A reminder of  
one of Humboldt's  
best loved teachers,  
Miss Mary G. Fanning

MR. JOSEPH A. WAUCHOPE

As our principal and friend, Mr. Joseph Wauchope has, in a variety of ways, won the respect and admiration of his students. He has given his time and energy not only to the furthering of academic efficiency but to developing those extra-curricular activities which the well-rounded student must have.

MR. JOHN FINDLAN

The administration of public schools is a most important function of city government. Mr. John Findlan, as commissioner of education, provides St. Paul with a competent and able administrator. His final service to high school seniors is the presentation of diplomas at commencement.

MR. JAMES W. SMITH

So many tasks that they cannot be even touched upon in one paragraph is the work of Mr. James W. Smith. Mr. Smith is supervisor of all junior and senior high schools of the city and also has charge of the recommendation of teachers.

MR. PAUL S. AMIDON

Believing strongly in young people, Mr. Paul S. Amidon, superintendent of schools, is striving to make education a real force for good in modern life. Each of the many aspects of public school education receives his careful attention so that the highest possible efficiency may be attained.

Around the teacher's lunchtable with Miss Armstrong, Mrs. Larsen, Miss Marshall, Miss Burns, Mr. McMann, Miss Hadlich, Miss Kees, Miss Sherman, Miss Repke, Mr. Isacksen.

"Now is the time . . ." —Where accuracy counts more than speed.

Mr. McKenny explains how it's done. . . . Miss Marshall's kingdom.

Working in Miss How's office. . . . Mr. Ramstad gives a talk.

**A**LWAYS, everlastingly, forever busy, the boys and girls of the office staff rush hither and yon, receiving and delivering messages, typing letters and notices, sorting mail, and answering telephones.

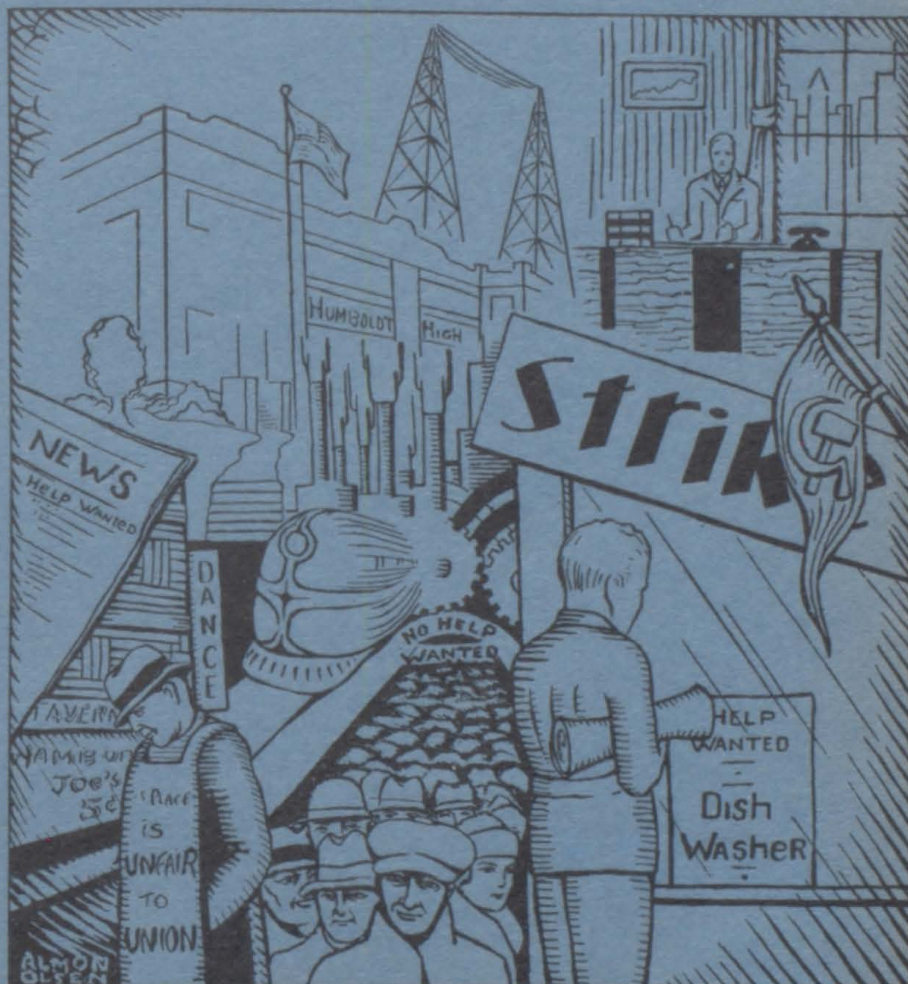

Constructive criticism and helpful advice given the members, has made the office force a competent, smooth-running organization, and the work is turned out speedily and accurately.

Composed of a select group of secretarial students, a boy or girl must have above average grades in typing and shorthand and prove himself efficient before being admitted.

The individual training given each office worker helps to develop in them the character traits of honesty, reliability, and initiative, so essential in daily office routine.

