## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

Lugonia Elementary School is one of the oldest established school names in California. The root name "Lugo" is the family name of a prominent rancher who farmed "Lugonia," a large parcel north of Redlands. The current school location, built in 1956, is the 3rd such school building to bear the Lugonia name. The current site's longevity has allowed up to 4 generations of students bearing the same family name to receive their elementary education from Lugonia Elementary School. Students continue to enjoy much success, having their educational beginnings at a school rich in history and tradition.

Today, Lugonia Elementary School is one of 16 elementary schools in the Redlands Unified School District. It has a student population of approximately 600 students in grades PK-5. Lugonia employs a highly qualified and experienced team of educators and paraprofessionals. School personnel consists of 27 general education classroom teachers, one and a half Specialized Academic Instruction (SAI) teachers, two Special Day Class (SDC) teachers (all preschool), one state preschool teacher, an assistant principal, and a principal. A school psychologist, a speech therapist and a elementary counselor are members of the staff on either a part-time/full-time basis. Lugonia children are also supported by the district enrichment teachers in physical education, art and music. In addition to the teaching staff, one school office manager, one clerk typist, and a part-time healthy start clerk and three intervention teachers.

The PreK-5 educational program follows the RUSD Board Adopted core curriculum. Faculty use school wide strategies that successfully help students develop skills in reading, writing, and math through active problem solving. We also provide an environment which develops self-worth, confidence, and character via PBIS (Positive Behavior Interventions) program.

Lugonia staff works as a Professional Learning Community focusing on student learning. Each Wednesday teachers meet for staff development or in collaborative groups to review current student achievement data to develop standards-based lessons, re-teach opportunities, and extension activities depending on the learning need of each child. By using brain-based instructional practices students master grade level essential standards as outlined in our school mission below.

An early childhood educational program was established on site during the 2001-2002 school year. It is comprised of two state preschool programs for 3 and 4-year-old students.

Lugonia offers intervention both during and after the school school which is available for students who need extra support in reading, math, and/or English language development. Lugonia has partnered with Clement Middle School and Redlands High School to establish a cross-age tutoring program to support our students. In 2022, Lugonia offered all students the opportunity to participate in the Extended Learning Opportunity Program (after-school).

Appreciation is extended to our volunteers, donors, and collaborators who include: Redlands Rotary who provides Breakfast and a Book once a month to foster reading in the home; The Assistance League of Redlands supports Lugonia families by providing basic school supplies and clothing when needed; The University of Redlands who provides us with America Reads tutors; Loma Linda Dental offers on-site dental care for uninsured families; Healthy Start and Building A Generation are a

resource to a myriad of services for students and families in need; and, United Way who provides identified students with "Weekend Nutrition Back-Packs."

### School Mission:

We, the educators at Lugonia Elementary School, are committed to providing a comprehensive instructional program for each student. This effort will give each individual the opportunity to develop the concepts and skills necessary to become an interacting member of an ever-changing society. This will be accomplished in a multicultural setting which promotes a good self-concept and positive feelings toward others.

## A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

### Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

### 2023-24 Quality, Currency, Availability of Textbooks and Other Instructional Materials

The California State Board of Education reviews elementary level textbooks and adopts those that meet standards defined in the State Frameworks. Textbooks are selected in the Redlands Unified School District through a committee of teachers and administrators.

All materials have been reviewed by teachers and administrators and pilot programs run at school sites prior to selection of each textbook. All core textbooks are State approved and aligned to the State content standards. Each year consumable materials are replaced and necessary growth and replacement materials are bought to assure all students including English

Learners has a State-adopted textbook or instructional materials to use in class and to take home to complete required homework assignments. Copies of student textbooks are available for parent review at the District Instructional Resource Center.

### School Facility Conditions and Planned Improvements

School and staff work hard to keep the campus clean and safe. All school facilities are in good repair, and a litter/graffiti-free environment is emphasized to students and staff. None of the eight emergency facilities needs specified in Education Code Section 17592.72 exist.

Below is more specific information on the condition of our school and the efforts made to continue ensure that students are provided with a clean safe and functional learning environment.

#### Age of School/Buildings:

Built in 1956, Lugonia Elementary school has 25 permanent classrooms. Since that time, there have been many changes including the addition of 8 relocatable classrooms have been made to the original school to accommodate more students and to beautify the campus.

#### Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. The governing board has adopted cleaning standards for all schools in RUSD. A summary of these standards is available at the school office, at the District Office, or at [www.redlands.k12.ca.us](http://www.redlands.k12.ca.us). The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District maintenance staff has indicated 100% of all toilets on school grounds are in working order during their last inspection done on November, 2021.

## School Facility Conditions and Planned Improvements

### Cleaning process and Schedule:

School site custodians clean bathrooms and preschool classrooms daily. Kinder through grade 5 classrooms are cleaned on an odd/even schedule (with trash emptied daily). The school district provides a grounds crew who work at Lugonia on a rotating schedule.

