. . . . of "Jumbo Jim" Fritsche getting 205 points in basketball and breaking every record in St. Paul so far.

. . . . of the grand times we had at Canteen on Friday nights, dancing and playing ping-pong.

. . . . of the operetta, "An Old Fashioned Charm," the first Humboldt has given in several years, and what a big success it was.

. . . . of those "Arrow-out!" days, when we

sat in class and read our Arrows instead of our text-books.

. . . . of having Millard Gieske chosen for the "H" Club award.

. . . . of the laughs we had at the comical April Fool Varsity show.

. . . . of the memorable class play, "I Remember Mama," with its funny, lovable characters.

**ROOTERS' CLUB** Last row: Mary Louise Bechtold, Larry Roth, Cathleen Benson, Marshall Peterson, Mary Fletcher, Joe Venuta. First row: Virginia Firnstahl, Marilyn Thomsen, Mary Hadlich, Marguerite Braun, Audrey Busse, Mary Lou Karpinski.

The Rooters' Club and cheer-leaders really had something to shout about this year, as the hockey team won the City Crown and the basketball team ended in a three-way tie with Washington and Monroe for the City Championship. Congratulations are due the two coaches, Mr. Richard Krueger and Mr. Arthur Peterson for producing these winning teams.

Humboldt has brought forth a number of individual city champions this year, too. Among them is Jim Fritsche. For the past three years Humboldt's All City center has been the mainstay of the entire basketball team. Jumbo Jim's six-foot, six-inch frame is known throughout the state and is feared by all opposing teams.

In his sophomore year, Jim started his record-breaking career. Although the team that year wasn't too successful, Jim's form showed he would be a great asset in the following years.

It was during his junior year he started smashing records. He broke the total points per year record with a score of 154. He also set a new free throw record. Despite the efforts of this pace-setting giant, the Indians lost out to Washington in the play-offs, and came in fourth in the final standings.

This year he has surpassed all other players in total points with an incredible record of 205 points in nine games, or about 23 points per game. This is 51 points better than his last year's record of 154.

This combined with his superb defensive playing, has captured for him his third consecutive All-City Crown.

Another city champion was the city tennis champ, Marlyn Thomsen. Marlyn was quite unknown in the tennis world until 1948, when he won the city title. He has played on the tennis team for two years. The first year, he placed third in the city meet. The second year, he won the singles championship, and went on to win the doubles championship with Bill Boyd. He still has one season left, and is hoping to defend his title successfully.

Marlyn has also earned great fame as an amateur figure skater. He and his twin sister, Marilyn, started skating when they were twelve years old and both have risen to great heights. He has won numerous skating awards. In 1947, he won the United States National Novice Championship at Berkeley, California. He also was a member of the U. S. National Four Champions of 1947 and '48, at Berkeley, California, and at Colorado Springs, Colorado. Another accomplishment to add to the list is his passing of seven of the eight tests required of a figure skater. He has one more to go. This course of tests takes about six years.

Early this year, he captured the Midwest Senior Men's Title at Cleveland. In March, Marlyn and Marilyn, together with John Nightingale and Janet Gerhauser, captured the "Senior Fours" Championship at the North American Figure Skating Championship Meet at Ardmore, Pennsylvania.

Far left: Dick Lee and Jim Fritsche receiving equipment from Coach Art Peterson.  
Middle: Marilyn Thompson.

Below: Fred Arndt, shown with Dick Dunst and Vern Olson.

The 1948 golf team was led by Fred Arndt, a junior, who also won the City Tournament held at Keller Golf Course. Fred won the crown with a blistering second round of 72, to nose out the rest of his great competitors.

During his first two years of high school he was very active, participating in golf and hockey. Fred then was hospitalized for two full years with polio. He recovered fully, except for his legs. They were so weak that he had to use crutches.

Hoping to work off some excess energy, he practiced his golfing at Somerset Course on his crutches. It was this practice that made Fred the golfer he is today.

When he came back to school, he still had to use a cane, but that didn't stop him from trying out for, and making, the golf team. During the tournament, he had to have his ankle bandaged and had to use his heavy cane. Although he shot an 88 the first round, his putts began to hit as well as his chips, and he won the trophy with a last round of 72.

Fred still has one more season left, and everyone is waiting to see what he will do then.

Bottom: Cheerleaders.

## STATE CHAMPS

Paced by All-City Jim Fritsche, the Humboldt basketball team, under the superb coaching of Mr. Arthur Peterson, had one of the most successful seasons in the history of the school. In the short period of three years, Mr. Peterson has succeeded in giving Humboldt its first really strong team since 1935.

They succeeded in tying for the city championship with Monroe and Washington, and then went on to beat Minneapolis Vocational in the Twin City game, to help St. Paul win the Twin City championship. In the district play-offs, they thumped Johnson and Marshall, and went on to knock off Monroe in the final game, to clinch the District 15 title and gain a spot in the Region 4 play-offs at St. Peter. In the first round of Region play, they defeated So. St. Paul; and in the finals, they whipped Anoka, to win the Region 4 Championship and gain a highly rated spot in the State Tournament.

All-Region honors were given Jim Fritsche, Bud Finn and Ray Kempe, and honorable mention was given both Dick Lee and George Bohrer for their great showing in the Regional Tournament.

