

Peer Tutor Application

Peer tutors help their classmates with special needs. You might help in a special education classroom or go with a student out to one of their regular education classes.

Name:	Date:
Briefly describe why you are interested in the Peer Tutor program:	

Safety Disclaimer

Working in a special needs classroom means that there are safety risks. The adult staff members in the room have been trained to handle these risks appropriately. Students will not be purposefully placed into situations where their safety will be compromised, but there is always a risk. Peer tutor interactions with students with special needs will be supervised. Please sign below indicating you have read this safety disclaimer.
