Administration . . .

MR. JOHN GRAN, Principal

What can we do to boost Humboldt? Mr. Gran's chief undertaking in his two years as principal has been a "Booster Plan." He is consistent in his desires toward a better school. Through speeches, news articles and public displays, he has made the people of the West Side aware of Humboldt.

We are proud to have Mr. Gran as our principal because of his great contribution towards a better Humboldt.

MR. JOHN LACKNER, Assistant Principal

Mr. Lackner is a hard working and patient man. His job is not an easy one for he decides the outcome of many student problems. His decisions are made with the full understanding of the student involved. Because he was an athlete in college, Mr. Lackner is interested in a well-rounded athletic program and advocates student self-government.

Faculty . . .

All of the teachers at Humboldt have Bachelor's degrees and eight have Master's degrees. Our faculty has been changed this year by the addition of seven new teachers.

Graduating from Humboldt and then on to receive his degree at Marquette University in Milwaukee, Wisconsin, Mr. Fahey taught at Harding before he returned to Humboldt. Mr. Liston taught at Washington High School before coming to Humboldt. Other new members are Mr. Madsen, Miss Heinen,

Mr. Reif, Mrs. Nienaber, and Mrs. Ziebell. Wedding bells rang around Thanksgiving to change our Miss Kutz to Mrs. Ziebell.

Mrs. Carlson left Humboldt as an exchange teacher to New Zealand right after Christmas and was replaced by Miss Shay. Everyone was sorry to see her go, having enjoyed the many plays she has directed. Mrs. Carlson taught physical education, speech, and English.

Seniors

Admit . . .

Senior officers: Ron Arneberg, vice-president; Pat Griffin, treasurer; Jim Kenney, president; Miss Menk, advisor; Gerry Daily, secretary.

It seems only months ago that we entered school. Now we all have fond memories of classmates and teachers, of old friends and new friends.

In the fall of '47 we entered as scared bewildered freshmen. Those long years ahead of us at Humboldt seemed endless.

There was no advisor for us as freshmen but Mrs.

Dorothy Green gave her advice to us as sophomores. Due to illness Mrs. Green resigned as junior advisor and Mr. Michael McDonough succeeded her. Miss Arline Menk was our advisor this year.

We are thankful to them for their unfailing understanding, guidance and advice in our moments of joy and sorrow.

Humboldt is one of the oldest and most distinguished high schools in St. Paul. Starting in 1889 with but two full-time teachers and fifty-seven pupils housed in a few rooms set aside on the third floor of the Crowley School, the school grew steadily until 400 students made it evident that Humboldt High School needed a building of its own. So in September, 1910, the present building was opened, with a faculty of twenty teachers to staff it.

Today its halls are rich in tradition, its trophy case crowded with awards, and its list of graduates replete with the names of men and women who have achieved prominence in their chosen fields. Each year since 1910, Humboldt has been approved "without qualification" by the North Central Association of Colleges and Secondary Schools, the most respected and exacting accrediting society in the United States. Because of the competence of its teachers, the performance of its students and the fullness and variety of its curriculum, Humboldt has a chapter in the National Honor Society and each year twenty or more of its seniors are elected to the society in recognition of their leadership, character, and scholarship. Although Humboldt is one of the smaller St. Paul high schools, its athletic teams have won their share of championships and Humboldt is one of three St. Paul high schools ever to win a state championship in basketball.

But most significant of all are the attainments of its graduates. To cite just a few:

Harold Stassen, former Governor of the State of Minnesota and a political scientist of international significance.

Norman Katkov, one of the most successful living American short story writers whose tales appear regularly in current magazines.

Dr. Alfred Nier, Research Physicist of the University of Minnesota and the first scientist to isolate uranium 235. Dr. Nier is one of the outstanding authorities in the atomic field.

Brigadier General Stanley R. Mickelsen, now stationed at the Pentagon in Washington.

Dr. Arthur A. Welck, head of the Counselling Services of the University of New Mexico.

Walter Abel, famous Broadway and Hollywood actor.

Undoubtedly, the class of 1951 will produce its leaders. No class that has preceded it has been more active in school life or more genuinely interested in the school's name. In the classrooms, the halls, on the athletic fields, in the community and wherever the name of Humboldt was carried, the Class of '51 represented the school with enthusiasm and loyalty.

Hail!

The Coming Seniors

The important role the juniors have played this year proves that they are ready to enter as seniors in the fall. As special activities this year the juniors sold tickets for athletic events and gave the annual Junior-Senior Prom, which was held at the Leamington Hotel, May 25.

With the vacancy left by Mrs. Carlson, Mr. Reif and Mr. McDonough became advisors. Mr. Mc-

Donough had experience advising the juniors last year.

Many juniors have had the opportunity to excel in different activities this year. Quill and Scroll elected five new members. Juniors elected a boy and girl to represent them in Boys' and Girls' State.

