America the Beautiful

O beautiful for spacious skies,
   For amber waves of grain,
For purple mountain majesties
   Above the fruited plain!
   America! America!
God shed his grace on thee,
And crown thy good with brotherhood
   From sea to shining sea!

O beautiful for patriot dream
   That sees beyond the years
Thine alabaster cities gleam
   Undimmed by human tears!
   America! America!
God shed his grace on thee,
And crown thy good with brotherhood
   From sea to shining sea!

Line up for the Faculty-Varsity game.
To Mr. Wauchope.

You have for many years guided with understanding and kindness all the hundreds of students who have attended Humboldt High School. Now you are saying good bye. Yet you cannot leave us. Your personality has left an indelible impression. Teachers and students testify directly and indirectly to your tolerance, your geniality, your ability to recognize and meet changing needs. Thank you, Mr. Wauchope. We are grateful and unforgetting.
Mr. D. P. Blankenbiller and Miss Clara Iddings, two outstanding members of the faculty, are leaving Humboldt this year. Throughout their time at Humboldt they have, in their respective fields of business and language, promoted the well-being of all their students. All who have been their students testify to the lasting, inspiring influence of their integrity and their zest for knowledge.

Mr. Blankenbiller has taught bookkeeping. His honest criticism and incisive wit are always appreciated.

Miss Clara Iddings, for many years the instructor in Latin at Humboldt, retired during the present semester. The students miss her friendly spirit and her warm interest in them.

Mr. Donald Ellery, who has been the mechanical drawing teacher at Humboldt for the last five years, was inducted into the army in March. He is stationed at Camp Crowder, Mo., in the Signal Corps. From there he is going to Fort Monmouth, N. J., where he will take a thirteen weeks' advanced training course in radio.

AROUND THE PAGE:
Mr. Blankenbiller knows all the answers.
Miss Iddings at home.
Lunch time for five of the best.

BELOW:
Mr. Ryan, Mr. Powles, Miss Ostergren.
All girls who take office practice, whether it is from Mr. Rock, Miss Ericsson, or Miss Hoffmann, know what the word "busy" means. They are kept hopping answering telephones and checking tests. Girls who do well are among the first to receive positions after graduation. Girls in the counseling department file and time the students taking tests.

To promote the sale of defense stamps and to educate students in the various phases of civilian and home defense, Humboldt has organized a Defense Council made up of representatives from each home room.

Activities during the school year included an extensive poster campaign, movies showing defense efforts, and a series of "Sunlight" dances to boost the sale of stamps. Boys from manual training classes helped by building fifty model airplanes for use in defense efforts on the coast.

The Humboldt Red Cross this year, led by Miss Gertrude Chapin, filled gift boxes, knitted sweaters and afghans for war sufferers, filled Thanksgiving baskets, and made layettes. The annual Roll Call was one of the most successful ever attempted.

Cal Reeck pulls a fast one.
Jake, Jean, Marie, Dorothy, and Tom...
plus the audience...
appreciate it.
The Class of 1943, under the wing of Mrs. Smith, put on some of the gayest of the school's social affairs this year. Directed by the officers, Alden Ohman, Ken Merritt, Clara Fischer, and Pat Lilledahl, the class directed a Sadie Hawkins Day that was the best yet, plus a number of really good dances and a very successful roller skating party.

Crowning these came the annual J.-S. prom at the Automobile Club.

JUNIOR CLASS

FRENCH CLUB

The purpose of the French Club is to provide an added opportunity for speaking and understanding the French language under the guidance of Miss Blanche Bigue, their advisor. The members have subscribed to the "Petit Journal," a French newspaper, and read and discuss it at their meetings. Their annual project is a trip to the University of Minnesota to enjoy the dramatization of a French play.

LATIN CLUB

Top Row: D. Marquardt, A. Davis, E. Warlich, D. Ramsey, P. Hjortberg.
The German Club was organized primarily by German students to learn to speak German fluently, to acquaint themselves with Germany's customs and people. All the meetings are conducted in German. The direction of the German Club has rested in Miss Foerster's hands.

The Latin Club is an organization composed of Latin students who are interested in learning about the Roman way of life. Topics about Rome are given during the meetings and followed by group discussions. The club is under the direction of Miss Pearson. This year they presented "Saturnalia," a Latin play.
"Going on Seventeen" was the name of the play presented this year by the Little Theater group, and the audience claimed that it was a huge success. The cast included: Marcella Nasseff, Bob Kenney, Loretta Vessey, Muriel Schultz, Tom Hartley, LeRoy Thoreson, Jim Pulk, Jim Peterson, Audrey Goin, Beatrice Altendorfer, Bob Carlson, Dorothy Mahoney, Margaret Gessel, Jacklyn LaValle.

