Electrician Technician

High Wage, High Voltage

Get yourself a head start in the field of electrical work. Juniors and seniors take classes taught by an electrician and earn Dual Credit from Houston Community College. By graduation, you can have a Level 1 Commercial Electrical Helper Certificate from Houston Community College. After school the choice is yours: transition to a registered apprenticeship program or go right to work.

CLASSES (DUAL CREDIT):

11th – Electrical Tech 1 and Project Based Research

12th – Electrical Tech 2

CERTIFICATION: HCC Level 1 Certificate

10660 Hammerly Blvd, Houston, TX 77043 713.251.1300
