Clear Lake School District Organized In 1885; Salaries Under \$50 A Month

Following is a comprehensive and detailed history of the Clear Lake school, including salaries of teachers, members of the many school boards and faculty members. It was written and submitted by Kathryn (Kreger) Brown, as follows:

Clear Lake School

Clear Lake school district No. 52 was organized in June, 1885. Clarence Dean was elected Chairman, Ira H. Case, Clerk and John Auchampaugh, Treasurer. The first schoolhouse was built by John T. Shewell and a man named Wilcoxon, in the summer and fall of that year, the schoolhouse was ready for use October 12, 1885. The one room used was on the south side and the upstairs was used as an opera house, dance hall, County Fair and as the first courtroom. Miss Florence Lawson was the first teacher.

1886—Teacher: Frances Wells (later Mrs. A.D. Williams)

1888—Teacher: Eva DeCau (sister of A. G. Warner)

1889—Teacher: Edgar DeCau

1890-1891—Staff: Mrs. Fred Millard, Kathryn Ryalls, Meda Prouty, C. G. St. John

1898-1899—Staff: C. G. St. John, Prin., Kathryn Ryalls, Primary, Meda Prouty, Intermediate; and Mary Martin

1900—Staff: "Clear Lake boasts of a good

public school for a town of its class. The community is one priding itself in public spirit, and particularly along educational lines, since the American public school system is dear to every American heart. Prof. J. M. Teasdale, principal, is supported in the Clear Lake schools by a very strong corps of teachers, Miss Leoria Mower, grammar department; Miss Lulu Merrick, intermediate, and Miss Lena Tetzloff, primary. This year the board adopted the graded school system, which will enable pupils graduating from a four year high school course under this system to enter any normal school in the state." Taken from "A Souvenir" dated November, 1900. The first class graduated from the 8th grade in 1900. Exercises were held in the opera house and consisted of orations, class history, etc. The class included Minnie Bremer, Arthur Dean, Claude and Blanche Force, Anna Penberthy, Grace Sanborn, Alice Shewell and Anna Inlagen. It was the fall of 1901 that Prof. Hatteberg, a graduate of Valperiso, Ind. University, came to Clear Lake and took charge of our schools. He immediately started in his aggressive way to shape matters so that Clear Lake should have a high school."

1901—"Miss Tetzloff taught 1st and 2nd grade, salary \$45.00 per month; Lulu Merick taught 3rd and 4th grade, salary \$45.00 per month; Fannie Dickenson—Asst. Principal, \$45.00 per month; J. J. Hatteberg—Principal, \$75.00 per month.

month—Janitor month of October, \$8.00; November, December, January through April, \$12.00 per month, then May \$8.00."

School board: C. Plank, Pres., R. S. Lockhart, Vice Pres.; E. N. Flanders, Clerk; L. F. Hanly, Treasurer; F. W. White, R. P. St. John, F. H. Staley, J. E. Walseth, Axel Hanson, members.

"Special meeting of school board. Motion to drop Latin and Geography. Prof. Hatteberg to use his judgment in dropping subjects and substituting others. Sentiment of the school board is that school work be thorough even if not covering so much ground."

1902—"Contract with teachers, a clause providing that in case of school being closed on account of contagious or infectious disease, teacher to receive one-half pay and no more for the time the schools are closed and it shall be optional with the Board whether or not teachers will be allowed to make up such lost time and receive full wages."

1903—"Retain teachers J. J. Hatteberg, Dora Brown, Lulu Merrick, and Lena Tetzlaff if satisfactory arrangements can be made."

"Matter of putting in an extra grade." "It is thought an extra grade might be a detriment to grades already established. Besides the seating capacity is short." J. J. Hatteberg, \$80.00 per month; Dora E. Brown, \$52.50, Lulu Merrick

\$47.50 per month; Lena Tetzloff \$47.50 per month; School secretary, E. N. Flanders hired at \$25.00 per year."

"Upon motion, the chair appointed J. M. Sheppard, F. A. Decker and F. A. White as a committee to get all information possible in regard to plans and specifications for new school building."

"Motion made and carried to pay \$10.00 to T. J. Law, Attorney, for services in matter of legal advice and drawing papers in the matter of incorporating Congressional Township 115-49 in with Independent Dist. 52. Committee to see if it could make satisfactory arrangements to add more territory to this district. Committee reported they had circulated petition which was well signed, said petition asking to be incorporated in the Independent School District #52, said territory to embrace all of Congressional Township 115-R49. Petition filed with County Superintendent. Said consolidation was made on October 28, 1903, copy of proceedings filed 10-31-03."