# SENIORS

MISS BLANCHE BIGUE

"Let students run their own affairs" is Miss Bigue's oft-repeated belief. Miss Bigue believes that students should run their own business, that there is profit even from making mistakes. Her advice and aid were always ours, but she encouraged responsibility and initiative by leaving final decisions to us.

Those students who have worked with her know Miss Bigue as one of the most delightful persons. Our work was, in reality, fun; it was fun to do something, fun to learn. Because Miss Bigue believed students should know each other better, we have had many good times together—more, perhaps, than any other class.

Thank you, Miss Bigue. May some class in the near future be fortunate enough to have you for their adviser.

# Last Will and Testament

(Wherein we dispense with various matters)

WE, the class of 1937 of Humboldt High School, of the city of St. Paul, of Ramsey County, of the State of Minnesota of the United States of America of the continent of North America of the western hemisphere, being physically strong, mentally awake, and morally straight, do hereby declare and publish this, our last will and testament.

To our principal, faculty, and fellow students, we bequeath our most sincere desire for the growth, prosperity, and development of this placid and chivalrous institution, Humboldt High School.

We leave to the junior class those inspiring poems, "Paradise Lost," "Canterbury Tales," and "The Rime of the Ancient Mariner." We have found that a diligent study of these famous lines help to make one eligible to graduate or to apply for a padded cell.

To Miss Bigue and Mrs. Jansen, we bequeath a microphone with a loud speaker and a bass drum to help them while reading announcements and calling the study hall to order.

A copy of the 1937 Annual we donate to Mr. Blankenbiller in the hope that it will help him to identify the "nuts" and "sinners" of Humboldt.

To the faculty we leave, among the junior

and sophomore classes, replicas of ourselves in the persons of Dordells, Edgetts, Engelmanns, Farises, Mademanns, Schwartzs, and Spektors. This will aid them very much in remembering our own dear faces lest we should become something of the dim and dismal past too soon. At this time we also wish to convey our deepest and most heartfelt sympathy to the teachers for this prospective ordeal. (They'll certainly need it.)

We bequeath to Miss Burns, Jack Seiberlick's lunch that she may gain those added pounds that she is so desirous of acquiring.

We bequeath to the sophomores the excuses that we made and used during our school days. We are not responsible, however, for the effects these excuses will have upon the givers or the recipients.

Having thus established this document, we hereby close. In testimony of the undersigned witnesses, we affix our seal on this 15th day of May, in the year of our Lord one thousand nine hundred and thirty-seven.

—THE CLASS OF 1937.

## *Infinite Riches in a Little Room*

**W**ANDERING jews and geraniums standing on book cases, Webster and Lindbergh staring down from the top of the shelves, a picture of the Signing of the Magna Charta brightening up one side of the room, no noise except the occasional turning of a page or the squeaking of a chair, this is the Humboldt library, a refuge for studious and thoughtful students.

Under the leadership of Miss Gertrude Hartung, librarian, the staff of thirty members has worked diligently there at the many tasks laid before them. They have cooperated with Miss Hartung in effecting a few helpful changes, including the rearranging of the books and the enforcing of several new rules to maintain more efficiency in the library.

Besides conducting the regular desk and library routines and helping inquiring students, the staff has undertaken such specific tasks as reorganizing the vertical file, revising the card catalog, and keeping up to date the scrapbook of Humboldt clippings.

## *Fun for All*

**A**H, a bull's eye. The Girls' Athletic Association always hits the mark with development of health, character, and skill in sports as its aim. G. A. A. funds made possible this year the purchase of excellent equipment for badminton, archery, and ping-pong—sports that Humboldt had never before offered to its students.

Each girl has an opportunity, through participation in sports, to earn the required number of points necessary to receive a letter. June Duncanson and Vera Silver were awarded letters this year.

Through efforts of Humboldt's G. A. A., a physician was sent out by the department of education to all St. Paul high schools to lecture and give physical examinations to girls. Marie Scott, president; Norma Frame, vice president; Jane Dosh, secretary, and Mary Wood, treasurer, were officers for this year. The executive board consisted of June Duncanson, Rose Zucker, and Bernice Weigner.

## Strikes to Spare

**S**TRIKES! Spares! Blows! Splits! Such has been the kind of words added to the vocabularies of twenty-four girls who make up the Humboldt Bowling Club. The girls are divided into four teams, each team having its own captain and backer. The captain's job is to see that the girls come and the backer supplies the entry fee and uniforms.

Each girl contributes five cents every week to be divided among the teams at the end of the season according to the number of games won during the season as prize money.

The place is St. Matthew's School; the time 2:30, and the day, Friday. Dorothy Medved is secretary and president; Eleanor Marthaler is treasurer, while the publicity is handled by Eileen Leger.

The highest scores for the 1937 season were obtained by Pearl Fisher, who bowled 203, and Lorayne Anhalt, who rolled 191.

## *Making up 'Life'*

**H**UDDLED about in different corners of the journalism room are the staff members of the year book. Ray Kaiser and Phyllis Jorgenson are talking over plans with Miss Dulcie Kees as to the make-up of the dummy. Charles Dosh is writing stories on the latest sports news. Proudly displaying the pictures he took of the classrooms is Robert Ihrig.

