**Employee Assistance
Program**

Duplin County Schools is committed to supporting all employees. With that in mind the Human Resources Department has included an Employee Assistance Program. This program is designed to assist employees that may be faced with personal matters which may interfere with their job performance. The EAP can assist employees in resolving personal matters in a way to benefit their overall well-being.

Services Include

- 3 sessions of mental health/ substance abuse evaluations
- And/or brief therapy sessions

Mental Health includes any psychological issues an individual can have ranging from stress to major illness. The majority of our clients are trying to cope with various levels of anxiety or depression usually due to personal problems, job concerns, or marital and family situations.

Staff

All services will be performed by licensed or certified staff

Eligibility

- All full-time and part-time (minimum of 20 hours per week) are eligible.
 - Employees / dependents /family members living with them during a 12 month period.
-
