The District identified the following six core principles to illustrate their values and commitment to students, staff, families, and the community as a whole. The School Board and District staff will use these principles as a guide to decision-making for the District’s future.

2021-2025:

All Means All: All staff focus on success for all students. There are many pathways and opportunities for students to learn, achieve, and celebrate their intellectual, creative, personal, and future success.

High Expectations: Expectations for students, parents, and staff are clearly defined, understood, and shared. Students, parents, and staff are empowered, supported, and provided training and professional development opportunities to meet expectations. SLCUSD creates learning environments that empower students to take ownership over their learning in order for them to find purpose, meaning, and joy in their education and to excel beyond high school.

Respect and Integrity: Communication and interactions among and between students, staff, and parents is defined by mutual respect, trust, empathy, and support. SLCUSD strives to create a safe space for students to learn about themselves, other people, and the world around them.

Collaboration and Civil Discourse: The organization works collaboratively and creatively to ensure student success in a supportive environment. Decisions are made with stakeholder input and participation. Critical thinking, collegial dialogue and civil discourse around challenging problems are expected. Successes are recognized and celebrated.

Culture of Care and Safety: Schools and all district work sites are safe and secure environments for students, parents, and staff. SLCUSD focuses on the social-emotional needs of our students, values students’ voices, and creates nurturing and inclusive school communities. Students, staff and families are compassionate school community members.

Continuous Improvement: Staff, students, and parents collaboratively evaluate progress using multiple, reliable measures, and make changes when necessary.

Data and Access

Ed-Data is a partnership of the CDE, EdSource, and the Fiscal Crisis and Management Assistance Team (FCMAT) that provides extensive financial, demographic, and performance information about California's public kindergarten through grade twelve school districts and schools.

DataQuest is an online data tool located at <http://dg.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district, the county, and the state. Specifically, *DataQuest* is a dynamic system that provides reports for accountability (e.g., Academic Performance Index (API), Adequate Yearly Progress (AYP), test data, enrollment, graduates, dropouts, course enrollments, staffing, and data regarding English learners.

Internet Access is available at public libraries and other locations that are publicly accessible; e.g., the California State Library. Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions include the hours of operation, the length of time that a workstation may be used, depending on availability, the types of software programs available on a workstation, and the ability to print documents.

The *California School Dashboard (Dashboard)* <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

About C. L. Smith Elementary School

School Description and Mission Statement

C.L. Smith Elementary has been meeting the needs of students in preschool through sixth grade since 1962. It is a neighborhood school where students and parents can be seen walking and riding bikes to school. The school encompasses a vast geographical area and serves the needs of a diverse population. Each student is valued for their unique contribution to our family. Parents and teachers are committed to providing the very best for our students.

Our mission states: "C.L. Smith is a school in which families, staff, and community celebrate our diversity and collaborate to achieve academic excellence in a caring, safe environment where the intellectual, social, and emotional needs of its students and staff are nurtured, and where children are prepared to become productive, responsible citizens and lifelong learners."

A. CONDITIONS OF LEARNING

Teacher Preparation and Placement (School Year 2020-2021)

The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

SCHOOL FACILITY CONDITIONS AND PLANNED IMPROVEMENTS

Facility Conditions and Planned Improvements

The District extends great efforts to maintain the schools in a manner that ensures that they are clean, safe, and functional. To assist in this effort, the district uses a facility survey instrument, with all potential problems related to safety reported and monitored for completion by site administration and the Building, Grounds, and Transportation Department. Information about this evaluation can be found for all sites at <https://www.slcsd.org/departments/bgt/facility-planning>. Elementary and middle school planned improvements include accessibility upgrades, campus-wide painting projects, fire alarms, and parking lot paving.

The following is specific information on the condition of the school and the efforts made to ensure that students are provided a clean, safe, functional learning environment.

Age of School Buildings

C.L. Smith School has 29 classrooms, a multipurpose room, a library and an office. The main campus was built in 1962 and additions in 1963, 1970, 1997 and 2018.

Maintenance and Repair

The District maintenance staff ensures that repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is utilized to ensure efficient service, and ensures that emergency repairs are given the highest priority. Many of our facilities are being modernized as part of the District Measure D program enacted in 2014.