Vera Silver with her assistants, Marian McNamara, Arlene Dordell, June Duncanson, Henriette Weschke, Margie Karmen, Vivian Wilson, Earl Doelle, Melvin Seigel, Wanda Persons, Lorraine Zemke, Eileen Malloy, are busy putting the finishes touches to the senior panels.

Gathering data from the various school organizations are Catherine Blair and Grace McMonigal. Anna Belle Kittleson, Esther Engleman, Emily Kuehn are occupying their time in writing features. Placing the snapshots in the right positions are Elaine Kirchoff and Alan Horton. Ralph Ramstad and Almon Olson are busy making the book attractive with cartoons.

A necessity to the staff are the typists, Margaret Mages, and Wilma Gerritsen. Thinking new sales talks are Herbert Smith, Stanley Rubin, Jeune Blomquist, Marjorie Gydeson, and Cordelia Ehlers, who make up the advertising staff. Marie Scott is circulation head.

## *Deadlines and Dummies*

"**A**LL-AMERICAN" is a fitting epithet for Humboldt News. Although only four years old, it has been awarded this highest of honor ratings three times by the National Scholastic Press Association.

At the Minnesota High School Press Association convention at Mankato last November where Humboldt News was represented by eight staff members, the paper won more places than any other of its size. Awards were second place in the straight news story contest and sports page make-up; third place in front page make-up and general newspaper excellence; and honorable mentions for editorials and humor.

Leaders on the staff during the fall term were Catherine Blair, editor; John Cowley, Phyllis Jorgenson, Helen Morgan, and Evelyn Boelter, associate editors; Lee Mondike, Flavel Winston, sports editors. On the business staff were Dorothy Koelfgen, Dorothy Hunt, Phyllis Bair, Arnold Koutz and Jeune Blomquist. Among the new names on the staff this term were William Wehrle, editor; Florence Strauss, Ben Dorshow, Nathan Skolnick, Frances Reinhardt, Ray Mickelsen, Lillian Faris, Leone Bick, and Bob Anderson, associate editors.

In addition to editing the bi-weekly paper, staff members sponsored a Thanksgiving dance, a pre-election straw vote, and participated in a radio spell-down and a radio safety play, written by Rosellen Lyons.

## Rifle Team

**A**LTHOUGH it was originally intended that the Humboldt Rifle Team should have a mixed membership, the club at present is wholly a feminine group. This four-month old club is just a newcomer at Humboldt, but a few of the girls already have shot a score of 92. Some members have joined the National Riflemen's Association and hope to win one of the association's many achievement awards.

Meetings at which members participate in practice shooting are held every Wednesday afternoon at the Como Park rifle range.

## Nezods

**E**NTIRELY a social group, the Nezods, in addition to irregular meeting, eat lunch together daily in the cafeteria. Each girl, on her birthday, is honored with a cake, which is shared by fellow members. As girls of the club graduate, new ones are selected and remain in the group until they, in turn, graduate.

Throughout the year their social activities never cease. In winter there are sleigh rides, dances, and teas; and in summer—the biggest thrill of all—the twelve girls camp together for a week at White Bear Lake.

## Thetas

**A**NGLEWORMS and live frogs for scavenger hunts, snow fights at sleighrides, tummy-aches from over-eating at pow-wows, bumps and falls from roller-skating, sunburn from hikes and swimming, dancing and games,—these are but a few of the results obtained from taking part in the many activities of the Theta Sigma Gamma. Friendship is the by-word of the club, and the object of all is to make friends.

Fun-loving Pearl Fisher, pretty Joyce Hepburn, neat Betty Jensen, the veritable human adding machine, Eileen Desch, and Dorothy Vogt, substitute for Walter Winchell, are the club's officers.

Fun, fun, fun! That is what the Thetas stand for.

## Hi-Y

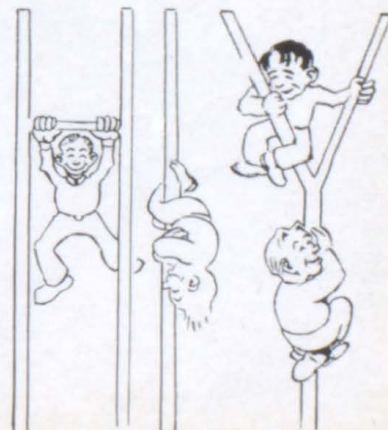

**A**S ITS name indicates, the Hi-Y Club is the high school branch of the Young Men's Christian Association. Its symbol is the triangle signifying the development of mind, body, and spirit.

Humboldt's Hi-Y chapter promises to play a definite, active part in future school activities. This year the boys took complete charge of the free checking booth at Open House. During the organization meeting last fall, Mr. Walter Rock was unanimously selected as group adviser. Officers of the club are Charles Dosh, president; William Wehrle, vice-president; John Cowley, secretary, and Ray Kaiser, treasurer.

