Guidelines

- ❖ Leadership points will be awarded to students at the end of each quarter.
- ❖ Extracurricular Activities are divided into two different types of activity: “In-Season Activity” or “Year-Round Activity”
- ❖ The number of points awarded to the student depends on which **type** of Activity he/she is in and which **role(s)** they hold within that Activity.
- ❖ A student can earn more than 1000 points if they hold multiple roles within the same activity, under the “In-Season Activity” category.
- ❖ A student can earn more than 500 points if they hold multiple roles within the same activity, under the “Year-Round Activity” category.
- ❖ The extracurricular activity has to be something outside of school hours (either before or after school)
- ❖ If the extracurricular activity has NO leadership positions then no one gets the Leader Position points.
- ❖ Please return these forms to Advisory Leaders before the end of a quarter. (Advisory leaders will then hand the forms to Senior Leaders)
