

San Diego County Community Schools

2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Contact Information

School Name	San Diego County Community Schools
Street	6401 Linda Vista Road, Room 216
City, State, Zip	San Diego, CA 92111
Phone Number	858-290-5496
Principal	Gretchen Rhoads
Email Address	gretchen.rhoads@sdcoe.net
School Website	https://www.sdcoe.net/jccs
County-District-School (CDS) Code	37-10371-0128520

2023-24 District Contact Information

District Name	San Diego County Office of Education
Phone Number	858-292-3500
Superintendent	Dr. Paul Gothold
Email Address	superintendent@sdcoe.net
District Website	www.sdcoe.net

2023-24 School Description and Mission Statement

Mission Statement: As members of Juvenile Court and Community Schools (JCCS), we are committed to high expectations, social justice, and equality for all students. We value diversity and strive to eradicate institutionalized racism and discrimination in all forms. Our priority is to raise the achievement of all students while eliminating the achievement gap between students of color and white students. We accomplish this through the delivery of culturally and linguistically responsive standards-driven instruction, courageous and advocacy-oriented leadership, and relevant professional development. All JCCS community members stand personally committed and professionally accountable for the achievement of this mission.

San Diego County Community Schools comprises multiple campuses located throughout San Diego County. While each of our campuses is tailored to meet the diverse needs of each student population, all are united by our common mission and vision to provide students and the families we serve with the highest-quality education. Each of our classes is taught by a highly qualified teacher. Within our community schools, we offer several teaching and learning models ranging from traditional community school classes, interdisciplinary project-based learning, and a variety of independent-study models. The San Diego County Community Schools program is operated as a Title I school-wide program. A brief summary of each is provided below:

Community school classes:

These programs typically run from 9 a.m. to 2:30 p.m. each day with students in grades 7 through 12 who have been referred by local school districts, probation, or by parent request. With few exceptions, our community schools are staffed by multiple teachers with content-area knowledge to support student learning. Students have access to a variety of career technical education classes offered at their school site and other JCCS sites.

Interdisciplinary project-based learning (iPBL):

Approximately 50% of the community school sites are either utilizing or moving toward an iPBL instructional framework for face-to-face instruction. One of the primary goals in iPBL is for students to learn deeply (depth over breadth) and to then demonstrate that deeper learning through a real project designed for and presented to a real audience. A few other noteworthy aspects of our iPBL instructional framework are that (a) all interdisciplinary projects (units of study), regardless of academic discipline, are designed to support our students with career readiness (emphasizing “soft skills” such as punctuality, positive attitude, motivation, collaboration, etc.) and literacy/language development (making sure our students are regularly reading, writing, and speaking), and (b) our career technical education (CTE) and visual and performing arts (VAPA) course offerings

2023-24 School Description and Mission Statement

are integrated into the iPBL framework by connecting their course's learning objectives and projects to the high-interest connecting topic or theme and making sure projects from these courses are featured at an exhibition of learning.

Independent study models:

These programs allow for flexibility in teaching and learning to meet the individual needs of students. The school programs offer the opportunity for daily direct teaching and weekly support in all core subjects. Students are able to receive instruction from a combination of direct face-to-face teaching, online curriculum, and individualized support from teaching staff.

Social and emotional supports

We provide a variety of supports for our students and families using a Multi-Tiered System of Support. These supports consist of a school counselor, on-site therapists, social workers and social work interns, community partnerships with agencies for support, trauma-informed instructions, restorative practices, and positive behavioral interventions and supports (PBIS). We also support our families with a parent and family liaison to assist in coordinating services for our families.

Community School goals are aligned with the goals of the San Diego County Office of Education's Local Control and Accountability Plan (LCAP):

Goal 1. Ensure excellence in teaching and learning so each student is prepared to succeed in college and career.

Goal 2. Cultivate educational partner engagement to support excellence in each student's success.

Goal 3. Develop coherent and transparent systems for operational excellence to support each student's success.

Goal 4. Support the integration and transition of students who are at-risk, expelled, English learners, and foster youth to be prepared to succeed in college and career.