## *I'd Rather Lead a Band*

**A**TENTION, Humboldt band! Ready, Play! And thus the sixty-four members begin an overture.

The band is the most active of all extra-curricular activities at Humboldt. Rehearsals are held every day during the second and third periods. At every football game, many assemblies, WTCN broadcasts, Sibley school dedication, Open House, St. Paul Winter Sports Carnival, Shrine Circus, basketball games, and the St. Paul School Police picnic—the band was there. The band has won the prize, a loving cup, for the last two years in the marching contest at the school police picnic. The cup is now Humboldt's permanent property. Judging is based on marching, playing, uniforms, and general appearance. As a marching unit the band is rated A-1.

The instrumentation of the band: 15 clarinets, 12 cornets, 5 trombones, 7 saxaphones, 4 baritone, 3 bass horns, 1 French horn, 2 alto horns, 2 flutes, 1 piccolo, snare drums, bass drums, and tympan drums.

## *There's Music in the Air*

**V**IOLINS, viola, cello, bass fiddle, clarinets, flutes, trombones, trumpets, and drums—truly Humboldt has a first class orchestra.

With 22 student musicians led by Miss Celeste Burns, the orchestra has played a rather prominent part in social activities here, making its first public appearance of the year at the dedicatory ceremonies in honor of Miss Mary Fanning. Following this occasion they played between acts at the plays, March 17 and 18 and at the annual Open House night.

During the recent operetta, "Tune In," the orchestra played the role of studio orchestra for station WTNT.

## *A Concord of Sweet Sounds*

**A**LL eyes are on Miss Burns. She raises her hand, nods; seventy-five students open wide their throats—and music fills the air.

The 1936-37 activities of the choir have been many. Two radio broadcasts, several P.-T. A. programs, appearances before a superintendents' convention, and the North Central Music Educators' Convention—all these in addition to class work which included voice training and study of good music. Dressed in white and red capes, the choir bearing lighted candles sang ancient carols in the halls at Christmas time.

"Tune In," the first operetta in four years, was presented May 6 and 7. Virginia Pederson, Philip Shields, Jerry Robertson, Alberta De Hoop, Martha Milli, Howard Mende, William Stebbins, Charles Dosh, Clayton Nelson, Bob Anderson, assisted by Lucille Dollinger, Alice Reed, Ruth Jamison, and members of the chorus.

The cast and chorus appeared over station WTCN May 1.

## *For Art's Sake*

**A**RTISTS are usually thought of as long-haired, wild-eyed creatures, who dream fantastic dreams and are unconcerned with the material world. Not so the Art Club, piloted by Miss Mary Dodge and Mr. Richard McKenny.

Starting with a sketch-hike to a hermit's cave last fall their calendar has included election and initiation of new officers and members, selling of Christmas cards, masks and life masks at the Y. M. C. A. convention; a toboggan party, art exhibits at the St. Paul and Minneapolis art schools; a guest speaker, Mr. Sam Sabeau, St. Paul artist; an annual tea, outdoor meetings, and a bean feed—its last social event of the spring term.

Officers of the year were Ralph Ramstad and David Henly, presidents; Dorothy Medved and Ralph Ramstad, vice-presidents; Howard Mason and Tyra Hall, treasurers, and Viola Jacques, secretary.

## *Energy Plus*

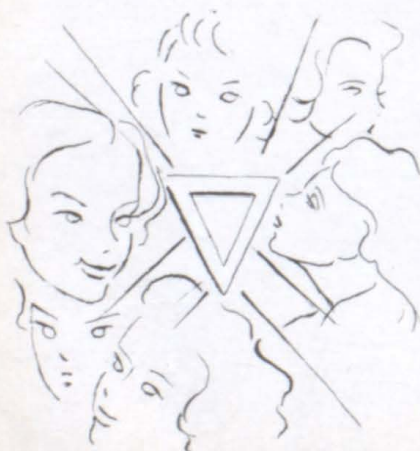

"**T**O FACE life squarely and to find and give the best," is the motto of the 60 members of the Girl Reserve Club.

The Girl Reserves are junior members of the Y. W. C. A. and have the privilege of attending classes there every Thursday. They also have a camp at Lake Elmo which is attended by hundreds of girls every summer.

During the past year the club has performed many service projects. Among them are the filling of Thanksgiving Baskets, Easter Baskets, and giving a party at the Neighborhood House. The club also sold about 580 dozen doughnuts in this year's sale.

Among the social activities of the club were a roller-skating party, a mother and daughter party, a Christmas party and several hikes. The girls had charge of the decorations at the All-city Coronation Ball and were hostesses at the Twin-City Conference.

Officers of the club are Jean Grawert, president; Arlene Dordell, vice-president; Frances Kennedy, secretary; Alice Kuehn, treasurer; and Florayne Bullis, Inter-club member. Advisers of the club are Miss Frances Armstrong and Miss Evelyn Marshall.

Bottom row: R. Ramstad, P. Shields, W. Wehrle, R. Mickelsen, J. Van Guilder, D. Henly.

## *You Hit The Spot*

**F**OLLOWING the example of illustrious William Tell, Humboldt archers go a-shooting—not at apples, but cork targets. Guided by Mr. Court Sanders, adviser, the yeomen have made their own bows in the wood shop. Even the girls may be seen every Thursday afternoon slaving over an overgrown hickory stick with a plane and piece of sand paper trying to make that pole look something like a bow.

