann Berquist, Ed Zamansky, Dick Diedrich, John Tietz, and Barbara Pfenning for all they have contributed and to Miss Arline Menk for her assistance as adviser.

Paint and Paper

The Stage and Assembly Force worked as a unit assisting in the production of all school plays and assemblies. Members of the group built the settings for the two school plays, "A Nose for News" and "Junior Miss." Mrs. Milton, the adviser, along with Leo Kegler, stage manager; Arnie Tester, assistant stage manager; and Janice Thayer, secretary, put in many hours helping this organization.

Reels and Records

Have you ever realized how important the Audio Visual Club was in the use of classroom films, tape recordings, and special lighting effects for assemblies and stage production?

For the first time in the history of Audio Visual, girls took part in this important activity.

Under the supervision of Mr. Hofmeister, five girls and ten boys contributed their best to this hard-working organization.

Each year, members of Mr. McDonough's Senior Social Science classes are selected to take part in the Junior Town Meeting of the air. This year Juanita Flack, Sharon Larson, Earl Prohofsky, and Jim Whelihan presented the program with Dick Corcoran and John Stepowoy assisting with more details of the program. The topic discussed this year was "Should the President be Elected by Direct Vote of the People?" This type of program arouses the interest of young people in present day affairs and helps them meet problems squarely.

Skill and Speed

The Sharks of Shorthand is an organization for those students who are especially skilled in shorthand. The only way a person may be accepted into this club is by being a second year student and by passing dictation at one hundred words per minute for five minutes with ninety-five per cent accuracy. Most of the girls passed this point by February.

The club does not hold meetings nor elect officers. It is strictly an honorary organization. Each girl also receives a pin issued by the Gregg Publishing Company which signifies membership.

Yell and Cheer

The Pep Club, which is still in its infancy, had its second great year. Approximately 160 members attended the games and cheered the Humboldt teams. During basketball season, two bus trips were taken by the Pep Club to Hopkins and to Spring Valley. These trips were paid partially by the students and partially by Pep Club funds. This year part of the profit earned in the magazine drive was turned over to the Pep Club.

The adviser of the Pep Club, who was also largely responsible for the organization of it, was Miss Marian Heinen. The Pep Club provided cheerleaders, sponsored pep assemblies, and thus helped to increase school spirit. This was especially evident by increased attendance at football games. The cheerleaders, who worked so hard on new cheers, were Marlys Nadeau, Kay Merry, Terry Gran, Marilyn Hunsaker, Nancy Hultgren, and Janice Thayer.

The officers this year were Joanne Walsh, recorder; Betty Fischer, treasurer; Sharon Larson, secretary; Ken Andersen, vice president; and Mary Rolfer, president.

Plan and Pay

Under the direction of Mr. McDonough, the Athletic Board served as the planning committee for Humboldt athletics.

Mr. McDonough helped to establish the board in 1948 and he was in charge of all "H" letters and financial duties.

Along with Mr. McDonough, Mr. Gran, Mr. Lackner, Mr. Liston, and Mr. Peterson met once a month to talk over various sports matters. They discussed policies, the condition of sports equipment, the attendance of the student body, and the rules and regulations set for the individual sports.

The board also appointed a doctor who gave free physical examinations to all participants of Humboldt sports.

Rules set up by the St. Paul Athletic Board were given to the individual school boards, and it was their duty to see that these rules were carried out.

Through the board, tickets were made available to the student body for such sports as football and basketball.

Many thanks to the board for their valuable contributions to Humboldt athletics.

Punts and Passes

Hard work and perseverance earmarked the 1952 Humboldt football team.

The Humboldt team was definitely considered one of the top teams until injuries cut them down mid-season.

The squad, composed mostly of seniors, wanted to make the last year one to remember, and tried their best to give Humboldt a boost in football.

Some of the boys distinguished themselves by being mentioned for all city awards. Receiving honorable mention were Ken DuBois, Joe Sitzmann, Ed Masloski, Dean Loucks, Bill Booher and Wally Cosgrove.