This class was led by Phil Nielsen, and Bill Kreul, co-presidents; Dorothy Williams, secretary; and Lois Halloway, treasurer.

It seems only yesterday

Just think . . . here we are sophomores and it seems like only yesterday when we entered Humboldt as freshmen.

Have you noticed, I know I have, that even these two years in high school have made us seem older, more ready to take our part in life?

Of course, given time who knows how great our contribution will be to Humboldt life. We'll follow and set examples.

Why this year we've had many outstanding sophomores in sports, Little Theater, operetta, and the student government. Jack Addyman and Sue Meese

represented the sophomores in the race for king and queen of hearts. Jack Warren, an accomplished magician and record impersonator, participated in the exchange assemblies. Bernie and Carl Weber gained renown for the sophomores in their brilliant hockey playing, and Eunice Clevenger and Helen Boyden were part of our cheer-leading squad. Our class also boasts scholastic leaders.

This year we were advised by Mr. Reif and our leaders were: Bob Feifarek, president; Ron Burton, vice-president; Shirley Josephs, secretary; and Pete Sauber, treasurer.

FRESHMEN

We Like It Here

Wait a minute seniors . . . Even though this is our first year at Humboldt, we like it here. We have three remaining years, and although they seem an eternity now, these years will pass quickly for us. School work, extra curricular activities, games, dances, and dates will keep us busy while time flies unnoticed past us.

Our experiences as freshman will be a guide to us for what lies ahead in the future. We can look

forward to our sophomore year when we shall have our own advisor; as juniors, our chance to give the out going seniors a happy but meaningful J. S. Prom; as seniors, our first stepping stone into the future of unknown dreams.

We as freshman can make our dreams come true, but only by doing our share as students and citizens of Humboldt.

Student Council

"Hello! I'm from Humboldt and we're selling magazine subscriptions to raise money for our school funds." This year each student was expected to sell one subscription to reach the set goal. Also sponsored by the Student Council this year was Courtesy Week. Special courtesy classes were held in social science classes where each student read and practiced the correct ways of courtesy.

Each homeroom had a Student Council representative who attends the meetings and reports the information received to the homeroom.

Further activities supervised by the Student Council were traffic and hall regulations, noon hour recreation, lunchroom supervision and certain social activities. The first girl president in the history of Humboldt was elected this year.

STUDENT COUNCIL OFFICERS:

Hall Monitors

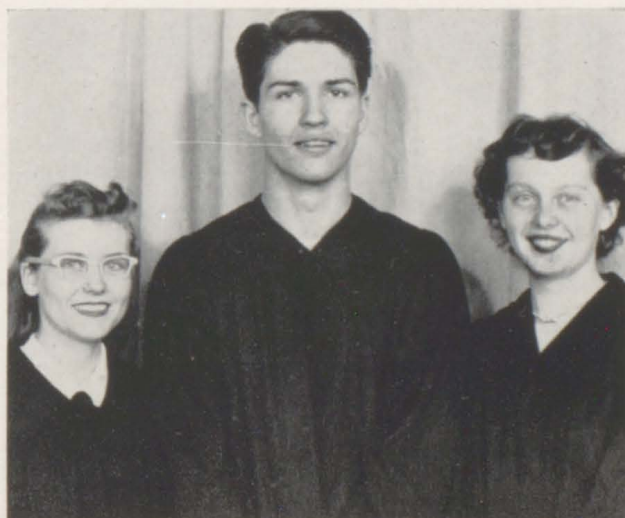

The hall monitors are a part of the Student Council and are stationed each period at the ends of every hall. Their work is to see that every "roamer" has a special room privilege. No one is to be in the halls during the class period without permission. Any violators of these Student Council rules are turned over to the Ethics Committee and they take over from there.

Ethics Committee

"Order in the court! The Ethics Committee will please come to order." This committee is organized for the purpose of "straightening out" any offenders of the rules set up by the Student Council. The offender is brought before the committee and is asked to explain why he was turned in. The Ethics Committee is presided over by the vice-president of the Student Council and consists of three other members.

National Honor Society

Election to the National Honor Society is one of the highest honors a student can receive while in high school. The qualifications of the society are based on scholarship, leadership, service, and character.

A banquet is held each spring to honor the newly elected members and pins are issued as emblems of the society.

A gold tassel swinging on the left side of the mortarboard of the graduate walking toward his diploma signifies that he or she is a member of the National Honor Society.

Sharks of Shorthand

All the girls belonging to the S.O.S. have passed the 100 words a minute speed test and have had two years of shorthand. This qualifies them for membership in the club.

In this way the girls prepare themselves for secretarial or stenographical work after graduation.

Miss Marian Heinen is the club advisor.

