

Fall Session - Class Descriptions

MONDAY/WEDNESDAY CLASSES

Class Title: Dungeons and Dragons

Teacher/Partner: Badwolf Adventure Studios

Description: Welcome to Dungeons & Dragons! In this class we'll be playing the classic tabletop roleplaying game and learning all about storytelling while we do it. Create characters, experience action and magic, and collaboratively craft epic stories all our own. Come join in the adventure!

Class Title: Lego League

Teacher/Partner: Ms. Aja

Description: Are you interested in coding? Do you enjoy building with Legos? Then this class is for you! Lego League guides youth through STEM learning and exploration. From Discover, to Explore, and then to Challenge, students will understand the basics of STEM and apply their skills in an exciting competition while building habits of learning, confidence, and teamwork skills along the way. And it's just fun!

Class Title: Drumline

Teacher/Partner: Chops, Inc.

Description: It's your turn in drumline! Join drumline after school this spring and be the first to play with a real-life drumline at GAP! Play high energy music, entertain your friends, and have a blast performing just like the Minnesota Vikings Drumline. No need to have played music or an instrument before- take your place in the line and drum your heart out this fall!

Class Title: Yoga and Mindfulness

Teacher/Partner: One Yoga

Description: Are you curious about yoga and mindfulness? Develop skills that will help you navigate your emotions, build positive relationships, and manage stress. Through the practice of mindfulness and yoga, you will learn to quiet your mind, focus your attention, and tune into your body. Explore different themes weekly related to social emotional learning and mindfulness. This class will also provide a supportive and inclusive space for you to connect with your peers and build community.

Class Title: Eco Club (Mondays ONLY)

Teacher/Partner: Ms. Harer

Description: Are you a budding environmentalist? Our mission is to teach people about climate change, plastic pollution and its effects on Earth, and how reusing trash helps the environment. We are also interested in learning about what fast fashion is, companies we should be supporting and other things we can do to make our world a better place. 5th graders are welcome to join Eco Club after school, but club time during gathering time is middle school only.

TUESDAY/THURSDAY CLASSES

Class Title: Intro to Stop Motion Film Making

Teacher/Partner: Badwolf Adventure Studios

Description: Learn about the unique and captivating filmmaking technique that brings inanimate objects to life. Students will discover the steps involved in stop motion film-making with an emphasis on claymation, and then put those steps into practice to create their own short films.

Class Title: GAP Podcasters

Teacher/Partner: Ms. Dennis

Description: Do you love YouTube? Have you ever wanted to be a Podcaster? Do you need help building your confidence, storytelling and production skills? Then, this class is for you! When you join GAP Podcasters, you will: work in small groups, explore the art of storytelling, learn how to record narration, remote interviews and audio editing, format a podcast episode by using the 8 steps of podcast storytelling, receive feedback and support on your podcast segment. By the end of the class, you will have produced one polished segment for your podcast.

Class Title: Dance Like a TikToker

Teacher/Partner: To be determined

Description: If you've ever watched someone dance on TikTok and wished you could dance like them, this class is for you! Based on the popular dances that you see on social media, students will learn popular routines that are shared often on TikTok. TikTok dances are short, choreographed routines that can range from simple, easy-to-follow moves to more complex and challenging routines. Note: No inappropriate moves or music will be used or taught.

Class Title: Find Your Voice

Teacher/Partner: ComMUSICation

Description: Find your voice with ComMUSICation! We are an ensemble-based vocal group that focuses on music as a tool for connection and community. We will learn a variety of vocal repertoire while focusing on youth-selected musical activities and themes. Come lend your voice to our group and help us show our community the power of music and arts!
