Megan S. Holland

Hello! My name is Megan Holland and I am one of your School Counselors! I love being a part of the B.F. Grady family! Our school counseling program is here to help students acquire skills and gain knowledge necessary to become successful in their classroom and community. It is my desire that our students are given the tools necessary to develop healthy goals, understand the importance of interpersonal skills, and develop a growth mindset.

If you have any questions or concerns about your child, please do not hesitate to reach out to me! You can contact me at 252-568-5013 or email me at [mholland@duplinschools.net](mailto:mholland@duplinschools.net).