"Committee to procure plans of school building. Kinney and Detwieller to furnish plans and specifications for new school building. Company to give assurance building can be built and furnished complete, including heating plant, within \$20,000."

1912 SCHOOL BUS

This is a picture of a school bus about the winter of 1912-1913 at Clear Lake. Clear Lake was one of the first schools in South Dakota to provide bus service for the country students. Russell Hoy is the driver and he was a student in high school. The other children are the Christ Lunden girls, the George Hoy girls and the Frank Angle children. One way trip for the bus driver was about six and three-quarter miles, and for the Lunden girls four and three-quarter miles. The Hoyes always provided many blankets for covers. The children sat on the bottom of the sled box, which had a deep covering of hay which was also covered with blankets. The Hoyes also provided heated soapstones for the feet of the ones that traveled the farthest. At the school these were heated on the school furnace.

GRADE II - 1917

Before the new high school was built in 1920 there was not room enough in the school building for all of the twelve grades. As a result the first and second grades were held on the second story of the old city hall, now torn down. The playground was the cement pavement between the city hall and the opera house (which is now the Masonic Lodge Building.) Front row: Clara Walseth Johnson, Gertrude Vanderlan Schleuter, Adeline Oines, Laura Smith, Ethel Roark, Geraldine Angle Gauger. Second row: Olive Neville, Eliza Kilpatrick Marston, Ronald Force, Lee Miller, Burl Warnes, Howard Amundson, Louis Langdon. The teacher in the background is Miss Johnson.

High School Clubs

CLEAR LAKE HIGH SCHOOL RODEO CLUB

OBJECTIVE: For students to become familiar with rodeo.

OUTSTANDING EVENTS: State qualifiers to New Underwood for State High School Rodeo Finals are Deede Gauger, Pam Luecke, Lonnie TeKrony, and Leslie Richie.

HISTORY, BACKGROUND, REQUIREMENTS: The widespread interest in Rodeo brought about the need for a rodeo club in Clear Lake. Our year started in 1982-83. We wrote to many other rodeo clubs through the state to learn how they got started. We scheduled meetings where our discussions were what we were to accomplish through the year. We paid dues which went to buying a flag for parades and rodeos. We also bought jackets with club name and emblem on them. Some of our meetings were spent listening to guest speakers and old rodeo movies.

Our goals have been many but we would like for our long term goal of someday holding a Regional rodeo in Clear Lake, for now there is only one Regional rodeo east of the river and that is in Watertown. We would like to say that we would not be able to do all this without our Advisor, Roger Skallerud.

**QUILL AND SCROLL
[NATIONAL HONORARY
JOURNALISM SOCIETY]**

OBJECTIVES: To promote good journalistic skills and encourage outstanding scholarship.

OUTSTANDING EVENTS: Every spring we have an initiation tea where new members are initiated and awards are given to outstanding journalism staff members.

Becky Eide, All State Journalist.

HISTORY, BACKGROUND, REQUIREMENTS: This organization was revived at Clear Lake in 1981-82 school year. The original charter was granted in 1946.

A student must be an active member either on the yearbook or paper staff. They must be at least a second semester sophomore, in the upper one-half of their class academically and have earned 25 points through work on one or both of the journalism staffs. The organization was revived by Dawn Jaeger, who serves advisor along with Kris Hoftiezer.

ART CLUB

OBJECTIVE: To make students more aware of art in their environment, to expose people to all areas and media of art, to help them understand art, and create a fun and learning atmosphere.

OUTSTANDING EVENTS: This is only our second year as a club—we feel all individuals are outstanding and work on projects together.

HISTORY: Art Club is open to any person interested in art, and feels good about their ability or would like to improve their ability—or a person who is interested in art and would like to learn more about it, and get more experience.

CLEAR LAKE KEY CLUB

OBJECTIVES: (1) Develop initiative and leadership, (2) To provide experience in living and working together, (3) To serve school and community, (4) To prepare for useful citizenship.

OUTSTANDING EVENTS: Key Club carnival each spring is the largest single project. Past community services have been: 1. Sponsor AFS student, 2. Donation to hospital, 3. Donations to Coombs Kidney Fund, 4. Volunteer service to clean sewer vent pipes in cold weather.

