

# EAST MAINE SCHOOL DISTRICT 63

Dear Parent/Guardian,

All students entering kindergarten in August are **required** by the State of Illinois to have a completed Certificate of Child Health Examination form including the immunization portion submitted to the nurse's office before school starts in August. **Your child will not be able to start school without this required information.** The Child Health Exam and Immunization Form should be submitted to the nurse's office by May 25.

In addition, a completed Eye Examination Report is due October 15 of the next school year. A completed Dental Examination Form will be due by May of the next school year.

Please make sure your doctor uses the Illinois Certificate of Child Health Examination form (rev. 11/2015), which has two pages. This includes the Diabetes Screening, Lead Risk Questionnaire, and the Tuberculosis screening, which will be completed by the health care provider. The medical history is located at the top of the back of the form and is completed and signed by the parent/guardian.

Proof of the following immunizations must be included on the Health Examination form:

<b>Diphtheria</b> 4 or more doses, last one after 4 <sup>th</sup> birthday	<b>Measles</b> 2 doses after 1 <sup>st</sup> birthday
<b>Pertussis</b> 4 or more doses, last one after 4 <sup>th</sup> birthday	<b>Mumps</b> 2 doses after 1 <sup>st</sup> birthday
<b>Tetanus</b> 4 or more doses, last one after 4 <sup>th</sup> birthday	<b>Rubella</b> 2 doses after 1 <sup>st</sup> birthday
<b>Polio</b> 4 or more doses, last one after 4 <sup>th</sup> birthday	<b>Varicella</b> 2 doses after 1 <sup>st</sup> birthday

Your child will not be allowed to attend Jump Start Kindergarten during the summer without a **completed Certificate of Child Health Examination form** including the **immunization portion**.

A child that does not have the **completed Certificate of Child Health Examination form** including the **immunization portion** on file in the nurse's office by **the first day of school in August will be excluded from school**. Notes from doctors with appointment dates after the first day of school will not be accepted. Always keep a copy of your child's medical records at home.

Thank you very much for your prompt attention to this health requirement.

Nicole McFadden, RN, BSN, PEL-CSN  
Coordinator of School Health Services

If you have any questions or need assistance, please contact the nurse at your child's school.