Once in the tournament, they swept by Bemidji, 48-39; past Minneapolis Central, 53-47; and then whipped Mankato, 47-35, in the championship game. Center Jim Fritsche and guard Dick Lee were named All-State for their great showing in the tournament.

## LITTLE BUCKETBOYS

Coach Falk's "B" basketball team has been going great guns, suffering only one defeat in two years. This year's team was led by Ken Schurhamer, Mathew Casillas and Fred Spector.

**HOCKEY** Last row: Vern Firnstahl, Jim Markus, George Phillips, Bill Herzog, Gordy Essen. Second row: Mr. Krueger, Don Schwandt, Don Kastner, Roger Peterson, Bill Amadick, Dick Mooney, Don Shipley, Russ Greenbush, John Haider, Jerry Oase, Mgr. First row: Richard Steger, Jim Yackel, Dick Pahr, Bob Hable, Ken Gauthier, Lou Saad, Al Ruhnau.

## DISC JOCKEYS

The hockey team, led by All-City defensemen Lou Saad and Jim Yackel, took the city championship this year with a record of seven wins, one tie, and one loss. They lost out in the play-offs to Harding, by the upsetting score of 5 to 0. Mr. Krueger coached the team.

## MUSCLEMEN

A greatly handicapped gym team came in fourth place in the city gym meet this year. Coach Aga attributes failure to the fact that no team had a complete squad of boys. Joe Gleason and Willard Oberg sparked the team, each getting third place honors.

**SWIMMING TEAM** Standing: Mr. McDonough, Ron Arneberg, John Stickler, Charles Mahlen, Ernest Beedle, James Janecek, Don Bentfield, Ted Pittorf, Jim Stickler. Sitting: Joe Sablek, Emery Manly, Gordy Mishler, Al Moore, Wally Stehr.

**CROSS COUNTRY GROUP** Lloyd Otto, Bob Weldon, Eugene Englemann, John Stickler, Russ Greenbush, Jim Markus, Mr. Falk.

## SPEEDY SPLASHERS

The swimming team, captained by Emery Manly, got off to a poor start by winning only one of its first five meets. Later, in the Twin City Meet, they fared much better. They placed men in both the 50-yard dash and the 200-yard relay. Mr. McDonough is in charge of arranging their meets. This is the only team at Humboldt without a coach.

## PACE SETTERS

The cross-country team, coached by Mr. Falk, did not get the championship, but they did make a good showing in the city meet. Captain Russ Greenbush got top honors for the Humboldt team.

*Ron Adams is the second best teacher I ever had in school. Seriously.*

*John Bohrer. There's no teacher I ever had in school.*

**TRACK TEAM** Last row: Duane Muhle, Bob Soman, Vernon Olsen, Marshall Petersen, Coach Falk, LeRoy Noack, Marshall Nielsen, Robert Muhle, John Haney. First row: Larry Rothi, Bob Lewandowski, Don Markus, Don McNeally, Vern Firnstahl, Len Simones, Bob Wicker, Mil Gieske, Don Desch.

## SPIKESTERS

Although the track team, coached by Mr. Falk, went through the season without a win, several boys were outstanding in their particular sports. Among them were Len Simones, shot put and discus; Millard Gieske, dashes; and Larry Rothi, pole vault.

## SLUGGERS ALL

Dick Furey, new Humboldt baseball coach, led his charges to a fourth place tie with three other teams in the final standings. Though they were knocked off in the first game of the play-offs, the boys showed plenty of fighting spirit.

**TENNIS TEAM** Dick Gieske, Bernie Lamb, Bill Boyd, John Gray, Harry Meisner, Ronnie Laffen, Marlyn Thomsen, Mel Koppen, Roger Peterson, Don Bentfield, Bill Thron, Ronald Arneberg, Mr. Krueger.

**GOLF TEAM** Last row: Harry Kimmel, Frank Skoglund, Coach M. J. McDonough, Tom Wiener, Bill Keller. First row: Dick Dunst, Jerry Lofgren, Albert Ruhnav, Dick Mooney, Fred Arndt, Graham Kimble, George McPhillips.

## RACKETEERS

The tennis team, coached by Mr. Krueger, succeeded in winning all but two meets this year to put them in second place in the final standings. Marlyn Thomsen copped high honors by winning the City Singles Championship.

## TEE BEES

Mr. McDonough's golf team got off to a good start this year, but fell short of winning the city championship. Individual honors were given to Fred Arndt, who won the city golf tournament at Keller Golf Course.

Dear Miss Trees,

You don't know how much I appreciated your kindness and understanding during the year. I probably was not the model pupil I should have been but you were very patient.

## Congratulations

I wish you only had Journalism class because then the Future Arrow to the Staff "49" would be one of the best you ever had but as it is well probably

be number one on the worst list.

Dear Miss Fees-

you've been the sweetest teacher I  
have had at Humboldt. Why I dropped  
your class in my junior year I'll  
never know. I'll be back to see  
you again.

Best wishes  
Marilyn Siegel

## the printer's word

The difference is slight, to the influence of  
an author, whether he is read by five hun-  
dred readers, or by five hundred thousand;  
if he can select the five hundred, he reaches  
the five hundred thousand.
