Maxfield Elementary

Core Curriculum K-5
Reading

The Fountas & Pinnell read-alouds and minilessons expose students to a variety of fiction and nonfiction texts and help them improve their ability to comprehend and communicate about what they read.
Math

The SPPS math curriculum uses Tasks, Questions, and Evidence to support students with deep understanding of concepts, including use of manipulative materials for learning.
K-2 Phonics

Maxfield uses the University of Florida Literacy Institute (UFLI) phonics curriculum in kindergarten through 2nd grade to teach students how to make sense of sounds and letters to decode words.
3-5 Word Study

Maxfield uses Words Their Way in 3rd through 5th grade to deepen students’ ability to apply phonics skills to decode multisyllabic words with prefixes, suffixes, and Greek and Latin roots.
