The District identified the following six core principles to illustrate their values and commitment to students, staff, families, and the community as a whole. The School Board and District staff will use these principles as a guide to decision-making for the District's future.

**2021-2025:**

**All Means All:** All staff focus on success for all students. There are many pathways and opportunities for students to learn, achieve, and celebrate their intellectual, creative, personal, and future success.

**High Expectations:** Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and provided training and professional development opportunities to meet expectations. SLCUSD creates learning environments that empower students to take ownership over their learning in order for them to find purpose, meaning, and joy in their education and to excel beyond high school.

**Respect and Integrity:** Communication and interactions among and between students, staff, and parents is defined by mutual respect, trust, empathy, and support. SLCUSD strives to create a safe space for students to learn about themselves, other people, and the world around them.

**Collaboration and Civil Discourse:** The organization works collaboratively and creatively to ensure student success in a supportive environment. Decisions are made with stakeholder input and participation. Critical thinking, collegial dialogue and civil discourse around challenging problems are expected. Successes are recognized and celebrated.

**Culture of Care and Safety:** Schools and all district work sites are safe and secure environments for students, parents, and staff. SLCUSD focuses on the social-emotional needs of our students, values students' voices, and creates nurturing and inclusive school communities. Students, staff and families are compassionate school community members.

**Continuous Improvement:** Staff, students, and parents collaboratively evaluate progress using multiple, reliable measures, and make changes when necessary.

## Data and Access

*Ed-Data* is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

*DataQuest* is an online data tool located at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

*Internet Access* is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

The *California School Dashboard (Dashboard)* <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

## About Teach Elementary School

### School Description and Mission Statement

Teach School is committed to providing our local school communities with an accelerated learning environment that nurtures creativity and diverse learning styles. As a school of choice, Teach School is sought out as an educational alternative by parents of Avila Valley, San Luis Obispo, Los Osos, and Morro Bay because of its long history of excellence. Underpinning this history of achievement are expectations for high personal standards, accountability, and a climate that fosters independent learning. The staff, parents, and students share a common vision that much of our academic success is based on strong parental involvement in the learning process.

Teach is an active place where instruction takes many forms and students exhibit a real excitement for learning. Examples of the high value that Teach School places on experiential learning include: study trips to places such as Catalina Island Marine Institute, Astro Camp, and Camp Ocean Pines in Cambria; enrichment assemblies; and an emphasis on engineering, technology and the visual and performing arts. These rich and varied additions to our accelerated curriculum are provided for our students throughout the school year.

Our Mission Statement is:

*The mission of the Teach Elementary School program is to provide an alternative choice for parents and students in the San Luis Coastal Unified School District. It is designed for students whose needs include a rigorous curriculum, the opportunity for challenge and enrichment, an outlet for creativity and individuality, and an atmosphere that promotes leadership, responsibility, collaboration, and independence.*

Our Vision Statement is:

*Our vision is to empower our students to become innovators, explorers, lifelong learners, and contributors to a diverse global community. The Teach School community (students, parents, and staff) share a commitment to provide rich, varied learning opportunities for all students to grow intellectually, socially, emotionally, and creatively.*

## A. CONDITIONS OF LEARNING

### Teacher Preparation and Placement (School Year 2020-2021)

The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## SCHOOL FACILITY CONDITIONS AND PLANNED IMPROVEMENTS

### Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at <https://www.slcsd.org/departments/bgt/facility-planning>. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

### Age of School Buildings

Teach School has 8 classrooms, a multipurpose room, a library and an office. The Teach campus is located on the original site of the Romauldo Pacheco Elementary School, built in 1954.

### Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Some of our facilities were modernized as part of the District Measure D program enacted in 2014.

### Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

## Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

## School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Year and month of the most recent FIT report: 10/31/23

## B. PUPIL OUTCOMES

### Pupil Achievements

**Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics give in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

**College and Career Ready:** The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

### California Assessment of Student Performance and Progress Results for All Students (School Year 22-23)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2021-22	2022-23	2021-22	2022-23	2021-22	2022-23
<b>English Language Arts/Literacy (grades 3-8 and 11)</b>	88	90	64	65	47	47
<b>Mathematics (grades 3-8 and 11)</b>	90	88	56	57	33	35

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Assessment Results – English Language Arts (ELA)  
Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 22-23)**

Student Groups	Total Enrollment	Number Tested	Percent Tested	Percent Met or Exceeded
All Students	171	169	99	90
Male	90	90	100	88
Female	81	79	98	92

Students with Disabilities	8	8	100	--

Double dashes – appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

**CAASPP Assessment Results – Mathematics

## OTHER PUPIL OUTCOMES

### California Physical Fitness Test Results (2022-23)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test result to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

## C. ENGAGEMENT

### Parental Involvement

#### Opportunities for Parental Involvement

A strong home/school partnership is the basis for the collaborative atmosphere at Teach Elementary School. Parents are an integral part of our school, providing considerable volunteer and financial support. Parents are involved in Booster Club, School Site Council, San Luis Coastal Unified School District committees, and day-to-day campus and classroom activities. Numerous activities, field trips, and overnight excursions would not be possible without parent support. Our Booster Club also helps organize events that bring us together as a school community, such as the Science/STEAM Fair, Teach Tiger Games, and grade level activities. Parents seeking information about how to become more involved in school life should call Ms. Catie Hughes, our school secretary, (805) 596-4100.

### Pupil Engagement

## School Safety Plan (School Year 2023-24)

Safety is the only thing we care about more than learning at our school. We pride ourselves in maintaining a safe and orderly environment. As required, our school has developed a Safe School Plan. It includes the key elements of School Characteristics, Physical Environment, Social Environment, School Culture, Crime Data, Critical Incident Response, and an Emergency Response Plan. As prescribed by State law, it is formally reviewed annually. It was last reviewed by our School Site Council in September 2023 and by our school staff in August 2023. This Comprehensive School Safety Plan is available in the school office. More important than the written document, however, is our consistent attention to safety. Safety precautions and procedures are routinely reviewed and updated by the principal and staff as appropriate, and drills are held regularly to reinforce established emergency procedures.

## D. OTHER SARC INFORMATION

### Average Class Size and Class Size Distribution (Elementary)

This table displays by grade level the average class size and the number of classrooms that fall into each size category (a range of total students per classroom).

Grade Level	Avg. Class Size	2020-21			Avg. Class Size	2021-22			Avg. Class Size	2022-23		
		Number of Classrooms				Number of Classrooms				Number of Classrooms

6	31		1	1	24		2		30		2	

### Student Support Services Staff (2022-2023)

The following table displays, in units of full-time equivalents (FTE), the number of academic counselors and other support staff who are assigned to the school and the average number of students per academic counselor. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50% of full time.

Title	Number of FTE Assigned to School	Average Number of Students per Counselor
Counselor	0.4	417.5
Library Media Teacher (Librarian)		
Library Media Services Staff (paraprofessional)	0.5	
Psychologist		
Nurse	0.3	
Speech/Language/Hearing Specialist	0.17	
Resource	0.25	
Adaptive Physical Education	0.11	
Occupational Therapist	0.067	

## Expenditures Per Pupil and School Site Teacher Salaries (Fiscal Year 2021-2022)

This table displays a comparison of the schools per pupil expenditures from unrestricted (basic) sources with other schools in the district and throughout the state, and a comparison of the average teacher salary at the school site with average teacher salaries at the district and state levels. Detailed information regarding school expenditures can be found at the Current Expense of Education Web page at <http://www.cde.ca.gov/ds/fd/ec/>, and teacher salaries can be found on the Certificated Salaries and Benefits Web page at <http://www.cde.ca.gov/ds/fd/cs/>.