HISTORY: Organized in the spring of 1973 with Kenneth Hansen as its first president and Gale Lundberg as the advisor.

We always keep looking for community service projects and appreciate any suggestions as to ways we can be of service.

CLEAR LAKE FUTURE FARMERS OF AMERICA CHAPTER

OBJECTIVES: Primary Aim: Development of agricultural leadership, cooperation, and citizenship.

WINNINGS & OUTSTANDING EVENTS: **National**, 1. Central Region "Building Our American Communities" Award—One of the top four chapters in the nation! 2. Three American Farmers—Highest degree granted. **State**, 1. 37 State Farmers, 2. Five-First place State Judging Teams—3 Dairy Cattle, 1 Meats, 1 Quarter Horse.

HISTORY: Chapter was chartered in 1954. Membership is open to both boys and girls from ages 14-21. Members are to be enrolled in Vocational Agriculture in high school. Girls are eligible for membership beginning in 1969. In 1976 Deb (Luecke) Lessman became the first female President of the Clear Lake FFA Chapter, and she was the first female to receive the State Farmers Degree.

Advisors for the past 30 years are as follows: J. Duane Colburn—1954 to 1st. Semester of 1956; George Cook, Jr.—Finished the 1956-57 year; Sidney Ensberg—1957-59; Berge Hansen—1959-62; Lester Potas—1962-65; Jerome J. Nolz—1965-Present.

FUTURE HOMEMAKERS OF AMERICA, CLEAR LAKE CHAPTER

OBJECTIVES: To help youth assume their roles in society through home economics education in the areas of personal growth, family life, vocational preparation and community involvement.

OUTSTANDING EVENTS: LuAnn Effling and Sherri Tol have been elected as co-chairpersons for Region II. Carla Engelbrecht served as regional treasurer and next year we will supply a regional secretary. In just one year of contests called Action Activity Events, LuAnn Effling, Normay Hanson, and Tawne Dumke received superior ratings at the state meetings.

HISTORY: As early as 1920, high school home economics students belonged to home economics clubs. In 1945 a constitution was drawn up for a national organization called The Future Homemakers of America. The motto is "Toward New Horizons." To be eligible for membership a student must have completed one semester of home economics. FHA activities are integrated into the classroom. The local chapter participates actively at the regional level and attends and competes at the state leadership meeting. In 1981 the traditional one-day state convention became a three-day affair and leadership and communication contests called Action Activity Events were introduced.

Past FHA advisor include: Sandra Bendt, 1963, First Chapter; Janet Shubbach, 1967; Karen Heaton, 1968; Grace Pylman, 1969; Barb Berkland, 1974; Sandra Bendt, 1974-75; Karly Wells, 1975. First Clear Lake Chapter Officers: Joan Anderson, Kathy Walseth, Debra Olson, Anita Hoff, Roxanne Buller, Jan Schiefelbein and Twila Delmage.

NATIONAL HONOR SOCIETY

OBJECTIVE: To honor those students who have shown outstanding scholastic and character leadership.

HISTORY: The Clear Lake Chapter of the National Honor Society received its charter in 1963. Members are chosen in their sophomore year with the following requirements: Sophomore-GPA 3.75; Juniors-GPA 3.50; Seniors-GPA 3.25, with approval of the faculty.

NHS honors its members at graduation by placing a gold cord around the graduate's robe. NHS also helps work concessions at school activities.

FOREIGN CULTURE CLUB

OBJECTIVES: 1. To strengthen understanding between cultures through the foreign exchange program. 2. To enhance one's knowledge of foreign languages. 3. To sponsor a foreign exchange student of which lasting friendships are formed. 4. To participate in planned activities that develop language skills and cultural background.

OUTSTANDING EVENTS: 1. Germanfest—Minneapolis—October '82. 2. Festival of nations—St. Paul—May '81 and May '80. 3. Slides presented by foreign exchange students and host families. 4. Christmas parties with foreign foods and games.

HISTORY: Combined the foreign exchange and language clubs in 1980. Advisors: Dawn Jaeger, Richard Halverson and Marla Johnson. No requirements for membership. All students that are interested in other culture, Grades 9 through 12.

The community has been very receptive of hosting students from other countries and reaped many benefits because of it.

Following, is a list of exchange students and host families.