About this School

2022-23 Student Enrollment by Grade Level

Grade Level	Number of Students
Grade 6	1
Grade 7	11
Grade 8	21
Grade 9	116
Grade 10	131
Grade 11	99
Grade 12	58
Total Enrollment	437

2022-23 Student Enrollment by Student Group

Student Group	Percent of Total Enrollment
Female	43.9%
Male	56.1%
American Indian or Alaska Native	0.7%
Asian	0.7%
Black or African American	6.9%
Filipino	0.7%
Hispanic or Latino	80.1%
Native Hawaiian or Pacific Islander	0.2%
Two or More Races	2.1%
White	7.3%
English Learners	35.2%
Foster Youth	3%
Homeless	22%
Migrant	1.8%
Socioeconomically Disadvantaged	92.9%
Students with Disabilities	20.6%

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

2020-21 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	11.80	26.46	243.30	65.43	228366.10	83.12
Intern Credential Holders Properly Assigned	0.00	0.00	7.00	1.90	4205.90	1.53
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	1.00	2.23	3.90	1.05	11216.70	4.08
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	29.50	66.06	86.90	23.38	12115.80	4.41
Unknown	2.30	5.21	30.50	8.23	18854.30	6.86
Total Teaching Positions	44.70	100.00	371.80	100.00	274759.10	100.00

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

2021-22 Teacher Preparation and Placement

Authorization/Assignment	School Number	School Percent	District Number	District Percent	State Number	State Percent
Fully (Preliminary or Clear) Credentialed for Subject and Student Placement (properly assigned)	12.50	25.20	250.20	62.37	234405.20	84.00
Intern Credential Holders Properly Assigned	0.00	0.00	11.30	2.82	4853.00	1.74
Teachers Without Credentials and Misassignments (“ineffective” under ESSA)	0.00	0.00	11.70	2.92	12001.50	4.30
Credentialed Teachers Assigned Out-of-Field (“out-of-field” under ESSA)	31.70	63.84	91.90	22.91	11953.10	4.28
Unknown	5.40	10.96	36.00	8.98	15831.90	5.67
Total Teaching Positions	49.80	100.00	401.20	100.00	279044.80	100.00

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	1.00	0.00
Vacant Positions	0.00	0.00
Total Teachers Without Credentials and Misassignments	1.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	29.50	31.70
Total Out-of-Field Teachers	29.50	31.70

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Class Assignments

Indicator	2020-21	2021-22
Misassignments for English Learners (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	1.4
No credential, permit or authorization to teach (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	1.2

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

All textbooks and instructional materials used within the San Diego County Community Schools are aligned with the California Standards and frameworks and, in grades K-12, have been selected from the state-adopted list of standards-based materials. The San Diego County Community Schools follow the State Board of Education’s adoption cycle for core content materials. JCCS holds a public hearing annually to determine that each JCCS program has sufficient and quality textbooks or instructional materials, pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are provided their own textbooks in core subjects for use in the classroom and to take home to complete required homework assignments. Additional information regarding state-adopted instructional materials can be obtained from the JCCS office.

Year and month in which the data were collected	December 2023
--	---------------

Subject	Textbooks and Other Instructional Materials/year of Adoption	From Most Recent Adoption ?	Percent Students Lacking Own Assigned Copy

School Facility Conditions and Planned Improvements

We have a total of 90 San Diego County Community School classrooms at 15 sites. Maintenance and operations staff are on site performing routine maintenance practices daily.

All our sites scored 100% in gas leaks, HVAC, interior surfaces, sewer, overall cleanliness, pest/vermin infestation, electrical, fire safety, roof, windows/doors/gates/fences, and hazardous materials.

Year and month of the most recent FIT report

December 2023

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
English Language Arts/Literacy (grades 3-8 and 11)	4	13	52	47	47	46
Mathematics (grades 3-8 and 11)	1	3	38	36	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	211	173	81.99	18.01	12.72
Female	83	62	74.70	25.30	16.13

Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	49	41	83.67	16.33	2.44

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

CAASPP Student Groups	CAASPP Total Enrollment	CAASPP Number Tested	CAASPP Percent Tested	CAASPP Percent Not Tested	CAASPP Percent Met or Exceeded
All Students	211	175	82.94	17.06	3.43
Female	83	66	79.52	20.48	4.55
Male	128	109	85.16	14.84	2.75
American Indian or Alaska Native	--	--	--	--	--
Asian	--	--	--	--	--
Black or African American	17	13	76.47	23.53	0.00
Filipino	--	--	--	--	--
Hispanic or Latino	166	138	83.13	16.87	2.17

