- Each one of these boxes represents a .50 trimester credit
- In order to earn a Lindbergh diploma, you must successfully pass and earn credit for each one of these classes.

## Super Important-

If at any time you did not receive credit for a class—grade of F, IN, W or NC

Then do NOT mark it off as completed. If it is on this Credit Check form, then it is a requirement for your diploma.

You are going to need to retake this class and earn the credit in order to graduate. Contact your counselor so you can retake it this Spring or Summer---or be sure to register for the class for next year so you have all your graduation requirements!!!!

# Science

A minimum of three years (6 trimesters) of Science are required for your diploma.

- Most of you took **BIOLOGY A** in trimester 1
- You have two options:
  - 1.) You can take CHEMISTRY if you are planning to go to a 4-year university after high school
  - 2.) You can choose any science class on the course offering sheet like Anatomy & Physiology, Environmental Science, Human Impact, Robotics, Pre-Engineering, etc.

# PE and Health

- 1.50 credits (Three trimester classes) of Physical Education is a graduation requirement.
- Health – a .50 credit of Health is required.

Most of you have already completed this in trimester 1

**Hint:** *If you were in a different district in ninth and tenth grade then you may not have taken Health yet. If you can not find Health on your transcript, then you are going to need to take it next year. It is a requirement for a diploma.*

# Career and Technical Education

You need 2 trimesters

## What classes count as a “CTE” credit?

Look on your transcript

- any class marked with a **PVO** code counts as a CTE credit

or

Look on the Course Offering Sheet

- any class marked with an **asterisk** counts as a CTE.

# Fine Arts

## What Counts as a Fine Art?

- Band
- Orchestra
- Choir
- Art
- Ceramics
- Visual Communications and Digital Design
- Video Foundations and Production
- Website Design
- Game Design
- Journalism
- Yearbook
- Drama
- Piano

*Website Design, Game Design, Journalism and Yearbook will count as fine arts for meeting your high school diploma however neither class fulfills the fine art requirement for university admissions.*

PPR Stands for “Personal Pathway”

You get to make a choice:

Personal Pathway or 2 credits of a World Language  
and 1 additional credit of Fine Arts

FINE ARTS (2 credits, one of which may be PPR)

☐ ☐ ☐ ☐

WORLD LANGUAGE or PPR (2 credits)

☐ ☐ ☐ ☐

# What is the PPR?

## PERSONALIZED PATHWAY REQUIREMENT

Personalized pathway is for students who are passionate about a field that does not require a 4-year education, they can take 3 credits that will prepare them for a field to replace the 2 credits of World Language and 2nd credit of Fine Art.

Example 1: A student who wishes to go directly to a 4-year university would need to earn:

- 2.0 credits of World Language
- 1.0 additional credit of Fine Art

Example 2: A student who plans to become a graphic designer, and will attend a 2-year college to start, could take:

- 1.0 credit of Visual Communications
- 1.0 credit of Website Design
- 1.0 credit of Introduction to Marketing

# World Language

Two years of a World Language  
are required for admission to a 4-year university

## For University Admissions:

- ✓ 2 years must be the same language.
- ✓ Competitive universities prefer 3 or more years of the same language.
- ✓ Same language must be taken consecutively, no gap year in between

## World Language Exam

- ✓ If you can speak, read and write another language then you can earn up to 4.0 credits.
- ✓ This exam is offered twice each year, Fall and Spring quarter.
- ✓ Exams are available in over 100 different languages!
- ✓ Credits earned = number of years of world language for university

# Electives – What is an “Elective”

**There is no magic list of electives**

**“Elective” = classes that you take in addition to the core requirements to help you earn total of 26.0 credits for graduation**

Your elective choices should prepare you for: “What are you graduating to?”

- Two-year Community Colleges
- Four-year Colleges and Universities
- Career/Technical Trade Schools
- Apprenticeship
- Military
- Employment
- Courses that don’t necessarily apply to any of the above, but look like something you’d like to try (you never know where it might lead!)

# What are you trying to graduate to?

What would your electives be if:

- You want to do something in Construction?
- You want to join the Marines?
- You want to start your own business?
- You want to work at Boeing?
- You want to be a Nursing Assistant?

Thus- anything can be an “Elective”.

- For some of you it may be more sciences and more math classes.
- For others it may be construction, strength training, business classes etc.
- It is up to you and your future plans as to what courses you choose to fulfill your elective boxes.

# Look at your completed credit check.

- Any classes that are not marked off as either completed or that you are currently taking are required for your diploma.
- You MUST register for these classes if you want to graduate.

Honors/AP/CIHS classes registered for the 2024 - 2025 school year:

I understand that Honors/AP/CIHS courses require more work outside of class and higher-level thinking.

I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family, and extra-curricular).

I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any Honors, AP, or CIHS classes that I sign up to take.

I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.

I understand I must pay approximately \$98 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.

# Are You a Zero-Hour Band, Orchestra or Choir Student?

- Do not try to enter your Zero-hour courses
- Skyward data entry is set to limit you to 7.50 credits (15 trimester classes)
- Your Band, Orchestra and Choir teachers will provide the counselors a list of students who should be enrolled into Zero hour.
- We will enter these classes for you.
- Simply communicate with your music teacher and they will let you know the requirements for being added to the zero-hour ensembles.

# Remember to turn in your signed AP and College in the High School Contract to your counselor!

- If you entered any AP or College in the High School classes into Skyward, then you must complete and sign this form.
- Find the form under the “Class of 2027 – Current Sophomore” Tab in the Registration portion of the Counseling Website
- It is a fillable pdf. This means that you should download the form and then save it to your desktop. You, and your parents can electronically complete and sign it and then email it to your counselor.

Honors/AP/EWU/UW classes registered for the 2021 - 2022 school year:

- *I understand that Honors/AP/UW courses require more work outside of class and higher-level thinking.*
- *I have checked the homework requirements for all my classes, and I am certain that I can handle the workload, along with my other commitments (school, family and extra-curricular).*
- *I understand the teaching schedule is created from student requests: therefore, I will not be allowed to drop any semester, or year-long, Honors, AP, or UW classes.*
- *I understand I am responsible for the completion of summer assignments prior to the first day of school. If I don't complete these assignments, I will remain in the class and my grade will be impacted.*
- *I understand I must pay approximately \$370 and textbook costs for UW High School courses to earn university credit.*
- *I understand I must pay approximately \$95 (unless I am on free/reduced lunch) if I elect to take an AP exam and potentially earn college credit.*

# Questions:

- Counselors are available every day before school and during lunch. Pop in and see us.
- Your teachers are smart! They can answer almost all registration questions. You see them in class everyday- just ask 😊
- See our Registration Q and A Sheet on the school website.
- Teachers are the experts about the classes offered in their subject area. If you have questions about a specific class or content area, ask your teacher who teaches that subject (ie what Science should I take next year? Ask your science teacher for their opinion).
- All registration materials are posted on our website for your review at any time.