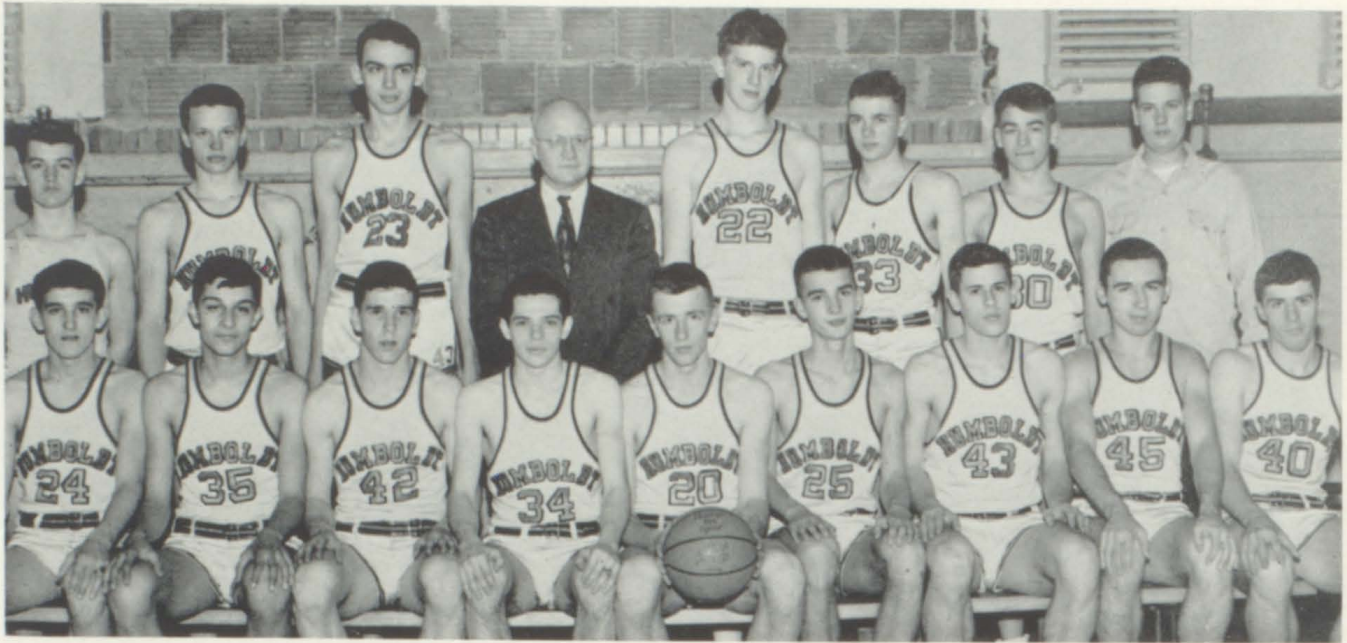

We can be proud of the 1952 football team because they represented the school honorably and in true sportsmanlike manner.

Trudge and Toil

This year the future stars of the football varsity team set up a very impressive record of six wins and one loss. Some of their winning strategy should be acclaimed to Mr. Ryan who did a very fine job of coaching his first Humboldt team. The complete B Squad showed what it took to make a winning A Squad. Due to the loss of nearly all the members of the A Squad many of the B Squad boys will move up to take regular positions on next year's team. Boys with B Squad experience and "know how" prove to be a valuable asset in the following years. Keep up the fine work.

Dribble and Shoot

Due to the loss of ten regular players from last year's district championship team, the basketball squad ran into inexperience in many fields. Those returning from last year's team were Ken Andersen, Ron Burton, Dick Corcoran, and Tom Mosso. The record of our losing nine conference games does not show the outstanding play in the final games where they were defeated by two or three points. Ron Burton and Ken Andersen were placed among the top scorers during the conference season. Ron also received All-City Honorable Mention for his fine shooting and all-around floor play.

The outlook for next season looks bright with Paul Chapman, Jim Schletty, and Mike Alewine who show great promise. Returning also is Dick Hammond, a freshman, who proved himself by playing on the A squad.

Congratulations go to the hard working basketball team.

Up and Coming

The B's, like the "A" basketball squad, had an impressive but losing year. The boys, who were coached by Mr. Allen Dewall, won two of nine starts during the conference season. The play-offs were held during the week of March 9. The team lost in the first round to Mechanic Arts 47 to 43. Just a week before they beat Mechanic Arts, 27 to 22, in regular conference.

The squad was made up of approximately sixteen freshmen and sophomore boys, who practiced and improved as the season progressed.

The showings toward the end of the season, indicated that there will be some valuable strength added to the varsity squad next year.

Two points more!

Sticks and Blades

Hockey is definitely a growing sport at Humboldt. This year, as last, Humboldt's hockey team secured the Region I championship which gave them the right to participate in the state tournament.

We won every conference game, excepting Johnson, who had a tough time beating us 3-2. We then took Minneapolis Patrick Henry, 5-1, for the region title.

We had the misfortune of drawing Warroad for our first state game. Warroad went on to participate in the final with Johnson. After dropping this first one, the team fought back for victories over Roseau and Southwest for the consolation trophy.