Junior Town Meeting

Youth voices its opinion on the question, "Is Socialized Medicine Practical for the United States?" Members of Mr. McDonough's social science classes took part in this panel discussion which was broadcast over WTCN.

Arrow Staff

Before the ARROW can be published pages must be planned; next comes the individual assignments, deadlines, typing of stories, copyreading and finally the ARROW is ready for the press. This is not all, make-up, proof-reading and page-proofing have to be done before the final edition reaches the students.

Editing the ARROW, attending a High School Journalism Convention at the U. of M. and the clinic sponsored by the Minneapolis Tribune are some of the various activities the staff has taken part in this year.

Miss Dulcie Kees, advisor, has working with her the co-editors Marilyn Krieger and Alice Halgren.

Cub Reporters

They may not receive much credit, but, nevertheless, these cub reporters do a large share in giving the ARROW a future. All cub reporters who are in Journalism I must be juniors. New cub additions to the staff this year were a few freshmen and sophomore students. These reporters duties were to cover classroom and important news. In the spring they edit the Cub ARROW.

With the extra experience these reporters receive while editing the Cub Arrow they also have another chance to edit the April Fool's edition of the Arrow. This edition boasts the sense of humor reporters have.

Officers this year are: Doris Alleva, president; Marilyn Krieger, vice-president; and Joan Peterson, secretary-treasurer.

Page thirty-eight

Historical Society

The work of the Historical Society is to keep on file a record card with information about all Humboldt alumni. A record is kept of any marriage or death. The members of the society post on the bulletin board any interesting newspaper articles or clippings concerning a graduate. Officers are: Virginia Firlstahl, president; Jim Warren, vice-president; Pat Caron, secretary; and Yvonne Feifarek, treasurer.

Library Workers

This group of workers has been a great help to Mrs. Knauss, the librarian. They give up their free period to work in the library. Some of their main duties are to stamp books, to work with the filing cabinets and help other students find reference material. In doing this, they get a great deal of experience that will aid them in the years to come.

Office Helpers

"Pass out these bulletins, please!" This statement plus quite a few more sayings are very familiar among the group of office helpers. Some of these students help in Mr. Gran's office, some in Mr. Lackner's office, and some in Miss Hoffmann's office. They also help collect attendance cards, distribute mail, check on absentees, and type stencils. This provides them with practical experience in office work.

Life Staff

"We must meet the deadline! Oh, where is the ruler? What happened to those typed stories? Ohh! Miss Menk . . ." These phrases were heard often before the LIFE was presented to the publishers, proof read, corrected and proof read again.

You are now looking at the finished product which took months to assemble to perfection. Miss Menk was advisor this year. Co-editors were Audrey Reid and Jeannette Mickelsen.

Life Representatives

"Would you like a subscription to the LIFE—" That question was echoed through the rooms and halls of Humboldt High School many times this year. This group of LIFE Representatives have done a great deal towards getting many subscriptions for the LIFE from the students.

Sharon Chase, the circulation manager for the LIFE, was in charge of yearbook subscriptions and distribution.

Arrow Representatives

"Attention! Starting today subscriptions for the ARROW will be taken."

This is what all ARROW Representatives are heard saying soon after school begins. These representatives take the subscriptions and distribute the ARROWS upon publication. There is one representative for each homeroom. Connie Alleva and Dona Morgan supervise these representatives.

Each year the job of these representatives gets more difficult because they must convince students of the worthiness of supporting their school paper.

Ensemble

Another part of our music department at Humboldt is the Ensemble. They spend most of their time studying classical music; included are the suites of Mozart and Beethoven. The Ensemble played for the operetta. Mrs. Pritchett, their director, accompanies them on her violin.

Although the Ensemble was just organized this year, Mrs. Pritchett hopes to further this group in the study of classical music and to enlarge it with more violinists.

Humboldt Chorus

Humboldt has two choral groups—Chorus II for juniors and seniors and Chorus I for beginning students.

These groups have an opportunity to study good music, to learn to appreciate good music, and to give entertainment and pleasure to themselves and to others in their public performances. During the school year, the choir furnishes music for assemblies

and special occasions.

The choirs elect different officers to represent their group. These offices consist of president, vice-president, librarian, and social hostess. Mrs. Pritchett directs all musical groups at Humboldt. The operetta, "Waltz Dream" by Strauss, was their special performance this year. It was given for the purpose of raising money for the music department.

Swing Band

Swing it, Jackson . . . Be bop be bop . . . That's the mood the Swing Band gives when they practice or are playing for a dance.

The Swing Band plays a variety of tunes and always manages to have a lively session when together. This group was organized this year.

The Swing Band also took an active part in a reciprocal Student Council assembly at Harding. Their fine display of talent has made them a popular group.

The Band

The aim of this organization is to build up the appreciation of music and to further school spirit. One period of the school day is devoted to students interested in taking lessons from Mrs. Pritchett. The school owns several instruments which students may borrow.