The members of the Little Theater have also presented skits at Baker Playground and Riverview Commercial Club. The club elected Alden Ohman, President; Bonnie Baxter, Secretary; and Muriel Schultz, Treasurer.
Drawn together by their common interest in creating beauty, Art Club members have been exceptionally active this year. Outstanding events were exhibits both at Humboldt and at the public library. Money from a successful roller-skating party bought drawing tables. A powwow included not only food but horseback riding. Finally, most of the members participated in making victory and war posters, which were entered in a city-wide contest.

MUSIC

The Humboldt music department has proved that music is a necessity and not a luxury in times of stress. In addition to stimulating a love of music in students, it has given pleasure to people outside the school.

The band, choir, orchestra, and Girls' Glee Club distinguished themselves at the Riverview Commercial Club, and at Commencement. The choir furtbered the Christmas spirit at Yuletide by singing carols in the school, and at Hotel Lowry as guests of the Transportation Club. Its wide selection of songs and unusual interpretative ability has made it a popular organization.

MUSIC

The band added much to the old “fight” spirit by playing at the football games throughout the season. The Girls’ Glee Club, a newly organized group, has already demonstrated its ability and has met with success.

The P-T-A. in their annual school project sponsored a cabaret. The proceeds were donated to buy new music and to repair instruments.

BOWLING

Fast becoming one of the most popular sports at Humboldt, the bowling clubs already boast over seventy-five members. The aim of the clubs is to promote interest in sports, as well as to build sound and healthy minds and bodies. The members bowl twice a week on Thursdays and Fridays.
GIRLS' BOWLING CLUB

G. A. A.

Realizing that maintaining good health is an obligation of every citizen, the Girls' Athletic Association has been even more active than usual this year. Participating in such activities as soccer, volleyball, basketball, badminton, baseball, ping-pong, and shuffle board, the girls earn points toward their school letter. Tournaments are held between the three gym classes and the upperclassmen.

During the fall semester G.A.A. sponsored a sweater dance, and sold basketball tickets. Profits from these activities are used for the purchase of new sport equipment. This fund was materially increased by the help of all the girls in physical education when they successfully sponsored the Spring Fiesta, April 17.

G. A. A.

Service to the school and their schoolmates is the main purpose of the four girls' social organizations: the Nezods, Theta Sigma Gamma, Phi Sigma Delta, and Sub-Debs. This year the clubs have worked enthusiastically filling Christmas and Thanksgiving baskets, selling basketball tickets, and buying new records for the cafeteria nickelodeon. Each group conducts bi-weekly meetings at the homes of the girls. Plans are made for the future, and dues are collected. The year’s highlight for every club is a week or two vacation of fun at the lake.

That work on the yearbook is an education in itself is the common opinion of those on the staff. The dozens of details which must be attended to before a single page is completed are impressive. Moreover, since most of the staff are of the kind who carry heavy programs, the yearbook work must be squeezed into the corners of the day. Nevertheless, it is fun. The reward is seeing the completed book and being able to point to something and say, "I did that."
PRESS CLUB

The Press Club is a city-wide organization. Its members consist of students working on school papers or yearbooks, and also those interested in journalism.

General meetings at which members suggest and discuss new ideas are held monthly in the different high schools. The Press Club of Humboldt sponsored a popcorn ball sale, and a poster contest was also held. Bonnie Baxter is Humboldt's representative.

Guardians of the Bulletin Board, Jewell and Betty, change the news.
GIRL RESERVES

Seated: L Tiling, I.C.C.; L Wenker, treasurer; B. Crawlord, president; Miss Rugg, advisor; H. Ressler, vice president; E. Nielsen, secretary; B. Tobak.

GIRL RESERVES

Hats off to one of the finest organizations of Humboldt, the Girl Reserves. These girls have pledged themselves to service and loyalty, and they have fulfilled this pledge to the utmost. Each year different groups of the Girl Reserves fill Christmas baskets, go caroling at the Children's Hospital, usher at the Women's Institute, sell camp cookies, and have hikes, sleigh-rides, and parties for their own enjoyment.
IN THE LIBRARY

Under the direction of Miss Phyllis Bastin, members of the Humboldt library staff efficiently perform many duties. A few of their undertakings are mending old books, filing new magazines, helping puzzled students find references, doing regular desk work, and collecting clippings from the paper for the scrap book. This year they again sponsored their annual Tag Day as a means of getting money for some much needed new books.
S.O.S.

An S.O.S. picked up by "Sparks" Ted Van, Elvera Erickson, Esther Lueck, and Betty Winkel shows why they were the first four to be awarded 120-word pins. Their fingers fairly flew during the five-minute "take" of congressional material at 120 words per minute, and their excellent transcripts showed they could "take" it. Runners-up who were awarded 100-word gold pins are Walter Kurtz and Lorraine Snyder.

OUTSTANDING ATHLETES OF 1941

BALDY: Outstanding guard in football and goal tender in hockey.

DICK: High scoring center in basketball, center in football, and first baseman in baseball.