Wayne Triebwasser Sets New Records In Track And Field Meets In South Dakota

Wayne Treibwasser

Wayne Triebwasser of Clear Lake High School is shown above as he paced the field of 168 runners, representing 33 high schools, in the 15th annual cross-country state meet, held at the Brookings College Cross-country Course in the fall of 1960. The state meet was one Classification, including entrants from all high schools in South Dakota from large to small. In winning the race he set a new all time state record for high school cross-country, recording the fastest time ever run by a South Dakota high school cross-country runner. The previous all time state record was held by Bud Edelen of Sioux Falls Washington High School and was set in 1954.

Other runners in the top ten were from the Sioux Falls School for the Deaf, Watertown, Flandreau Indian School, Milbank, Sioux Falls, and Rapid City.

That fall Wayne had been undefeated in cross-country and set a new record in just about every meet he ran in. His Coach was Melvin

Hauge.

In the spring of his senior year (1961) Wayne won the mile run in the State Track and Field Meet at Aberdeen in the big school (A) classification (Clear Lake is now in a smaller school classification). His time was 4:27.4. This broke the State Meet record of 4:30.4 set again by Edelen of Sioux Falls in 1955 and also the all time state record of 4:28.8 set by Edelen in 1955. However, Wayne failed to retain the all time state record in the mile run due to a runner running slightly faster in the small school (B) classification, but did retain the state meet record. Incidentally the present all time state record and big school state meet record is 4:07 by Rheinart of Sioux Falls.

Bud Edelen, at the time of the above runs, held the World's Record in the marathon and is considered the only native American to have ever held such. Alberto Salazaar from Eugene, Oregon now holds that record. Edelen had gone on to the University of Minnesota and from there to England where he set the record.

Edelen's coach at the University of Minnesota recruited Wayne after his graduation from high school and offered him a Big Ten Athletic Scholarship of which only two were offered to distance runners that year at Minnesota. Wayne accepted the scholarship and started at the University of Minnesota, Minneapolis, the fall of 1962. Previous to entering Minnesota he joined the Guards and was called into active duty when the Clear Lake Guard Unit was activated in 1961. This interrupted the intensive training required in long distance running and it took Wayne a long time to get back into shape to compete in Big Ten competition. Even though not completely in top shape he was one of the best runners on the cross-country team his sophomore year and the Minnesota team placed third in the Big Ten Cross-country Meet held at the University of Illinois, Urbana, Illinois, that year.

Wayne remembers, in retrospect, running six interval miles and six interval half miles, back to back with exactly three minutes rest between each, during cross-country practice at Minnesota. Wayne averaged a 4:38 mile pace in the nine miles of interval running. However, he later suffered shin splint injuries in his running career at Minnesota and never really recovered from that.

He graduated from Minnesota in the spring of 1966 and later received a Doctorate in Counseling Psychology at the University of South Dakota in 1978.

1976 STATE "B" GIRLS BASKETBALL TEAM

1976 was a banner year for the Clear Lake high school basketball team, having won the state championship by defeating a strong Jefferson team in the finals by a score of 56 to 52. The Clear Lake girls were defeated by Jefferson in the finals of the state tournament the year before. Members of the team, coaches and student managers are: Front row: Lois Schiefelbein, Carol Lanners and Julie Hanson, student managers. Second row: Asst. Coach Becky Wehrkamp, Kathy Hansen, Peggy Ruhd, Robin Lundberg, Penny Lavin, Jane Konold, Head Coach Gale Lundberg. Third row: Robin Anderson, Kris Hansen, Debra Pfeil, Rita Peterson, Gwen Anderson. Front row: Debra Haug, Kathy VanLiere, Mary Jo Stoltenburg, Cathy Rhyne, Lawreen Kayl.

Clear Lake Girls Basketball Team Won State Championship In 1976

Since girls basketball was first played in high schools in 1974 the Clear Lake team has always given a good account of their play. It took only two years for Coach Gale Lundberg to get the team in shape to win the championship of South Dakota, defeating Jefferson 56 to 52. The girls finished that season with a perfect 24-0 record. Members of that team were: Seniors—Kris Hansen, Debra Haug, Debra Pfeil, Rita Peterson, and Kathy VanLiere. Juniors—Kathy Hansen, Mary Jo Stoltenburg and Penny Lavin. Sophomores—Cathy Rhyne, Gwen Anderson, Jane Konold, Peggy Ruhd and Lawreen Kayl. Freshmen—Robin Anderson and Robin Lundberg.

