The District identified the following six core principles to illustrate their values and commitment to students, staff, families, and the community as a whole. The School Board and District staff will use these principles as a guide to decision-making for the District's future.

**2021-2025:**

**All Means All:** All staff focus on success for all students. There are many pathways and opportunities for students to learn, achieve, and celebrate their intellectual, creative, personal, and future success.

**High Expectations:** Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and provided training and professional development opportunities to meet expectations. SLCUSD creates learning environments that empower students to take ownership over their learning in order for them to find purpose, meaning, and joy in their education and to excel beyond high school.

**Respect and Integrity:** Communication and interactions among and between students, staff, and parents is defined by mutual respect, trust, empathy, and support. SLCUSD strives to create a safe space for students to learn about themselves, other people, and the world around them.

**Collaboration and Civil Discourse:** The organization works collaboratively and creatively to ensure student success in a supportive environment. Decisions are made with stakeholder input and participation. Critical thinking, collegial dialogue and civil discourse around challenging problems are expected. Successes are recognized and celebrated.

**Culture of Care and Safety:** Schools and all district work sites are safe and secure environments for students, parents, and staff. SLCUSD focuses on the social-emotional needs of our students, values students' voices, and creates nurturing and inclusive school communities. Students, staff and families are compassionate school community members.

**Continuous Improvement:** Staff, students, and parents collaboratively evaluate progress using multiple, reliable measures, and make changes when necessary.

## Data and Access

*Ed-Data* is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

*DataQuest* is an online data tool located at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

*Internet Access* is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

The *California School Dashboard (Dashboard)* <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## About Pacific Beach High School

### School Description and Mission Statement

Pacific Beach High School (PBHS) is a Western Association of Schools and Colleges (WASC) accredited continuation high school serving students from within the San Luis Coastal Unified School District. Our mission is to recognize that each student is an individual with different needs, learning styles, and talents. The school is committed to provide the highest quality programs and services to our students that will contribute to personal, career and educational success, with the expectation that they become productive, self-sufficient members of society.

## A. CONDITIONS OF LEARNING

### Teacher Preparation and Placement (School Year 2020-2021)

The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Authorization/Assignment	School #	School %	District #	District %	State #	State %

Subject	Year Adopted	Grade Levels	Publisher	Title
Health	2023	9	Goodheart-Willcox	<i>Comprehensive Health Skills for High School</i>

## SCHOOL FACILITY CONDITIONS AND PLANNED IMPROVEMENTS

### Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at <https://www.slcsd.org/departments/bgt/facility-planning>. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

### Age of School Buildings

Pacific Beach High School has 4 classrooms, a computer lab, a multipurpose room, a library and an office. The current site was established in 1979 by relocating facilities built in 1938.

### Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Many of our facilities are being modernized as part of the District Measure D program enacted in 2014.

### Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

### Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

### School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Year and month of the most recent FIT report: 11/1/23

## C. PUPIL OUTCOMES

### Pupil Achievements

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics give in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### California Assessment of Student Performance and Progress Results for All Students (School Year 22-23)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2021-22	2022-23	2021-22	2022-23	2021-22	2022-23
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	43	32	64	65	47	47
<b>Mathematics (grades 3-8 and 11)</b>	4	0	56	57	33	35

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

### CAASPP Assessment Results – English Language Arts (ELA)

#### Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 22-23)

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
<b>All Students</b>	37	37	100	32
<b>Male</b>	14	14	100	21
<b>Female</b>	23	23	100	39

<b>Socioeconomically Disadvantaged</b>	27	27	100	41
<b>English Learners</b>	7	7	100	--
<b>Students with Disabilities</b>	4	4	100	--

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes – appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**School Completion and Postsecondary Preparation**

**Admission Requirements for California Public Universities**

**University of California**

Admission requirements for the University of California (UC) follow guidelines set forth in the Master Plan, which requires that the top one-eighth of the state's high school graduates, as well as those transfer students who have successfully completed specified college work, be eligible for admission to the UC. These requirements are designed to ensure that all eligible students are adequately prepared for University-level work. For general admissions requirements please visit the University of California Web site, <http://www.universityofcalifornia.edu/>.

**California State University**

Admission requirements for the California State University (CSU) use three factors to determine eligibility. They are specific high school courses; grades in specified courses and test scores; and graduation from high school. Some campuses have higher standards for particular majors or students who live outside the local campus area. Because of the number of students who apply, a few campuses have higher standards (supplementary admission criteria) for all applicants. Most CSU campuses utilize local admission guarantee policies for students who graduate or transfer from high schools and colleges that are historically served by a CSU campus in that region. For general admissions requirements please visit the California State University Web site, <http://www.calstate.edu/admission/>.

## D. ENGAGEMENT

### Parental Involvement

#### Opportunities for Parental Involvement

Parents at Pacific Beach High School are invited to serve on the school's Site Council and are welcomed in classrooms as observers and/or volunteers. Parents are also invited to lend their time and efforts on field trips, special events, and graduation. For further information concerning parental involvement, please contact the principal at 805-596-4023. Families also attend a number of picnic events over the course of the school year, including Back-to-School Night, the Holiday Feast and Open House.

## School Safety Plan

The PBHS School Safety Plan identifies appropriate strategies and programs that will provide or maintain a high level of school safety and address procedures for complying with existing laws and Senate Bill 187. Safety and positive behavior are reinforced at PBHS.

The Safe School Plan is reviewed annually and incorporates clear rules and consequences, comprehensive supervision, and preventative health and safety programs. Emergency procedures are in place to allow for situations that occur while students are on campus. Nuclear emergency response, lockdown, fire, and earthquake drills are conducted each year. The School's Safety Plan was last updated and reviewed with staff in October, 2023.

## D. OTHER SARC INFORMATION

### Average Class Size and Class Size Distribution (Secondary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Class	Avg. Class Size	2020-21			Avg. Class Size	2021-22			Avg. Class Size	2022-23
