

What is Family-School Compact?

A Family-School Compact for Achievement is an agreement that parents, students and teachers develop together. It explains how parents and teachers will work together to make sure all students get the individual support they need to reach and exceed grade level standards.

Jointly Developed with Parents

The parents at Wellstone helped develop this Compact for Achievement. School wide meetings are held each year to update the compact. Parents are welcome to contribute comments at any time.

For more information on the Family-School Compact, contact your child's teacher, Ms. Nancy or Mr. Vasquez at 651-290-8354.

Parent Partnership Activities

- Parent-Teacher Conferences:
- Academic Parent-Teacher Teams (APTT)

- Asian American day
- Hispanic Heritage Day
- Open House
- Volunteer Opportunities
- Home Visits
- Title 1 Annual Meeting

Communicating about Learning

Wellstone is committed to communicating regularly with families about children's learning. Some of the ways you can expect us to communicate are:

Family calendar

The online Family Calendar will be the main source for up to date communications on school events. Please check it frequently for any changes that may impact you or your child. wellstone.spps.org

Other forms of communication include

- Emails, texts, and personal and automated phone calls.
- Take home folders and classroom newsletters.
- Personal phone calls.
- The Family Handbook.
- Seesaw
- Schoology
- Facebook
- Website

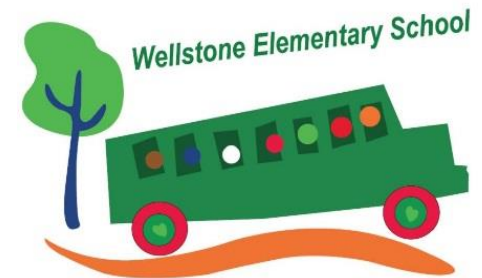

For questions about your child's progress, contact your child's teacher. Phone number are available on the school websites and in the Family handbook.

Teachers, Parents, Students Together for Success

SPPS District Goals

SPPS Achieves Long Term Outcomes:

- Decrease disparities in achievement based on race, ethnicity, culture and identity
- Increase achievement of English Learners
- Increase achievement of students receiving special education services
- Improve kindergarten readiness
- Increase academic growth in reading and math for all students
- Prepare all graduates for college, career and life

School Goals

Student Learning Outcomes:

Schoolwide Goal: Disparity in the referral rate between African American students and other groups will be reduced by 1/2

Mathematics Goal: The percentage of all students scoring proficient or higher in mathematics will increase from .20% to 30% by spring 2022 as measured by the MCA test.

Reading Goal: The percentage of all students scoring proficient or higher in reading will increase from 26% to 37% by spring 2022 as measured by the MCA test.

In the 3rd Grade Classroom

The 3rd grade team will work with students and their families to support students' success in reading and math. Some of our key connections with families will be:

- All 3rd graders will receive daily math homework. Dual Immersion will also send home daily Rainbow Reader homework.
- We will offer two family nights per year focused on Literacy and Math.
- We will send home weekly or bi-weekly newsletters with classroom updates about what your child is learning and dates of special events. Beginning in November, all third graders begin a weekly letter-writing routine that facilitates communication of events and progress.
- Our class web page has links to family friendly web sites for building reading and math skills.
- We will provide a template with comprehensive questions to ask your child questions about what they are reading.

At Home

Wellstone Families- Working In Partnership

Wellstone parents joined staff to develop ideas about how families can support student success at home. Parents will:

- I will make sure that my child completes their homework. I will read with or to my child every day. I will engage him/ her in conversation about what they read.
- I will attend the math, literacy and science family nights or get information from my child's teacher if I cannot attend.
- I will work on daily math facts, addition and subtraction with my child.
- I will look for the class newsletter, other communications from school and stay updated on the school website.
- I will review the PBIS (Positive Behavior Intervention Support) expectations matrix with my child and assist him/her in understanding the importance of accepting individual responsibility for his/her actions.

My Actions Matter Wellstone Students will:

- I will bring home homework and complete assignments.
- I will bring home our class newsletter and notices about family events.
- I will talk about my school day with my family.
