

What is a Family-School Compact for Achievement?

A Family Student Compact for Achievement is an agreement that parents, students, and teachers develop together. It explains how parents and teachers work to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Families

The families at TCUC helped develop this Compact for Achievement. Schoolwide meetings are held each year to update the compact. Families are welcome to contribute comments and get more information at any time.