FATTY: High scorer and kicker in football, played a fine game of basketball at guard, and kept opposing team guessing with his swift pitching in baseball.

GEORGE: Captain of gym team, highest scorer in the Northwest Meet.

HARRY: Co-captain of football team who won all-city honors at the end position.

SCHOSSENBERGER: Rugged co-captain of football team, defense man in hockey, and catcher on baseball team.

TOOTHLESS: Fast charging tackle in football, and ace tennis player.

WORKHORSE: Speedy back in football, slugging outfielder in baseball, and high scoring wing in hockey.

YAHNK: Hard-working captain of basketball team, back on football team, and outfielder on baseball team.
A high-spirited, fast-charging, determined squad, offering stiff competition to all opposing teams, composed the Humboldt "41" football team.

True sportsmanship and ability was displayed at the Square Lake football camp last August. Guided by Coaches Ralph Engebretson and Roy Isacksen, the Humboldt boys spent two weeks conditioning and learning new tricks. The camp consisted of four coaches, thirty-five Humboldt boys, and forty Wilson boys.

On completing this successful camp period the Indians' chances looked very promising. The South Saint Paul game was a seven to seven thriller, but cost the services of Co-captain Paul Schaefer, Harold Yahnka and Milton Carnis.

Riddled by injuries all through the season, Humboldt showed their well-known spint and fought on. No team scored over two touchdowns against them. They proved to be the stiffest opponent to the champion Central team. Co-captain Harry Moreno, a menace to all opposing backfields, was awarded all-city honors. Outstanding also was the play of Reed, Fehrmann, the Schaefers, Heuer, Stuhlman, Yahnka, Michelson, and Hessler.

Led by their hard-working captain, Harold Yahnka, and high-scoring Dick Furey, Humboldt's basketball team had a fairly good season. Starting out rather poorly, they rapidly improved under the skillful and patient coaching of Roy Isacksen. At the end of the regular playing season the team was tied for a place in the play-off with Johnson. The game was very hard fought but Humboldt emerged the loser. This closed the season for them officially.

Losing only three boys this year by graduation, the team looks forward to a successful season for next year.

HOCKEY

Poor weather and no ice raised havoc with Humboldt's hockey team. Although they had very little practice, the boys played many exciting games.

At the end of the first round Humboldt was in the race for the championship, but because of the loss of Bob Schaefer and goalie Don Fehrman, the second round standings changed. Losing only one game out of four on the Auditorium ice, the boys did exceptionally well.

The return of many lettermen gives Humboldt a very bright outlook for next year's team.

Get that puck!
A team with many veteran members returning and several promising newcomers, set out to make a good showing. They won the admiration of all spectators with their perfectly performed exercises and attractive new outfits.

Winning their first three meets by large margins, they again showed their superior ability by taking the City Championship. Spurred on by their string of victories they entered the Northwest meet and defeated all the top gym teams of the Northwest, being one hundred points above the next highest team. Next came the state meet. At this meet, the first of its kind, Humboldt had the honor of being the first to win and the first to receive the state trophy.

All Humboldt was proud of this fine team brought about by hours of persistent practice and the fine coaching of Mr. Peller. A special assembly was held in their honor where the three trophies were displayed, and the many medals, received for individual honors, were distributed. The 1941 Gymnastic team made a record no other team in the history of Saint Paul has equaled.

Long hours of practice rewarded by bitter defeat was the plight of the 1941 swimming team. Their efforts were not without some reward, for their sportsmanship was improved and enthusiasm increased. Mr. Ryan was coach and Jim Remboldt was captain.

BASEBALL 1941

A smooth fielding, hard-hitting, cooperative team distinguished the "41" baseball team. Unsuccessful in their first three attempts, the determination of the team to win and the patient coaching of Roy Isacksen brought many victories. Skillful pitching by Schnebelen, Weirick and Eberlein, backed by exceptionally fine fielding, deprived opposing teams of many hits. Also important was the work of Heuer, Sperr, Yahnka, R. Seitz, and others who constantly slammed out important hits. Having many of its members back in "42", the team looks forward to a very successful season.

TRACK TEAM

Victorious in only one of five meets after hours of practice spent in conditioning and attaining skill in quick starts, correct footwork, and timing, was the plight of the 1941 track team. After gallant efforts to overcome their opponents, the boys fought hard only to see the representatives of other schools cut the taps before them or jump a trifle higher.

The fine coaching of Ralph Engebretson was rewarded, however, in the success of Ted Van and George Kuehn. Ted took second in the high jumping event in the City and Twin City meets and George placed fifth in the 100 yard dash in the City Meet.

TENNIS TEAM

The "41" tennis team enjoyed a very successful season. Overwhelming all but two of their opponents, they finished second to the championship Central team in our division.

Ed. Martin and Richard Ruh qualified for the city high school tournament.

Martin reached the semifinals where he was defeated by the representative from Johnson.
