Board Chair

DAVID HUSSEY
Executive Director

Here is an overview for how students receive school meals. We take pride in the meals we can offer to attending students. Participating in school meals means we're providing vital nutrients to growing minds. We hope you'll choose to join us for breakfast and lunch!

Now let's go over what it's like to go through the lunch line.

Locations

Cafeteria items are served in multiple locations. Carts are located throughout the quad and serve limited options like pizza and a la carte menu items. The main lunch line is in front of the cafeteria (on the side of Anderson Hall), and we have multiple lunch lines on the side of the cafeteria (near the Exit Gate).

Student ID Cards

Every Student has a unique ID number and is provided with an ID card. Students need to have their ID card ready before going into the lunch line. If you forget or do not have your ID card, don't worry. Let the cashier know your Student ID number and they can look you up when you get to the register.

Choosing Your Meal Items

Chartwells Cafeteria staff members are available throughout the lunch line to assist you in choosing your meal items. If you have any questions, don't hesitate to ask, they are here to help. If it looks like your meal is missing a menu item, a friendly cafeteria staff member will offer you additional items to complete your meal.

The mission of ECRCHS is to prepare our diverse student body for the next phase of their educational, professional, and personal journey through a rigorous, customized academic program that inspires the development of students' unique talents and skills, builds character, and provides opportunities for civic engagement and real-world experiences.

Menus

The lunch menu is posted in the cafeteria. If you'd like to see meal options for the month, the monthly menu is posted online on our [website](#). Check the menu so you can see which days your favorite menu items are offered.

The items listed on the cafeteria menu are categorized by the type of foods we are required to offer.

- Meat or meat alternative
- Grains
- **Vegetables**
- **Fruits**
- Milk

You don't need to take everything that is offered, but you need to choose at least three servings of these food types in your meal to count as a complete lunch. One of those items must be a fruit or vegetable.
