

## 2024-2025 Tuition Information

### Value for the Tuition

Sayre School appreciates the financial commitment families make when choosing an independent school education. Sayre is dedicated to providing value for the tuition through the quality of its academic programs, faculty, facilities, arts and athletics, College Counseling services, counseling and character education, and inclusive school community.

### Bundled Tuition

Sayre School tuition includes many essential services and program elements. The bundled tuition structure provides two important family-friendly benefits: simplified billing and easier budgeting, especially for families who choose a monthly payment plan. ### Business Office Information

The school offers an optional Tuition Refund Plan that is billed separately at 1.9% of tuition. Given the annual tuition investment parents make, we strongly recommend that all parents take advantage of this protection.

As specified on the Enrollment Contract, enrollment may be canceled without penalty (except forfeiture of the reservation deposit) provided that cancellation notification is sent in writing to the Director of Admission on or before May 31, 2024. If a student is withdrawn after May 31, the responsible parent or guardian will be obligated to pay the full annual tuition charges.

Blackbaud Tuition Management (formerly Smart Tuition) charges a late fee of \$40 for accounts over 30 days and a ACH failed fee of \$30. If the balance is not paid within 60 days there will be an additional late charge by Sayre of 1.25% per month.

### Food Service

Lunch is included in tuition for all grades. The school's dining facility, The Thomas A. Grunwald Buttery, provides a wide variety of options that follow the school's Allergy Policy and Guidelines (available in the online Handbook). The Buttery uses fresh local meats and produce as much as possible, and the daily menu includes a featured entrée, pasta, sandwiches, vegetarian and vegan options, homemade soups, and a salad bar.

The Buttery offers breakfast items, drinks, and other snacks for purchase by Upper School students each morning. The Buttery accepts credit and debit cards including touchless pay options as well as cash.
