

Perseverance

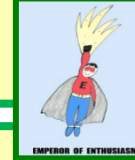

Our curriculum provides breadth, depth, stretch and challenge. We motivate each child to believe in themselves and to strive to meet their own potential, building resilience.

Lindfield Primary Academy Curriculum Intent

Enthusiasm

We provide a diverse, creative and values based curriculum with a wide range of first hand experiences and extra-curricular activities. Our curriculum is designed to enable children to develop creativity, become critical thinkers and develop a thirst for new experiences. Our curriculum builds on prior learning and deepens knowledge.

Vision

We seek to encourage all of our children to become confident, secure, caring individuals who achieve personal success and develop a lifelong love of learning.

Independence

Our curriculum provides opportunities for all children to be independent learners with high aspirations. Pupils of all abilities and social backgrounds are given the opportunity to achieve. Every child is recognised al.

Celebration

Children leave our academy ready for secondary school as confident, secure, caring individuals. Our curriculum is planned and sequenced with high ambition for all. Achievements are regularly recognised through praise and reward.

Respect

Our curriculum celebrates and welcomes diversity. We ensure that all children understand the positive contribution they make to their community and wider society while supporting the spiritual, moral, social and cultural development of each child.

Teamwork

Our planning places great emphasis on skills of questioning, communication and observation. We work and learn together across our academy and within the wider community.

We promote excellence and recognise and celebrate success in everyone. All children enjoy their learning, make progress and achieve – striving to be the best they can be!
