

## Non LMP Community School Participation Policy

Lake Mary Preparatory School (LMP) offers a wide variety of activities and experiences for students in grades K-12. Availability is reserved for currently enrolled students in Lake Mary Preparatory School, but on occasion, we have additional space due to interest in certain programs. When additional space becomes available, and there is interest beyond our LMP student population, the follow expectations must be met in order to enroll:

- All accounts must be paid in full prior to the start of a sport or program.
- Met all expectations of the coach and the Director of After School Activities.
- All non-LMP students will follow our student code of conduct.
- All non-LMP parent/guardian will follow our parent code of conduct and expectations.

Failure to meet any of the above expectations will result in immediate termination and no refund will be given. The student will also not be allowed to re-enroll in future activities as it relates to Community School and/or Intramural Sports.
