Dear Parent/Guardian:

Our school qualifies to receive federal funds under *Title I, Part A* of Every Student Succeeds Act of 2015 (ESSA) for the above indicated school year. Our school is eligible for the following:

A Schoolwide Title I Program is a comprehensive reform strategy designed to upgrade the entire educational program in our school. Its primary goal is to ensure that all students, particularly those who are low-achieving, demonstrate proficient and advanced levels of achievement on state academic achievement standards. This schoolwide reform should result in an ongoing, comprehensive plan for school improvement that is owned by the entire school community and tailored to its unique needs.

We look forward to your involvement in school activities and your child's education. You will receive notices and information throughout the school year to keep you informed about the progress of your child and the status of the school in making progress toward helping all children meet high academic standards. We also look forward to your attendance at school meetings when we will discuss the development, revision, and implementation of our Schoolwide Program Plan.

You are an important partner in our effort to provide the best education possible for your child. Please call the school if you have any questions or would like additional information.

Sincerely,

Tara Morrow
