

- Log in to the student's Canvas account:
<https://pearland.instructure.com>
- In Global Navigation, click the **Account** link [1], then click the **Settings** link [2].
- Click the **Pair with Observer** button.
- Copy the six-digit alphanumeric pairing code [1]. The pairing code will expire after seven days or its first use.
- You will use this code to Pair with Observer.

The screenshot displays the Canvas user interface for a user named Emily Boone. The left sidebar contains a 'Global Navigation' menu with items: Account (1), Dashboard, Courses, Groups, Calendar, Inbox, Studio, and Help. The main content area shows a list of settings: Notifications, Files, Settings (2), ePortfolios, My Badges, Required Trainings Management, Folio, and QR for Mobile Login. A 'Logout' button is visible below the user's profile picture. A red box highlights the 'Pair with Observer' button in the settings menu. Below this, a 'Pair with Observer' dialog box is shown, containing the text: 'Share the following pairing code with an observer to allow them to connect with you. This code will expire in seven days, or after one use.' The pairing code 'EcYkrK' (1) is displayed in a text field, and an 'OK' button (2) is at the bottom right.
