

Camp Invention®

WHERE

BRIGHT IDEAS

COME TO LIFE

LEARN MORE AT [INVENT.ORG/CAMP](https://www.invent.org/camp)

Fifth graders build collaboration skills as they create their own sports ball, game board and brand.

Second graders explore STEM concepts through glowing circuitry and hands-on projects.

Fourth graders gain confidence while reverse engineering their robotic lab-on-wheels.

DISCOVER FUN ADVENTURES IN A TYPICAL DAY AT OUR ALL-NEW 2024 PROGRAM

A.M. BASE CAMP

Drop off your camper with qualified local educators who start each day with games that ignite creativity.

IN THE GAME™

Campers team up as they investigate the science of sports ball design and personalize a light-up game board, then add a unique logo and name!

LET'S GLOW™

When they build a customized Glow Box, campers discover different forms of light, finding inspiration in illuminating inventions and animals that glow!

GAMES & LUNCH

Half the campers head outside to play action-packed games while the others eat lunch — and then they switch.

OPERATION: HYDRODROP™

To cultivate awareness of real-world water challenges, campers engineer a tiny house with crops to explore water-based technology and sustainable design thinking.

PROTOTYPING STUDIO™

Campers get creative as they transform their ideas from initial sketches to working prototypes using everyday items.

P.M. BASE CAMP

The day wraps up as campers wind down with problem-solving games.

All images feature actual campers enjoying our new 2024 program.
