

SPPS
ONLINE
SCHOOL

SPPS Online School is a new, no cost, online school offered through Saint Paul Public Schools that allows students in grades 9-12 to take classes that meet Minnesota academic standards in a flexible, safe and highly supportive learning environment.

WHY ENROLL AT SPPS ONLINE SCHOOL?

1 TRUSTED PARTNER

Your student will have dedicated, experienced SPPS teachers who are trained to teach online and have strong relationship building skills.

2 RESULTS

SPPS Online School curriculum is designed using strategies that are proven to work in a virtual environment. Students are given opportunities to choose how they engage with and show what they are learning.

3 FLEXIBLE & CONVENIENT

Your student will experience live, interactive classes, along with flexible recorded sessions so they can access coursework at a time and location that works best for them. The flexible schedule also allows students to easily reach out to teachers when guidance is needed.

IS SPPS ONLINE SCHOOL THE BEST CHOICE FOR MY STUDENT & FAMILY?

SPPS Online School is a great option for STUDENTS who:

- Enjoy learning online
- Want more individualized instruction
- Thrive in a quieter environment with fewer distractions
- Do not enjoy or are not performing well in a traditional school setting
- Have a job and/or family responsibilities that make attendance during the traditional school day difficult
- Experience social anxiety or have other health issues
- Are an athlete or performing artist requiring more flexibility in their schedule
- Come from a home school experience
- Value having more choice in how they spend their time engage in their learning

SPPS Online School is a great option for FAMILIES who:

- Want a change of environment for your student
- Need your student to provide additional support for family members at home during the day
- Have family members in your home that are more vulnerable to complications from COVID-19 or other illnesses
- Have transportation issues getting your child to school
- Travel often
