

# FAQs

*As you consider applying to Clear Horizons ECHS, here are some frequently asked questions and answers.*

## **WILL ALL OF THE COLLEGE COURSES AT CHECHS TRANSFER TO A 4-YEAR UNIVERSITY?**

San Jacinto College has an articulation agreement with several Texas universities. The Texas Higher Education Coordinating Board ensures community college credits in CORE classes will be accepted by Texas public universities. Visit their website for more information: <https://www.highered.texas.gov/>.

For specific information regarding private or out-of-state institutions students should contact the institution directly.

## **HOW CAN A CHECHS STUDENT PARTICIPATE IN SPORTS OR FINE ARTS?**

High school sports and fine arts programs are available to CHECHS students through their zoned high school campus. CHECHS students must work with the coach or sponsor directly to inquire about participation requirements and provide their own transportation for these activities. CHECHS students cannot participate in the high school content or athletic period, but may be able to participate in practice before or after the CHECHS school day. (8:00 AM - 3:20 PM)

## **IS TRANSPORTATION PROVIDED FOR CHECHS STUDENTS?**

CCISD provides transportation for CHECHS students from the zoned high schools and intermediate schools. Students may utilize neighborhood CCISD buses if they qualify based on their zoned high school and intermediate campus. Bus routes may vary on the District and College calendars.

## **DO I HAVE TO TAKE THE CCISD BUS?**

Families can pick up and drop off students each day. Students with a valid license can drive and park on campus after requesting a parking sticker from San Jac.

## **CAN I STILL ATTEND IF I'VE NEVER TAKEN AN HONORS CLASS?**

Yes, CHECHS provides academic supports to help prepare students for the rigorous course work in both high school and college classes.

## **WHAT IS CONSIDERED IN THE APPLICATION?**

All students who live, or have grandparents who live within CCISD may apply. The lottery is weighted to ensure the student population helps us meet the ECHS model design set by the TEA. Our model is designed for students who are least likely to attend college or wish to accelerate completion of high school and an associate degree.

## **HOW WILL I KNOW IF MY APPLICATION WAS SUBMITTED SUCCESSFULLY?**

Applicants will receive an email from the system letting you know the application was submitted successfully. You will be able to log back in to review what was submitted. If changes need to be made please contact the CHECHS office at 281-929-4657 or email [AETidwell@ccisd.net](mailto:AETidwell@ccisd.net).

## **DO I HAVE TO REAPPLY EACH YEAR?**

No, once you are a CHECHS student you do not have to reapply. The application is only open for 8th graders to apply and we maintain the waiting list through the cohort's 10th grade school year.