The South Dakota High School Activities Assn. held the first state tournament for girls basketball

in 1975. Clear Lake was entered in that tournament, with a 22-4 record, and finished fourth in the state.

Clear Lake has enjoyed much success in its girls basketball program. Clear Lake has played in five state tournaments and besides winning the championship in 1976 was runnerup in 1977 and again in 1979.

Under Coach Gale Lundberg the girls teams have a record of 141 wins against only 40 losses through 1982.

Girls selected to all-state teams include Linda Brown one time, Kathy Hansen, twice, Robin Anderson, four times and LeAnn Gibson, three times.

Steve Krause, Teacher, Coach In Clear Lake For Seven Years

Steve Krause, a resident of Lake Benton, Minnesota, and former teacher in the Clear Lake School, writes of the years he spent in the Clear Lake school system, as follows:

"I accepted a position in the Clear Lake school system for the school year 1974-75, after graduating from Mankato State University with a major in Mathematics, and minor in Physical Education and a coaching certificate. I moved into an apartment owned by Alma Begalka. During my seven years in Clear Lake I taught 7th grade Math, 8th grade Math, General Math, Computer Math, Metrics and elementary Physical Education. It was a real pleasure and wonderful experience working with the young people of Clear Lake High School. I grew up in a school atmosphere and have always wanted to coach, teach and work with our future citizens. I was assistant basketball coach for five years, head boys and girls track coach, and head boys and girls cross country coach for seven years. I was blessed with many gifted athletes and many other athletes with unbelievable desire to excell to their fullest. It was in these hundreds of hours of extra curricular activities that I had so many heartwarming and rewarding memories.

"In 1979 I married Penny Lavin and we lived in the former Dawson home owned by Dr. Hughes. While in Clear Lake we had a little girl named Alissa Joy. It was a great place to have spent seven years of my life, and I have many friends and memories with which to remember those years.

"We now live in Lake Benton, Minnesota and are the owners in a nursery and landscaping business. I am officiating football, assisting boys basketball and substitute teaching at the local school. We now have three children.

Melvin Hauge Was Coach And Teacher In Clear Lake Schools From 1954 - 1961

Melvin Hauge, now superintendent of schools at Elmore, Minnesota, was a coach and teacher in the Clear Lake school system for seven years. He recalls many of the incidents, and students, with whom he was connected and taught, in the following episode:

I was coach and teacher in the Clear Lake High School system from 1954-1961. During those seven years I had the opportunity to work with some of the most intellectual, energetic, and enthusiastic students and teachers that I have ever met.

After thirty-three years in the field of education, I realize the opportunities and privileges the Clear Lake community gave to me. I was coach of all boys sports and taught history, science, and physical education. There were no girls sports at that time.

In those seven years, the Clear Lake Cardinal football team won twenty games and lost thirty. In basketball, the Cardinals won the Deuel County Tourney in 1957, 1958, and 1959. They were district champions in 1957, 1958, 1959, and 1961. That means they played in regional tournaments those four years and participated in the state tournament in 1961. They were also in the district finals in 1956 and 1960. In track, the Cardinals always excelled. Dan Ashbough won the state cross country tournament in 1957. Wayne Triebwasser won it in 1961 setting a state record of 11.27 at that time. Wayne also set a record in the state mile that year. In 1958, the Cardinal

cross country team won the state cross country meet. Wayne Triebwasser, Richard and Ronald Rust, LeRoy Stohr, Sidney Black and Keith Parker were the team members that year. Floyd Wiesner, Larry Krause and Neil Jacobsen were other participants of state track meets.

These seven years were years of excellence all the way through the Cardinal school. Jack Earley was Music Master at that time. The band and choir won many, many awards in ensemble groups, soloists and "A" ratings in both choir and band. Ms Schiefelbein's speech program excelled. There were state participants and winners such as Stanley Schleuter, Naomi Englebrecth, Marvel Mundahl and Diane Hover. Joyce Bader won outstanding recognition in wool sewing in home economics and 4-H. Duane Colburn received national recognition in his FHA judging teams. Virgil Anderson, Neil Jacobsen, Curtis Dumke and Loren Wiesner won the National Poultry Judging in 1956. He had many groups go to Kansas City, Waterloo and other places.