The band has given us entertaining assemblies as well as playing at sport events and in other public appearances.

One of the public appearances the band made was entertaining the throngs of people at the Winter Carnival.

Thespians

The Thespians are the honorary members of the Little Theater group. To become a Thespian, one must have ten points, acquired by individual performances or appearances before an audience. Twenty points represents a one star Thespian; thirty points, a two star Thespian, and forty points, a three star Thespian. When fifty points have been earned, a student becomes an Honor Thespian and receives a pin.

A picnic is given each year for this group.

Little Theater

"Speak the speech, I pray thee, as I pronounced it to you, trippingly on the tongue."

Shakespeare and many other famous dramatists are studied each year by members of the dramatic club and the speech classes. The Little Theater is open to all boys and girls of Humboldt who have an interest in acting and stage work.

During the year, Little Theater members gave Arrow, Christmas, St. Patrick's Day, and Courtesy Week assemblies.

Little Theater

All through the year, the members of the speech classes broadcast such programs as, "The Golden Story Hour," "Adventures in Drama," and take part in radio discussions.

Under the direction of Miss Shay, the spring play, "Apple of His Eye," was given. The parts were double cast. Those appearing in the production were: Hugh Cosgrove, Ernie Beedle, Jackie Pedersen, Anita Kulenkamp, Janet Peterson, Shirley Crohn, Roger Theno, Don Bentfield, Bill Helsper, Dick Firtko, Phyllis Atkins, Lois Larkin, Duane Kastner, Dick Kisch, Renee Starr, Sue Bartsch, Ron Arneberg, and Phil Nielsen.

Male Quartet

Instead of having the barbershop of Humboldt of long ago, we now have a male quartet who sings the popular songs of today.

These boys have made different appearances in school and out of school. They have also sung with Chorus I and Chorus II.

Willard Oberg sings 1st Tenor, Bob Burdash, 2nd Tenor, Ed Latuff, 1st Bass, and William Helsper, 2nd Bass.

Eleanor Gilcher accompanies the boys and Mrs. Pritchett is their advisor.

Camera Club

What's LIFE without a camera and a camera without a LIFE?

Often during this past year, both in and out of school, cameras were seen clicking for LIFE. These pictures which were taken will keep memories of the fun and work while in school.

Officers were: Willard Cooperstock, president; Larry Luft, vice-president; John Stepoway, secretary-treasurer. Miss Arlene Menk was their advisor.

Junior Red Cross

One representative and one alternate from each homeroom make up the membership of the Junior Red Cross.

Each homeroom filled a Red Cross box to be sent to children of war torn countries. This year each class was represented in the officers of this organization. They were Jeannette Michaud, president; Renee Starr, vice-president; Helen Ukkelburg, secretary; Georgene Doud, treasurer. Miss Heinen advised this group.

Audio-Visual

These boys are responsible for all the movies for classroom use, for handling the lighting and sound effects for all the assemblies, and for setting up apparatus in the classroom to be used for records and recordings. With the help of Mr. Jerome Aga, their advisor, they have done a wonderful job. Hats off to the boys in the Audio-Visual.

Canteen

"Canteen Friday night" is a notice often seen in the halls of Humboldt throughout the year. Canteen provides ping pong and dancing on Friday nights for students. It also sponsors several band dances throughout the year. Chaperones consist of P.T.A. members and interested parents. This group is advised by Mr. Farmer. The officers are Bob Englin and John McInnis, co-chairmen, and Audrey Reid, secretary-treasurer.