First officers of this new club are David Henly, president; Ray Kaiser, vice-president; Helen Morgan, secretary; and Philip Shields, treasurer. Practices are held in the school gym. Mr. Gus Munch, archery enthusiast and Roosevelt Junior High School teacher, explained many points of interest to the beginners. Prizes were won by a few who exhibited their home-made bows at the city-wide Hobby Show at the Y. M. C. A.

## *Capri Diem*

**S**TERN, toga-less, would-be Romans gather every fortnight as a mock Roman Senate. Advanced Latin students reorganized the Latin club this spring. Modeled after the ancient Roman government, these Latinized Americans are ruled by two consuls, a secretary, and treasurer. Their meeting is opened with a short business discussion followed by a program which is usually a talk on Roman government or on the activities of Caesar.

Officials for the term are Robert Stiefel and George Schafer, consuls; Elaine Bangle, secretary; and Robert Jacobi, treasurer.

Ads for the "Tune In" programs were secured by the Latin Club.

# Dramatic Club

THE main purpose of the Dramatic Club is to enable students with talent in dramatics to perform in annual plays or skits for assemblies.

The officers for this year were Robert Anderson, president; Margery Karmen, vice-president; Elaine Kirchhoff, secretary; Jean Kroschel, treasurer.

Three one-act plays were given as the annual play this year. "Elmer," a farce, featured George Kolinsky, Gladys Peterson, Florence Eschenbacher, Patsy Hennessy, Eileen Leger, Thomas Conrady, Grace McMonigal, Dora Dunn, and Russell Johnson. In "The Good and Obedient Young Man," a Japanese play, were Mary Shields, Sam Par-

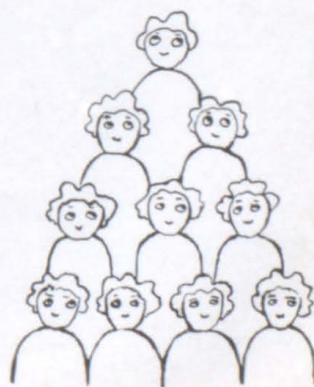

ness, Melvin Dahlberg, Jerome Kluck, Robert Jacobi, Roger Bentfield, Eugene Heiberger, and Lucille Henes. "Thank You, Doctor" starred Abe Smookler, George Hammond, Fern Frame, Marjorie Gydesen, and Robert Anderson.

Other short plays were presented at assemblies, and skits were given over the radio. At Open House "Elmer" was again presented. Many good times were had at sleighride parties, pow-wows and house parties.

Pupils in any expression classes are eligible for membership. Tryouts are also held at the beginning of each term.

## To a Senior Girl

Blessings on thee, little girl,  
Powdered miss with marcelled curl,  
With thy dainty silken frock,  
Bright blue eyes that always mock;  
With thy red lips redder more,  
Kissed by lipstick from the store;  
With thy freckles on thy nose  
Buried deep in rouge's rose.  
From my heart, my prayer is for thee;  
"God help you—you need to be."  
Blessings on thee, little lass,  
Frivolous miss with teasing laugh,  
With thy silken socks rolled low,  
Thy pleated skirt the wind doth blow;  
With the daring in thy eyes  
That turns the heads of the wond'rous wise;  
With thy red lips' curving smile  
For every man that looks worthwhile.  
From my heart my prayer is for thee;  
"God help you—you need to be."

### HUMBOLDT SCHOOL SONG

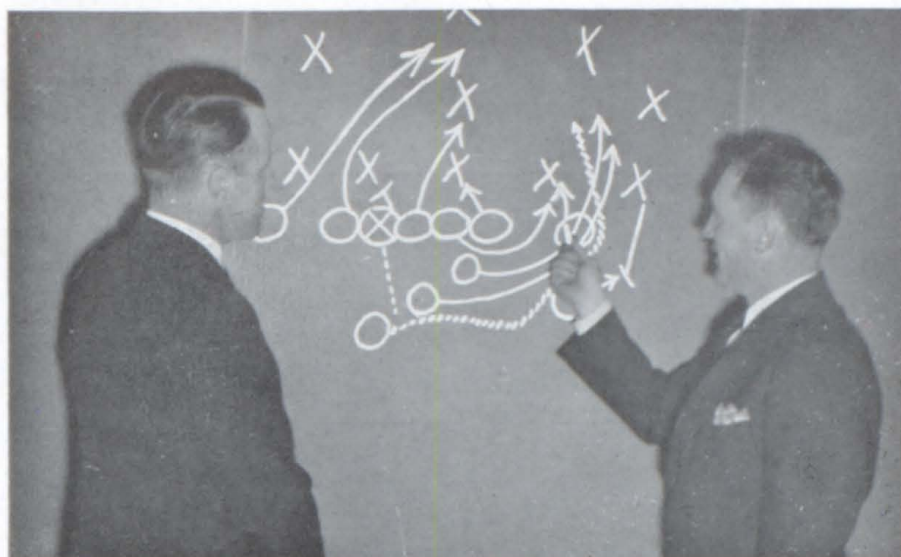

# ATHLETICS

## Coaches Confer on New Strategy

# High School Athletics

**O**VER-EMPHASIS! No carry-over value! Of late years we have heard much of these in connection with interscholastic athletics. When educators cry "Over emphasis on athletics," they mean that the football team has seemingly become more important than the rest of the school curriculum. Those who shout "no carry-over value" infer that football, basketball and baseball can not be played after one leaves college, therefore, they should be thrown out. In their place we should emphasize golf, tennis, swimming, badminton and ping-pong.

