ACTION ITEM FOR ALL STUDENTS: 7th Grade Music Course Selection

The only individual student course selection for 7th grade programming is registering for a music and phy ed class option.

The music course options are: **Band, Choir or Orchestra.**

Students get to CHOOSE ONE of the following Music/Phy ed options:
____ Option #1: BAND AND PHY ED - Every Other Day Classes
____ Option #2: CHOIR AND PHY ED – Every Other Day Class
____ Option #3: ORCHESTRA AND PHY ED - Every Other Day Classes

Please discuss these three music options listed above with your parents /guardians. Once you have determined your music course choice, complete your 7th grade registration card, complete student and parent signatures and turn in to the front office. You must complete your registration **by Friday, January 26th.**

***Please Note:** It is important to be confident in your music selection at this time as changes will not be made due to the fact we determine our fall staffing/hiring needs and class sizes in each music course this spring based on your initial music course registration.