Art Club

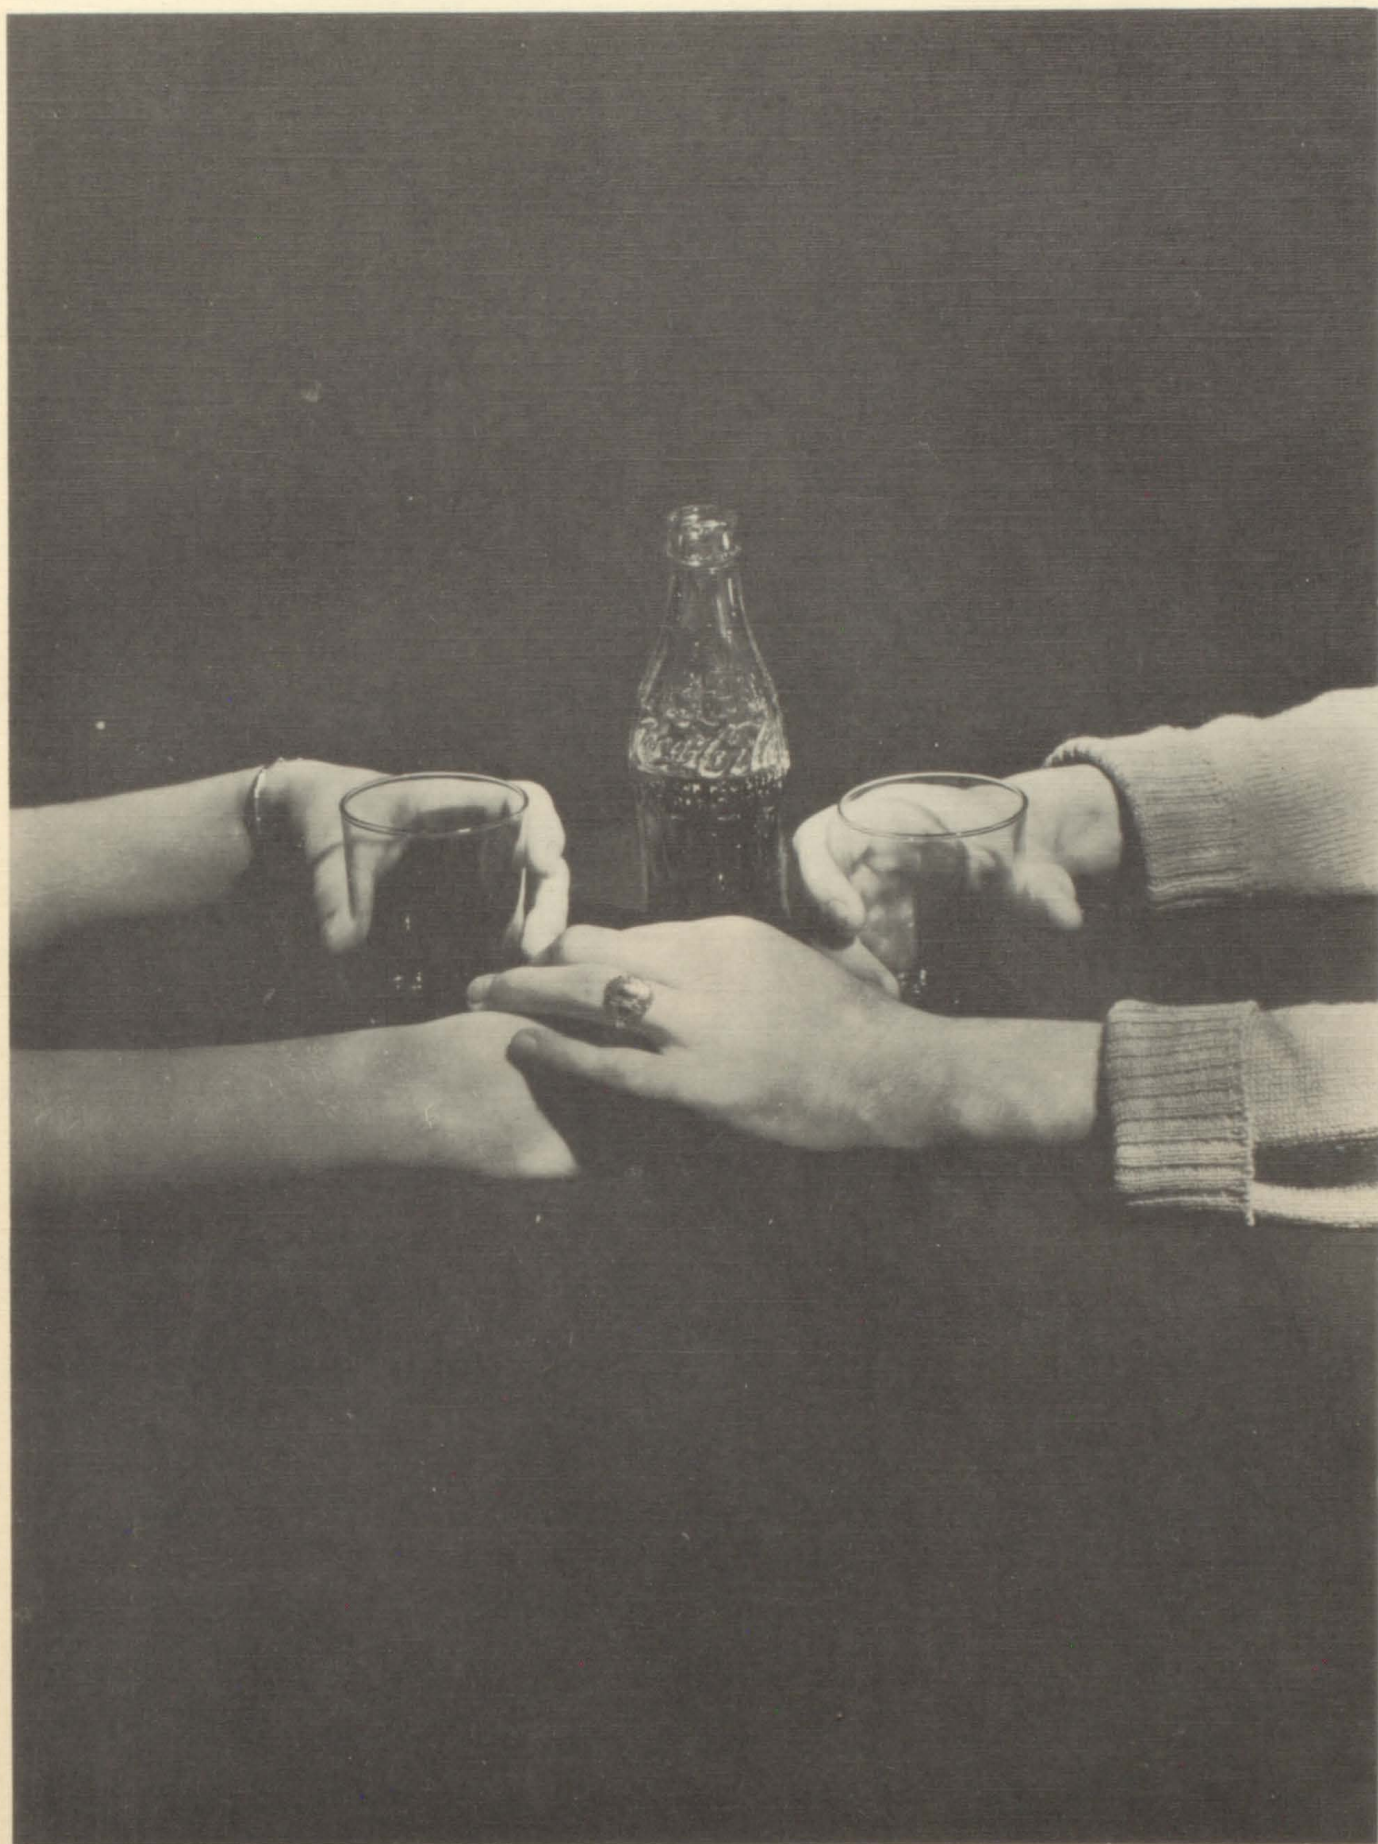

Paints, turpentine, pencils, posterboard — of course these materials go with the artist of Humboldt. This new club which began in 1949 is advised by Mrs. Milton. The members drew posters for campaigns, the operetta and different club activities. To raise funds for their club they sponsored a roller skating party. Janet Kreul is president; Georgia Wedes, vice-president; Marvel Ohman, secretary; and Jean Hellebo, treasurer.

Y-Teens

The Y-Teens is an organization that has been carried on at Humboldt for several years. This group is affiliated with the Y.W.C.A. Along with all the hikes, picnics, and parties they have given, they are sponsors of tag day at Humboldt and they also carry on other projects.

Officers this year are: Beverly Sullivan, president; Beatrice Hintz, vice-president; Judy Novotny, secretary; and Jean Hellebo, treasurer.

Athletic Board—Standing: Mr. Liston, Mr. A. Peterson. Seated: Mr. Gran, Mr. McDonough, Mr. Lackner.

Homecoming Queen Candidates: Mary Lou Kolles, Donna DuRand, Jackie Pedersen, Joan Engelen, Lorraine Kappel, Geraldine Daily.

Athletic Board

The Athletic Board, directed by Mr. McDonough, plays an important role in the sports program at Humboldt. All athletic data must pass through the hands of this board. Mr. McDonough also represents Humboldt at the city Athletic Board composed of members from the ten St. Paul high schools. This year, among other things, the board purchased an entire set of new football uniforms.

Together with Mr. McDonough and the athletic coaches, the board consists of both the principal and the assistant principal of Humboldt.

Homecoming Queen Candidates

Jacqueline Pedersen was chosen as the Homecoming Queen to represent Humboldt this year. Donna DuRand and Geraldine Daily were her attendants. Jackie was crowned at the annual Homecoming dance held in the school gym.

Nominations were held in senior English classes to select girls to compete for the title. Out of these nominations, six girls were picked for the final election. The girl receiving the highest number of votes was chosen as the queen. Hats off to "Her Royal Highness Queen Jackie".

Cheerleaders

At tryouts this year, six girls and four boys were selected to lead the cheering at our football, hockey, and basketball games. Besides the ten regular cheerleaders, six alternates were chosen.

As another project, the cheerleaders sponsored a dance to raise money for their new uniforms. They almost reached their goal, just a few dollars short. Along with the dance and the cheering, they also gave several pep assemblies.

Alternate Cheerleaders

Six alternate cheerleaders were chosen this year for the first time at Humboldt. They, too, participated in the pep assemblies, cheered at all of the hockey games, and substituted for the regular cheerleaders when they were gone.