Foster Youth	--	--	--	--	--
Homeless	36	29	80.56	19.44	6.90
Military	--	--	--	--	--
Socioeconomically Disadvantaged	190	159	83.68	16.32	3.14
Students Receiving Migrant Education Services	--	--	--	--	--
Students with Disabilities	48	40	83.33	16.67	2.50

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23
Science (grades 5, 8 and high school)	8.20	2.94	4.23	3.70	29.47	30.29

2022-23 CAASPP Test Results in Science by Student Group

This table displays CAASPP test results in Science by student group for students grades five, eight, and High School. Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

2022-23 Career Technical Education Programs

The SDCOE JCCS Career Technical Education department provides CTE classes and grant-funded career readiness opportunities for high school youth. Our community schools are based in regions as follows: Metro region students can select from CTE Graphic Arts and Production, CTE Marketing Sales and Services, CTE Arts Media and Entertainment, CTE Information Communications Technology, and CTE Culinary Arts; North region students are offered CTE Graphic Arts and Production, CTE Arts Media and Entertainment, and CTE Horticulture; East region students are offered CTE Marketing Sales and Services, and CTE Graphic Arts and Production; South region students are offered CTE Graphic Arts and Production. CTE teachers work in partnership with other departments to provide an aligned curriculum. The CTE program is evaluated by the number of students enrolled, the number of students completing courses, and industry credentials earned. This is measured through our yearly data gathering in CONAPP. JCCS CTE also offers Drivers Education for qualifying students and a Workability I grant for interested students who qualify to receive grant-funded services including paid internships, work-based learning, mentoring, and supportive services.

The CTE Advisory Council is facilitated by the CTE Department and includes local industry partners from building and construction; green technology; horticulture; culinary arts; public service; entrepreneurship; graphic arts; graphic design; information and communications technology; arts media entertainment; audio technology; education, child Development, and family services (ECDF)/ integrated life management; non-profits; the local workforce investment board; event management; San Diego County Museums, Arts partners throughout the County, and is always looking for additional partners. All CTE teachers and staff participate in all Organizational All Staff and Council meetings.

All Career Technical Education and career readiness courses and services are provided to SDCOE JCCS students to create and sustain an environment that prepares them for college and career and can ultimately lead to lifetime self-sufficiency.

2022-23 Career Technical Education (CTE) Participation

Measure	CTE Program Participation
Number of Pupils Participating in CTE	174
Percent of Pupils that Complete a CTE Program and Earn a High School Diploma	
Percent of CTE Courses that are Sequenced or Articulated Between the School and Institutions of Postsecondary Education	

Course Enrollment/Completion

This table displays the course enrollment/completion of University of California (UC) and/or California State University (CSU) admission requirements.

UC/CSU Course Measure	Percent
2022-23 Pupils Enrolled in Courses Required for UC/CSU Admission	97.28
2021-22 Graduates Who Completed All Courses Required for UC/CSU Admission	0

B. Pupil Outcomes

State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Grade Level	Component 1: Aerobic Capacity	Component 2: Abdominal Strength and Endurance	Component 3: Trunk Extensor and Strength and Flexibility	Component 4: Upper Body Strength and Endurance	Component 5: Flexibility
Grade 7	11%	11%	11%	11%	11%
Grade 9	7%	14%	15%	14%	14%

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Our Student and Family Engagement (SAFE) team provides regular workshops related to student attendance, legal issues faced by students, parenting, and informational parent meetings. SAFE also connects families with community-based organizations to increase access to medical and dental treatment, housing, mental health, food pantries, transportation, child care, and legal support to enhance our students' and families' overall health and well-being. Parents are strongly encouraged to participate as members of the School Site Council, English Learners' Advisory Committee, Local Control and Accountability Plan, California Community Schools Partnership Program, and other focus groups. The school has jointly developed with parents a written parental involvement policy. This involvement policy specifies:

- Policy involvement for parents
- Joint accountability for student attendance
- Shared responsibilities for high-student academic achievement
- Building capacity for involvement
- Accessibility

Parent workshops and participation in committee work have been facilitated via online platforms, with in-person meetings available, to ensure continuity of communication on educational resources and student progress, support available to families, and school/district planning.