Before the advent of Bernie Bierman, Minnesota's intra-mural program was able to take care of only a little over one thousand students. These students learned to play the games with "carry over" value mentioned before. Now Minnesota's intra-mural program numbers over six thousand students. This is due to so-called over emphasis on Bierman football. Colleges all over the country are increasing their intra-mural program to take care of mass groups of their students. Receipts from football and basketball have made this possible.

But you say this is not the case with football and basketball in high school. Quite true but it is our humble opinion that interscholastic athletics are even more valuable

educationally in high school than they are in college.

The average boy of from sixteen to nineteen has an over supply of physical energy. He craves things with glamour, involving courage and danger. Confine him to inactivity and he will blow up and his destination then is the reform school and the penitentiary.

High school athletics headed by football have glamour. These games involve physical courage and danger and are, we believe, a perfect outlet for the "furies of youth." This alone would justify their existence but the by-products are also invaluable.

Let a boy play one year of football and he is quite tolerant of the mistakes of others because he has made so many himself. He accepts the decisions of the officials whether he likes them or not because he has learned all games must have rules. He accepts victory one week and defeat the next with much more calm than adult followers.

"No carry over" value? Any game that guides and controls the physical furies of youth, that teaches tolerance of the mistakes, and opinions of others, that teaches playing the game according to the rules has more than carry over value.

—Clair McMann.

**F**ACED with many injuries and a lot of bad luck, Humboldt still had a fairly good season. The 1936 football team presented to its opponents a fast, hard-running backfield, headed by a light, speedy, low-charging line.

With only one regular and three lettermen back, Mr. McMann had to build a whole team. The team was comprised mostly of juniors and sophomores, which makes the outlook for next year's team bright.

There were many brilliant players on this year's team, but the most outstanding players were Captain Ray Hessler, All-City half-back, and Everett Grossman, who was on the second All-City team in the left guard position.

# FOOTBALL

**H**UMBOLDT opened the football season with a victory over South St. Paul High. The game was the first one to be played among the Twin City and suburban high schools. Playing under the lights of Highland Park stadium, the orange and black, led by captain Ray Hessler, who scored both touchdowns, emerged from the battle, victors, by a score of 13 to 0.

For their second game, the team traveled down to Mankato. Here the ill-fated luck, which followed through the whole season, first gave evidence. They completely outplayed and out-fought their opponents, but were defeated by themselves. A blocked punt told the story. Mankato 8, Humboldt 0.

Bad luck trailed the team in their conference debut against Harding. Climaxing a 70-yard march in the first quarter, Dosh went over for the only touchdown. But in spite of the fact that the team played their best game of the season, they lost, 9 to 6.

The following week, Humboldt white-washed Mechanic Arts, 19 to 0. Ray Hessler and Lowell Lynch furnished the power for obtaining the winning margin by scoring two and one touchdowns respectively.

The next opponent, Central, was fought on a wet and muddy field. Handicapped by a lack of weight, giving 20 pounds to the man, the line play, featuring Grossman, Mohr, and Helms, was outstanding. Final score, 3 to 0, Central.

The Humboldt team went into the Washington game with several players handicapped by injuries, but for all of that, they played their Rice Street rivals on even terms the first half. Injuries finally proved too much for them, and although the final score was 31 to 0, the game was much more even than the score indicated.

Closing their season against Johnson, Humboldt was defeated. The game was a duplicate of the preceding game with Washington. The first half was fairly even, but in the finale, the Humboldt boys, tired and worn out, did not offer much resistance to the East Side team. Johnson won 26 to 0.

The first complete "B" team schedule in the history of football at Humboldt was introduced in the fall of '36. A squad of approximately twenty-five boys, coached by Mr. Roy Isacksen, played the "B" teams representing the other high schools. The teams won two games, and lost three, the latter by close scores.

There was a noticeable improvement in individual and team ability as the season progressed, so the season was considered a success. Among the outstanding players were Richard Cordes, Captain and half-back; George Bigelow, half-back; Vic Vitelli, quarter-back; Jerry Robertson, full-back; Jack Kurtz, center; Bill Polymeros, end; Elvin Goin, end, and "Hefty" Dack, tackle. These boys are very likely to find a place on the 1937 "A" squad.

PLAYING the fast break, Humboldt proved to be one of the most enter-  
 taining teams in the city to watch. Considered the smallest, speediest,  
 and flashiest team in the conference, Humboldt's basketball team provided  
 plenty of thrills and excitement.

The Indians were led by Captain Max Mohr, All-City center, and high  
 scorer of the conference. The Hessler brothers, Ray and Bob, were the  
 two most colorful players in the city. They earned their positions on the  
 second All-City team. Two juniors, Jerry Robertson and Harold Haas, completed  
 the first team. The reserves kept the regulars on their toes throughout the  
 season, making them play hard for their positions. Reserves who gave their  
 aid were Charles Dosh, Stanley Rubin, Marvin Cooper, Albert Nikolychik, Sam  
 Parness, Elvin Goin, and Charles Schintz.