### Modernization Projects:

During the school year 2004-2005, local bond funds from Measure K were used at Lugonia. The appearance of our school has been enhanced by painting, additional landscaping, new playground equipment and a new shade structure. The classrooms, library, computer lab, and multipurpose room were freshly painted, new carpeting was installed, and classrooms received new white boards and additional bulletin board space. The entire school's computer/internet access has been updated with multiple access points for computers installed in each classroom. In addition, a new VoIP telephone system was installed. The new system provides a PA system for the school and a telephone with voice mail for all staff. In 2008-2009, Measure J Funds were used at Lugonia to provide additional fencing, security cameras, and parking lot improvements. In 2018-2019 the entire school received new carpeting as well as new flooring in the cafeteria. The entire school's computer/internet access was also updated through enhanced wireless access points and the the lighting on campus was updated. At the end of the 2020-2021 school year, new construction commenced on Lugonia's innovation lab, library and new classrooms with a completion date designated for January 2022. At the start of the 2022-23 school year, construction projects were completed and Lugonia acquired four new portable classrooms and a remodeled Innovation Lab.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	18	14	35	37	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## B. Pupil Outcomes

### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2022-23 California Physical Fitness Test Results

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT during 2021-22 and 2022-23 school years, only participation results are required for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Lugonia Elementary School encourages parents to be involved in their child's education by volunteering in classrooms, joining the PTA, serving as a member on our School Site Council, and/or English Language Advisory Committee. Various parenting classes are offered through Building a Generation. With the support of our PTA, we offer family events that include Back to School Night, Lugonia's Fall Festival, Family Math and Reading nights. Together, parents and teachers help make a difference in the lives of our children.

## 2023-24 School Safety Plan

Lugonia Elementary School utilizes data from its California Safe School Assessment and suspension/expulsion reports to evaluate the current status of school crime. A Safe School Plan is adopted in March of each school year and is reflective of the school's safety needs. This committee is comprised of parents and staff members as a means to help facilitate a more robust thought process for ensuring all safety components are addressed. The key components of Lugonia's Safe School Plan include a description of school discipline policies and procedures, dress code guidelines, suspension and expulsion policies, sexual harassment policies, child abuse reporting procedures, dangerous pupil notification, and disaster response procedures. The site assistant principal coordinates student behavior supports, supervises the preschool programs, and facilitates community support services to meet student needs.

### School Safety

To ensure student safety before school, campus monitors, teachers, and administrators supervise the school grounds including the cafeteria and playground. During the school day all entrance areas are locked with the exception of the front entrances located near the administrative office. The raptor system is also utilized with anyone who visits our campus. Signs are posted throughout the campus to indicate all visitors must report to the administrative office and may not be on school grounds unless the person has a visible Raptor pass.

Lugonia's boundaries allow students to walk to and from school. Two crossing guards stationed on two different streets ensure students cross the street safely. Campus monitors, teachers, and administrators supervise the area until all students have left the campus for home. Transportation is provided for our overflow students as well as students with special needs.

## Fiscal Year 2022-23 Types of Services Funded

The amount includes administrative, certificated, and classified personnel salaries, employee benefits, transportation, teaching aides, books, supplies, and equipment. Additionally, we have several categorically funded programs. Lugonia Elementary participates in four categorically funded programs: School Improvement Program (SIP); ESEA Title I; Title III; and EIA/LEP

### School Improvement Program (SIP)

This is a state funded program for all students, kindergarten through fifth grade. The funds from this program are used to provide supplemental materials and educational opportunities for students.

### ESEA Title I

Title I is a federally funded program for students in grades K-5. Lugonia services all students with funds from Title I. Title I funds support intervention teachers, additional campus monitor support for school safety, parent involvement activities, supplemental instructional materials, professional development, and other intervention programs to enrich the students academic careers.

### EIA/LEP (Limited English Proficiency)

LEP funds are provided on the basis of enrollment of students who demonstrate limited proficiency in English. These funds provide for services to English Learners to help them acquire English as a second language and grade level proficiency in all content areas. As a result our EL intervention teachers' salary, a portion of staff professional development; parent workshops; and supplemental classroom materials are funded through LEP funds.

2023-2024: Student Objectives

## Fiscal Year 2022-23 Types of Services Funded

- 1) It is expected that an additional 10% of Lugonia Students in grades 1-5 will achieve meets or exceeds standards in Language Arts on the SBAC and/or show growth reading growth as measured Lexia and/or STAR data.
- 2) It is expected that an additional 10% of Lugonia Students in grades 1-5 will achieve meets or exceeds standards in Math on the SBAC and/or demonstrate growth on STAR math assessments and/or district assessments.
- 3) It is expected that English Language Learners in K-5 will make one level of growth as measured on the ELPAC.

### Summary of Strengths

Lugonia's strength is a dedicated staff that works to meet the needs of a diverse school population. This professional learning community meets collaboratively to ensure student success. Resources have been allocated to establish a sound instructional core program. Staff training has been integrated into the professional day, with the staff readily willing to take advantage of every learning opportunity to ensure increased student achievement.

Each classroom is equipped with a cart of laptops supporting instruction and 21st century learning goals in the areas of language arts and math. The laptops also provide support in delivering supplemental instruction in the areas of language arts through the use of Lexia, and math through the use of programs like Freckle. Students receive daily reading and writing practice, math, science, and social studies instruction.

Lugonia has one of the best developed intervention programs anywhere. Following is a list of interventions currently offered at Lugonia:

- Preschool for 3 and 4 year old children.
- Support Program for Kindergarten through 5th grade at-risk students - small group instruction by the classroom teacher and/or one of the following: Clement MS Tutors, Redlands HS Tutors, America Reads Tutors, The River volunteer, Certificated Intervention Teachers.
- After School math tutoring is available for at-risk fourth and fifth grade students by a certificated teacher.
- Identified students are referred to the Intervention Study Team which assists parents and teachers with in-class small group instruction, modified assignments, etc.

### Critical Needs

- Mobility is a challenge for the Lugonia learning community.
- Parent volunteers are needed, especially at the primary levels.
- Continue to strengthen student Reading Comprehension through the use of current, research-based instructional practices.

### Two Year Student Objectives

- Student attendance will improve to 95% ADA.
- English language learners will make annual measurable achievement outcomes as measured by the ELPAC.
