- **Thursday, March 19-** Spring Musical 7:00 p.m.
- **Monday, March 30-April 3-** SPRING BREAK (Students return to school Monday April 6)

MESSAGE FROM PRINCIPAL BONNICK

Hello Wonderful Washington Families,

Welcome to a new month! I hope that today finds you well.

The challenge for the month of March is *Ready to Learn, ready to learn means that students get the proper sleep, complete their pre-work, stay nourished and hydrated, get to class on time and bring all essential materials to class.*

As we begin a new month and with spring upon us I would like to highlight the importance of safety and security here at Washington. You and/or your student may have seen a recent post on schoology asking for everyone's assistance in making sure Washington is safe and secure by not propping doors open for anyone or opening locked doors to let someone in, during and after the school day.

I also want to highlight that we will be having our Readiness Conferences this month. The dates are listed above. Reminder for families of 11th and 12th graders that their conferences will be held in April and May. The staff here at Washington look forward to meeting with families and talking about all of the great progress your child(ren) are making in school.

Let's make March a great month as we prepare for our spring break at the end of the month!

Have an awesome month! All the best to you and yours.

In Partnership,

Principal Bonnick

PSEO INFORMATION.

Is your student a sophomore, or junior interested in taking college classes at a local campus next year? If so check out the PSEO checklist attached below!