The Alumni game brought together many present coaches who formerly  
 went to Humboldt. The starting coaches did not last very long. After a few  
 minutes of breath-taking-away-from-the-coaches play they were replaced by  
 players a few years younger.

# BASKETBALL

**H**UMBOLDT dropped their first basketball games of the 1936-37 season to their Catholic Conference rivals, Cretin and St. Thomas. Mechanic Arts and Washington took advantage of Humboldt's lack of experience and team work, so Humboldt lost their first two conference games. They finally hit their stride against Central, scoring 18 points in the first quarter, Max Mohr, captain, leading the attack. The South St. Paul game was featured by the accurate shooting of Bob Hessler, who scored 18 points. Mohr and Company won their second straight conference game by beating Johnson.

The final contest of the first round of conference competition was lost to Harding in the last three seconds of play. Clair McMann called time out to quiet the gymnasium to allow a Harding player a fair chance to win the game by a free throw; he did. Humboldt traveled to Howard Lake to score another victory mainly through effective shooting by Ray Hessler, who totaled 17 points. In a real thriller the Indians defeated South St. Paul in an overtime game, 27 to 26, with Stan Rubin's free throw, the last play of the game.

Mainly because of injuries to Mohr, the team lost the next two games to Cretin and Mechanic Arts. With the team clicking again, they took the next two games against Washington and Central. The game with Washington was played in a double header on the Macalester floor and it proved to be a real battle. Evidently the boys forgot what a good team they were, and they lost the two remaining games on the schedule to Johnson and Harding.

After a slow start, the "B" team played ball in great style, and finished the season by winning the last five games by decisive margins. In addition to this conference competition, the "B" team was entered in the Humboldt intra-mural league and in various tournaments throughout the city. This added experience plus unusually fine teamwork will be the nucleus for Humboldt teams in future years.

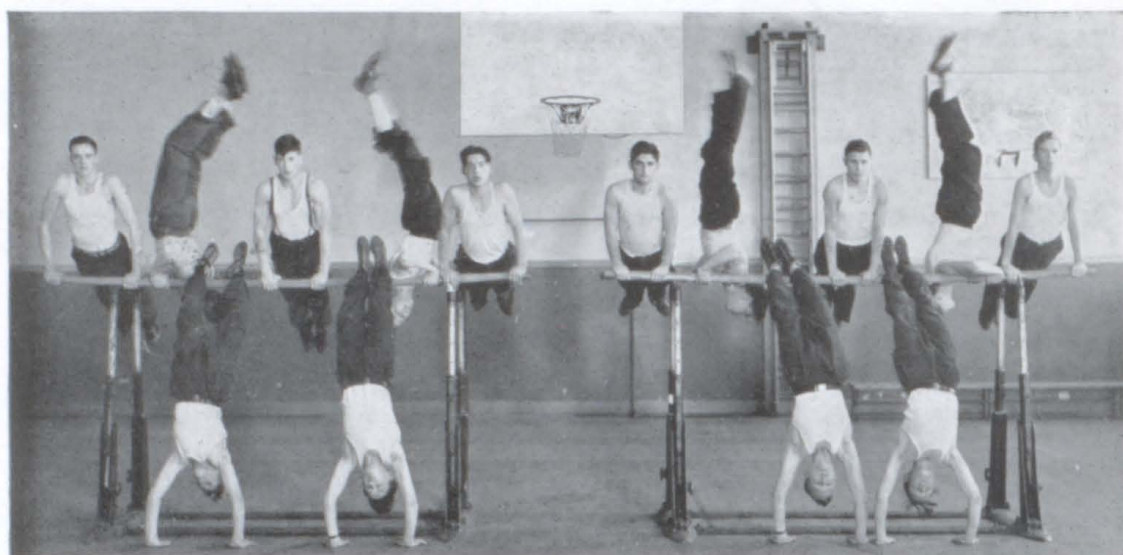

Outstanding players are Captain Jadwin Asfeld, Elmer Monge, Johnny Knox, George Edwards, Ken Lorch, Tony Thomas, Mike Galgan and Jack Hammel.

## OUR UNPARALLELED PARALLELERS

### Boys' Tumbling

Back row: G. Heuer, M. Johnson, D. Morrill, L. Lemay, P. Dike, C. Waldman, C. Lang, G. Ballas,  
R. Sheppard, R. Mason.  
Front row: R. Berg, W. Becker, F. Evans, W. Berger.

**W**ITH the tumbling period 4th instead of 7th more time can be devoted to practice. The boys drill on the parallel bars, horizontal bars, horses, and mats. The team is made up largely of juniors and sophomores. This assures a good team in the next two years.

Some of the team participated in a City High School meet. Although they did not place first, the team did surprisingly well. To deviate from the regular course the boys engage in boxing and wrestling matches. The wrestling develops their muscles, and the boxing gives them balance.

## ALL SET--DIVE

## Girls' Tumbling

Back row: D. Nadeau, J. Martin, L. Short, M. Degan, N. Nadeau.  
Second row: C. Sorenson, E. Schintz, C. Grosberg.  
Front: G. McMonigal.