I am sure I will miss something, but I think the point I am trying to make is well taken. Those seven years were not made by my coaching, or one individual. It was a cooperative effort by faculty, students and parents, and then behind it all was a small, squat, humble, white haired man who masterminded it all. Prof. Froiland stayed in the shadows of it all, but he was really and truly the key to all that happened. Prof. Froiland was the most thoughtful, helpful and kindest man that a teacher could ever have as an administrator. He made a problem seem so simple, and he always had that little chuckle to give one encouragement. He was the key to those seven years of Cardinal excellence.

Warren Williamson Recalls Days As Coach In Clear Lake School System

The following interesting letter is from Warren Williamson, former Clear Lake high school coach, in which he recalls some of his harrowing experiences as the basketball coach at Clear Lake. He was also coach of the other sports in the school. Mr. Williamson later became wrestling coach at S. D. State and at present is the Assistant Athletic Director at the college. He is also in charge of the Intra-Mural program.

His letter follows:

Yes, I did receive a letter about the Clear Lake Centennial. My wife and I were both pleased to be remembered as we have many fond memories of our three years in the Clear Lake community and school system. We will always be grateful to Professor Froiland for giving my wife and I both an opportunity to teach in the same system. Dorothy was a fourth grade teacher, starting salary \$1,900. My duties were: Coach all three boys sports, teach five classes, monitor one study

hall, twice a week hold physical education classes, plan early morning and noon intramural activities and serve as the advisor for the Monogram Club. My salary was \$3,200. Dorothy and I were convinced that anyone making over \$5,000 was in clover. During those years we bought and paid for a home of our own which August Berger said, "was a first for a school teacher in that community." Of course the home only cost \$4,500 and the interest was 4½ percent.

I have so many fine memories from my three years coaching in Clear Lake that it is difficult to single out the highlights. Football, basketball and track all had some shining moments and I might add some very sad ones also. I will single out the following story as I feel it had an important impact on the interest and attitude of the students and community toward athletics.

The 1951-52 basketball season was a so-so one until the District Tournament Week. Our record at that time was eight wins and seven losses. On the Friday night before the District Tournament we were beaten at home by Strandburg 55 to 33. They

were to be our opponent in the first round of the District and picked by many to win the round of the District and picked by many to win the State Tournament. To compound the problem, on Monday night Les Bork and I drove to Toronto to referee a basketball game. A real South Dakota blizzard set in and we were snow bound in Toronto until Thursday noon. On our return to Clear Lake an attempt was made to practice but half of the team was unable to get into town. Some of the players couldn't be reached by phone. The storm caused moving the Friday afternoon games to Friday morning in the Watertown Auditorium. This meant we would be playing Strandburg at 10:00 a.m. We called the Watertown radio station to carry the message about our departure time from Clear Lake. Of particular concern was the Broksieck brothers who lived near Bemis. The message to them was to meet us at the Kranzburg corner if possible, which they did. A ten o'clock

basketball game is a real experience particularly after a week without practice. The result was the biggest upset I was ever involved in during my twenty-two years in coaching. We beat Strandburg by three points and went on to win the District Tournament. This important victory for the team, school and community generated a tremendous amount of interest and pride on the part of everyone. It continues to be a reminder to me of the many fine students that I had the privilege to work with in Clear Lake and the many wonderful people that supported activities sponsored by the school.

Thank you for the opportunity to share in the Clear Lake history. I well appreciate the monumental task, individuals, committees and the community has in building the Centennial into a successful event. My wife and I plan to participate. Don't be surprised if you see us in the parade in my Model A Ford Coupe.

A Message To High School Graduates . . .

When Ted Burges was publisher of the Clear Lake Courier he wrote a weekly column entitled 'Scraps'. A column during the month of May in 1946 contained a letter to his daughter, Mary Louise, who was one of the graduates, and she, like others, read it for the first time in the Courier. It was a message to all high school graduates and is reprinted herewith:

Dear Mary Lou--

You may think it strange that I should write you a letter and then publish it before you have read it! I think, though, that after you have read it you will find that it may have been written by any father at this time of the year. By the time this appears in print you will have received your high school diploma and will be at the threshold of an entire new period of your life. It will also be new experience for your father and mother. And even though we have watched you from babyhood, rejoicing in your accomplishments, and sharing in what seemed to you, setbacks, we still will be watching you even more closely to see what you will make of your future.

