Camp staff are committed to inclusivity and building community for a safe, welcoming camp experience.

### Outstanding Facilities

Summer Friends takes place on the campus of Media-Providence Friends School, which has been providing an engaging academic program in a caring atmosphere for nearly 140 years. Campers enjoy air conditioned facilities, including a library, art and music studios, performance space, a fully equipped gym, and playground.

### Cancellation Policy

Camp registration is nonrefundable and there are no reductions in fees or reimbursements for days missed due to illness, vacation or any other reason.

## CAMP PROGRAM

Summer Friends provides children ages 3\*-10 with an opportunity to participate in weekly thematic units taught by experienced counselors and elementary teachers. Children enjoy the freedom of summer in a welcoming and relaxed environment. The campers at Summer Friends are free to explore, play, and express themselves in the safe community found year-round at Media-Providence Friends School.

Smaller groups allow for meaningful interaction with teachers as well as other children of similar ages and all activities are tailored for campers' developmental and physical levels. The children at Summer Friends participate in a wide variety of experiences that help them shape their vision of the people and the world around them. Onsite programs are complemented by special weekly presentations and field trips to nature centers, zoos, parks, and other local events. Twice weekly, campers age 5+ participate in instructional and recreational swimming at Knowlton Swim Club with certified water safety instructors.