**O**NE-TWO Alley oop and the girls' tumbling team goes up in the air—but only to form a pyramid. Two days a week are devoted to practice.

This group is the only girls' team in the city to use the spring board in maneuvers.

All agree that Eileen Schintz, president of the organization, is the best performer, even if Mr. McMann did have to give her a shove at the open house show. She and Lorraine Short are the only ones to master the difficult back flip off the spring board. Of the tumblers, Cleo Sorenson is the most limber.

Cheer leaders were selected from the team, Dorothy Nadeau, Norma Nadeau, Eileen Schintz, Mary Degan, and Jean Martin.

## Tennis

**J**IM FLETCHER, Humboldt tennis captain in '36, closed his high school career by taking two second places in the Carleton and Northwest interscholastic meets. At the Carleton meet Humboldt, by all-around team play, placed second. Last year's team was composed of James Fletcher, Lowell Booton, Bob Klingel, Cal Southerland, Jack Branch, and Jack Sieberlick. Sieberlick is the only veteran on this year's squad.

The '37 team, captained by Tom Conradi, will have to be built entirely from new material. Promising candidates include: Roger Bentfield, Merle Bloomdahl, Howard Mason, Charles Heuer, Robert Berg, Oliver Tankenoff, Jack Sieberlick, Ray Kaiser, Irving Simos, Clarence Lang, and Robert Lyons.

## Golf

**B**Y winning the last game from Mechanic Arts High School 9½-8½, Humboldt tied for second place in golf last spring with Central and Mechanics. The team started out poorly, losing the first two matches, but then found themselves. By some long distance hitting and consistent putting, they won their remaining five games. The '36 golf team was headed by Captain Ray Brandt. Members of the team were Robert Lutgens, Ralph Christopherson, Lowell Booton, Marsh Johnson, Earl Lind, Kenny Johnson, Clarence Nelson, and Manager, Fred Raak.

The outlook for this year's team is very good with three returning lettermen, Robert Lutgens, Ralph Christopherson, and Marsh Johnson. At a recent meeting, Robert Lutgens was elected captain. In addition to these, three newcomers have shown promise. They are Jerry Robertson, Howard Lind, and Robert Meyers.

## Track

**W**ITH track now getting the attention it deserves, Humboldt can expect great things from its teams in the future. The 1937 edition of the track team has already started to do things. Only one letter man, David Henly, is back from last year's squad. Coached by Clair McMann, the boys are giving evidence of a real championship team. The team has speed in the running events. This was shown in the meet with South St. Paul and Harding in which Humboldt took all the first places. The final score was Humboldt 43, South St. Paul 37, Harding 27. Humboldt defeated a strong Cretin team in their second meet by a score of 64 to 40.

Charles Dosh is the Indian's point-getter. He took three firsts in the South St. Paul-Harding meet and four firsts and one second in the Cretin meet. Others who bear the brunt of the attack are Captain David Henly, in the 440 and field events; Gordon Smith, high jumper; Jerry Portnoy, 880; and Richard Cordes, low and high hurdles. Other members of the track team are Frank Evans, Richard Falb, Archie Vickers, Sidney Smith, Alan Horton, Eugene Steinbranner, Charles Bergh, Roy Grieder, Robert Mason, Tom Bowen, Alfred Lewerenz, Roger Bentfield, Frank Mondike, Dale Morrill, and Tony Thompson. Robert Ihrig is this year's track manager.

*Captain Henly goes over the top.*

## Baseball

**W**ITH a new city conference league organized, baseball was renewed at Humboldt this spring after an absence of a few years. The nine is coached by Mr. Roy Isacksen, who is assisted by Frank Stanton and Billy Schlick. Showing evidence of going places, the team won their first two starts of the season again Concordia Academy and Roosevelt High, Minneapolis, by scores of 9-0 and 4-2.

In both tilts Stiebling hurled sterling ball behind some heavy and timely hitting. A

majority of the present team will be back to play again next year, so prospects of entertaining teams to come are promised.

Members of the baseball squad are Robert Burch, Clayton Carlton, Russell Casby, Oliver Christianson, Philip Cowley, Roy Feit, Joe Guertin, Harold Haas, Charles Heuer, Martin Kiley, John Knox, Charles Kopp, Jack Kurtz, Max Mohr, Harold Radmer, Herb Reich, Howard Runge, Bob Rongitach, Joe Stevens, Robert Stiefel, Ed Stiebling and John Zimmer.

John M. Gran..... *Head Coach*  
 Robert Hyslop.....*Captain*  
 Thomas Peterson..... *Faculty Manager*

ONLY one man will be lost next year so prospects for a fine team are bright. Bob Hyslop will be the only loss to the team. Bob has done an excellent job in maintaining a high degree of consistency.

The outstanding new comer is LeRoy Smith, sophomore, who is one of the best high school up and coming swimmers. LeRoy was the only Humboldt swimmer to place in the City Meet, and shows promise of winning many points for Humboldt's teams in the next few years. Because most of the boys were new to the team, the swimming team placed fifth in the 1936-37 standings.
