2022-2023 School Accountability Report Card

(Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

Arroyo Verde Elementary School is a Title I school administered by the Redlands Unified School District, located in Redlands, California. Arroyo Verde Elementary serves approximately 530 transitional kindergarten through grade 5 students on a modified traditional schedule. The ethnic makeup of Arroyo Verde School includes: 55.09% - Hispanic; 18.87% - White; 9.81% - African American; 3.02% Filipino; 5.66% Asian - and 6.23% of other ethnicities. The free and reduced lunch program involves approximately 51.3% of students receiving free or reduced lunch. The participation of students in special programs are as follows: Limited and Non English Proficient: 5.5%; Special Education: 13.4%. The school is staffed with one full time Principal and an Assistant Principal. The staff of the school is made up of qualified, professional, and dedicated Certificated and Classified personnel.

During the last SBAC testing administration in 2023, the school-wide percentage of students meeting or exceeding standards in English Language Arts was 48.38%. In Math, the school-wide percentage was 39.07%. The staff and community of Arroyo Verde have high expectations for student achievement. Arroyo Verde is dedicated to educating every student in a way that prepares them for college. We are dedicated to three core beliefs: we are safe, we are character centered, and we are ready to learn. Arroyo Verde is implementing Positive Behavior Intervention and Supports (PBIS) as a way of collecting data and improving learning environments to accommodate all students as well as character education. Arroyo Verde is in Year 5 of AVID Elementary implementation and focused on increasing consistency across the school site..

Arroyo Verde School offers differentiated support for all students. Special Education Services offered at Arroyo Verde Elementary school consist of four full-time Specialized Academic Instruction Teachers (two Resource Specialists and two Special Day Class teachers), one full-time Speech and Language Pathologist, one part-time Speech and Language Pathologist, one part-time School Psychologist, and one full-time Elementary Counselor. With Special Education Students in primary grades we have the opportunity to use the inclusion model in which students are pushed back into the general education setting and out of a Special Day Classroom and supported in class with an instructional aide. One of our Resource Specialist supports these students and classroom teachers. One full-time credentialed teacher provides targeted support for 4th and 5th grade students in all areas of math. English Learners (EL) at Arroyo Verde School receive daily designated language instruction daily from their EL certificated teacher. Enrichment instruction is provided for all students in grades kindergarten through 5th grade. Enrichment is provided in the areas of Music, Art, and Physical Education.

The mission of Arroyo Verde Elementary School is to strengthen positive relationships between students, staff, families, and community. We are dedicated to fostering a dynamic, character centered school where 21st century academics are promoted through equitable, inclusive, and data driven practices which celebrate individual student successes.

The mission of Arroyo Verde Elementary supports that of the Redlands Unified School District, RUSD 2025 : EXCEL (Enhanced learning through Innovation, Excellence in Academics, Collaborative Community and Parent Partnerships, Equality through Equity, Learning Environments are Safe and Secure).

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and selects several publishers for school districts to adopt that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District by teachers and administrators. They review the materials at each site and have an opportunity to use texts prior to selection. Textbooks are reviewed and adopted, following the CDE’s textbook adoption cycle, approximately every seven years. Textbooks are adopted and purchased by the Redlands Unified School District. Copies of student text books are available at the Instructional Resource Center at the district office for parent review. All Redlands USD programs feature a variety of instructional materials and technology to enhance the instructional program for our students. Each student has available a copy of all necessary textbooks and curriculum materials in the classroom.

School Facility Conditions and Planned Improvements

The safety and cleanliness of the school's facilities is of utmost importance. The staff believes that all students and parents expect and deserve a clean, safe and healthy school environment. The school is fortunate to have both versatility and beauty which is displayed with murals that adorn the outdoor amphitheater and many outside walls. The handball walls also reflect our school pride and have been designed and painted by students, parents and local community artists.

The staff continues to build the community pride needed to enable us to maintain and improve our school facilities. Staff and parent members continue to meet and discuss long-range campus landscaping plans, which include large play structures, flowers, and new paint on walls and eaves.

Age of School Buildings

The construction of Arroyo Verde School was completed in November, 1990. The campus officially opened on November 14th when students and staff moved onto campus. The facility offers a variety of creative spaces that enhance the learning process. In addition to the 28 classrooms, the school consists of a library, a multipurpose room equipped with a stage and kitchen, an outdoor amphitheater, large group instruction areas in the courtyards, and individual instruction areas to meet the needs of speech and special education. The school also contains smaller rooms to accommodate storage of student textbooks and materials, custodial storage, teachers' lounge, and teachers' workroom. The entire campus is centrally air-conditioned and heated. Each classroom has been outfitted with a Newline Board to support interactive instruction.

