**Important Reminder about Attendance:**

If your child is going to miss school, please call, email or write a note to explain the reason for the absence. If we do not hear from you, the absence is documented as unexcused. After 3 days of unexcused absences, you will receive a letter from the school reminding you to please communicate with us so the absence(s) may be documented accurately. If your child continues to miss school, unexcused, he/she will be referred to the SAM (School

Attendance Matters) Program for intervention.

The following reasons for absence qualify as an excused absence; illness, doctor, dental or therapy appointment (please be sure to obtain a note to give to the school), extreme family emergency or religious holiday not already recognized by our school district.

When a student misses 3 or more class periods in one day, this is considered to be a full day of absence. Please call us if you have any questions/concerns.
