An important message from Nurse Colleen:

Each day, please continue to observe and monitor your child/children closely for any signs or symptoms that they are not feeling well and keep them home to watch closely to see if symptoms persist or worsen. Staying home when sick can lower the risk of spreading infectious diseases, including the virus that causes COVID-19, to other people. Students, staff and visitors must conduct their own symptom screening prior to coming to school/work, and again when arriving at any SPPS facility, and throughout the day.

ILLNESS AND SENDING YOUR CHILD TO SCHOOL

- Keep your child home if he or she:
 - Has a fever of 100 degrees or more during the previous evening or night or in the morning.
 - Has vomited or had diarrhea during the night or in the morning.
 - Has a rash that may be caused by a disease or if the cause is unknown, check with your family physician **before** sending the student to school.

If a student is at home sick, please call the school attendance line daily to report the reason for absence.

Influenza & COVID-19: Over the next two months, several SPPS schools will host clinics where students ages 5 and older and adults can receive flu shots and COVID-19 vaccines.

SPPS will also continue to host COVID-19 clinics on Thursdays at 360 Colborne St. Flu shots are currently available at these clinics as well.

Find all clinic dates and locations at spps.org/covidvaccine. Families and staff can use the vaccine clinic registration links to make appointments for a COVID-19 vaccine, flu shot or both.

Important Reminder about Attendance:

If your child is going to miss school, please call, email or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s)

may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district. When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.
