

# BPLA Families Join Together

The 2023-2024 school year started off in an amazing way as our families came out and dived into STEM education at our Back to School STEM fair. Parents and students were able to connect, reunite, and get excited about the new school year. What a great way to get it started!

Full STEM  
Ahead*

## 1. Join PTO for only \$10.00

By joining PTO you are joining us! Commitment to come together, work together, and succeed together starts with becoming a member of our PTO.

## 2. Actively Volunteer

With such a small staff, we depend on YOU! We need help in the classrooms, on our grounds, and when we are out and about exploring the world we live in. Please sign up to volunteer today!

## 3. Build Relationship

We have such an awesome team at our school! Get to know the families, your child's teacher, and your school administration. In doing this you will be able to know what is going on in our school and ways that we can support one another.

## 4. Share! Share! Share!

The best method of marketing is success! Our school is doing some amazing things. As you get involved, bring others along with you. Whether it is community member, a church member, a neighborhood kids, or a stranger looking for a good school.

School: Home Connection

*The* GET INVOLVED

September 2023

# The road to \$25,000...

We absolutely must meet our goal. Our fundraising goal will help fund our transportation system and support many of our other needs, such as more playground equipment.

Save the date, planned fundraisers:

- September: Loose Change
- October: Fall Festival
- November: Pumpkin Pie contest? and pie in the face challenge
- December: Christmas Shop
- January: No fundraiser planned yet
- February: Candy Grams and Father/ Daughter Dance
- March: Spaghetti and Bingo
- April: Sneaker Ball for the Middle School
- May: Mother/ Son Dinner
- June: STEM Reinvented Festival potential the last Saturday in June.