Five of these six girls will be back for tryouts next year and, if they are chosen, will continue to show the lively spirit of the Humboldt Indians.

"A" Football

The undaunted Humboldt Indians, outmanned but not out fought, finished the season with a record of one tie and seven losses. Even though they weren't winning, the Liston-led warriors never let up on their fight and drive and gave the fans a lot of exciting moments.

One of the big standouts this year was Captain Dick Steger, who was chosen on the All-City third team. Guard Jerry Astrup and Tackle Ernie Beedle were given honorable mentions for their fine play.

"B" Football

The all-work-and-no-glory boys on the "B" football squad went through their campaign with a record of one win, one tie, and three losses. These boys play the "B" squads from the other St. Paul high schools. The team, especially Ronald Sauber, Tom Mosso, and Chuck Shauer, played hard football all season and the outlook is bright for next season.

The team is coached by Mr. Lyle Farmer.

"A" Basketball

After dropping the first four out of five conference games, the scrappy Humboldt quintet came back strong and fast to finish the season tied for fifth place with a four win, five loss record. The Indians dumped Wilson 41-39 in the Sub-district tournament and then bowed to Monroe 61-50 in the District tourney.

Joe Haugley and Hugh Cosgrove, the big guns in the Humboldt attack, won All-City positions for their fine play. Joe was given a second team berth and Hugh won honorable mention. The outlook for next season is very bright with ten men returning from this year's squad including three regulars.

"B" Basketball

The Humboldt "B" squad, under their new coach Mr. Dewall, went through the season with an impressive eight win, five loss record. In the citywide "B" squad tournament they drubbed Monroe 39-26 in the first round, but were nipped by Central in the semi-finals 29-28.

Center Ken Anderson was the team's scoring leader with 109 points. Close on his heels were Ron Burton and Paul Trog with 107 and 97 points respectively. These three boys, along with Tom Mosso and Dick Corcoran, should be valuable assets to next year's varsity.

Humboldt Hockey Team

The Humboldt Sextet started its season by building the team around veterans, Russ Greenbush, Bill Kreul, Ed Peltier, Dick Steger, and Ken Hable.

The Indians opened their conference season with a lot of fight and enthusiasm. Each game was a closely marked contest, being won or lost by a mere one point. The team ended the conference season tied for 5th, 6th, and 7th places. The over-all season re-

cord for sixteen games was five wins, nine losses, and four ties.

The team ended its season with a fine exhibition of teamwork, sportsmanship, and fight by downing a strong Minnehaha Academy team 6-1 in the University of Minnesota Arena.

The "B" squad played eight games, won four, tied one, and lost three.

Baseball

The Humboldt baseball team, led by one of the finest batteries in the city, went through the 1950 campaign with a record of three wins and six losses. Bob Hable, although off his all-city form of the previous season, still managed to show the fans some fine pitching as he racked up all three of the Indian's victories.

Catcher Russ Greenbush provided most of the power at the plate and handled the catching duties superbly.

The team was coached by Mr. A. Peterson.

Golf

The golf team, coached by Mr. Falk, held all of its conference matches at Highland, Como, and Phalen, with the tournament at Keller Golf Course. They had an impressive record of six wins and only three losses. This record put them in fourth place.