This year, Carl Weber set a new conference scoring record of 26 points. Bernie Weber also was honored by being named to the All-State team. No less credit goes to Dick Schneider, John Herzog, and Marv Gill on first line, and Wally Cosgrove, Bob Feifarek, and Gordie Genz and Dick Miller who sparked the second line. Carl Weber and Dick Schneider were also honored by being named to the All-City team. Both boys were repeats from the year before.

Last, but certainly not least, credit goes to Bill St. Martin who did a swell job during his first year in the nets.

Congratulations to Coach Liston and the team.

Stops and Flops

This year the B Hockey team was coached by Bob Addyman, Humboldt's 51-52 goalie. Besides being coach, Bob was the referee, time-keeper, and score-keeper at many games.

Most practices were held at Baker playground, but the facilities of Belvidere playground were used when Baker was unavailable.

This year's defensemen were Jerry Nadeau, Duane

Penner, Toddy Guberman, and Dallas Greenbush. On the first line were Tom Kisch, Norm Burkhalter, and Tom Cunningham. The second line consisted of Louis Greengard, John Elliot, Bill Roubik, and Ken Erickson.

The best-played games were with Harding, Cretin, and St. Paul Academy. The boys' hard work at frequent practices really began to show up in these later games.

With the help of the officers, Cheryl Wood, president; Carol Albrecht, vice-president; Mary Barbato, secretary; and Jean Roloff, treasurer; the girls participated in such sports as basketball, volley ball, table tennis, softball, field hockey, speedball, and badminton.

Girls' swimming is also a part of G.A.A. These girls took part in various swimming meets throughout the year.

Girls' Tennis organized by G.A.A. was a popular spring sport.

Members of G.A.A. won "H" letter awards by making 750 points throughout the year by regular attendance and by participation.

All-city awards were also given to girls who made 1,000 points during their years at Humboldt.

Lob and Volley

The tennis team, under the direction of Mr. Wesley Madsen, had a fair season of three wins and four losses.

Hustle and Muscle

Gymnastics, directed by Mr. Krueger, had a successful showing this year. The boys worked hard and practiced every day after school to achieve their success.

Hit and Run

Although the 1952 Humboldt Baseball team went through the season with one win and eight losses, there were several good players on the team. Among them was Frank Kaiser, shortstop, who received honorable mention on the All-City Team.

With veterans Tom Mosso, George Rhode, Ken Anderson, Don Dahedl, and Paul Trog forming the backbone of the team, we expect some good games during our 1953 season. The team was coached by Mr. Art Peterson.

Run and Race

Flash! Arnie Tester breaks the ribbon at the Highland Golf Course and sets a new city cross country record for a mile run in nine minutes and eight tenths seconds, which was twenty seconds better than the previous record.

With this record he placed first in the all-city meet and finished fourth in the state tournament at Nokomis Golf Course.

Others who showed great determination at these meets were Paul Chapman and Bruce Gutzmann.

The team as a whole placed fifth in the all-city meet and finished sixteenth in the state meet. Congratulations to a team of which Humboldt can be proud!

Sprint and Spurt

The 1952 track team had an excellent record and showed great improvement over those of the past few years. Enough of the boys participated to have an effective junior varsity. They won two of their meets, one in which they beat Mechanic Arts by a wide margin.

Track is one sport where team work does not count but all work is done as an individual. The team can only be as good as each boy wants to make it.

Some of the boys that were outstanding in individual events are: Arnie Tester, the mile and low hurdles; Felix Casillas, 440; Jack Vitalis, broad jump, high and low hurdles; Bruce Gutzman, high jump; Dean Loucks, high and low hurdles; Dick Marschinke, 100 yard dash; Tom Tourville, pole vault; Joel Haugley, discus; and Dick Lewis, shot put.

Even though many of the boys graduated, Mr. Krueger looks forward to another good year for the team.

Cross Country Last Row: Mr. Krueger, Leo Sawicki, Arnie Tester, Ken Nelsen, Herb Roeller, Jim Schletty, Paul Chapman, Bruce Gutzmann, Don Vad, Fred Hunter, Guy Stoddard, Jim McCloskey.

Strikes and Spares

The bowling teams, for both boys and girls, met every Monday and Wednesday afternoons. During the latter part of the year, a tournament was held and individual trophies were presented to the high scorers.

Putt and Par

The 1952 golf team, headed by Mr. Harry Falk, was sparked by veteran Tom Waters who placed high in every meet. Many new boys signed up and were expected back to form a nucleus for the 1953 team.

Golf Last Row: James Clemens, Mr. Falk, Roger Goldberg. **First Row:** Dick Firtko, Tom Waters, Ken Nelsen, Kent Harrington.