Cleaning Process and Schedule

The Board of Education has adopted cleaning standards for all schools in the district. A summary of these standards is available at Buildings, Grounds and Transportation. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

Deferred Maintenance Budget

The district utilizes a deferred maintenance plan that is funded by an annual percentage from the District general fund. The District uses the funding to assist schools with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

Deferred Maintenance Projects

The complete deferred maintenance plan is available at the Buildings, Grounds and Transportation office.

School Facility Good Repair Status

This table displays the results of the most recently completed school site inspection to determine the school facility's good repair status. Year and month of the most recent FIT report: 11/16/23

B. PUPIL OUTCOMES

Pupil Achievements

Statewide assessments (i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics give in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready: The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

California Assessment of Student Performance and Progress Results for All Students (School Year 21-22)

Subject	Percent of Students Meeting or Exceeding the State Standards					
	School		District		State	
	2021-22	2022-23	2021-22	2022-23	2021-22	2022-23
English Language Arts/Literacy (grades 3-8 and 11)	56	56	64	65	47	47
Mathematics (grades 3-8 and 11)	49	51	56	57	33	35

Please note scores are not shown when the number of students tested is 10 or less, either because the number of students in this category is too small for statistical accuracy, or to protect student privacy. In no case shall any group score be reported that would deliberately or inadvertently make public the score or performance of an individual student.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e. achieved Level 3 – Alternate) on the CAAs divided by the total number of students who participated in both assessments.

**CAASPP Assessment Results – English Language Arts (ELA)
Disaggregated by Student Groups, Grades Three through Eight and Eleven (School Year 22-23)**

Note: ELA/Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard on the CAAs divided by the total number of students who participated in both assessments.

Double dashes -- appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

California Physical Fitness Test Results (2022-23)

The California Physical Fitness Test is administered to students in grades 5, 7, and 9. This table displays by grade level the percent of students meeting the fitness standards for the most recent testing period. For detailed information regarding this test, and comparisons of a school's test result to the district and state, see the CDE PFT Web page at <http://www.cde.ca.gov/ta/tg/pf/>.

C. ENGAGEMENT

Parental Involvement

Opportunities for Parental Involvement

All families are invited and encouraged to become informed, involved, and empowered with our school. Weekly newsletters, translated into Spanish, provide updates to keep parents current on what is happening at school. Teachers utilize class newsletters and classroom blogs to keep parents informed on instruction, homework, and upcoming events. EL/Title I Family Night, presented in both English and Spanish, informs parents of the variety of services available to help their child succeed. Parents are encouraged to give feedback to the school in a variety of ways. The results of a yearly school improvement survey are used to evaluate effectiveness and make appropriate changes. The School Site Council, made up of parents, teachers, and other staff members, meet four times per year to monitor our Single Plan for Student Achievement. Parents are encouraged to e-mail, call, or meet with the principal directly with concerns, compliments, and ideas. Our PTA meets monthly to plan activities and fund raisers to support our school program. Our ELAC (English Learner Advisory Committee) meets four times a year and provides a forum for parents to learn about school programs and express concerns directly related to the needs of English Learners. The ELAC meetings are run in Spanish with English translation available. Parent volunteers are always welcome to support the school by spending time in classrooms or working on projects in the office. For further information, please call C.L. Smith Elementary School, 805-596-4094.

School Safety Plan

There is a focus on student safety, health, and well-being as evidenced by our Safe School Plan developed and annually reviewed by parents, teachers, counselor, and principal. The team meets and problem solves safety issues related to pedestrian, auto, physical, and student interactions. The team reviews school rules and conducts a yearly walk-through of the school facility to identify potential safety hazards. Students are taught safety in the classroom and on the playground. Our Principal revises our emergency plan each year and reviews it with all staff. Monthly fire drills, quarterly duck-and-cover drills, and twice-a-year lockdown drills provide staff and students with the confidence needed in the event of a real emergency. In addition, our local fire department presents a fire safety assembly to all students in grades K through 6. The entire school participates in a bicycle safety program sponsored by the local police. Our plan was last updated in August 2023.