I shall never forget the day we took you home from the hospital in a clothes basket a few days after you were born and one of the greatest thrills I ever had, or ever hope to have, was that of watching you grow. I was just as proud, as you were, the first day you trudged off to school. And I am sure you will remember that from that day I have often repeated to you to do your best. I wanted you to be one of the leaders in your class in your studies. I wasn't sure that you could because I never accomplished that. But you did. Somehow I envy and admire the folks of your age today. They're smart, alert and resourceful, all of which will help to lead useful lives and be the kind of citizens which Clear Lake will be proud to claim its own.

Now that you've finished high school I wonder if the thought ever occurred to you that because you were born in this great United States you may go as far as your ability and ambition will take you. Your education has been free and because it has been free it is one of the principal means by which the ideals of equal opportunity is put into action. Countless millions in foreign lands are denied the chance to realize the best that was in them. America has given you that chance. It is something to be ever grateful for.

One thing more before I say a word, or two, about your future. You have a good high school education, partly because you have applied yourself, and because you have been in a clean, wholesome school. You will soon learn that to be

successful in anything, you will always have to apply yourself. You will also discover that some of the things you have learned, in addition to the knowledge gained from books, are also important. I think I can explain that better by taking a moment to express our gratitude to Supt. Froiland and your teachers for what they have done. Supt. Froiland has shown you the importance of honesty, the value of respect for others and the rewards of fair play—those things which count so much in the game of life— —fundamentals which are as important as education itself— —principals I hope you will never forget.

I rather imagined that when you stepped up to receive your diploma last night there was a lump in your throat. There was in mine because the creeping realization of the past few months that you would soon be on your own became real. Graduation is a happy yet solemn event in anyone's life. You have realized by now that never again will your class meet as a whole. Your class mates will scatter to the four corners, you will make new acquaintances and friendships and it will not be too long before each of you will look back on graduation as just one of many milestones in your life.

You will soon be going to college. Some of your classmates will continue their education as well. Others may enter the service, go into some kind of work, or into business. I told you that when you first went off to school to endeavor always to be the best in your classes. I am telling you, and your classmates, that again. Even though you are employed at nothing more important than waiting on tables, or ditch digging, I want you to be the best waitress, or the best ditch digger, in the business. Put all you have into the thing you are doing. It means living— — in a man's world— — as a man or woman should live.

There is an inclination on the part of too many, once they are away from home, to cut loose. Wherever you go, you will find every type of manhood and every social strata. You will be on your own. The choice will be yours. People, like water, seek their own level. Don't lower your standards, Mary Lou.

I don't mean this to be a sermon. You young folks have had plenty of "Don't do this" or "Do that." There is, however, two things I would like to have you take with you. One is to use the fundamental principals which you have learned in your home, in your school, and in your work in the church. Follow those rules and you will be the kind of person the home folks will be proud of.

The other is the Bible. Don't feel that to take it with you is being sissy. Some people may think it silly. But you know, Mary Lou, there must be something to a book which has stood the test of

ages and one which men seek in their troubled hours. There will be times when just to hold it in your hand will bring a mysterious comfort. Take it and make use of it.

As you journey through life you will find that as you grow older it is the really big things in life which count. I'd like to tell you a story which was related to me once by one of nature's noblemen—R. W. Hitchcock, beloved editor of the Rapid City Journal. It will tell you what I mean.

A traveler in London one time was out for a walk when he passed a place where a building was being constructed. Being curious he asked one of the workmen what he was doing. The man replied: "Why I carry the brick up two flights and I'm getting \$5.00 a day. Simple job, isn't it, and good pay too? The traveler was not satisfied with the answer, so he walked to the other end of the building where he found a chap not too busy, and asked him what he was doing. "Why I'm the boss here. I'm the guy who tells the others what to do." Still not satisfied the traveler thought he would ask once more before passing on. An old man was

cleaning up the debris left by the carpenters over in one corner of the building. The traveler walked up to him and asked the same question. The old man straightened up, pushed up his chest, and with a proud look proclaimed: "Why I'm building a cathedral."

So, Mary Lou, as you go through life you will find those who will be perfectly satisfied with the salary they receive each day instead of trying to better themselves; or there are those whose sole aim in life is to attain some position where they can display their authority; and then there are those who are "Building a Cathedral."

May God bless each one of you as you embark on a new day in your life. Clear Lake is proud of its graduating class, as they have been in the past, and will be in the future. Upon your shoulders will eventually rest the destiny of this great nation. I have confidence in you. I feel that you will make good.

Love,
Your Dad