Maintenance and Repairs

Site custodians monitor the campus for regular maintenance needs, and perform basic upkeep and repairs. Work orders are placed with the District Service Center as needed. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at www.redlands.k12.ca.us. The administration works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority.

Our two fulltime custodians and one part time custodian clean our classrooms, kitchen, and bathrooms daily.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

Mathematics (grades 3-8 and 11)	34	39	35	37	33	34

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parents and other community approved volunteers provide additional support services to the school in a variety of ways. Our school volunteers help us in the areas of: classroom volunteers, chaperones on field trips, and advisers on school and district committees. School and district committees consist of School Site Council, English Language Advisory Committee, African American Parent Advisory Committee and PTA. For more information about volunteering, SSC, ELAC, AAPAC and PTA please visit the school website at <https://www.redlandsusd.net/arroyoverde> .

2023-24 School Safety Plan

Arroyo Verde School utilizes data from its California Safe School Assessment, attendance and suspension/expulsion reports to evaluate the current status of school climate. A Safe School Plan is adopted each school year and is reflective of the school's safety needs. The Safe School Plan is reviewed, discussed, and revised in the spring along with the school plan. It is reviewed and discussed at parent events such as, School Site Council, AAPAC, and ELAC.

The key components of Arroyo Verde's Safe School Plan includes a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. Additionally, Arroyo Verde has forged a close working relationship with the San Bernardino County Sheriff's Department and Highland Fire Department to support and maintain a safe campus.

To ensure student safety before school, campus monitors, teachers, and the Principal supervise the school grounds including the bus drop-off area, cafeteria, and playground. During the school day all entrance areas to the school are locked with the exception of the entrance to the front office. All visitors must enter through the front office and obtain a visitor's pass after they are screened through our Raptor system. Arroyo Verde utilizes the Raptor visitor management system to increase safety protocols for students and staff. All classroom volunteers must be board approved before they can begin volunteering in the classrooms. In addition to Raptor screening, all field trip volunteers are finger printed.

After school, teachers release their students to the bus loading area or parent pick up line and a crossing guard ensures students cross the street safely. Teachers, campus monitors, and the Principal supervise the areas until all students have left the campus for home.

Fiscal Year 2022-23 Types of Services Funded

Arroyo Verde Elementary School receives both general and categorical funds that pay for support personnel, staff development, curriculum development, grade level collaboration, data team meetings and the purchase of materials to enhance the curriculum. Supplemental categorical funding sources come from the following: School-wide Title I, Title I, Part A, (parent involvement) Title III, Tier II LCAP funds, School Improvement and donations.

Title I is a federally funded program that provides remedial help for students in the areas of reading, language, and math. Intervention teacher salaries and materials are also covered by this fund as they meet the needs of our most academically challenged students. School Plan for Student Achievement (SPSA) is a state funded program for all students, Universal kindergarten through grade five. The funds from this program are used to provide supplemental materials and educational opportunities for students and instructional training for teachers. Our LCAP funds are provided on the basis of enrollment of students who demonstrate limited proficiency in English and are identified as economically disadvantaged. These funds provide materials to enrich experiences for students through visual and performing arts opportunities, Positive Behavior intervention System, AVID, STEM opportunities and materials aligned with the core instruction. All students receive instruction and support towards mastery of grade-level content standards utilizing a standards-based curriculum. In an effort to increase student mastery of essential state academic standards, students will be provided with several specific interventions to help them be successful in our district and state assessment programs. Teachers will receive detailed analysis of their students' achievement on each subsection of the SBAC utilizing the Edulastic Assessment system. Students will be assessed with formative and summative assessments and data will be reviewed in order to increase student growth and achievement.

Fiscal Year 2022-23 Types of Services Funded

Professional Development

On-going professional growth for staff is a priority at Arroyo Verde Elementary School. Through the School Based Coordinated Program, twelve partial school days and one full school day have been planned for the entire staff specifically at Arroyo Verde. In addition we have multiple optional hour long trainings across the school year that are targeted instructional practices based on teacher interest such as four for inclusion, six for mathematics book study and five new teacher training. Our paraprofessionals also attend three half day trainings during the school year by the district office. Grade levels meet and communicate on a regular basis in PLC meetings after school. Redlands Unified School District offers a wide variety of staff development for all teachers on a variety of topics including NGSS science standards, reading, math and writing instructional strategies, technology, classroom management, and meeting the needs of at-risk learners. All district and school training is aligned with the California Standards for the Teaching Profession. Additional in-service days have been used to analyze student data from the district-wide "Common Assessments," conduct grade level staff meetings, support professional learning communities, and plan for student intervention.

The focus of the 2023-2024 school year is instruction that engages and encourages all students' participation, integrating AVID strategies, Benchmark Phonics, math strategies, inclusion and STEM opportunities into classroom instruction continues to be a focus.
