All new regular classified employees shall be paid in accordance with the salary range established for the class to which assigned. Initial placement will normally be the first step of the salary range. However, a new employee may be granted advanced step placement upon recommendation of the appointing authority and approval by the Director of Classified Human Resources, subject to ratification by the Personnel Commission. In determining the appropriateness of an advanced placement request, the Director of Classified Human Resources shall base his decision on the following factors:

1. Additional education at the college level which is directly related to the classification and beyond the established requirement for entry into the class. Credit for one step may be given for two years or greater of additional directly related education.
2. Experience in a related position equivalent to/higher than the classification to which the selected candidate has been assigned. Credit for one step may be given for two years or greater of experience in a similar or higher level related position outside of the District.
3. Evidence that the salary received by the selected candidate from his most recent employer is greater than the first step of the salary range of the class. A selected candidate may be given credit for multiple steps based on evidence of an equal or greater recent salary. In no circumstances shall the initial placement exceed the top step of the salary range for the class.

**This section does not pertain to employees upon promotion. Please refer to Rule 70.200.3 for salary placement following promotion.**

**Original:**

**70.200.1 Initial Placement**

A. All new regular employees shall be paid in accordance with the salary range established for the class. The hiring rate will be the first step of the salary range. However, for those positions where recruitment efforts have indicated difficulty in attracting qualified candidates at the first step of the salary range, an accelerated initial placement may be recommended by the Director of Classified Personnel, subject to approval by the Board of Trustees. Under no circumstances shall the initial placement be above Step D of the appropriate range established for the class. Determination of recruitment difficulty and evaluation of the candidate's additional qualifying experience and education shall be the responsibility of the Director of Classified Personnel.
