Dear Central York School District Families:

Manchester Township values the importance of resident communication and keeping our community members safe and well informed. We are pleased to announce that Manchester Township is using Savvy Citizen to provide quick and timely information to our residents. Savvy Citizen enables Manchester Township to send alerts, helpful information, events and much more-- directly to you.

We strongly encourage all families in the district to download the Savvy Citizen app for FREE and follow Manchester Township. Additionally, the Northern York County Regional Police Department and York Area United Volunteer Fire and Rescue Company also use Savvy Citizen for communication purposes. This enables parents to receive important information from all three entities via Savvy Citizen that may include emergency notifications.

Information is sent to you via your choice of push notification through the app, text message or e-mail. Downloading the Savvy Citizen app will also enable you to manage your settings and select your desired categories of information that you would like to receive. If you would prefer a text message or e-mail, please visit [www.savvycitizenapp.com](http://www.savvycitizenapp.com).

**Join today!** Visit the **Google Play** or **App Store** or scan the QR code below with your mobile device:

Thank you,

Kim A. Hackett  
Administrative Director  
Manchester Township
