# Director's Notes

Welcome! My name is Johnathan Luster and I'm the Director of the Fairport Harding High School Drama Department. I am also a staff member at Fairport Harding High School as the Elementary and Middle School Intervention specialist.

It's a dismal day at the Addams Family Mansion as Wednesday, now 18 years old, is feeling a surprising new sensation that not only frightens her, but her entire family. She has fallen in love with a normal boy named Lucas who comes from a very normal family. Wednesday's younger brother Pugsley feels ignored, mother Morticia is conflicted over her daughter's new found feelings, and her oblivious father Gomez simply hopes things remain the way they always are in the Addams home. As they learn to relate to the Beineke family, one thing is for certain...the Addams Family will never be the same. With the help of their deceased ancestors, Uncle Fester grandma and Lurch, The Addams Family will take you on a musical journey that is all together spooky and kooky!

I am incredibly proud of this cast and crew and we are excited to share this fun loving musical with all of you. We dedicate this show to our graduating seniors: Aleena, Michaela, Abby, Marek and Kyle. We are going to miss you so much and wish you the best in your futures.

Thank you for joining us and ENJOY the show!