Students Receiving Migrant Education Services	15.38	0
Students with Disabilities	8.41	0

2023-24 School Safety Plan

The school safety plan is being reviewed, updated, and approved by school staff, stakeholders, and parents and will be approved by the San Diego County Board of Education in March 2024. The plan includes school environment; Emergency Operations Plans; child abuse reporting procedures; suspension and expulsion procedures; procedures to notify teachers of dangerous pupils; discrimination and harassment policy; safe ingress and egress; schoolwide dress code; and rules and procedures on school discipline. The Comprehensive School Safety Plan is a public document and is available for review in school offices and in SDCOE's JCCS office.

2020-21 Secondary Average Class Size and Class Size Distribution

This table displays the 2020-21 average class size and class size distribution. The columns titled "Number of Classes" indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	3	232		
Mathematics	4	117		1
Science	3	80		
Social Science	3	190		

2021-22 Secondary Average Class Size and Class Size Distribution

This table displays the 2021-22 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	2	190		
Mathematics	3	127		
Science	3	96		
Social Science	3	170		

2022-23 Secondary Average Class Size and Class Size Distribution

This table displays the 2022-23 average class size and class size distribution. The columns titled “Number of Classes” indicates how many classes fall into each size category (a range of total students per classroom). At the secondary school level, this information is reported by subject area rather than grade level.

Subject	Average Class Size	Number of Classes with 1-22 Students	Number of Classes with 23-32 Students	Number of Classes with 33+ Students
English Language Arts	3	188	0	0
Mathematics	3	126	0	0
Science	3	104	0	0
Social Science	3	170	0	0

2022-23 Ratio of Pupils to Academic Counselor

This table displays the ratio of pupils to Academic Counselor. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Ratio
Pupils to Academic Counselor	72.83

2022-23 Student Support Services Staff

This table displays the number of FTE support staff assigned to this school. One Full Time Equivalent (FTE) equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time.

Title	Number of FTE Assigned to School
Counselor (Academic, Social/Behavioral or Career Development)	6
Library Media Teacher (Librarian)	
Library Media Services Staff (Paraprofessional)	
Psychologist	1
Social Worker	1
Nurse	1
Speech/Language/Hearing Specialist	
Resource Specialist (non-teaching)	
Other	15.9

Fiscal Year 2021-22 Expenditures Per Pupil and School Site Teacher Salaries

This table displays the 2021-22 expenditures per pupil and average teacher salary for this school. Cells with N/A values do not require data.

Level	Total Expenditures Per Pupil	Expenditures Per Pupil (Restricted)	Expenditures Per Pupil (Unrestricted)	Average Teacher Salary
School Site	\$16,328	\$503	\$15,825	\$126,023
District	N/A	N/A	\$14,147	
Percent Difference - School Site and District	N/A	N/A	11.2	
State	N/A	N/A	\$7,607	
Percent Difference - School Site and State	N/A	N/A	82.3	

Fiscal Year 2022-23 Types of Services Funded

County Office of Education schools are not required to display this data. (Education Code Section 41409.3).

Fiscal Year 2021-22 Teacher and Administrative Salaries

This table displays the 2021-22 Teacher and Administrative salaries. For detailed information on salaries, see the CDE Certification Salaries & Benefits web page at <http://www.cde.ca.gov/ds/fd/cs/>.

Category	District Amount	State Average for Districts in Same Category
Beginning Teacher Salary		
Mid-Range Teacher Salary		
Highest Teacher Salary		
Average Principal Salary (Elementary)		
Average Principal Salary (Middle)		
Average Principal Salary (High)		
Superintendent Salary		
Percent of Budget for Teacher Salaries		
Percent of Budget for Administrative Salaries		

2022-23 Advanced Placement (AP) Courses

This table displays the percent of student in AP courses at this school.

Percent of Students in AP Courses	0
-----------------------------------	---

This table displays the number of AP courses offered at this school where there are student course enrollments of at least one student.