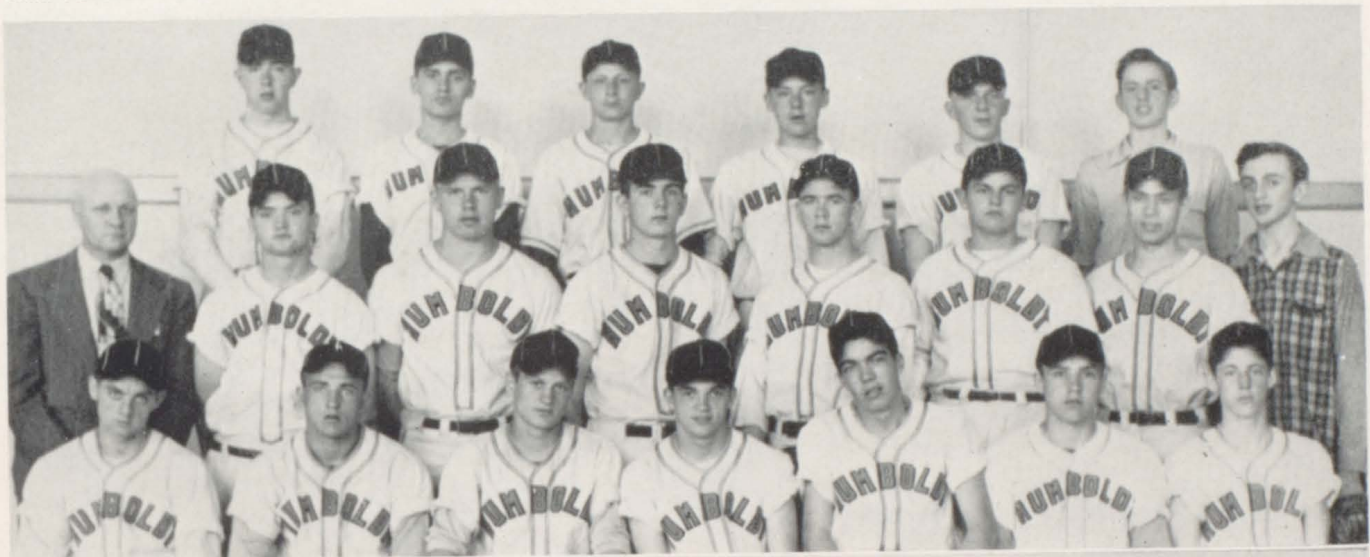

Tennis

The racketeers had a fairly successful season. The second double team, consisting of Don Bentfield and John Abrahamson, suffered only one defeat in the conference matches. Harry Meisner captained the team. This year was Mr. E. Peterson's first as the tennis team coach.

Gymnastics—Henry Chavez, John Ketchmark, Mr. Reif.

Swimming Team

Last season's young and inexperienced track team, coached by Mr. Farmer, failed to win a meet: however, several individuals met with success. Ernie Beedle, Jack Vitalis, and Harry Thron were the top point getters for the squad and also headed the list of returning cinder-men for this year. All but three lettermen returned and Coach Farmer predicted a bright and successful season.

Track Team

Captained by Ted Pittorf, the swimming team had its most successful season in many years. All diving competition was held at the Y.M.C.A., but all other competition was at Wilder Pool. This team is the only one at Humboldt without a coach.

Gymnastics

Coached by Mr. Richard Reif, the gym team was severely handicapped by the lack of manpower. On the C and D squads where they are allowed to have a maximum of eight men, Humboldt had only two and five respectively.

Dave Hart and Don Bentfield did very well individually on the C squad, while John Ketchmark, Henry Chavez, and Bill Bortz showed promise on the D team. Dave Hart placed 2nd on the mats in the city meet held at Monroe, and 3rd on the horizontal bar in the State meet at the University of Minnesota.

Everyone is looking forward to a more successful season next year.

Mixed Bowling

Mixed bowling is in its second big year. Members of the teams bowled at the Mohawk Alley every Monday.

High averages were attained this year by George Schaber, 185, Louie Weiner, 165, Roger Appleby, 156, and Harry Thron 155. Girls with high averages were Drusilla Angstman, 118, and Joeanne Lick, 116.

Five boys took part in the ABC Tournaments held April 28 through May 8 at the Auditorium. They were sponsored by the Mohawk Recreation.

Freshman-Sophomore Girls' Bowling

The Freshmen-Sophomore Girls' Bowling League was organized for the first time this year by Mrs. Nienaber. Consistently high scorers during the year were: Jeannette Peterson, Nancy Hultgren, Teresa Gran, Jean Colburn, Corinne Meisner, and Judy Phillips.

A Faculty-Student League was also organized. Teachers who participated were Miss Heinen, Mr. Madsen, Mr. Krueger, Miss Bernick, Mr. Farmer, and Mrs. Knauss.

G.A.A.

Under the direction of Mrs. Nienaber, the new gym teacher, Girls' Athletic Association went into full swing this year.

The girls spent every Thursday in the school gym playing basketball, volleyball, softball, and dancing. While participating in these sports the girls gain points towards an "H" which requires 750 points. The girls competed for the All-City basketball title March 12 at Monroe, but lost to Harding 9 to 3 and Monroe 11 to 7. The games were ten minutes each.

G.A.A. also sponsored hikes, sleigh rides, and tobaggan parties. A banquet was given at the end of the year at which time the "H's" were awarded, and officers for the preceeding year were announced.

The officers were President, Joanne Altendorfer; Vice-President, Carol Bengston; Secretary-Treasurer, Marceline Deustermann; Freshman Representative, Betty Rhode; and Sophomore Representative, Arolyn Case.

thanks gang ...

We want you to know, again, how grateful we
are that we have had the pleasure of working
with you -- as individuals -- as a group.

Your marked qualities of enthusiasm,
initiative and cooperation are, we believe, well
reflected in this, your yearbook.

You have put many hours, days and weeks of
planning, drawing, mounting, editing and selling
into this book. That is why you are so thrilled
with it now. And that is why-- as the first flush of
excitement in possessing it in finished form wears away,
and as the years roll by, you will find that by keeping
it always near you, and reviewing it's story with friends
old and new, you will cherish it more and more.

the printer's word

The difference is slight, to the influence of an author, whether he is read by five hundred readers, or by five hundred thousand; if he can select the five hundred, he reaches the five hundred thousand.
