Essay

Please submit a 300-500 word essay explaining how a Cor Jesu student could live out the school mission to transform the world within the field of engineering.

Requirements

This application is not complete without the following:

- This completed form
- Letter of recommendation from faculty member
- Essay (300-500 words)
- Copy of high school transcript (For SLU Parks College camps only)

After attending camp, each scholarship recipient will be required to write a follow up essay, recapping her camp experience and sharing specific ways in which the experience influenced her thinking about the field of engineering.

Deadlines

This application must be submitted to the front office by: **February 23, 2024**

Awardees will be notified by: **April 5, 2024**