Subject	Number of AP Courses Offered
Computer Science	0
English	0
Fine and Performing Arts	0
Foreign Language	0
Mathematics	0
Science	0
Social Science	0
Total AP Courses Offered Where there are student course enrollments of at least one student.	0

Professional Development

During the 2022-23 school year, San Diego County Community School teachers, support staff, and administrators took part in a plethora of professional learning (PL) to ensure every student is prepared for college, career, and community success. Based on our multiple measures of student achievement data, a strong emphasis continues to be placed on content-area knowledge and pedagogical skills to improve student outcomes in English language arts (ELA) and mathematics. We continue to work with the SDCOE Leadership and Learning Services (LLS) on our core content area curriculum. In addition, we continue to have an even greater focus on training faculty and staff for more integrated English Language Development (ELD) in both ELA and other content areas; this year continued with a focus on language function in all content areas. These PLs included ongoing specialized training on the ELD standards and strategies of implementation to ensure the greatest impact for English Learners (Equity for Language Learners Collaborative- ELLIC). We continue supporting the implementation of Language Tree; a program used to support our time for designated English Learner Development. To ensure a broad level of development, trainings continue for the faculty and staff who would share in its implementation. Furthermore, the ongoing teaching of the units of study in ELA, the online Study Sync curriculum, and the Expository Reading and Writing Curriculum (ERWC) are continued for our curriculum and instruction in integrated ELA. To further support this work, our staff continues engaging in specialized EL work through our LLS partners, in the years 2023-24. We are also continuing reading intervention support for students by training teachers to work inside of classes and individually with students in need; these supports were through PLs for teachers and staff as well as in-class coaching sessions. This year writing was added to the reading intervention to further expand its reach with students. Our goal is to continually integrate Reading Intervention supports in all areas of the classroom experience. This support was broadened in 2020-21 to assist all content area teachers and in 2021-22 to include support staff as well. In the 2022-23 school year, we were able to increase this support heavily for our core content areas and any teacher who wanted greater assistance. Teachers and staff continue to receive annual training on meeting the needs of our students with disabilities in the most effective methods and with any needed accommodations.

The 2022-23 school year continued with a year full of powerful content learning through our Division Curriculum Committees (DCC) and our work to create an Ethnic Studies Course ahead of the scheduled State deadline of the 2026-27 school year. All JCCS Math teachers participated in professional learning offerings throughout the year to ensure understanding and best practices in teaching the adopted curricula. This school year, the Science teachers continue to receive training to best utilize the Discovery Ed curriculum. Support for our work in sound decision-making for our students continues to be a focus where teachers are utilizing the California Healthy Youth Act for all students entitled “Rights, Respect, and Responsibilities” curriculum. Our History/Social Studies DCC continues to work with History in creating meaningful engagement in our curriculum for US and World History in addition to Government and Economics. We are actively finding opportunities to support our mission of attaining the Seal of Civic Engagement for all students. Finally, we are excited to begin our work in a new ELA/ELD DCC and this will come with extensive professional learning as well.

All JCCS employees continue to reinforce Positive Behavior Intervention and Support while using restorative practices to develop common language, philosophies, and practices to support students and families and to increase positive school culture while working to decrease exclusionary practices. Our District Equity Leadership Team (DELTA) continues to create and implement systems of support for students’ academic and behavioral needs. For behavioral support, San Diego County Community Schools participated in Positive Behavior Intervention and Support (PBIS) training for a solid fourth year of a five-year implementation. To this end, San Diego County Community Schools earned two bronze and five silver awards for the fidelity of their efforts at PBIS implementation. Support for tiered support, implementation with fidelity, and developing classroom systems to support the needs of each student through PBIS is ongoing. All teachers continue to have access to one-on-one and small group coaching with our cadre of instructional coaches to work on self-identified areas for instructional support. Additionally, all San Diego County Community teachers and staff receive monthly professional learning including both excellent teaching and learning strategies, academic content, and our work in a positive school culture (MTSS/PBIS/RP). This includes powerful opportunities to learn and grow in instructing our students in areas of development through Social Emotional Learning. Finally, since July 2004, JCCS has participated in the South County Induction Consortium, formally known as Beginning Teacher Support and Assessment, to support newly credentialed teachers.

This table displays the number of school days dedicated to staff development and continuous improvement.

Subject	2021-22	2022-23	2023-24
Number of school days dedicated to Staff Development and Continuous Improvement	130	95	68
